36 (a) The General Assembly finds that:

1           (1) The Arkansas Delta is an area that is medically underserved  
2 and has some of the worst health outcomes in our state, with a large number  
3 of recipients who are in the top quartile of costs;

4           (2)(A) There has been much success in other states, particularly  
5 in the Louisiana Delta with improvements in health outcomes and saving money  
6 through the use of an intensive care-coordination, shared-savings model of  
7 care.

8           (B) This success has come through contracting with private  
9 companies that specialize in working with those individuals who meet certain  
10 criteria and are at a minimum in the top quartile of costs to the Medicaid  
11 program;

12           (3) Medicaid is one of the largest percentage expenditures of  
13 Arkansas tax dollars, and there is a need for reforming approaches to the use  
14 of these dollars; and

15           (4) The approach created in this section to dealing with this  
16 population has never been implemented in Arkansas.

17           (b)(1)(A) The Department of Human Services shall contract with an  
18 experienced vendor to implement a two-year Medicaid Primary Care Case  
19 Management shared-savings pilot program in the Arkansas Delta region to begin  
20 January 1, 2014.

21           (B) The department shall give preference to a vendor that:

22           (i) Demonstrates experience with the type of model  
23 established under this section in the type of geographic area specified in  
24 subsection (e) of this section;

25           (ii) Has demonstrated customer satisfaction as  
26 documented through independent Consumer Assessment of Healthcare Providers  
27 and Systems survey; and

28           (iii) Maintains a Utilization Review Accreditation  
29 Commission accreditation for its Health Utilization Management and Case  
30 Management programs.

31           (2) The pilot program shall encompass a minimum of five thousand  
32 (5,000) recipients who:

33           (A) Are not currently in the Arkansas Patient-Centered  
34 Medical Home Program, the federal Comprehensive Primary Care Initiative, or a  
35 similar home health program;

36           (B)(i) Have catastrophic or chronic conditions as defined

1 by the Johns Hopkins Adjusted Clinical Groups System; or

2 (ii) Are women with a history of past high-risk  
3 pregnancies, poor birth outcomes or preterm deliveries; and

4 (C) Whose estimated costs are in the top quartile for  
5 their defined population.

6 (c) The vendor shall recruit an adequate number of primary care  
7 clinics to initiate the program.

8 (d) The Medicaid Primary Care Case Management shared savings pilot  
9 program shall exclude the Alternatives for Persons with Disabilities, the  
10 Division of Developmental Disabilities Services Alternative Community  
11 Services, Elder Choices, Living Choices Assisted Living waivers, and members  
12 of the Program of All-Inclusive Care for the Elderly.

13 (e) The Medicaid Primary Care Case Management program shared savings

15 counties:

19 (f) The department shall require that a contracting vendor generate  
 20 savings in comparison to a risk-adjusted Arkansas Fee-For-Service benchmark.

21 (g) The per-member monthly fee paid to the vendor shall not decrease  
 22 the current primary care case management fee paid to the primary care  
 23 providers.

24 (h)(1) Savings realized under the Medicaid Primary Care Case  
 25 Management program shall be shared:

26 (A) Thirty-four percent (34%) with the department; and

27 (B)(i) Sixty-six percent (66%) with the Medicaid Primary  
 28 Care Case Management shared-savings pilot program vendor up to a maximum  
 29 sharing cap of five percent (5%) of the total cost of administrative and  
 30 health service expenditures as defined by the Centers for Medicare and  
 31 Medicaid Service.

32 (ii) Further, fifty percent (50%) of savings  
 33 received by the vendor shall be shared with eligible contracted network

35 (2) Twenty five percent (25%) of the Medicaid Primary Care Case  
 36 Management shared-savings pilot program vendor's administrative per member

1 per month fee shall be at risk and shall be paid back to the state if savings  
2 are not realized.

3 (i)(1) After the Medicaid Primary Care Case Management shared-savings  
4 pilot program has operated for fifteen (15) months, the department shall  
5 utilize an agreed upon savings algorithm to calculate savings based on the  
6 first twelve (12) months of operations, allowing three (3) months of run-out.

7 (2)(A) Savings shall be disbursed within thirty (30) calendar  
8 days of final calculation.

9 (B) After the initial year of operation, savings shall be  
10 calculated on a quarterly basis.

11 (j) This section does not conflict with or reduce the Medicaid

13 (k)(1) This section does not require a physician to participate in the  
14 pilot program created under this section.

15 (2) A physician has the right to refuse to contract under the  
16 pilot program created under this section or to terminate the contract at any  
17 time without penalty.

18 (l) If requested, the vendor shall agree to support any contracted  
19 physician in meeting the requirements of the Arkansas Patient-Centered  
20 Medicaid Home model.

21 The provisions of this section shall be in effect only from July 1, ~~2013~~  
22 2014 through June 30, ~~2014~~ 2015.

23  
24 SECTION 12. COMPLIANCE WITH OTHER LAWS. Disbursement of funds  
25 authorized by this act shall be limited to the appropriation for such agency  
26 and funds made available by law for the support of such appropriations; and  
27 the restrictions of the State Procurement Law, the General Accounting and  
28 Budgetary Procedures Law, the Revenue Stabilization Law, the Regular Salary  
29 Procedures and Restrictions Act, or their successors, and other fiscal  
30 control laws of this State, where applicable, and regulations promulgated by

32 strictly complied with in disbursement of said funds.

33  
34 SECTION 13. LEGISLATIVE INTENT. It is the intent of the General  
35 Assembly that any funds disbursed under the authority of the appropriations

6

7 SECTION 14. EMERGENCY CLAUSE. It is found and determined by the  
8 General Assembly, that the Constitution of the State of Arkansas prohibits  
9 the appropriation of funds for more than a one (1) year period; that the  
10 effectiveness of this Act on July 1, 2014 is essential to the operation of  
11 the agency for which the appropriations in this Act are provided, and that in  
12 the event of an extension of the legislative session, the delay in the  
13 effective date of this Act beyond July 1, 2014 could work irreparable harm  
14 upon the proper administration and provision of essential governmental  
15 programs. Therefore, an emergency is hereby declared to exist and this Act  
16 being necessary for the immediate preservation of the public peace, health  
17 and safety shall be in full force and effect from and after July 1, 2014.
