HOUSE BILL No. 1185

DIGEST OF INTRODUCED BILL

Citations Affected: IC 16-18-2; IC 16-42-28; IC 34-30-2-83.9.

Synopsis: Prescription drug donation repositories. Establishes the prescription drug donation repository program (program) to allow a person to donate prescription drugs and supplies to a central repository or local repository for use by an individual who is an eligible recipient or qualified individual. Provides that controlled substances are not allowed in the program. Allows a health care facility or pharmacy to elect to participate as a local repository in the program. Establishes criteria for the acceptance and distribution of donated prescription drugs and supplies. Establishes immunity for certain persons who act reasonably and in good faith under the program.

Effective: July 1, 2020.

2020

1	Sec. 1. (a) Nothing in this chapter restricts the use of samples by
2	a physician or other person legally authorized to prescribe drugs
3	under state and federal law during the course of the physician's or
4	other person's duties at a health care facility or pharmacy.
5	(b) Nothing in this chapter authorizes the resale of prescription
6	drugs by any person.
7	Sec. 2. As used in this chapter, "eligible recipient" means an
8	individual:
9	(1) with an income that is below two hundred percent (200%)
10	of the federal poverty level, as defined by the most recently
11	revised poverty income guidelines published by the federal
12	Department of Health and Human Services; and
13	(2) who is not eligible for pharmaceutical coverage through a
14	government program or private health insurance.
15	Sec. 3. As used in this chapter, "health care facility" means any
16	of the following:
17	(1) A physician's office.
18	(2) A hospital.
19	(3) A health clinic, including the following:
20	(A) A federally-qualified health center as defined in 42
21	U.S.C. 1396d(1)(2)(B).
22	(B) A rural health clinic described in section 42 U.S.C.
23	1396d(l)(1).
24	(4) A nonprofit health clinic that provides medical care to
25	patients who are indigent, uninsured, underinsured, or unable
26	to pay for the services.
27	(5) A charitable organization described in Section 501(c)(3) of
28	the Internal Revenue Code that has as its primary purpose the
29	sponsorship or support of programs designed to improve the

1 (b) Donations of prescription drugs and supplies under the 2 program may be made on the premises of the central repository or 3 a local repository. 4 (c) A local repository must meet the following requirements: 5 (1) Comply with all laws applicable to the storage and 6 distribution of drugs. 7 (2) Provide to the state department the name, street address, 8 and telephone number of the pharmacy or health care facility, 9 and any state license or registration number issued to the 10 pharmacy or health care facility, including the name of the 11 issuing agency or board. 12 (3) The name and telephone number of the responsible 13 practitioner who is employed by or under contract with the 14 pharmacy or health care facility. 15 (4) A statement, signed and dated by the responsible 16 practitioner, indicating that the pharmacy or health care 17 facility meets the eligibility requirements under this chapter. 18 Sec. 11. A local repository may withdraw from participation in 19 the program at any time by providing written notice to the 20 department. 21 Sec. 12. Any individual who is at least eighteen (18) years of age 22 may donate legally obtained prescription drugs or supplies to the 23 central repository or a local repository. A practitioner who is 24 employed by or under contract with a drug repository shall 25 determine that the drugs or supplies meet the requirements of this 26 chapter. 27 Sec. 13. (a) Except for drugs donated directly from a drug 28 manufacturer, a drug that requires storage temperatures other 29 than normal room temperature as specified by the manufacturer 30 or the United States Pharmacopoeia, or its supplements, may not 31 be donated or accepted as part of program. 32 (b) The central repository or a local repository may accept and 33 dispense a prescription drug if the following requirements are met: 34 (1) The drug is in its original sealed and tamper evident 35 packaging. However, a drug in a single unit dose or blister 36 pack with the outside packaging opened may be accepted if 37 the single unit dose packaging is undisturbed. 38 (2) The drug has been stored according to manufacturer or 39 United States Pharmacopoeia, or its supplements, storage 40 requirements. 41 (3) The packaging contains the lot number and expiration 42 date of the drug.

1 (4) The drug has an expiration date that is more than six (6) 2 months after the date that the drug was donated. However, a 3 donated prescription drug bearing an expiration date that is 4 six (6) months or less after the date the prescription drug was 5 donated may be accepted and distributed if the drug is in high 6 demand and can be dispensed for use before the drug's 7 expiration date. 8 (5) The drug or its packaging does not have any physical signs 9 of tampering, misbranding, deterioration, compromised 10 integrity, or adulteration. 11 (c) The donated prescription drugs and supplies must be 12 inventoried at the central repository or a local repository. If the 13 drug: 14 (1) has been continually under the control of a practitioner or 15 drug manufacturer, the inventory must include the name of 16 the drug, strength of the drug, quantity of the drug, and the 17 date of donation; or 18 (2) has not been continually under the control of a 19 practitioner or drug manufacturer, the repository shall collect 20 a donation form that is signed by the person making the 21 donation or the person's authorized representative. 22 (d) The central repository or a local repository shall maintain 23 records of the prescription drugs and supplies that are donated, 24 accepted, distributed, and dispensed under the program. 25 Sec. 14. The central repository or a local repository may charge 26 an individual who receives a prescription drug or supplies a 27 handling fee that may not exceed two hundred percent (200%) of 28 the Medicaid professional dispensing fee. 29 Sec. 15. (a) The central repository or a local repository that 30 receives prescription drugs or supplies may transfer the 31 prescription drugs or supplies to the central repository or a local 32 repository for use in the program. 33 (b) The state department may receive prescription drugs or 34 supplies directly from a prescription drug donation repository 35 contractor and may distribute the prescription drugs and supplies 36 through practitioners licensed to dispense prescription drugs and 37 supplies to an eligible recipient or qualified individual. 38 (c) The state department may receive and distribute the 39 prescription drugs or supplies under this section during or in 40 preparation for a state of disaster emergency proclaimed by the 41 governor or during or in preparation for a public health 42 emergency.
