**Bill Summary**

*(Note: This summary applies to this bill as introduced and does not reflect any amendments that may be subsequently adopted. If this bill passes third reading in the house of introduction, a bill summary that applies to the reengrossed version of this bill will be available at <http://leg.colorado.gov>.)*

The bill authorizes a public highway authority or a governmental partner in a public-private partnership to apply to the Colorado state patrol (CSP) for a new or modified hazardous materials route designation for a road or highway that it directly or indirectly maintains. The bill also requires the department of transportation (CDOT) to conduct a study to assess the feasibility of allowing the transportation of hazardous materials

Shading denotes HOUSE amendment. Double underlining denotes SENATE amendment.  
Capital letters or bold & italic numbers indicate new material to be added to existing statute.  
Dashes through the words indicate deletions from existing statute.
