 42 section 6 of this chapter is filed.

- 1 (b) The following definitions apply throughout this section:

 19 charged with a potentially disease transmitting offense. At the request
 20 of an alleged victim of the offense, the parent, guardian, or custodian
 21 of an alleged victim who is less than eighteen (18) years of age, or the
 22 parent, guardian, or custodian of an alleged victim who is an
 23 endangered adult (as defined in IC 12-10-3-2), the prosecuting attorney
 24 shall petition a court to order a defendant charged with the commission
 25 of a potentially disease transmitting offense to submit to a screening
 26 test to determine whether the defendant is infected with a dangerous
 27 disease. In the petition, the prosecuting attorney must set forth
 28 information demonstrating that the defendant has committed a
 29 potentially disease transmitting offense. The court shall set the matter
 30 for hearing not later than forty-eight (48) hours after the prosecuting
 31 attorney files a petition under this subsection. The alleged victim, the
 32 parent, guardian, or custodian of an alleged victim who is less than
 33 eighteen (18) years of age, and the parent, guardian, or custodian of an

 38 following the hearing, the court finds probable cause to believe that the
 39 defendant has committed a potentially disease transmitting offense, the
 40 court may order the defendant to submit to a screening test for one (1)
 41 or more dangerous diseases. If the defendant is charged with battery
 42 (~~IC 35-42-2-1(b)(2)~~), **involving placing a bodily fluid or waste on**

1 **another person (IC 35-42-2-1)**, the court may limit testing under this

 5 court shall take actions to ensure the confidentiality of evidence
 6 introduced at the hearing.

7 (d) This subsection applies only to a defendant who has been
 8 charged with an offense involving the transmission of a bodily fluid. At
 9 the request of an alleged victim of the offense, the parent, guardian, or
 10 custodian of an alleged victim who is less than eighteen (18) years of
 11 age, or the parent, guardian, or custodian of an alleged victim who is

 13 attorney shall petition a court to order a defendant charged with the
 14 commission of an offense involving the transmission of a bodily fluid
 15 to submit to a screening test to determine whether the defendant is
 16 infected with a dangerous disease. In the petition, the prosecuting
 17 attorney must set forth information demonstrating that:

- 19 (2) a bodily fluid was transmitted from the defendant to the victim
 20 in connection with the commission of the offense.

 23 subsection. The alleged victim of the offense, the parent, guardian, or
 24 custodian of an alleged victim who is less than eighteen (18) years of
 25 age, and the parent, guardian, or custodian of an alleged victim who is
 26 an endangered adult (as defined in IC 12-10-3-2) are entitled to receive
 27 notice of the hearing and are entitled to attend the hearing. The
 28 defendant and the defendant's counsel are entitled to receive notice of
 29 the hearing and are entitled to attend the hearing. If, following the
 30 hearing, the court finds probable cause to believe that the defendant has
 31 committed an offense and that a bodily fluid was transmitted from the
 32 defendant to the alleged victim in connection with the commission of
 33 the offense, the court may order the defendant to submit to a screening
 34 test for one (1) or more dangerous diseases. If the defendant is charged
 35 with battery (~~IC 35-42-2-1(b)(2)~~), **involving placing bodily fluid or**
 36 **waste on another person (IC 35-42-2-1)**, the court may limit testing
 37 under this subsection to a test only for human immunodeficiency virus
 38 (HIV). However, the court may order additional testing for human
 39 immunodeficiency virus (HIV) as may be medically appropriate. The
 40 court shall take actions to ensure the confidentiality of evidence

6 discloses information that must be disclosed to comply with this
7 section is immune from civil and criminal liability under Indiana
8 statutes that protect patient privacy and confidentiality.

9 (g) The results of a screening test conducted under this section shall
10 be kept confidential if the defendant ordered to submit to the screening
11 test under this section has not been convicted of the potentially disease
12 transmitting offense or offense involving the transmission of a bodily
13 fluid with which the defendant is charged. The results may not be made
14 available to any person or public or private agency other than the
15 following:

23 parent, guardian, or custodian of an alleged victim who is an
24 endangered adult (as defined in IC 12-10-3-2), and the alleged
25 victim's counsel.

26 The results of a screening test conducted under this section may not be
27 admitted against a defendant in a criminal proceeding or against a child
28 in a juvenile delinquency proceeding.

29 (h) As soon as practicable after a screening test ordered under this
30 section has been conducted, the alleged victim or the parent, guardian,
31 or custodian of an alleged victim who is less than eighteen (18) years
32 of age, or the parent, guardian, or custodian of an alleged victim who
33 is an endangered adult (as defined in IC 12-10-3-2), and the victim's
34 counsel shall be notified of the results of the test.
