35 effectiveness of this Act on July 1, 2013 is essential to the operation of
36 the agency for which the appropriations in this Act are provided, and that in

the event of an extension of the legislative session, the delay in the effective date of this Act beyond July 1, 2013 could work irreparable harm upon the proper administration and provision of essential governmental programs. Therefore, an emergency is hereby declared to exist and this Act being necessary for the immediate preservation of the public peace, health and safety shall be in full force and effect from and after July 1, 2013.
