## HOUSE JOINT RESOLUTION 20-1006

101	CONCERNING A REQUEST TO THE SUPREME COURT OF THE STATE	E OF
102	COLORADO TO RENDER ITS OPINION UPON A QUEST	ION
103	REGARDING SECTION 7 OF ARTICLE V OF THE ST	ATE
104	CONSTITUTION.	

WHEREAS, A new outbreak of coronavirus disease, now
 identified specifically as COVID-19, was detected in China in December
 2019; and

WHEREAS, Since then, the disease has spread to every continent except Antarctica and to 125 countries and territories, and as of March 13, 2020, worldwide there were over 145,000 reported cases of, and 5,416 deaths resulting from, COVID-19, and these numbers are increasing hourly; and

HOUSE Final Reading March 14, 2020 WHEREAS, On March 10, 2020, Governor Polis declared a state
 of epidemic disaster emergency in Colorado, and on March 11, 2020, the
 World Health Organization declared a global pandemic due to the spread
 of COVID-19; and

5 WHEREAS, Joint Rule 44 of the Joint Rules of the Senate and 6 House of Representatives, adopted in 2009, establishes procedures that 7 the General Assembly follows during a declared disaster emergency 8 caused by a public health emergency infecting or exposing a great number 9 of people to disease, agents, toxins, or other such threats; and

WHEREAS, According to the Centers for Disease Control and Prevention, one of the ways in which COVID-19 most quickly spreads is through personal contact, including contact that occurs when large numbers of people congregate in enclosed spaces, which is a daily occurrence at the State Capitol during the legislative session when, on any given day, literally thousands of people may congregate within the State Capitol to participate in the legislative process; and

WHEREAS, The General Assembly values and considers
significant citizen input throughout the legislative session, and limiting
public access to the State Capitol to limit the spread of COVID-19 while
continuing to hold public hearings on legislation is not a viable option
that respects and upholds the foundational value of civic participation in
public policy-making and government; and

WHEREAS, Legislators and other individuals participating in the legislative process return to their homes throughout the state or even in other states each evening or each weekend, and if any of them have been infected with COVID-19 through interactions at the State Capitol, they will spread the virus to additional areas of the state or to other states in which cases of the virus have not yet been identified; and

29 WHEREAS, The General Assembly has considered the possibility 30 of continuing to operate virtually, using technology to conduct committee hearings and floor sessions remotely, but this option is currently not 31 feasible due to cost, the existence of numerous logistical hurdles, and the 32 33 time required to procure, install, and test the technological infrastructure 34 that would be necessary to ensure secure participation by legislators and 35 access for the public. Further, continuing the legislative session by allowing only remote public testimony using the technological 36 37 infrastructure currently available at the State Capitol would still require 1 individuals to congregate in centralized locations; and

WHEREAS, The General Assembly is considering adjourning the
2020 regular legislative session for a specific period of time by passing
a joint resolution to adjourn for more than three days to help mitigate the
spread of COVID-19; and

6 WHEREAS, The second regular session of the Seventy-second 7 General Assembly convened on January 8, 2020, and is currently 8 scheduled to adjourn *sine die* on May 6, 2020, pursuant to section 7 of 9 article V of the state constitution and Joint Rule 23 (d) of the Joint Rules 10 of the Senate and House of Representatives, which deems the 11 constitutional maximum for the legislative session of 120 calendar days 12 to be 120 consecutive calendar days; and

WHEREAS, Joint Rule 44 (g) states, "Notwithstanding the 13 provisions of Joint Rule 23 (d) of the Joint Rules of the Senate and the 14 House of Representatives regarding counting legislative days of a regular 15 session as consecutive days, the maximum of one hundred twenty 16 calendar days prescribed by section 7 of article V of the state constitution 17 18 shall be counted as one hundred twenty separate working calendar days 19 if the Governor has declared a state of disaster emergency due to a public health emergency pursuant to section 24-33.5-704, Colorado Revised 20 Statutes."; and 21

22 WHEREAS, If the General Assembly adjourns for more than three 23 days, pursuant to Joint Rule 44 (g) the General Assembly will count the 24 first day upon which the General Assembly reconvenes following the 25 adjournment as the next legislative day following the day upon which the 26 General Assembly adjourned. For example, if the General Assembly 27 adjourns on March 16, 2020, the sixty-ninth legislative day, the day upon 28 which the General Assembly reconvenes will be counted as the seventieth 29 legislative day; and

WHEREAS, Upon reconvening following an extended adjournment, the General Assembly may continue taking action on pending legislation until the General Assembly reaches the 120<sup>th</sup> legislative day, which, because of the period of adjournment, will occur after May 6, 2020; and

WHEREAS, As of March 13, 2020, there were 355 bills pending
 in the Senate and the House of Representatives, and upon reconvening

following an extended adjournment it is likely that there will still be many
important pieces of legislation pending that are of significant interest to
the public and will require a substantial amount of time for consideration,
public stakeholder participation and input, and debate before these bills
can be acted upon; and

6 WHEREAS, If the General Assembly were to adjourn sine die on 7 May 6, 2020, it could return in an extraordinary legislative session to 8 address any legislation not enacted by that date. However, the General 9 Assembly may convene in an extraordinary legislative session only if 10 called by the governor, who could limit the issues under consideration during the session, or by the written request, specifying the purpose of the 11 12 session, of two-thirds of the members of each house. Thus, the General 13 Assembly could be foreclosed from considering one or more of the bills pending upon adjournment if the subjects of those bills were not included 14 within the scope of the governor's call or agreed to by two-thirds of the 15 legislators; and 16

WHEREAS, Courts have held that legislation passed by a legislature outside of the constitutionally established length of a regular legislative session is void because the legislature does not have constitutional authority to enact legislation outside of the term of a regular legislative session unless convened in a special legislative session; and

WHEREAS, The constitutionality of the currently pending bills may be challenged if they are enacted after May 6, 2020, and could be struck down if the provisions of Joint Rule 44 (g) that allow the limited number of calendar days to be counted as working, rather than consecutive, calendar days are found to be unconstitutional; and

28

29 WHEREAS, If the General Assembly is required to adjourn for a significant period of time to protect the public health and, when they 30 reconvene, the remaining time to act on legislation before May 6, 2020, 31 is significantly reduced, legislators will be unable to serve their 32 constituents by debating and acting on many of the bills introduced during 33 34 the 2020 regular legislative session, and the citizens who elected those 35 legislators to act on those bills will be deprived of representation by their chosen representatives, who may be ineligible to return for the following 36 regular legislative session due to term limits or the outcome of the 37

### 1 November 2020 election; and

WHEREAS, Section 3 of article VI of the state constitution directs the Colorado Supreme Court to "give its opinion upon important questions upon solemn occasions when requested by the ... senate, or the house of representatives;..."; and

6 WHEREAS, The rare, almost unprecedented, public health situation currently facing the state warrants resolution by the Colorado 7 8 Supreme Court of whether the 120 calendar days of the regular legislative 9 session must be counted consecutively because the General Assembly, in seeking to protect the public health by adjourning the legislative session 10 11 to a specified date to mitigate the spread of COVID-19, should not be forced to either significantly reduce the length of the legislative session 12 13 and thereby fail to meet its responsibility to serve the citizens of the state 14 by passing legislation in the public interest or jeopardize the constitutionality of that legislation, including legislation required to fund 15 16 state government, by proceeding to take action on legislation after May 6, 2020; and 17

WHEREAS, Resolving the issue of whether section 7 of article V of the state constitution limits the regular legislative session to 120 consecutive calendar days relates directly to all of the legislation that will be pending as of May 6, 2020, and the right of the public to full legislative debate and consideration of that legislation; and

WHEREAS, Due to the rapid spread of COVID-19 and the immediate need for the General Assembly to decide on a course of action concerning the regular legislative session in order to protect the public health, time is of the essence in determining the meaning of the constitutional restriction on the length of the legislative session; and

WHEREAS, Quickly resolving the question of the meaning of the constitutional restriction on the length of the legislative session in the context of an interrogatory proceeding is necessary to enable the General Assembly to take responsible action concerning the continuance of the regular legislative session without calling into question the constitutionality of any legislation that may be enacted after the completion of 120 consecutive calendar days; now, therefore,

35 Be It Resolved by the House of Representatives of the 36 Seventy-second General Assembly of the State of Colorado, the Senate

### 1 concurring herein:

2 That, in view of the premises, the question of the constitutionally 3 required length of the regular legislative session, in the judgment of the 4 Senate and the House of Representatives, is a matter of extreme 5 importance and public interest and is being raised on the solemn and 6 historic occasion of the occurrence of a global pandemic and the need to 7 protect the health and safety of the citizens of Colorado. Further, resolution of the question is connected to the ultimate constitutionality of 8 9 pending legislation that may be enacted outside of the period of 120 10 consecutive calendar days. The Senate and the House of Representatives require resolution of this question as soon as possible in order to act in a 11 12 manner that protects the public health and safety, preserves the public's rights of civic engagement, preserves the validity and constitutionality of 13 enacted legislation, and ensures the General Assembly's ability to enact 14 15 legislation to promote the public interest and provide for the continued operation of state government. The Senate and the House of 16 Representatives accordingly respectfully request the Supreme Court of 17 the State of Colorado to render its opinion upon the following question: 18

19 Does the provision of section 7 of article V of the state constitution 20 that limits the length of the regular legislative session to "one hundred twenty calendar days" require that those days be counted consecutively 21 and continuously beginning with the first day on which the regular 22 legislative session convenes or may the General Assembly for purposes 23 of operating during a declared disaster emergency interpret the limitation 24 25 as applying only to calendar days on which the Senate or the House of Representatives, or both, convene in regular legislative session? 26

27 Be It Further Resolved, That, in view of the extremely 28 time-sensitive nature of this request, the Senate and the House of 29 Representatives respectfully request that, if the Supreme Court grants this 30 request for interrogatories and requires briefing and oral argument, the 31 Supreme Court adopt an expedited schedule to require submission of 32 briefs within no more than five days after the order granting the request and submission of answer briefs and scheduling for oral arguments within 33 34 no more than five days following submission of briefs.

Be It Further Resolved, That the President and the Speaker of the
 House of Representatives, immediately upon passage of this Joint
 Resolution, shall transmit to the Clerk of the Colorado Supreme Court a
 certified copy of this Joint Resolution and certified copies of Joint Rules

- 1 23 and 44 of the Joint Rules of the Senate and House of Representatives,
- 2 and that the Committee on Legal Services shall be directed to furnish said
- 3 Court with an adequate number of copies of this Joint Resolution and said
- 4 Joint Rules and shall submit to said Court such further documents and
- 5 briefs as the Court may require to expedite its procedure in the premises.
