12 **The term does not include mobile homes assessed under IC 6-1.1-7**
13 **or personal property held as an investment.**

- 1 for a county.
- 2 **Sec. 3.** As used in this chapter, "exemption ordinance" refers to
 3 an ordinance adopted under section 5 of this chapter by a county
 4 income tax council.
- 5 **Sec. 4.** As used in this chapter, "new personal property" means
 6 business personal property that:
- 7 (1) a taxpayer places in service after the later of the date the
 8 exemption ordinance is adopted or a date specified in the
 9 exemption ordinance; and
- 10 (2) has not previously been used in Indiana before the
 11 taxpayer acquires the business personal property.
- 12 **Sec. 5. (a)** A county income tax council may adopt an exemption
 13 ordinance that exempts new personal property located in the
 14 county from property taxation as provided in section 6 of this
 15 chapter.
- 16 (b) For purposes of adopting an exemption ordinance under this
 17 chapter, a county income tax council is comprised of the same
 18 members as the county income tax council that is established by
 19 IC 6-3.5-6-2 for the county, regardless of whether a county income
 20 tax is in effect in the county and regardless of which county income
 21 tax is in effect in the county. Except as provided in this chapter, the
 22 county income tax council shall use the same procedures that apply
 23 under IC 6-3.5-6 when acting under this chapter.
- 24 (c) Before adopting an exemption ordinance under this section,
 25 a county income tax council must conduct a public hearing on the
 26 proposed exemption ordinance. The county income tax council
 27 must publish notice of the public hearing in accordance with
 28 IC 5-3-1.
- 29 (d) The county income tax council shall provide a certified copy

 31 government finance and the county auditor.
- 32 **Sec. 6.** An exemption ordinance adopted under this chapter
 33 must exempt all new personal property, other than personal
 34 property assessed under IC 6-1.1-8. An exemption ordinance may
 35 not exempt personal property assessed under IC 6-1.1-8.
- 36 **Sec. 7.** A county income tax council may repeal or amend an
 37 exemption ordinance. However, if a county income tax council
 38 repeals or amends an exemption ordinance, any new personal
 39 property that was exempt under the exemption ordinance on the
 40 date the new personal property was placed into service by a
 41 taxpayer remains exempt from property taxation, regardless of
 42 whether or not the ownership of the new personal property

1 **changes after the date the exemption ordinance is amended or**
 2 **repealed.**

3 **Sec. 8. A taxpayer is not required to file an application or a**
 4 **personal property tax return to qualify for an exemption under this**
 5 **chapter.**

6 SECTION 2. IC 6-1.1-12.1-4.5, AS AMENDED BY P.L.288-2013,
 7 SECTION 10, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
 8 JULY 1, 2015]: Sec. 4.5. (a) An applicant must provide a statement of
 9 benefits to the designating body. The applicant must provide the
 10 completed statement of benefits form to the designating body before
 11 the hearing specified in section 2.5(c) of this chapter or before the
 12 installation of the new manufacturing equipment, new research and
 13 development equipment, new logistical distribution equipment, or new
 14 information technology equipment for which the person desires to
 15 claim a deduction under this chapter. The department of local
 16 government finance shall prescribe a form for the statement of benefits.
 17 The statement of benefits must include the following information:

18 (1) A description of the new manufacturing equipment, new
 19 research and development equipment, new logistical distribution
 20 equipment, or new information technology equipment that the
 21 person proposes to acquire.

22 (2) With respect to:

23 (A) new manufacturing equipment not used to dispose of solid
 24 waste or hazardous waste by converting the solid waste or
 25 hazardous waste into energy or other useful products; and

26 (B) new research and development equipment, new logistical
 27 distribution equipment, or new information technology
 28 equipment;

29 an estimate of the number of individuals who will be employed or
 30 whose employment will be retained by the person as a result of
 31 the installation of the new manufacturing equipment, new
 32 research and development equipment, new logistical distribution
 33 equipment, or new information technology equipment and an
 34 estimate of the annual salaries of these individuals.

35 (3) An estimate of the cost of the new manufacturing equipment,
 36 new research and development equipment, new logistical
 37 distribution equipment, or new information technology
 38 equipment.

39 (4) With respect to new manufacturing equipment used to dispose
 40 of solid waste or hazardous waste by converting the solid waste
 41 or hazardous waste into energy or other useful products, an
 42 estimate of the amount of solid waste or hazardous waste that will

- 1 be converted into energy or other useful products by the new
2 manufacturing equipment.
- 3 The statement of benefits may be incorporated in a designation
4 application. Notwithstanding any other law, a statement of benefits is
5 a public record that may be inspected and copied under IC 5-14-3-3.
- 6 (b) The designating body must review the statement of benefits
7 required under subsection (a). The designating body shall determine
8 whether an area should be designated an economic revitalization area
9 or whether the deduction shall be allowed, based on (and after it has
10 made) the following findings:
- 11 (1) Whether the estimate of the cost of the new manufacturing
12 equipment, new research and development equipment, new
13 logistical distribution equipment, or new information technology
14 equipment is reasonable for equipment of that type.
- 15 (2) With respect to:
- 16 (A) new manufacturing equipment not used to dispose of solid
17 waste or hazardous waste by converting the solid waste or
18 hazardous waste into energy or other useful products; and
19 (B) new research and development equipment, new logistical
20 distribution equipment, or new information technology
21 equipment;
- 22 whether the estimate of the number of individuals who will be
23 employed or whose employment will be retained can be
24 reasonably expected to result from the installation of the new
25 manufacturing equipment, new research and development
26 equipment, new logistical distribution equipment, or new
27 information technology equipment.
- 28 (3) Whether the estimate of the annual salaries of those
29 individuals who will be employed or whose employment will be
30 retained can be reasonably expected to result from the proposed
31 installation of new manufacturing equipment, new research and
32 development equipment, new logistical distribution equipment, or
33 new information technology equipment.
- 34 (4) With respect to new manufacturing equipment used to dispose
35 of solid waste or hazardous waste by converting the solid waste
36 or hazardous waste into energy or other useful products, whether
37 the estimate of the amount of solid waste or hazardous waste that
38 will be converted into energy or other useful products can be
39 reasonably expected to result from the installation of the new
40 manufacturing equipment.
- 41 (5) Whether any other benefits about which information was
42 requested are benefits that can be reasonably expected to result

1 from the proposed installation of new manufacturing equipment,
 2 new research and development equipment, new logistical
 3 distribution equipment, or new information technology
 4 equipment.

5 (6) Whether the totality of benefits is sufficient to justify the
 6 deduction.

7 The designating body may not designate an area an economic
 8 revitalization area or approve the deduction unless it makes the
 9 findings required by this subsection in the affirmative.

10 (c) Except as provided in subsection (f), and subject to subsection
 11 (g) and section 15 of this chapter, an owner of new manufacturing
 12 equipment, new research and development equipment, new logistical
 13 distribution equipment, or new information technology equipment
 14 whose statement of benefits is approved is entitled to a deduction from
 15 the assessed value of that equipment for the number of years
 16 determined by the designating body under section 17 **or 18** of this
 17 chapter. Except as provided in subsection (d) and in section 2(i)(3) of
 18 this chapter, and subject to subsection (g) and section 15 of this
 19 chapter, the amount of the deduction that an owner is entitled to for a
 20 particular year equals the product of:

21 (1) the assessed value of the new manufacturing equipment, new
 22 research and development equipment, new logistical distribution
 23 equipment, or new information technology equipment in the year
 24 of deduction under the abatement schedule established under
 25 section 17 **or 18** of this chapter; multiplied by

26 (2) the percentage prescribed by the designating body under
 27 section 17 **or 18** of this chapter.

28 (d) With respect to new manufacturing equipment and new research
 29 and development equipment installed before March 2, 2001, the
 30 deduction under this section is the amount that causes the net assessed
 31 value of the property after the application of the deduction under this
 32 section to equal the net assessed value after the application of the
 33 deduction under this section that results from computing:

34 (1) the deduction under this section as in effect on March 1, 2001;
 35 and

36 (2) the assessed value of the property under 50 IAC 4.2, as in
 37 effect on March 1, 2001, or, in the case of property subject to
 38 IC 6-1.1-8, 50 IAC 5.1, as in effect on March 1, 2001.

39 (e) The designating body shall determine the number of years the
 40 deduction is allowed under section 17 **or 18** of this chapter. ~~However,~~
 41 **Except as provided by section 18 of this chapter,** the deduction may
 42 not be allowed for more than ten (10) years. This determination shall

- 1 be made:
- 2 (1) as part of the resolution adopted under section 2.5 of this
- 3 chapter; or
- 4 (2) by resolution adopted within sixty (60) days after receiving a
- 5 copy of a property owner's certified deduction application from
- 6 the county auditor. A certified copy of the resolution shall be sent
- 7 to the county auditor.
- 8 A determination about the number of years the deduction is allowed
- 9 that is made under subdivision (1) is final and may not be changed by
- 10 following the procedure under subdivision (2).
- 11 (f) The owner of new manufacturing equipment that is directly used
- 12 to dispose of hazardous waste is not entitled to the deduction provided
- 13 by this section for a particular assessment year if during that
- 14 assessment year the owner:
- 15 (1) is convicted of a criminal violation under IC 13, including
- 16 IC 13-7-13-3 (repealed) or IC 13-7-13-4 (repealed); or
- 17 (2) is subject to an order or a consent decree with respect to
- 18 property located in Indiana based on a violation of a federal or
- 19 state rule, regulation, or statute governing the treatment, storage,
- 20 or disposal of hazardous wastes that had a major or moderate
- 21 potential for harm.
- 22 (g) For purposes of subsection (c), the assessed value of new
- 23 manufacturing equipment, new research and development equipment,
- 24 new logistical distribution equipment, or new information technology
- 25 equipment that is part of an owner's assessable depreciable personal
- 26 property in a single taxing district subject to the valuation limitation in
- 27 50 IAC 4.2-4-9 or 50 IAC 5.1-6-9 is the product of:
- 28 (1) the assessed value of the equipment determined without
- 29 regard to the valuation limitation in 50 IAC 4.2-4-9 or 50
- 30 IAC 5.1-6-9; multiplied by
- 31 (2) the quotient of:
- 32 (A) the amount of the valuation limitation determined under
- 33 50 IAC 4.2-4-9 or 50 IAC 5.1-6-9 for all of the owner's
- 34 depreciable personal property in the taxing district; divided by
- 35 (B) the total true tax value of all of the owner's depreciable
- 36 personal property in the taxing district that is subject to the
- 37 valuation limitation in 50 IAC 4.2-4-9 or 50 IAC 5.1-6-9
- 38 determined:
- 39 (i) under the depreciation schedules in the rules of the
- 40 department of local government finance before any
- 41 adjustment for abnormal obsolescence; and
- 42 (ii) without regard to the valuation limitation in 50

1 IAC 4.2-4-9 or 50 IAC 5.1-6-9.

 8 **provided by the taxpayer or on account of the taxpayer's failure to**
 9 **comply with any other requirement to receive a deduction under**
 10 **this chapter, the county or municipal fiscal officer shall distribute**
 11 **the amount of the reimbursement, repayment, or penalty on a pro**

 13 **subject to the deduction. The amount to be distributed to each**
 14 **taxing unit that contains the property that was subject to the**
 15 **deduction shall be determined according to the following formula:**

16 **STEP ONE: Determine the total aggregate property tax rate**
 17 **imposed in the preceding year by the taxing unit.**

18 **STEP TWO: Determine the sum of the STEP ONE amounts**
 19 **for all taxing units that contain the property that was subject**
 20 **to the deduction.**

21 **STEP THREE: Divide the STEP ONE amount by the sum**
 22 **determined under STEP TWO.**

23 **STEP FOUR: Multiply the amount of the reimbursement,**
 24 **repayment, or penalty by the STEP THREE quotient.**

 35 minimum wage.

36 (4) The infrastructure requirements for the taxpayer's investment.

37 (b) This subsection applies to a statement of benefits approved after
 38 June 30, 2013. A designating body shall establish an abatement
 39 schedule for each deduction allowed under this chapter. An abatement
 40 schedule must specify the percentage amount of the deduction for each
 41 year of the deduction. **Except as provided in section 18 of this**
 42 **chapter**, an abatement schedule may not exceed ten (10) years.

34 carryover from a taxable year shall be reduced to the extent that the
35 carryover is used by the taxpayer to obtain a credit under this chapter
36 for any subsequent taxable year. A credit may not be carried forward

COMMITTEE REPORT

Mr. Speaker: Your Committee on Ways and Means, to which was referred Senate Bill 1, has had the same under consideration and begs leave to report the same back to the House with the recommendation that said bill be amended as follows:

Page 1, delete lines 1 through 15, begin a new paragraph and insert:

"SECTION 1. IC 6-1.1-10.3 IS ADDED TO THE INDIANA CODE AS A NEW CHAPTER TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2015]:

Chapter 10.3. County Option Exemption of Business Personal Property

Sec. 1. As used in this chapter, "business personal property" means personal property that:

- (1) is otherwise subject to assessment and taxation under this article; and**
- (2) is used in a trade or business or otherwise held, used, or consumed in connection with the production of income.**

The term does not include mobile homes assessed under IC 6-1.1-7 or personal property held as an investment.

Sec. 2. As used in this chapter, "county income tax council" refers to the county income tax council established by IC 6-3.5-6-2 for a county.

Sec. 3. As used in this chapter, "exemption ordinance" refers to an ordinance adopted under section 5 of this chapter by a county income tax council.

Sec. 4. As used in this chapter, "new personal property" means business personal property that:

- (1) a taxpayer places in service after the later of the date the exemption ordinance is adopted or a date specified in the exemption ordinance; and**
- (2) has not previously been used in Indiana before the taxpayer acquires the business personal property.**

Sec. 5. (a) A county income tax council may adopt an exemption ordinance that exempts new personal property located in the county from property taxation as provided in section 6 of this chapter.

(b) For purposes of adopting an exemption ordinance under this chapter, a county income tax council is comprised of the same members as the county income tax council that is established by IC 6-3.5-6-2 for the county, regardless of whether a county income tax is in effect in the county and regardless of which county income

tax is in effect in the county. Except as provided in this chapter, the county income tax council shall use the same procedures that apply under IC 6-3.5-6 when acting under this chapter.

(c) Before adopting an exemption ordinance under this section, a county income tax council must conduct a public hearing on the proposed exemption ordinance. The county income tax council must publish notice of the public hearing in accordance with IC 5-3-1.

(d) The county income tax council shall provide a certified copy of an adopted exemption ordinance to the department of local government finance and the county auditor.

Sec. 6. An exemption ordinance adopted under this chapter must exempt all new personal property, other than personal property assessed under IC 6-1.1-8. An exemption ordinance may not exempt personal property assessed under IC 6-1.1-8.

Sec. 7. A county income tax council may repeal or amend an exemption ordinance. However, if a county income tax council repeals or amends an exemption ordinance, any new personal property that was exempt under the exemption ordinance on the date the new personal property was placed into service by a taxpayer remains exempt from property taxation, regardless of whether or not the ownership of the new personal property changes after the date the exemption ordinance is amended or repealed.

Sec. 8. A taxpayer is not required to file an application or a personal property tax return to qualify for an exemption under this chapter.

SECTION 2. IC 6-1.1-12.1-4.5, AS AMENDED BY P.L.288-2013, SECTION 10, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2015]: Sec. 4.5. (a) An applicant must provide a statement of benefits to the designating body. The applicant must provide the completed statement of benefits form to the designating body before the hearing specified in section 2.5(c) of this chapter or before the installation of the new manufacturing equipment, new research and development equipment, new logistical distribution equipment, or new information technology equipment for which the person desires to claim a deduction under this chapter. The department of local government finance shall prescribe a form for the statement of benefits. The statement of benefits must include the following information:

- (1) A description of the new manufacturing equipment, new research and development equipment, new logistical distribution equipment, or new information technology equipment that the

person proposes to acquire.

(2) With respect to:

- (A) new manufacturing equipment not used to dispose of solid waste or hazardous waste by converting the solid waste or hazardous waste into energy or other useful products; and
- (B) new research and development equipment, new logistical distribution equipment, or new information technology equipment;

an estimate of the number of individuals who will be employed or whose employment will be retained by the person as a result of the installation of the new manufacturing equipment, new research and development equipment, new logistical distribution equipment, or new information technology equipment and an estimate of the annual salaries of these individuals.

(3) An estimate of the cost of the new manufacturing equipment, new research and development equipment, new logistical distribution equipment, or new information technology equipment.

(4) With respect to new manufacturing equipment used to dispose of solid waste or hazardous waste by converting the solid waste or hazardous waste into energy or other useful products, an estimate of the amount of solid waste or hazardous waste that will be converted into energy or other useful products by the new manufacturing equipment.

The statement of benefits may be incorporated in a designation application. Notwithstanding any other law, a statement of benefits is a public record that may be inspected and copied under IC 5-14-3-3.

(b) The designating body must review the statement of benefits required under subsection (a). The designating body shall determine whether an area should be designated an economic revitalization area or whether the deduction shall be allowed, based on (and after it has made) the following findings:

(1) Whether the estimate of the cost of the new manufacturing equipment, new research and development equipment, new logistical distribution equipment, or new information technology equipment is reasonable for equipment of that type.

(2) With respect to:

- (A) new manufacturing equipment not used to dispose of solid waste or hazardous waste by converting the solid waste or hazardous waste into energy or other useful products; and
- (B) new research and development equipment, new logistical distribution equipment, or new information technology

equipment;

whether the estimate of the number of individuals who will be employed or whose employment will be retained can be reasonably expected to result from the installation of the new manufacturing equipment, new research and development equipment, new logistical distribution equipment, or new information technology equipment.

(3) Whether the estimate of the annual salaries of those individuals who will be employed or whose employment will be retained can be reasonably expected to result from the proposed installation of new manufacturing equipment, new research and development equipment, new logistical distribution equipment, or new information technology equipment.

(4) With respect to new manufacturing equipment used to dispose of solid waste or hazardous waste by converting the solid waste or hazardous waste into energy or other useful products, whether the estimate of the amount of solid waste or hazardous waste that will be converted into energy or other useful products can be reasonably expected to result from the installation of the new manufacturing equipment.

(5) Whether any other benefits about which information was requested are benefits that can be reasonably expected to result from the proposed installation of new manufacturing equipment, new research and development equipment, new logistical distribution equipment, or new information technology equipment.

(6) Whether the totality of benefits is sufficient to justify the deduction.

The designating body may not designate an area an economic revitalization area or approve the deduction unless it makes the findings required by this subsection in the affirmative.

(c) Except as provided in subsection (f), and subject to subsection (g) and section 15 of this chapter, an owner of new manufacturing equipment, new research and development equipment, new logistical distribution equipment, or new information technology equipment whose statement of benefits is approved is entitled to a deduction from the assessed value of that equipment for the number of years determined by the designating body under section 17 **or** 18 of this chapter. Except as provided in subsection (d) and in section 2(i)(3) of this chapter, and subject to subsection (g) and section 15 of this chapter, the amount of the deduction that an owner is entitled to for a particular year equals the product of:

- (1) the assessed value of the new manufacturing equipment, new research and development equipment, new logistical distribution equipment, or new information technology equipment in the year of deduction under the abatement schedule established under section 17 **or** 18 of this chapter; multiplied by
- (2) the percentage prescribed by the designating body under section 17 **or** 18 of this chapter.

(d) With respect to new manufacturing equipment and new research and development equipment installed before March 2, 2001, the deduction under this section is the amount that causes the net assessed value of the property after the application of the deduction under this section to equal the net assessed value after the application of the deduction under this section that results from computing:

- (1) the deduction under this section as in effect on March 1, 2001; and
- (2) the assessed value of the property under 50 IAC 4.2, as in effect on March 1, 2001, or, in the case of property subject to IC 6-1.1-8, 50 IAC 5.1, as in effect on March 1, 2001.

(e) The designating body shall determine the number of years the deduction is allowed under section 17 **or** 18 of this chapter. ~~However,~~ **Except as provided by section 18 of this chapter**, the deduction may not be allowed for more than ten (10) years. This determination shall be made:

- (1) as part of the resolution adopted under section 2.5 of this chapter; or
- (2) by resolution adopted within sixty (60) days after receiving a copy of a property owner's certified deduction application from the county auditor. A certified copy of the resolution shall be sent to the county auditor.

A determination about the number of years the deduction is allowed that is made under subdivision (1) is final and may not be changed by following the procedure under subdivision (2).

(f) The owner of new manufacturing equipment that is directly used to dispose of hazardous waste is not entitled to the deduction provided by this section for a particular assessment year if during that assessment year the owner:

- (1) is convicted of a criminal violation under IC 13, including IC 13-7-13-3 (repealed) or IC 13-7-13-4 (repealed); or
- (2) is subject to an order or a consent decree with respect to property located in Indiana based on a violation of a federal or state rule, regulation, or statute governing the treatment, storage, or disposal of hazardous wastes that had a major or moderate

potential for harm.

(g) For purposes of subsection (c), the assessed value of new manufacturing equipment, new research and development equipment, new logistical distribution equipment, or new information technology equipment that is part of an owner's assessable depreciable personal property in a single taxing district subject to the valuation limitation in 50 IAC 4.2-4-9 or 50 IAC 5.1-6-9 is the product of:

(1) the assessed value of the equipment determined without regard to the valuation limitation in 50 IAC 4.2-4-9 or 50 IAC 5.1-6-9; multiplied by

(2) the quotient of:

(A) the amount of the valuation limitation determined under 50 IAC 4.2-4-9 or 50 IAC 5.1-6-9 for all of the owner's depreciable personal property in the taxing district; divided by

(B) the total true tax value of all of the owner's depreciable personal property in the taxing district that is subject to the valuation limitation in 50 IAC 4.2-4-9 or 50 IAC 5.1-6-9 determined:

(i) under the depreciation schedules in the rules of the department of local government finance before any adjustment for abnormal obsolescence; and

(ii) without regard to the valuation limitation in 50 IAC 4.2-4-9 or 50 IAC 5.1-6-9."

(2) may not exceed twenty-five (25) years.

(e) If a taxpayer is granted a deduction under section 4.5 of this chapter on an abatement schedule that exceeds ten (10) years through an enhanced abatement schedule established under subsection (d), the designating body shall conduct a public hearing to review the taxpayer's compliance with the statement of benefits provided to the designating body under this chapter after the tenth year of the abatement and every fifth year thereafter for the remainder of the enhanced abatement schedule established for the taxpayer."
