31-LS1348\K

SENATE BILL NO. 209

IN THE LEGISLATURE OF THE STATE OF ALASKA

THIRTY-FIRST LEGISLATURE - SECOND SESSION

BY SENATOR KIEHL

Introduced: 2/21/20 Referred: State Affairs, Finance

A BILL

FOR AN ACT ENTITLED

1 "An Act relating to state identifications and driver's licenses for persons in the custody 2 of the Department of Corrections; relating to the duties of the commissioner of 3 corrections; and providing for an effective date." BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF ALASKA: 4 5 * Section 1. AS 18.65.310 is amended by adding a new subsection to read: 6 (s) Upon request, the department shall mail a card issued under (a) of this 7 section to a Department of Corrections address provided by an applicant who is 8 serving an active term of imprisonment exceeding 120 days. 9 * Sec. 2. AS 28.15.101 is amended by adding a new subsection to read: 10 (e) Upon request, the department shall mail a driver's license renewed under 11 (c) of this section to a Department of Corrections address provided by a licensee who 12 is serving an active term of imprisonment exceeding 120 days. 13 * Sec. 3. AS 33.30.011(a) is amended to read: 14 (a) The commissioner shall

2 suitable for the custody, care, and discipline of persons charged or convicted of 3 offenses against the state or held under authority of state law; each correctional facility 4 operated by the state shall be established, maintained, operated, and controlled in a 5 manner that is consistent with AS 33.30.015; 6 (2) classify prisoners; 7 (3) for persons committed to the custody of the commissioner, 8 establish programs, including furlough programs that are reasonably calculated to 9 (A) protect the public and the victims of crimes committed by 10 prisoners; 11 (B) maintain health; 12 (C) create or improve occupational skills; 13 (D) enhance educational qualifications; 14 (E) support court-ordered restitution; and 15 (F) otherwise provide for the rehabilitation and reformation of 16 prisoners, facilitating their reintegration into society; 17 (A) medical services for prisoners in correctional facilities or 18 (A) medical services for prisoners will and eare at the time of 20 examinations for communicable and infectious diseases; 21 (B) psychological or psychiatric treatment if a physician or	1	(1) establish, maintain, operate, and control correctional facilities
4 operated by the state shall be established, maintained, operated, and controlled in a 5 manner that is consistent with AS 33.30.015; 6 (2) classify prisoners; 7 (3) for persons committed to the custody of the commissioner, 8 establish programs, including furlough programs that are reasonably calculated to 9 (A) protect the public and the victims of crimes committed by 10 prisoners; 11 (B) maintain health; 12 (C) create or improve occupational skills; 13 (D) enhance educational qualifications; 14 (E) support court-ordered restitution; and 15 (F) otherwise provide for the rehabilitation and reformation of 16 prisoners, facilitating their reintegration into society; 17 (A) medical services for prisoners in correctional facilities or 19 who are communicable and infectious diseases; 21 (B) psychological or psychiatric treatment if a physician or 23 observation, concludes that 24 (i) a prisoner exhibits symptoms of a serious disease or 25 injury that is curable or may be substantially alleviated; and 24 (ii) the potential for harm to the prisoner by reason	2	suitable for the custody, care, and discipline of persons charged or convicted of
5manner that is consistent with AS 33.30.015;6(2) classify prisoners;7(3) for persons committed to the custody of the commissioner,8establish programs, including furlough programs that are reasonably calculated to9(A) protect the public and the victims of crimes committed by10prisoners;11(B) maintain health;12(C) create or improve occupational skills;13(D) enhance educational qualifications;14(E) support court-ordered restitution; and15(F) otherwise provide for the rehabilitation and reformation of16prisoners, facilitating their reintegration into society;17(4) provide necessary18(A) medical services for prisoners in correctional facilities or20examinations for communicable and infectious diseases;21(B) psychological or psychiatric treatment if a physician or22other health care provider, exercising ordinary skill and care at the time of23observation, concludes that24(i) a prisoner exhibits symptoms of a serious disease or25injjury that is curable or may be substantially alleviated; and26(C) assessment or screening of the risks and needs of offenders29who may be vulnerable to harm, exploitation, or recidivism as a result of fetal30alcohol syndrome, fetal alcohol spectrum disorder, or another brain-based	3	offenses against the state or held under authority of state law; each correctional facility
6(2) classify prisoners;7(3) for persons committed to the custody of the commissioner,8establish programs, including furlough programs that are reasonably calculated to9(A) protect the public and the victims of crimes committed by10prisoners;11(B) maintain health;12(C) create or improve occupational skills;13(D) enhance educational qualifications;14(E) support court-ordered restitution; and15(F) otherwise provide for the rehabilitation and reformation of16prisoners, facilitating their reintegration into society;17(4) provide necessary18(A) medical services for prisoners in correctional facilities or20examinations for communicable and infectious diseases;21(B) psychological or psychiatric treatment if a physician or23other health care provider, exercising ordinary skill and care at the time of24(i) a prisoner exhibits symptoms of a serious disease or25injury that is curable or may be substantially alleviated; and26(ii) the potential for harm to the prisoner by reason of27delay or denial of care is substantial; and28(C) assessment or screening of the risks and needs of offenders29who may be vulnerable to harm, exploitation, or recidivism as a result of fetal30alcohol syndrome, fetal alcohol spectrum disorder, or another brain-based	4	operated by the state shall be established, maintained, operated, and controlled in a
7(3) for persons committed to the custody of the commissioner,8establish programs, including furlough programs that are reasonably calculated to9(A) protect the public and the victims of crimes committed by10prisoners;11(B) maintain health;12(C) create or improve occupational skills;13(D) enhance educational qualifications;14(E) support court-ordered restitution; and15(F) otherwise provide for the rehabilitation and reformation of16prisoners, facilitating their reintegration into society;17(4) provide necessary18(A) medical services for prisoners in correctional facilities or20examinations for communicable and infectious diseases;21(B) psychological or psychiatric treatment if a physician or22other health care provider, exercising ordinary skill and care at the time of23observation, concludes that24(i) a prisoner exhibits symptoms of a serious disease or25injury that is curable or may be substantially alleviated; and26(ii) the potential for harm to the prisoner by reason of27delay or denial of care is substantial; and28(C) assessment or screening of the risks and needs of offenders29who may be vulnerable to harm, exploitation, or recidivism as a result of fetal30alcohol syndrome, fetal alcohol spectrum disorder, or another brain-based	5	manner that is consistent with AS 33.30.015;
8establish programs, including furlough programs that are reasonably calculated to9(A) protect the public and the victims of crimes committed by10prisoners;11(B) maintain health;12(C) create or improve occupational skills;13(D) enhance educational qualifications;14(E) support court-ordered restitution; and15(F) otherwise provide for the rehabilitation and reformation of16prisoners, facilitating their reintegration into society;17(A) medical services for prisoners in correctional facilities or19who are committed by a court to the custody of the commissioner, including20examinations for communicable and infectious diseases;21(B) psychological or psychiatric treatment if a physician or22other health care provider, exercising ordinary skill and care at the time of23observation, concludes that24(i) a prisoner exhibits symptoms of a serious disease or25injury that is curable or may be substantially alleviated; and26(C) assessment or screening of the risks and needs of offenders29who may be vulnerable to harm, exploitation, or recidivism as a result of fetal30alcohol syndrome, fetal alcohol spectrum disorder, or another brain-based	6	(2) classify prisoners;
9(A) protect the public and the victims of crimes committed by10prisoners;11(B) maintain health;12(C) create or improve occupational skills;13(D) enhance educational qualifications;14(E) support court-ordered restitution; and15(F) otherwise provide for the rehabilitation and reformation of16prisoners, facilitating their reintegration into society;17(4) provide necessary18(A) medical services for prisoners in correctional facilities or19who are committed by a court to the custody of the commissioner, including20examinations for communicable and infectious diseases;21(B) psychological or psychiatric treatment if a physician or23observation, concludes that24(i) a prisoner exhibits symptoms of a serious disease or25injury that is curable or may be substantially alleviated; and26(ii) the potential for harm to the prisoner by reason of27delay or denial of care is substantial; and28(C) assessment or screening of the risks and needs of offenders29who may be vulnerable to harm, exploitation, or recidivism as a result of fetal30alcohol syndrome, fetal alcohol spectrum disorder, or another brain-based	7	(3) for persons committed to the custody of the commissioner,
10prisoners;11(B) maintain health;12(C) create or improve occupational skills;13(D) enhance educational qualifications;14(E) support court-ordered restitution; and15(F) otherwise provide for the rehabilitation and reformation of16prisoners, facilitating their reintegration into society;17(A) provide necessary18(A) medical services for prisoners in correctional facilities or19who are committed by a court to the custody of the commissioner, including20examinations for communicable and infectious diseases;21(B) psychological or psychiatric treatment if a physician or23observation, concludes that24(i) a prisoner exhibits symptoms of a serious disease or25injury that is curable or may be substantially alleviated; and26(ii) the potential for harm to the prisoner by reason of27delay or denial of care is substantial; and28(C) assessment or screening of the risks and needs of offenders29who may be vulnerable to harm, exploitation, or recidivism as a result of fetal30alcohol syndrome, fetal alcohol spectrum disorder, or another brain-based	8	establish programs, including furlough programs that are reasonably calculated to
11(B) maintain health;12(C) create or improve occupational skills;13(D) enhance educational qualifications;14(E) support court-ordered restitution; and15(F) otherwise provide for the rehabilitation and reformation of16prisoners, facilitating their reintegration into society;17(4) provide necessary18(A) medical services for prisoners in correctional facilities or19who are committed by a court to the custody of the commissioner, including20examinations for communicable and infectious diseases;21(B) psychological or psychiatric treatment if a physician or23other health care provider, exercising ordinary skill and care at the time of23observation, concludes that24(i) a prisoner exhibits symptoms of a serious disease or25injury that is curable or may be substantially alleviated; and26(ii) the potential for harm to the prisoner by reason of27delay or denial of care is substantial; and28(C) assessment or screening of the risks and needs of offenders29who may be vulnerable to harm, exploitation, or recidivism as a result of fetal30alcohol syndrome, fetal alcohol spectrum disorder, or another brain-based	9	(A) protect the public and the victims of crimes committed by
12(C) create or improve occupational skills;13(D) enhance educational qualifications;14(E) support court-ordered restitution; and15(F) otherwise provide for the rehabilitation and reformation of16prisoners, facilitating their reintegration into society;17(4) provide necessary18(A) medical services for prisoners in correctional facilities or19who are commuted by a court to the custody of the commissioner, including20examinations for communicable and infectious diseases;21(B) psychological or psychiatric treatment if a physician or22other health care provider, exercising ordinary skill and care at the time of23observation, concludes that24(i) a prisoner exhibits symptoms of a serious disease or25injury that is curable or may be substantially alleviated; and26(c) assessment or screening of the risks and needs of offenders29who may be vulnerable to harm, exploitation, or recidivism as a result of fetal30alcohol syndrome, fetal alcohol spectrum disorder, or another brain-based	10	prisoners;
13(D) enhance educational qualifications;14(E) support court-ordered restitution; and15(F) otherwise provide for the rehabilitation and reformation of16prisoners, facilitating their reintegration into society;17(4) provide necessary18(A) medical services for prisoners in correctional facilities or19who are committed by a court to the custody of the commissioner, including20examinations for communicable and infectious diseases;21(B) psychological or psychiatric treatment if a physician or22other health care provider, exercising ordinary skill and care at the time of23observation, concludes that24(i) a prisoner exhibits symptoms of a serious disease or25injury that is curable or may be substantially alleviated; and26(ii) the potential for harm to the prisoner by reason of27delay or denial of care is substantial; and28(C) assessment or screening of the risks and needs of offenders29who may be vulnerable to harm, exploitation, or recidivism as a result of fetal30alcohol syndrome, fetal alcohol spectrum disorder, or another brain-based	11	(B) maintain health;
14(E) support court-ordered restitution; and15(F) otherwise provide for the rehabilitation and reformation of16prisoners, facilitating their reintegration into society;17(4) provide necessary18(A) medical services for prisoners in correctional facilities or19who are committed by a court to the custody of the commissioner, including20examinations for communicable and infectious diseases;21(B) psychological or psychiatric treatment if a physician or22other health care provider, exercising ordinary skill and care at the time of23observation, concludes that24(i) a prisoner exhibits symptoms of a serious disease or25injury that is curable or may be substantially alleviated; and26(ii) the potential for harm to the prisoner by reason of27delay or denial of care is substantial; and28(C) assessment or screening of the risks and needs of offenders29who may be vulnerable to harm, exploitation, or recidivism as a result of fetal30alcohol syndrome, fetal alcohol spectrum disorder, or another brain-based	12	(C) create or improve occupational skills;
15(F) otherwise provide for the rehabilitation and reformation of16prisoners, facilitating their reintegration into society;17(4) provide necessary18(A) medical services for prisoners in correctional facilities or19who are committed by a court to the custody of the commissioner, including20examinations for communicable and infectious diseases;21(B) psychological or psychiatric treatment if a physician or22other health care provider, exercising ordinary skill and care at the time of23observation, concludes that24(i) a prisoner exhibits symptoms of a serious disease or25injury that is curable or may be substantially alleviated; and26(ii) the potential for harm to the prisoner by reason of27delay or denial of care is substantial; and28(C) assessment or screening of the risks and needs of offenders29who may be vulnerable to harm, exploitation, or recidivism as a result of fetal30alcohol syndrome, fetal alcohol spectrum disorder, or another brain-based	13	(D) enhance educational qualifications;
16prisoners, facilitating their reintegration into society;17(4) provide necessary18(A) medical services for prisoners in correctional facilities or19who are committed by a court to the custody of the commissioner, including20examinations for communicable and infectious diseases;21(B) psychological or psychiatric treatment if a physician or22other health care provider, exercising ordinary skill and care at the time of23observation, concludes that24(i) a prisoner exhibits symptoms of a serious disease or25injury that is curable or may be substantially alleviated; and26(ii) the potential for harm to the prisoner by reason of27delay or denial of care is substantial; and28(C) assessment or screening of the risks and needs of offenders29who may be vulnerable to harm, exploitation, or recidivism as a result of fetal30alcohol syndrome, fetal alcohol spectrum disorder, or another brain-based	14	(E) support court-ordered restitution; and
17(4) provide necessary18(A) medical services for prisoners in correctional facilities or19who are committed by a court to the custody of the commissioner, including20examinations for communicable and infectious diseases;21(B) psychological or psychiatric treatment if a physician or22other health care provider, exercising ordinary skill and care at the time of23observation, concludes that24(i) a prisoner exhibits symptoms of a serious disease or25injury that is curable or may be substantially alleviated; and26(ii) the potential for harm to the prisoner by reason of27delay or denial of care is substantial; and28(C) assessment or screening of the risks and needs of offenders29who may be vulnerable to harm, exploitation, or recidivism as a result of fetal30alcohol syndrome, fetal alcohol spectrum disorder, or another brain-based	15	(F) otherwise provide for the rehabilitation and reformation of
18(A) medical services for prisoners in correctional facilities or19who are committed by a court to the custody of the commissioner, including20examinations for communicable and infectious diseases;21(B) psychological or psychiatric treatment if a physician or22other health care provider, exercising ordinary skill and care at the time of23observation, concludes that24(i) a prisoner exhibits symptoms of a serious disease or25injury that is curable or may be substantially alleviated; and26(ii) the potential for harm to the prisoner by reason of27delay or denial of care is substantial; and28(C) assessment or screening of the risks and needs of offenders29who may be vulnerable to harm, exploitation, or recidivism as a result of fetal30alcohol syndrome, fetal alcohol spectrum disorder, or another brain-based	16	prisoners, facilitating their reintegration into society;
19who are committed by a court to the custody of the commissioner, including20examinations for communicable and infectious diseases;21(B) psychological or psychiatric treatment if a physician or22other health care provider, exercising ordinary skill and care at the time of23observation, concludes that24(i) a prisoner exhibits symptoms of a serious disease or25injury that is curable or may be substantially alleviated; and26(ii) the potential for harm to the prisoner by reason of27delay or denial of care is substantial; and28(C) assessment or screening of the risks and needs of offenders29who may be vulnerable to harm, exploitation, or recidivism as a result of fetal30alcohol syndrome, fetal alcohol spectrum disorder, or another brain-based	17	(4) provide necessary
20examinations for communicable and infectious diseases;21(B) psychological or psychiatric treatment if a physician or22other health care provider, exercising ordinary skill and care at the time of23observation, concludes that24(i) a prisoner exhibits symptoms of a serious disease or25injury that is curable or may be substantially alleviated; and26(ii) the potential for harm to the prisoner by reason of27delay or denial of care is substantial; and28(C) assessment or screening of the risks and needs of offenders29who may be vulnerable to harm, exploitation, or recidivism as a result of fetal30alcohol syndrome, fetal alcohol spectrum disorder, or another brain-based	18	(A) medical services for prisoners in correctional facilities or
 (B) psychological or psychiatric treatment if a physician or other health care provider, exercising ordinary skill and care at the time of observation, concludes that (i) a prisoner exhibits symptoms of a serious disease or injury that is curable or may be substantially alleviated; and (ii) the potential for harm to the prisoner by reason of delay or denial of care is substantial; and (C) assessment or screening of the risks and needs of offenders who may be vulnerable to harm, exploitation, or recidivism as a result of fetal alcohol syndrome, fetal alcohol spectrum disorder, or another brain-based 	19	who are committed by a court to the custody of the commissioner, including
22other health care provider, exercising ordinary skill and care at the time of23observation, concludes that24(i) a prisoner exhibits symptoms of a serious disease or25injury that is curable or may be substantially alleviated; and26(ii) the potential for harm to the prisoner by reason of27delay or denial of care is substantial; and28(C) assessment or screening of the risks and needs of offenders29who may be vulnerable to harm, exploitation, or recidivism as a result of fetal30alcohol syndrome, fetal alcohol spectrum disorder, or another brain-based	20	examinations for communicable and infectious diseases;
 observation, concludes that (i) a prisoner exhibits symptoms of a serious disease or injury that is curable or may be substantially alleviated; and (ii) the potential for harm to the prisoner by reason of delay or denial of care is substantial; and (C) assessment or screening of the risks and needs of offenders who may be vulnerable to harm, exploitation, or recidivism as a result of fetal alcohol syndrome, fetal alcohol spectrum disorder, or another brain-based 	21	(B) psychological or psychiatric treatment if a physician or
 (i) a prisoner exhibits symptoms of a serious disease or injury that is curable or may be substantially alleviated; and (ii) the potential for harm to the prisoner by reason of delay or denial of care is substantial; and (C) assessment or screening of the risks and needs of offenders who may be vulnerable to harm, exploitation, or recidivism as a result of fetal alcohol syndrome, fetal alcohol spectrum disorder, or another brain-based 	22	other health care provider, exercising ordinary skill and care at the time of
 injury that is curable or may be substantially alleviated; and (ii) the potential for harm to the prisoner by reason of delay or denial of care is substantial; and (C) assessment or screening of the risks and needs of offenders who may be vulnerable to harm, exploitation, or recidivism as a result of fetal alcohol syndrome, fetal alcohol spectrum disorder, or another brain-based 	23	observation, concludes that
 26 (ii) the potential for harm to the prisoner by reason of 27 delay or denial of care is substantial; and 28 (C) assessment or screening of the risks and needs of offenders 29 who may be vulnerable to harm, exploitation, or recidivism as a result of fetal 30 alcohol syndrome, fetal alcohol spectrum disorder, or another brain-based 	24	(i) a prisoner exhibits symptoms of a serious disease or
27delay or denial of care is substantial; and28(C) assessment or screening of the risks and needs of offenders29who may be vulnerable to harm, exploitation, or recidivism as a result of fetal30alcohol syndrome, fetal alcohol spectrum disorder, or another brain-based	25	injury that is curable or may be substantially alleviated; and
 (C) assessment or screening of the risks and needs of offenders who may be vulnerable to harm, exploitation, or recidivism as a result of fetal alcohol syndrome, fetal alcohol spectrum disorder, or another brain-based 	26	(ii) the potential for harm to the prisoner by reason of
 who may be vulnerable to harm, exploitation, or recidivism as a result of fetal alcohol syndrome, fetal alcohol spectrum disorder, or another brain-based 	27	delay or denial of care is substantial; and
30 alcohol syndrome, fetal alcohol spectrum disorder, or another brain-based	28	(C) assessment or screening of the risks and needs of offenders
	29	who may be vulnerable to harm, exploitation, or recidivism as a result of fetal
31 disorder;	30	alcohol syndrome, fetal alcohol spectrum disorder, or another brain-based
	31	disorder;

1	(5) establish minimum standards for sex offender treatment programs
2	offered to persons who are committed to the custody of the commissioner;
3	(6) provide for fingerprinting in correctional facilities in accordance
4	with AS 12.80.060;
5	(7) establish a program to conduct assessments of the risks and needs
6	of offenders sentenced to serve a term of incarceration of 90 days or more; the
7	program must include a requirement for an assessment before a prisoner's release on
8	parole, furlough, or electronic monitoring from a correctional facility;
9	(8) establish a procedure that provides for each prisoner required to
10	serve an active term of imprisonment of 90 days or more a written case plan that
11	(A) takes effect and is provided to the prisoner within 90 days
12	after sentencing;
13	(B) is based on the results of the assessment of the prisoner's
14	risks and needs under (7) of this subsection;
15	(C) includes a requirement to follow the rules of the institution;
16	(D) is modified when necessary for changes in classification,
17	housing status, medical or mental health, and resource availability;
18	(E) includes participation in programming that addresses the
19	needs identified in the assessment;
20	(9) establish a program to begin reentry planning with each prisoner
21	serving an active term of imprisonment of 90 days or more; reentry planning must
22	begin at least 90 days before release on furlough or probation or parole; the reentry
23	program must include
24	(A) a written reentry plan for each prisoner completed upon
25	release on furlough or probation or parole that includes information on the
26	prisoner's proposed
27	(i) residence;
28	(ii) employment or alternative means of support;
29	(iii) treatment options;
30	(iv) counseling services;
31	(v) education or job training services;

1	(B) any other requirements for successful transition back to the
2	community, including electronic monitoring or furlough for the period between
3	a scheduled parole hearing and parole eligibility;
4	(C) coordination with the Department of Labor and Workforce
5	Development to provide access, after release, to job training and employment
6	assistance; and
7	(D) coordination with community reentry coalitions or other
8	providers of reentry services if available;
9	(10) for offenders under electronic monitoring, establish
10	(A) minimum standards for electronic monitoring, which may
11	include the requirement of active, real-time monitoring using global
12	positioning systems; and
13	(B) procedures for oversight and approving electronic
14	monitoring programs and systems provided by private contractors;
15	(11) assist a prisoner in obtaining a valid state identification card if the
16	prisoner does not have a valid state identification card before the prisoner's release; if
17	a prisoner is serving an active term of imprisonment exceeding 120 days, the
18	<u>commissioner shall make a good faith effort, in consultation with the</u>
19	commissioner of administration, to ensure the prisoner has a state identification
20	card upon the prisoner's release; the department shall pay the application fee for the
21	identification card; and
22	(12) provide to the legislature, by electronic means, by January 10
23	preceding the first regular session of each legislature, a report summarizing the
24	findings and results of the program established under (7) of this subsection; the report
25	must include
26	(A) the number of prisoners who were provided with written
27	case plans under (8) of this subsection;
28	(B) the number of written case plans under (8) of this
29	subsection initiated within the preceding year; and
30	(C) the number of written case plans under (8) of this
31	subsection that were updated in the preceding year.

1	* Sec. 4. AS 33.30.095(b) is amended to read:
2	(b) The program established under (a) of this section must include
3	(1) instruction on
4	[(A) OBTAINING STATE IDENTIFICATION;
5	(B)] community resources available for housing, employment,
6	and treatment;
7	(2) an individualized reentry plan under AS 33.30.011(a)(9) for the
8	prisoner;
9	(3) probation and parole orientation, if appropriate; and
10	(4) a partnership with one or more nonprofit organizations to allow
11	access to a prisoner before the prisoner's discharge, release, or furlough to assist the
12	prisoner with the prisoner's application for Medicaid, social security benefits, public
13	assistance under AS 47.25, and a state identification card or driver's license and
14	provide other programs to assist the prisoner's transition into the community, promote
15	rehabilitation, and reduce recidivism.
16	* Sec. 5. This Act takes effect January 1, 2021.
