1 *Be it enacted by the General Assembly of the State of Colorado:*

2           **SECTION 1. Short title.** This act shall be known and may be  
3 cited as the "Veterans Fire Corps Act".

4           **SECTION 2. Legislative declaration.** (1) The general assembly  
5 hereby finds, determines, and declares that:

6           (a) The threat of wildfire is a matter of serious concern to  
7 Colorado residents, especially to those living in the wildland-urban  
8 interface;

9           (b) In the last decade, the average number of acres burned  
10 annually by wildfires in Colorado has more than tripled, and Colorado has  
11 experienced some of its worst fires on record;

12           (c) Several of these fires have occurred outside of the traditional  
13 wildland fire season, during what is known as the "shoulder season" when  
14 state and federal hand firefighting crews are virtually non-existent;

15           (d) Since the September 11, 2001, terrorist attacks on the United  
16 States, approximately two million eight hundred thousand men and  
17 women have served in the United States armed forces;

18           (e) Colorado is home to more than four hundred sixteen thousand  
19 veterans, of which more than forty-five thousand are post-9/11 era  
20 veterans, and in spite of their military training and experience, a  
21 significant number of these veterans are unemployed or underemployed;  
22 and

23           (f) Veterans' fire corps programs provide training and on-the-job

1 experience for post-9/11 era veterans interested in entering into careers  
2 and gaining experience in natural resource management and wildland fire  
3 control.

4 (2) Therefore, the general assembly:

5 (a) Finds that it is in the public interest to help returning veterans  
6 find employment;

7 (b) Determines that the purpose of this act is to help ensure the  
8 year-round availability of qualified hand crews, while providing training  
9 and employment opportunities for veterans of the post-9/11 era; and

10 (c) Declares that the division of fire prevention and control, to the  
11 extent practicable, should train, equip, and supervise hand crews  
12 employed by veterans' fire corps programs in Colorado for wildland fire  
13 mitigation and suppression.
