Be it enacted by the Senate and House of Representatives in General Assembly convened:

1 Section 1. Subsection (a) of section 17b-242 of the general statutes is  
2 repealed and the following is substituted in lieu thereof (*Effective July*  
3 *1, 2019*):

4 (a) The Department of Social Services shall determine the rates to be  
5 paid to home health care agencies and homemaker-home health aide  
6 agencies by the state or any town in the state for persons aided or  
7 cared for by the state or any such town. [For the period from February  
8 1, 1991, to January 31, 1992, inclusive, payment for each service to the  
9 state shall be based upon the rate for such service as determined by the  
10 Office of Health Care Access, except that for those providers whose  
11 Medicaid rates for the year ending January 31, 1991, exceed the median  
12 rate, no increase shall be allowed. For those providers whose rates for  
13 the year ending January 31, 1991, are below the median rate, increases  
14 shall not exceed the lower of the prior rate increased by the most  
15 recent annual increase in the consumer price index for urban  
16 consumers or the median rate. In no case shall any such rate exceed the

17 eightieth percentile of rates in effect January 31, 1991, nor shall any rate  
18 exceed the charge to the general public for similar services. Rates  
19 effective February 1, 1992, shall be based upon rates as determined by  
20 the Office of Health Care Access, except that increases shall not exceed  
21 the prior year's rate increased by the most recent annual increase in the  
22 consumer price index for urban consumers and rates effective  
23 February 1, 1992, shall remain in effect through June 30, 1993. Rates  
24 effective July 1, 1993, shall be based upon rates as determined by the  
25 Office of Health Care Access except if the Medicaid rates for any  
26 service for the period ending June 30, 1993, exceed the median rate for  
27 such service, the increase effective July 1, 1993, shall not exceed one  
28 per cent. If the Medicaid rate for any service for the period ending June  
29 30, 1993, is below the median rate, the increase effective July 1, 1993,  
30 shall not exceed the lower of the prior rate increased by one and one-  
31 half times the most recent annual increase in the consumer price index  
32 for urban consumers or the median rate plus one per cent.] The  
33 Commissioner of Social Services shall establish a fee schedule for home  
34 health services to be effective on and after July 1, 1994. The  
35 commissioner may annually modify such fee schedule if such  
36 modification is needed to ensure that the conversion to an  
37 administrative services organization is cost neutral to home health care  
38 agencies and homemaker-home health aide agencies in the aggregate  
39 and ensures patient access. Utilization may be a factor in determining  
40 cost neutrality. The commissioner shall increase the fee schedule for  
41 home health services provided under the Connecticut home-care  
42 program for the elderly established under section 17b-342, effective  
43 July 1, 2000, by two per cent over the fee schedule for home health  
44 services for the previous year. Effective July 1, 2019, the commissioner  
45 shall increase the fee schedule for meals on wheels provided under the  
46 Connecticut home-care program for the elderly by ten per cent over the  
47 fee schedule for meals on wheels for the previous fiscal year. The  
48 commissioner may increase any fee payable to a home health care  
49 agency or homemaker-home health aide agency upon the application  
50 of such an agency evidencing extraordinary costs related to (1) serving  
51 persons with AIDS; (2) high-risk maternal and child health care; (3)

52 escort services; or (4) extended hour services. In no case shall any rate  
53 or fee exceed the charge to the general public for similar services. A  
54 home health care agency or homemaker-home health aide agency  
55 which, due to any material change in circumstances, is aggrieved by a  
56 rate determined pursuant to this subsection may, within ten days of  
57 receipt of written notice of such rate from the Commissioner of Social  
58 Services, request in writing a hearing on all items of aggrievement. The  
59 commissioner shall, upon the receipt of all documentation necessary to  
60 evaluate the request, determine whether there has been such a change  
61 in circumstances and shall conduct a hearing if appropriate. The  
62 Commissioner of Social Services shall adopt regulations, in accordance  
63 with chapter 54, to implement the provisions of this subsection. The  
64 commissioner may implement policies and procedures to carry out the  
65 provisions of this subsection while in the process of adopting  
66 regulations, provided notice of intent to adopt the regulations is  
67 [published in the Connecticut Law Journal] posted on the Internet web  
68 site of the Department of Social Services and the eRegulations System not  
69 later than twenty days after the date of implementing the policies and  
70 procedures. Such policies and procedures shall be valid for not longer  
71 than nine months.

73 following is substituted in lieu thereof (*Effective July 1, 2019*):

82 uniform forms on which agencies providing such services shall report  
83 their costs for such services. Such rates shall be determined on the  
84 basis of a reasonable payment for necessary services rendered. The

85 maximum allowable rates established by the Commissioner of Social  
 86 Services for the Connecticut home-care program for the elderly  
 87 established under section 17b-342 shall constitute the rates required  
 88 under this section until revised in accordance with this section. The
