HOUSE ENROLLED ACT No. 1242

AN ACT to amend the Indiana Code concerning labor and safety.

Be it enacted by the General Assembly of the State of Indiana:

SECTION 1. IC 10-17-1-6, AS AMENDED BY P.L.100-2012, SECTION 25, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2014]: Sec. 6. (a) The director of veterans' affairs:

- (1) is the executive and administrative head of the Indiana department of veterans' affairs; and

subject to the general supervision of the commission.

(b) The duties of the director include the following:

- (1) To attend all meetings of the commission and to act as secretary and keep minutes of the commission's proceedings.
- (2) To appoint the employees of the department necessary to carry out this chapter and to fix the compensation of the employees. Employees of the department must qualify for the job concerned.
- (3) To carry out the program for veterans' affairs as directed by the governor and the commission.
- (4) To carry on field direction, inspection, and coordination of county and city service officers as provided in this chapter.
- (5) To prepare and conduct service officer training schools with the voluntary aid and assistance of the service staffs of the major veterans' organizations.

HEA 1242 — Concur

(6) To maintain an information bulletin service to county and city service officers for the necessary dissemination of material pertaining to all phases of veterans' rehabilitation and service work, **including information necessary to inform veterans of the provisions of IC 22-9-10.**

(7) To perform the duties described in IC 10-17-11 for the Indiana state veterans' cemetery.

(8) To perform the duties described in IC 10-17-12 for the military family relief fund.

(9) To establish a program and set guidelines under which a medal of honor awardee may receive compensation when attending and participating in official ceremonies.

SECTION 2. IC 22-9-1-2 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2014]: Sec. 2. (a) It is the public policy of the state to provide all of its citizens equal opportunity for education, employment, access to public conveniences and accommodations, and acquisition through purchase or rental of real property, including but not limited to housing, and to eliminate segregation or separation based solely on race, religion, color, sex, disability, national origin, or ancestry, since such segregation is an impediment to equal opportunity. Equal education and employment opportunities and equal access to and use of public accommodations and equal opportunity for acquisition of real property are hereby declared to be civil rights.

(b) The practice of denying these rights to properly qualified persons by reason of the race, religion, color, sex, disability, national origin, or ancestry of such person is contrary to the principles of freedom and equality of opportunity and is a burden to the objectives of the public policy of this state and shall be considered as discriminatory practices. The promotion of equal opportunity without regard to race, religion, color, sex, disability, national origin, or ancestry through reasonable methods is the purpose of this chapter.

(c) It is also the public policy of this state to protect employers, labor organizations, employment agencies, property owners, real estate brokers, builders, and lending institutions from unfounded charges of discrimination.

(d) It is hereby declared to be contrary to the public policy of the state and an unlawful practice for any person, for profit, to induce or attempt to induce any person to sell or rent any dwelling by representations regarding the entry or prospective entry into the neighborhood of a person or persons of a particular race, religion, color, sex, disability, national origin, or ancestry.

(e) The general assembly recognizes that on February 16, 1972,

HEA 1242 — Concur

there are institutions of learning in Indiana presently and traditionally following the practice of limiting admission of students to males or to females. It is further recognized that it would be unreasonable to impose upon these institutions the expense of remodeling facilities to accommodate students of both sexes, and that educational facilities of similar quality and type are available in coeducational institutions for those students desiring such facilities. It is further recognized that this chapter is susceptible of interpretation to prevent these institutions from continuing their traditional policies, a result not intended by the general assembly. Therefore, the amendment effected by Acts 1972, P.L.176, is desirable to permit the continuation of the policies described.

(f) It is against the public policy of the state and a discriminatory practice for an employer to discriminate against a prospective employee on the basis of status as a veteran by:

(1) refusing to employ an applicant for employment on the basis that the applicant is a veteran of the armed forces of the United States; or

(2) refusing to employ an applicant for employment on the basis that the applicant is a member of the Indiana National Guard or member of a reserve component.

(f) (g) This chapter shall be construed broadly to effectuate its purpose.

SECTION 3. IC 22-9-1-3, AS AMENDED BY P.L.35-2010, SECTION 3, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2014]: Sec. 3. As used in this chapter:

(b) Except as it concerns judicial review, the commission may adopt rules under IC 4-22-2 to implement this chapter.

(c) The commission shall formulate policies to effectuate the purposes of this chapter and make recommendations to agencies and officers of the state or local subdivisions thereof to effectuate such policies. The several departments, commissions, divisions, authorities, boards, bureaus, agencies, and officers of the state or any political subdivision or agency thereof shall furnish the commission, upon its request, all records, papers, and information in their possession relating to any matter before the commission.

(d) The commission shall receive and investigate complaints alleging discriminatory practices. The commission shall not hold hearings in the absence of a complaint. All investigations of complaints shall be conducted by staff members of the civil rights commission or their agents.

HEA 1242 — Concur

(e) The commission may create such advisory agencies and conciliation councils, local or statewide, as will aid in effectuating the purposes of this chapter. The commission may itself, or it may empower these agencies and councils to:

(1) study the problems of discrimination in the areas covered by section 2 of this chapter when based on race, religion, color, sex, handicap, national origin, or ancestry; and

(2) foster through community effort, or otherwise, good will among the groups and elements of the population of the state.

These agencies and councils may make recommendation to the commission for the development of policies and procedures in general. Advisory agencies and conciliation councils created by the commission shall be composed of representative citizens serving without pay, but with reimbursement for reasonable and necessary actual expenses.

(f) The commission may issue such publications and such results of investigations and research as in its judgment will tend to promote good will and minimize or eliminate discrimination because of race, religion, color, sex, handicap, national origin, or ancestry.

(g) The commission shall prevent any person from discharging, expelling, or otherwise discriminating against any other person because the person filed a complaint, testified in any hearing before this commission, or in any way assisted the commission in any matter under its investigation.

(h) The commission may hold hearings, subpoena witnesses, compel their attendance, administer oaths, take the testimony of any person under oath, and require the production for examination of any books and papers relating to any matter under investigation or in question before the commission. The commission may make rules as to the issuance of subpoenas by individual commissioners. Contumacy or refusal to obey a subpoena issued under this section shall constitute a contempt. All hearings shall be held within Indiana at a location determined by the commission. A citation of contempt may be issued upon application by the commission to the circuit or superior court in the county in which the hearing is held or in which the witness resides or transacts business.

(i) The commission may appoint administrative law judges other than commissioners, when an appointment is deemed necessary by a majority of the commission. The administrative law judges shall be members in good standing before the bar of Indiana and shall be appointed by the chairman of the commission. An administrative law judge appointed under this subsection shall have the same powers and duties as a commissioner sitting as an administrative law judge.

However, the administrative law judge may not issue subpoenas.

(j) The commission shall state its findings of fact after a hearing and, if the commission finds a person has engaged in an unlawful discriminatory practice, shall cause to be served on this person an order requiring the person to cease and desist from the unlawful discriminatory practice and requiring the person to take further affirmative action as will effectuate the purposes of this chapter, including but not limited to the power:

~~(A)~~ **(1)** to restore complainant's losses incurred as a result of discriminatory treatment, as the commission may deem necessary to assure justice; however, **except in discriminatory practices involving veterans**, this specific provision when applied to orders pertaining to employment shall include only wages, salary, or commissions;

~~(B)~~ **(2)** to require the posting of notice setting forth the public policy of Indiana concerning civil rights and respondent's compliance with the policy in places of public accommodations;

~~(C)~~ **(3)** to require proof of compliance to be filed by respondent at periodic intervals; and

~~(D)~~ **(4)** to require a person who has been found to be in violation of this chapter and who is licensed by a state agency authorized to grant a license to show cause to the licensing agency why ~~his~~ **the person's** license should not be revoked or suspended.

When an employer has been found to have committed a discriminatory practice in employment by failing to employ an applicant on the basis that the applicant is a veteran, the order to restore the veteran's losses may include placing the veteran in the employment position with the employer for which the veteran applied.

(k) Judicial review of a cease and desist order or other affirmative action as referred to in this chapter may be obtained under IC 22-9-8. If no proceeding to obtain judicial review is instituted within thirty (30) days from receipt of notice by a person that an order has been made by the commission, the commission, if it determines that the person upon whom the cease and desist order has been served is not complying or is making no effort to comply, may obtain a decree of a court for the enforcement of the order in circuit or superior court upon showing that the person is subject to the commission's jurisdiction and resides or transacts business within the county in which the petition for enforcement is brought.

(l) If, upon all the evidence, the commission shall find that a person has not engaged in any unlawful practice or violation of this chapter,

the commission shall state its findings of facts and shall issue and cause to be served on the complainant an order dismissing the complaint as to the person.

(m) The commission may furnish technical assistance requested by persons subject to this chapter to further compliance with this chapter or with an order issued thereunder.

(n) The commission shall promote the creation of local civil rights agencies to cooperate with individuals, neighborhood associations, and state, local, and other agencies, both public and private, including agencies of the federal government and of other states.

(o) The commission may reduce the terms of conciliation agreed to by the parties to writing (to be called a consent agreement) that the parties and a majority of the commissioners shall sign. When signed, the consent agreement shall have the same effect as a cease and desist order issued under subsection (j). If the commission determines that a party to the consent agreement is not complying with it, the commission may obtain enforcement of the consent agreement in a circuit or superior court upon showing that the party is not complying with the consent agreement and the party is subject to the commission's jurisdiction and resides or transacts business within the county in which the petition for enforcement is brought.

(p) In lieu of investigating a complaint and holding a hearing under this section, the commission may issue an order based on findings and determinations by the federal Department of Housing and Urban Development or the federal Equal Employment Opportunity Commission concerning a complaint that has been filed with one (1) of these federal agencies and with the commission. The commission shall adopt by rule standards under which the commission may issue such an order.

(q) Upon notice that a complaint is the subject of an action in a federal court, the commission shall immediately cease investigation of the complaint and may not conduct hearings or issue findings of fact or orders concerning that complaint.
