380 conservatorship; and

381 (5) Appoint an emergency conservator to serve until the emergency hearing, with or
382 without prior notice to the proposed ward, if the threatened risk is so immediate and the
383 potential harm so irreparable that any delay is unreasonable and the existence of the

392 authority of the proposed ward's signature without the court's prior approval and that the
393 emergency conservator shall not expend any funds of the proposed ward without prior
394 court approval. Appointment of an emergency conservator under this paragraph is not
395 a final determination of the proposed ward's need for a nonemergency conservator. Any
396 emergency conservator appointed under this paragraph shall have only those powers and
397 duties specifically enumerated in the letters of emergency conservatorship; such powers
398 and duties shall not exceed those absolutely necessary to respond to the immediate
399 threatened risk to the ward; and such powers and duties shall be subject to the limitations
400 provided in this paragraph regarding the expenditures of funds of the ward."

416 dismissed, the court shall order that an evaluation be conducted, in accordance with the
417 provisions of subsection (d) of Code Section 29-5-11. If, after reviewing the evaluation
418 report, the court finds that there is no probable cause to believe that there has been a

435 that the conservatorship should be terminated, the court shall dismiss the petition. If the
436 petition is not dismissed, the court shall order that an evaluation be conducted in
437 accordance with the provisions of subsection (d) of Code Section 29-5-11. If, after
