SB323

1	SB323
2	
3	
4	With Notice and Proof
5	
6	ENROLLED, An Act,
7	To alter, rearrange, and extend the boundary lines
8	and corporate limits of the City of Alexander City in
9	Tallapoosa County.
10	BE IT ENACTED BY THE LEGISLATURE OF ALABAMA:
11	Section 1. The boundary lines and corporate limits
12	of the municipality of City of Alexander City in Tallapoosa
13	County are altered, rearranged, and extended to include within
14	the corporate limits of the municipality, in addition to the
15	lands now included, all of the following territory:
16	TRACT 1
17	IN TOWNSHIP 22 NORTH, RANGE 21 EAST, TALLAPOOSA
18	COUNTY, ALABAMA, All of the Southwest 1/4 of Section 27; all
19	of the Northwest $1/4$ of Section 34 lying North of the South
20	ROW of Alabama Highway 128; all of the Northeast 1/4 of
21	Section 28; all of the East 1/2 of the Southeast 1/4 of
22	Section 28; and all of the Northeast 1/4 of the Southeast 1/4
23	of Section 28; all of the South 1/2 of Section 6 not currently
24	in the city limits.
25	TRACT 2

lying above that certain contour (commonly known as the 490 foot contour) which was established from the elevation of that certain bench mark on the West side of the Tallapoosa River established by the Alabama Interstate Power Company on the North line of Section 36, Township 20 North, Range 21 East, Elmore County, Alabama, 910.6 feet, more or less, East of the Northwest corner of Fraction G of said Section 36, the elevation of said bench mark being 150.214 feet above a stage of said river fixed upon as low water by said Alabama Interstate Power Company and 148.786 feet below that certain bench mark established by the United States Geological Survey	1	IN TOWNSHIP 22 NORTH, RANGE 22 EAST, TALLAPOOSA
foot contour) which was established from the elevation of that certain bench mark on the West side of the Tallapoosa River established by the Alabama Interstate Power Company on the North line of Section 36, Township 20 North, Range 21 East, Elmore County, Alabama, 910.6 feet, more or less, East of the Northwest corner of Fraction G of said Section 36, the elevation of said bench mark being 150.214 feet above a stage of said river fixed upon as low water by said Alabama Interstate Power Company and 148.786 feet below that certain bench mark established by the United States Geological Survey in Township 20 North, Range 21 East in road forks to Dadeville	2	COUNTY, ALABAMA, All that part of the following described land
certain bench mark on the West side of the Tallapoosa River established by the Alabama Interstate Power Company on the North line of Section 36, Township 20 North, Range 21 East, Elmore County, Alabama, 910.6 feet, more or less, East of the Northwest corner of Fraction G of said Section 36, the elevation of said bench mark being 150.214 feet above a stage of said river fixed upon as low water by said Alabama Interstate Power Company and 148.786 feet below that certain bench mark established by the United States Geological Survey in Township 20 North, Range 21 East in road forks to Dadeville	3	lying above that certain contour (commonly known as the 490
established by the Alabama Interstate Power Company on the North line of Section 36, Township 20 North, Range 21 East, Elmore County, Alabama, 910.6 feet, more or less, East of the Northwest corner of Fraction G of said Section 36, the elevation of said bench mark being 150.214 feet above a stage of said river fixed upon as low water by said Alabama Interstate Power Company and 148.786 feet below that certain bench mark established by the United States Geological Survey in Township 20 North, Range 21 East in road forks to Dadeville	4	foot contour) which was established from the elevation of that
North line of Section 36, Township 20 North, Range 21 East, Elmore County, Alabama, 910.6 feet, more or less, East of the Northwest corner of Fraction G of said Section 36, the elevation of said bench mark being 150.214 feet above a stage of said river fixed upon as low water by said Alabama Interstate Power Company and 148.786 feet below that certain bench mark established by the United States Geological Survey in Township 20 North, Range 21 East in road forks to Dadeville	5	certain bench mark on the West side of the Tallapoosa River
Elmore County, Alabama, 910.6 feet, more or less, East of the Northwest corner of Fraction G of said Section 36, the elevation of said bench mark being 150.214 feet above a stage of said river fixed upon as low water by said Alabama Interstate Power Company and 148.786 feet below that certain bench mark established by the United States Geological Survey in Township 20 North, Range 21 East in road forks to Dadeville	6	established by the Alabama Interstate Power Company on the
Northwest corner of Fraction G of said Section 36, the elevation of said bench mark being 150.214 feet above a stage of said river fixed upon as low water by said Alabama Interstate Power Company and 148.786 feet below that certain bench mark established by the United States Geological Survey in Township 20 North, Range 21 East in road forks to Dadeville	7	North line of Section 36, Township 20 North, Range 21 East,
elevation of said bench mark being 150.214 feet above a stage of said river fixed upon as low water by said Alabama Interstate Power Company and 148.786 feet below that certain bench mark established by the United States Geological Survey in Township 20 North, Range 21 East in road forks to Dadeville	8	Elmore County, Alabama, 910.6 feet, more or less, East of the
of said river fixed upon as low water by said Alabama Interstate Power Company and 148.786 feet below that certain bench mark established by the United States Geological Survey in Township 20 North, Range 21 East in road forks to Dadeville	9	Northwest corner of Fraction G of said Section 36, the
Interstate Power Company and 148.786 feet below that certain bench mark established by the United States Geological Survey in Township 20 North, Range 21 East in road forks to Dadeville	10	elevation of said bench mark being 150.214 feet above a stage
bench mark established by the United States Geological Survey in Township 20 North, Range 21 East in road forks to Dadeville	11	of said river fixed upon as low water by said Alabama
