| 1 | from the state seed commissioner to engage in that business. |
|----|--|
| 2 | (b) To secure a license required by this section, a person must apply |
| 3 | for the license to the state seed commissioner. The application must be |
| 4 | accompanied by the following: |
| 5 | (1) A bond with corporate surety, approved by the seed |
| 6 | commissioner, in the penal sum of ten thousand dollars (\$10,000) |
| 7 | payable to the state, for the use and benefit of any purchaser of |
| 8 | seed who may have a cause of action against a seller who fails to |
| 9 | comply with the terms of the purchase contract. |
| 10 | (2) A fee of one dollar (\$1) for each place of business from which |
| 11 | agricultural or vegetable seed is distributed by the licensee. |
| 12 | An applicant for a license may request the state seed commissioner to |
| 13 | accept a verified financial statement of the applicant's assets instead or |

| 27 | deliver seed sold, or the failure to repurchase the seed crop produced |
| 28 | from any agricultural or vegetable seed sold, is prima facie evidence or |
| 29 | intent to defraud the purchaser if the crop produced by the purchase |
| 30 | meets the requirements prescribed in the contract of sale. Whenever the |
| 31 | state seed commissioner has evidence that a licensee has committed |
| 32 | fraud on any purchaser, the state seed commissioner shall immediately |
| 33 | start proceedings to suspend or revoke the license issued to the |
| 34 | licensee. |
| 35 | (e) A person who recklessly, knowingly, or intentionally: |
| 36 | (1) enters into a contract with a producer of agricultural or |

HOUSE MOTION

Mr. Speaker: I move that House Bill 1549 be amended to read as follows:

Page 1, between lines 9 and 10, begin a new paragraph and insert: "SECTION 2. IC 15-15-1-37 IS REPEALED [EFFECTIVE JULY 1, 2015]. Sec. 37. (a) A person who is engaged in the business of selling agricultural or vegetable seed who enters into a contract with the purchaser under which the seller agrees to repurchase the seed crop produced by the purchaser at a price greater than the current market price of the seed at the time of delivery shall secure an annual license from the state seed commissioner to engage in that business.

- (b) To secure a license required by this section, a person must apply for the license to the state seed commissioner. The application must be accompanied by the following:
 - (1) A bond with corporate surety, approved by the seed commissioner, in the penal sum of ten thousand dollars (\$10,000), payable to the state, for the use and benefit of any purchaser of seed who may have a cause of action against a seller who fails to comply with the terms of the purchase contract.

(2) A fee of one dollar (\$1) for each place of business from which agricultural or vegetable seed is distributed by the licensee.

An applicant for a license may request the state seed commissioner to accept a verified financial statement of the applicant's assets instead of the submission of a bond. If the state seed commissioner, after an examination of the applicant's financial statement, determines that the applicant is financially responsible for any damage that may arise out of a breach of a purchase contract, the state seed commissioner may accept the statement instead of a bond.

- (c) A license issued under this section expires at the end of the calendar year in which it is issued.
- (d) The state seed commissioner may suspend, revoke, or refuse to issue a license under this section to any person who fails to comply with this chapter. If a hearing is waived by nonappearance of the person at the date, time, and place designated for the hearing, the state seed commissioner may proceed to act under this section and suspend, revoke, or refuse to issue a license. The failure to fulfill a contract to deliver seed sold, or the failure to repurchase the seed crop produced from any agricultural or vegetable seed sold, is prima facie evidence of intent to defraud the purchaser if the crop produced by the purchaser meets the requirements prescribed in the contract of sale. Whenever the state seed commissioner has evidence that a licensee has committed fraud on any purchaser, the state seed commissioner shall immediately start proceedings to suspend or revoke the license issued to the licensee.
 - (e) A person who recklessly, knowingly, or intentionally:
 - (1) enters into a contract with a producer of agricultural or vegetable seed, under which the person sells seed and agrees to repurchase the seed crop produced from that seed at a price greater than the current market price at the time of delivery; and
- (2) has not obtained a license required by this section;

commits a Class B misdemeanor.".
