Senate Resolution 5

By: Senators Butler of the 55th, Jones II of the 22nd, Parent of the 42nd, Jackson of the 2nd, Jordan of the 6th and others

## **A RESOLUTION**

- 1 Condemning the disgraceful actions of right wing violence and sedition that took place at the
- 2 United States Capitol on January 6, 2021; and for other purposes.
- 3 WHEREAS, Joseph R. Biden was elected to be the 46th President of the United States on
- 4 November 3, 2020; and
- 5 WHEREAS, presidential electors across the nation met on December 14, 2020, to formally
- 6 vote for Joe Biden; and
- 7 WHEREAS, Congress met on January 6, 2021, to certify the vote; and
- 8 WHEREAS, outgoing President Donald J. Trump has refused to accept the result of the
- 9 election; and
- 10 WHEREAS, President Trump and his allies have continuously spread misinformation,
- alleging with no evidence that the election was rigged or stolen; and
- 12 WHEREAS, the 2020 election has been thoroughly investigated, and no evidence of fraud
- or widespread irregularities has been discovered; and

14 WHEREAS, due to the misinformation and active encouragement of President Trump and

- 15 his allies, many Republicans have become convinced that the election was stolen; and
- 16 WHEREAS, members of this body have held sham hearings delegitimizing the Senate and
- 17 giving credibility to these conspiracy theories; and
- 18 WHEREAS, thousands of those Republicans travelled to Washington, D.C., to attend a rally
- on January 6, 2021, to oppose certification of the electoral college votes; and
- 20 WHEREAS, President Trump held a rally on that day where he actively encouraged his
- 21 supporters to "fight like hell" to prevent Congress from certifying all electors; and
- 22 WHEREAS, Rudy Giuliani told that same crowd that he wanted "trial by combat" to
- 23 determine the election; and
- 24 WHEREAS, President Trump directly encouraged the crowd to march to the United States
- 25 Capitol; and
- 26 WHEREAS, Republican agitators had made it abundantly clear on social media that the plan
- 27 for the crowd was to break into the United States Capitol and prevent certification of the
- 28 electoral college, obstructing the peaceful transfer of power as described in the United States
- 29 Constitution; and
- 30 WHEREAS, the previous 44 transfers of power throughout the history of the country have
- 31 occurred peacefully; and

32 WHEREAS, law enforcement had more than adequate warning that an attack on the United

- 33 States Capitol was planned; and
- 34 WHEREAS, law enforcement across the country and in D.C. have used outrageous violence
- against peaceful protesters protesting for Black lives and police reform throughout 2020; and
- 36 WHEREAS, Capitol police and other law enforcement agencies have shown they have the
- 37 ability to enact security around the United States Capitol before peaceful Black Lives Matter
- 38 protests, where the absurd concept of breaching the Capitol was never even mentioned; and
- 39 WHEREAS, Capitol police and other law enforcement agencies failed to enact any
- 40 meaningful security around the United States Capitol; and
- 41 WHEREAS, this inaction allowed the crowd of insurgents to breach the United States
- 42 Capitol for the first time since the War of 1812; and
- WHEREAS, Capitol police and other law enforcement agencies showed no particular interest
- 44 in defending the Capitol, and some officers were even recorded taking selfies with
- 45 insurgents; and
- 46 WHEREAS, plenty of insurgents were armed or carried zip cuffs, demonstrating an intent
- 47 to harm, kill, or kidnap duly elected officials; and
- 48 WHEREAS, the insurgents managed to breach the House and Senate chambers and delay the
- 49 certification of electoral college votes; and

50 WHEREAS, President Trump responded by issuing a video reinforcing the false narrative

- 51 that the election was stolen and telling the insurgents "we love you, you're very special"; and
- 52 WHEREAS, insurgents attempted to break into the Speaker's Lobby, where some Congress
- 53 members had taken refuge; and
- 54 WHEREAS, after multiple warnings and attempts to stop the insurgents, a plainclothes
- officer had to shoot and kill a woman before the door was breached; and
- 56 WHEREAS, a law enforcement officer was beaten to death by insurgents; and
- 57 WHEREAS, at least three other people lost their lives; and
- 58 WHEREAS, Republican elected officials continued to perpetuate the conspiracy after the
- 59 respective bodies reconvened to finish certification.
- 60 NOW, THEREFORE, BE IT RESOLVED BY THE SENATE that the members of this body
- 61 condemn the insurgents who broke into the United States Capitol; President Trump;
- Republican leaders, including members of this body, who have continued to spread false
- information about the election; and Capitol police and other law enforcement agencies who
- 64 completely and possibly willfully failed to prepare for this attack and allowed it to succeed.
- 65 BE IT FURTHER RESOLVED that the Secretary of the Senate is authorized and directed
- 66 to make appropriate copies of this resolution available for distribution to the public and the
- 67 press.
