12 SECTION 19. IC 20-28-9-1.5, AS AMENDED BY
 13 P.L.215-2018(ss), SECTION 9, IS AMENDED TO READ AS
 14 FOLLOWS [EFFECTIVE JULY 1, 2019]: Sec. 1.5. (a) This subsection
 15 governs salary increases for a teacher employed by a school
 16 corporation. Compensation attributable to additional degrees or
 17 graduate credits earned before the effective date of a local
 18 compensation plan created under this chapter before July 1, 2015, shall
 19 continue for school years beginning after June 30, 2015. Compensation
 20 attributable to additional degrees for which a teacher has started course
 21 work before July 1, 2011, and completed course work before
 22 September 2, 2014, shall also continue for school years beginning after
 23 June 30, 2015. For school years beginning after June 30, 2015, a school
 24 corporation may provide a supplemental payment to a teacher in excess
 25 of the salary specified in the school corporation's compensation plan
 26 under any of the following circumstances:

27 (1) The teacher:

28 (A) teaches an advanced placement course or a Cambridge
 29 International course; or

30 (B) has earned a master's degree from an accredited
 31 postsecondary educational institution in a content area directly
 32 related to the subject matter of:

33 (i) a dual credit course; or

34 (ii) another course;

35 taught by the teacher.

36 (2) Beginning after June 30, 2018, the teacher:

37 (A) is a special education professional; or

38 (B) teaches in the areas of science, technology, engineering, or
 39 mathematics.

40 **(3) Beginning after June 30, 2019, the teacher teaches a career**
 41 **or technical education course.**

42 In addition, a supplemental payment may be made to an elementary

1 school teacher who earns a master's degree in math, reading, or
 2 literacy. A supplement provided under this subsection is not subject to
 3 collective bargaining, but a discussion of the supplement must be held.
 4 Such a supplement is in addition to any increase permitted under
 5 subsection (b).

6 (b) Increases or increments in a local salary range must be based
 7 upon a combination of the following factors:

8 (1) A combination of the following factors taken together may
 9 account for not more than thirty-three and one-third percent
 10 (33.33%) of the calculation used to determine a teacher's increase
 11 or increment:

12 (A) The number of years of a teacher's experience.

13 (B) The possession of either:

14 (i) additional content area degrees beyond the requirements
 15 for employment; or

16 (ii) additional content area degrees and credit hours beyond
 17 the requirements for employment, if required under an
 18 agreement bargained under IC 20-29.

19 (2) The results of an evaluation conducted under IC 20-28-11.5.

20 (3) The assignment of instructional leadership roles, including the
 21 responsibility for conducting evaluations under IC 20-28-11.5.

22 (4) The academic needs of students in the school corporation.

23 (c) To provide greater flexibility and options, a school corporation
 24 may differentiate the amount of salary increases or increments
 25 determined for teachers under subsection (b)(4). A school corporation
 26 shall base a differentiated amount under this subsection on any
 27 academic needs the school corporation determines are appropriate,
 28 which may include the:

29 (1) subject or subjects, including the subjects described in
 30 subsection (a)(2), taught by a given teacher;

31 (2) importance of retaining a given teacher at the school
 32 corporation; and

33 (3) need to attract an individual with specific qualifications to fill
 34 a teaching vacancy.

35 (d) A school corporation may provide differentiated increases or
 36 increments under subsection (b), and in excess of the percentage
 37 specified in subsection (b)(1), in order to reduce the gap between the
 38 school corporation's minimum teacher salary and the average of the
 39 school corporation's minimum and maximum teacher salaries.

40 (e) Except as provided in subsection (f), a teacher rated ineffective
 41 or improvement necessary under IC 20-28-11.5 may not receive any
 42 raise or increment for the following year if the teacher's employment

1 contract is continued. The amount that would otherwise have been
 2 allocated for the salary increase of teachers rated ineffective or
 3 improvement necessary shall be allocated for compensation of all
 4 teachers rated effective and highly effective based on the criteria in
 5 subsection (b).

6 (f) Subsection (e) does not apply to a teacher in the first two (2) full
 7 school years that the teacher provides instruction to students in
 8 elementary school or high school. If a teacher provides instruction to
 9 students in elementary school or high school in another state, any full
 10 school year, or its equivalent in the other state, that the teacher provides
 11 instruction counts toward the two (2) full school years under this
 12 subsection.

13 (g) A teacher who does not receive a raise or increment under
 14 subsection (e) may file a request with the superintendent or
 15 superintendent's designee not later than five (5) days after receiving
 16 notice that the teacher received a rating of ineffective. The teacher is
 17 entitled to a private conference with the superintendent or
 18 superintendent's designee.

19 (h) The Indiana education employment relations board established
 20 in IC 20-29-3-1 shall publish a model compensation plan with a model
 21 salary range that a school corporation may adopt.

22 (i) Each school corporation shall submit its local compensation plan
 23 to the Indiana education employment relations board. For a school year
 24 beginning after June 30, 2015, a local compensation plan must specify
 25 the range for teacher salaries. The Indiana education employment
 26 relations board shall publish the local compensation plans on the
 27 Indiana education employment relations board's Internet web site.

28 (j) The Indiana education employment relations board shall review
 29 a compensation plan for compliance with this section as part of its
 30 review under IC 20-29-6-6.1. The Indiana education employment
 31 relations board has jurisdiction to determine compliance of a
 32 compensation plan submitted under this section.

33 (k) This chapter may not be construed to require or allow a school
 34 corporation to decrease the salary of any teacher below the salary the
 35 teacher was earning on or before July 1, 2015, if that decrease would
 36 be made solely to conform to the new compensation plan.

37 (l) After June 30, 2011, all rights, duties, or obligations established
 38 under IC 20-28-9-1 before its repeal are considered rights, duties, or
 39 obligations under this section.
