

A RESOLUTION

21-643

IN THE COUNCIL OF THE DISTRICT OF COLUMBIA

November 1, 2016

To declare the existence of an emergency with respect to the need to approve Modification Nos. 17 and 18 to Contract No. DDOE-2010- SEU-0001 with Vermont Energy Investment Corporation to provide sustainable energy utility services, and to authorize payment in the not-to-exceed amount of \$20,000,000.00 for the goods and services received and to be received under the modifications.

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the “Modifications to Contract No. DDOE-2010-SEU-0001 Approval and Payment Authorization Emergency Declaration Resolution of 2016”.

Sec. 2. (a) There exists a need to approve Modification Nos. 17 and 18 to Contract No. DDOE-2010-SEU-0001 with Vermont Energy Investment Corporation to provide sustainable energy services, and to authorize payment in the not-to-exceed amount of \$20,000,000.00 for the goods and services received and to be received under the modifications.

(b) The modifications are necessary to fully exercise option period 6 of the contract, for the period from October 1, 2016 through September 30, 2017. The total not-to-exceed amount for option period 6 is \$20,000,000.00.

(c) Council approval is necessary since the modifications would increase the contract by more than \$1,000,000 during a 12-month period.

(d) Approval is necessary to allow the continuation of these vital services. Without this approval, Vermont Energy Investment Corporation cannot be paid for services provided in excess of \$1,000,000.00 for the period from October 1, 2016 through September 30, 2017.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Modifications to Contract No. DDOE-2010-SEU-0001 Approval and Payment Authorization Emergency Act of 2016 be adopted after a single reading.

Sec. 4. This resolution shall take effect immediately.
