34 Sec. 11. This chapter expires December 31, 2021.

35 SECTION 3. IC 6-3.1-36 IS ADDED TO THE INDIANA CODE
36 AS A NEW CHAPTER TO READ AS FOLLOWS [EFFECTIVE
37 JANUARY 1, 2019]:

38 **Chapter 36. Employer Training Tax Credits**

39 Sec. 1. (a) The purpose of this chapter is to give employers in
40 Indiana incentives to encourage their employees to complete the
41 requirements for portable workforce credentials that are required
42 or beneficial for targeted employment that is critical to or

1 emerging as needed by employers to conduct business in Indiana.

2 (b) The tax credit provided by this chapter applies only to
3 taxable years beginning in 2019, 2020, and 2021.

4 Sec. 2. As used in this chapter, "approved training provider"
5 means any of the following:

6 (1) A state educational institution.

7 (2) A nonprofit college or university that operates in Indiana,
8 provides an organized two (2) year or longer program of
9 collegiate grade directly creditable toward a baccalaureate
10 degree, and is accredited by a recognized regional accrediting
11 agency.

12 (3) A postsecondary credit bearing proprietary educational
13 institution that is accredited by the board for proprietary
14 education under IC 21-18.5-6 or an accrediting agency
15 recognized by the United States Department of Education and
16 operates in Indiana.

17 (4) A postsecondary proprietary educational institution
18 accredited under IC 22-4.1-21 that operates in Indiana.

19 (5) The following secondary schools operating in Indiana:

20 (A) A career and technical education center, school,
21 department, or program described in IC 20-37, including
22 a cooperative program with an employer under
23 IC 20-37-2-7.

25 an adult high school (as defined in IC 20-24-1-2.3).

26 (C) An accredited nonpublic school that is accredited
27 under IC 20-19-2-8 or IC 20-19-2-10.

28 Sec. 3. As used in this chapter, "certificate" means an award
29 granted by either an educational institution or independent
30 education and training provider associated with successful
31 completion of a specific program of study. Educational and
32 training programs teach students skills related to specific
33 occupations. Certificate programs are generally created, taught,
34 and assessed directly by the provider of a program. Students are
35 awarded certificates after successfully completing instruction and
36 demonstrating proficiency through provider administered exams.
37 The term includes an associate degree requiring at least sixty (60)
38 credit hours of instruction.

39 Sec. 4. As used in this chapter, "certification", when not issued
40 by a governmental entity, means a type of award to an individual
41 that demonstrates proficiency and knowledge, through
42 examination, in a specific industry or trade. As opposed to a

1 certificate, obtaining a certification award is not dependent on any
2 actual education or training program. Instead, evaluating
3 candidates for certification relies on independent, third party
4 professional and industry based groups. These national
5 organizations develop and maintain relevant proficiency standards
6 that are assessed and sanctioned by industry approved examination
7 facilities, independent of any educational institution or training
8 program. Certifications often have an expiration date, requiring
9 individuals to participate in continuing education or reexamination
10 in order to stay current. This characterization of certification
11 awards has been accepted and endorsed by national entities, such
12 as the National Association of Manufacturers (NAM) and the
13 American Association of Community Colleges.

14 Sec. 5. As used in this chapter, "cooperative credential
15 assessment service" means a service that:

- 16 (1) provides testing or other examination services after
17 December 31, 2018, that assess competency for one (1) or
18 more types of portable workforce credentials; and
19 (2) has a cooperative arrangement with an employer with a
20 business location in Indiana to assess competency for and
21 award portable workforce credentials to covered individuals
22 for targeted employment that are critical to or emerging as
23 needed by the employer to carry out the employer's business
24 in Indiana.

25 Sec. 6. As used in this chapter, "cooperative training program"
26 means a course of study initiated after December 31, 2018, through
27 a cooperative arrangement between an approved training provider
28 and an employer with a business location in Indiana, to prepare
29 covered individuals or fulfill an instructional requirement for an
30 award of one (1) or more types of portable workforce credentials
31 that demonstrate knowledge, skills, and competencies for targeted
32 employment that are critical to or emerging as needed by an
33 employer seeking a tax credit under this chapter to carry out the
34 employer's business in Indiana.

35 Sec. 7. As used in this chapter, "covered individual" means the
36 following:

- 37 (1) An employee of an employer claiming a tax credit under
38 this chapter who is employed at a location in Indiana.
39 (2) A student enrolled in Indiana in a course of study at an
40 approved training provider that prepares the student for or
41 is an instructional requirement for a portable workforce
42 credential.

1 The term does not include an individual who is an owner, a
2 shareholder, a partner, or a member of a taxpayer claiming a tax
3 credit or an individual making otherwise eligible expenditures or
4 eligible donations so the same individual obtains instruction in a
5 cooperative training program or a cooperative credential
6 assessment service.

7 Sec. 8. As used in this chapter, "credit amount" means the
8 amount determined under section 19 of this chapter.

9 Sec. 9. As used in this chapter, "eligible donation" means the
10 amount that could be deducted in a taxpayer's federal tax return
11 for property donated to an approved training provider (if the
12 approved training provider was a nonprofit organization exempt
13 from federal income taxation under Section 501(c)(3)) for property
14 used exclusively in a cooperative training program or a cooperative
15 credential assessment service.

16 Sec. 10. As used in this chapter, "eligible expense" means any
17 combination of the following:

18 (1) Direct out-of-pocket labor costs or grants of a taxpayer for
19 a covered individual while the covered individual is engaged
20 in a cooperative training program or an assessment related to
21 a cooperative credential assessment service, including
22 instruction, instruction preparation, other program delivery
23 time, and transportation to and from an approved training
24 provider for a cooperative training program or cooperative
25 credential assessment service.

26 (2) Tuition costs and fees paid by a taxpayer to an approved
27 training provider for a cooperative training program or a
28 cooperative credential assessment service for a covered
29 individual.

30 (3) Direct out-of-pocket transportation costs of a taxpayer,
31 including reimbursement to a covered individual, to transport
32 a covered individual to and from the location of training in a
33 cooperative training program or the location of an assessment
34 related to a cooperative credential assessment service, other
35 than commuting costs that would not be deductible by the
36 covered individual on the covered individual's federal income
37 tax return if the covered individual elected to itemize
38 expenses.

39 (4) Direct out-of-pocket costs to a taxpayer of devoting
40 facilities of the taxpayer in Indiana exclusively to the
41 operation of a cooperative training program or a cooperative
42 credential assessment service for use by covered individuals.

1 **Sec. 11. As used in this chapter, "license" means a type of**
 2 **credential that is awarded by a governmental entity that permits**
 3 **a person to engage in an occupation or a profession, use a name or**
 4 **title associated with an occupation or a profession, or otherwise**
 5 **hold the person out as a person qualified to act within the scope of**
 6 **an occupation or a profession, regardless of whether the**
 7 **governmental entity prohibits persons without the credential to**
 8 **provide some or all of the same services. This award may be**
 9 **granted by a federal, state, or local governmental entity. A license**
 10 **signals that a person has completed or achieved certain standards.**
 11 **The term includes credentials denominated by names other than**
 12 **"license", such as "registration", "certification", and**
 13 **"endorsement", when the credential is awarded and regulated by**
 14 **a governmental entity.**

15 **Sec. 12. As used in this chapter, "pass through entity" means a:**

- 16 (1) corporation that is exempt from the adjusted gross income
- 17 tax under IC 6-3-2-2.8(2);
- 18 (2) partnership;
- 19 (3) trust;
- 20 (4) limited liability company; or
- 21 (5) limited liability partnership.

22 **Sec. 13. (a) As used in this chapter, "portable workforce**
 23 **credential" refers to a certificate, certification, or license that:**

- 24 (1) demonstrates knowledge, skills, and competencies for
- 25 targeted employment that is critical to or emerging as needed
- 26 by a taxpayer seeking a tax credit under this chapter to carry
- 27 out the taxpayer's business in Indiana; and
- 28 (2) has portability, uniformity, and applicability in the
- 29 industry in which the taxpayer is engaged in Indiana.

30 **The term includes stackable, short term credentials with clear**
 31 **labor market value that build toward another portable workforce**
 32 **credential.**

33 **(b) A credential meets the criteria of:**

- 34 (1) portability, if competencies associated with the credential
- 35 are authenticated by an impartial third party and the value
- 36 and features of the credential are not bound to a particular
- 37 region or employer;
- 38 (2) uniformity, if the exams and demonstrations required for
- 39 the award of a credential are standardized and help validate
- 40 skills and knowledge consistently within an industry; and
- 41 (3) applicability, if the requirements for the certification keep
- 42 current with the latest industry standards and required

- 1 proficiencies.
- 2 **Sec. 14. As used in this chapter, "state tax liability" means a**
 3 **taxpayer's total tax liability that is incurred under:**
 4 (1) IC 6-3-1 through IC 6-3-7 (the adjusted gross income tax);
 5 (2) IC 27-1-18-2 (the insurance premiums tax); and
 6 (3) IC 6-5.5 (the financial institutions tax);
 7 **as computed after the application of the credits that under**
 8 **IC 6-3.1-1-2 are to be applied before the credit provided by this**
 9 **chapter.**
- 10 **Sec. 15. As used in this chapter, "targeted employment" means**
 11 **employment in Indiana in any of the following business activities:**

 13 (2) Health care.
 14 (3) Information technology.
 15 (4) Logistics.
- 16 **Sec. 16. As used in this chapter, "taxpayer" means an individual**
 17 **or an entity (including a corporation, a limited liability company,**
 18 **a limited liability partnership, or a partnership) that has any state**
 19 **tax liability.**
- 20 **Sec. 17. As used in this chapter, "tax credit" refers to a tax**
 21 **credit for which a taxpayer is eligible under this chapter.**
- 22 **Sec. 18. A taxpayer that makes a qualifying training expenditure**
 23 **in a particular taxable year beginning after December 31, 2018,**
 24 **and before January 1, 2022, is entitled to a tax credit under this**
 25 **chapter for the taxable year.**
- 26 **Sec. 19. The credit amount of a tax credit to which a taxpayer**
 27 **is entitled in a taxable year is equal to one hundred percent (100%)**
 28 **of the sum of the taxpayer's eligible expenses and eligible donations**
 29 **in that taxable year. However:**
 30 (1) a taxpayer is not eligible for a tax credit under this chapter
 31 if the taxpayer claims a tax credit under another chapter in
 32 this article for the same eligible expense or eligible donation;
 33 (2) the maximum amount that a taxpayer may claim in any
 34 one (1) taxable year for eligible expenses incurred and eligible
 35 donations made in that taxable year is the lesser of:
 36 (A) the amount of the credit allowances allocated to the
 37 taxpayer by the department of workforce development for
 38 that taxable year under section 22 of this chapter; or
 39 (B) forty thousand dollars (\$40,000); and
 40 (3) the maximum amount that a taxpayer may claim for
 41 eligible expenses for any one (1) individual in a taxable year
 42 is five thousand dollars (\$5,000).

1 **Sec. 20. (a)** The credit amount of the tax credit that a taxpayer
2 uses during a particular taxable year may not exceed the sum of
3 the taxes imposed by IC 6-3 for the taxable year after the
4 application of all credits that under IC 6-3.1-1-2 are to be applied
5 before the credit provided by this chapter. If the tax credit
6 provided by this chapter exceeds that sum for the taxable year for
7 which the tax credit is first claimed, the excess may be carried over
8 to succeeding taxable years and used as a tax credit against the tax
9 otherwise due and payable by the taxpayer under IC 6-3 during
10 those taxable years. Each time the credit is carried over to a
11 succeeding taxable year, it is to be reduced by the amount that was
12 used as a tax credit during the immediately preceding taxable year.
13 The tax credit provided by this chapter may be carried forward
14 and applied to succeeding taxable years for ten (10) taxable years
15 following the unused credit year.

16 **(b)** A tax credit earned by a taxpayer in a particular taxable
17 year shall be applied against the taxpayer's tax liability for that
18 taxable year before any credit carryover is applied against that
19 liability under subsection (a).

20 **(c)** A taxpayer is not entitled to any carryback or refund of any
21 unused credit.

22 **Sec. 21. (a)** If a pass through entity does not have state tax
23 liability against which the tax credit may be applied, a shareholder,
24 partner, or member of the pass through entity is entitled to a tax
25 credit equal to:

26 (1) the credit amount determined for the pass through entity
27 for the taxable year; multiplied by

28 (2) the percentage of the pass through entity's distributive
29 income to which the shareholder, partner, or member is
30 entitled.

31 **(b)** The credit provided under subsection (a) is in addition to a
32 tax credit to which a shareholder, partner, or member of a pass
33 through entity is otherwise entitled under this chapter. However,
34 a pass through entity and a shareholder, partner, or member of the
35 pass through entity may not claim a credit under this chapter for
36 the same qualified training expenses.

37 **Sec. 22. (a)** A taxpayer claiming a credit under this chapter must
38 claim the credit on the taxpayer's state tax return for a taxable
39 year beginning after December 31, 2018, in the manner prescribed
40 by the department of state revenue. The taxpayer shall submit to
41 the department of state revenue certification of a credit allowance
42 by the department of workforce development, proof that the

1 taxpayer incurred eligible expenses and made eligible donations
2 equal to the allocated tax credit, and all information that the
3 department of state revenue determines necessary for the
4 calculation of the credit provided by this chapter and the
5 determination of whether the credit was properly claimed.

6 (b) The commission for technical education (IC 22-4.3-2) shall
7 identify workforce training programs that are underperforming
8 and request that the budget agency reduce allotments for one (1)
9 or more of those programs for each state fiscal year ending in 2019,
10 2020, and 2021. The budget agency shall notify the department of
11 workforce development of the amount of the reductions for each
12 state fiscal year. The aggregate amount of tax credits that the
13 department of workforce development may allow for all taxpayers
14 under this chapter for eligible expenditures and eligible donations
15 made in any particular state fiscal year may not exceed the amount
16 the state budget agency has reduced allotments for workforce
17 training programs during that state fiscal year. The aggregate
18 amount of tax credits that the department of workforce
19 development may allow for any combination of eligible
20 expenditures and eligible donations made before January 1, 2019,
21 is zero dollars (\$0).

22 (c) The department of workforce development shall record the
23 time of filing of each application for allowance of a tax credit under
24 this section and shall approve the applications, if the applicants
25 otherwise qualify for a tax credit under this chapter, in the
26 chronological order in which the applications are filed in the state
27 fiscal year. When the total credits approved under this section
28 equal the maximum amount allowable in a state fiscal year, no
29 application thereafter filed for that same state fiscal year shall be
30 approved. However, if an applicant for whom a credit has been
31 approved fails to demonstrate that the taxpayer incurred eligible
32 expenses and made eligible donations equal to an amount equal to
33 the credit previously allowed or set aside for the applicant, the
34 unused credit may be allowed to any subsequent applicant in the
35 state fiscal year.

36 Sec. 23. (a) Beginning not later than January 1, 2019, the
37 department of workforce development shall maintain an online
38 search tool that allows users to identify:

39 (1) portable workforce credentials for which eligible
40 expenditures and eligible donations would qualify an
41 employer for a credit under this chapter when required or
42 beneficial for targeted employment that is critical to or

1 emerging as needed by the employer to conduct business in
2 Indiana; and

3 (2) approved training providers that are available to provide
4 cooperative training programs or cooperative credential
5 assessment services for each of the portable workforce
6 credentials described in subdivision (1).

7 (b) State agencies and organizations that supervise or
8 administer programs of career and technical education or
9 coordinate career and technical education or policy shall assist the
10 department of workforce development, as requested by the
11 department of workforce development, to develop and operate the
12 online search tool required by this section, including the following:

13 (1) The Indiana economic development corporation.

14 (2) The Indiana career council.

15 (3) The department of labor.

16 (4) Indiana works councils.

17 (5) The state workforce innovation council.

18 (6) The superintendent of public instruction, the department
19 of education, and the state board of education, including the
20 advisory committee on career and technical education.

21 (7) The commission for higher education and state
22 educational institutions.

23 (8) The board for proprietary education.

24 (9) The commission for technical education.

25 In making its determinations under this section, the department of
26 workforce development is not limited to the terminology or
27 characterizations of credentials or jobs used for other purposes by
28 another state agency or organization.

29 (c) The department of workforce development shall keep the
30 information in the online search tool available through the online
31 search tool current and add information as the department of
32 workforce development identifies additional portable workforce
33 credentials and approved training providers that would qualify a
34 taxpayer for a credit under this chapter. The department of
35 workforce development may award an allotment of tax credits
36 under this chapter to a taxpayer that makes an eligible expenditure
37 or eligible donation related to a portable workforce credential or
38 approved training provider that is not in the data base used for the
39 online search tool.

40 Sec. 24. The department of workforce development and the
41 department of state revenue may adopt rules under IC 4-22-2,
42 including emergency rules under IC 4-22-2-37.1, and issue nonrule

1 policy documents, as necessary or appropriate, to carry out the
2 purpose of this chapter.

3 **Sec. 25.** This chapter expires December 31, 2021. However, the
4 expiration of this chapter does not prohibit a taxpayer from
5 claiming a tax credit earned for a taxable year beginning in 2021,
6 or from applying an unused tax credit in conformity with sections
7 20 and 21 of this chapter (before their expiration) in a taxable year
8 ending after December 31, 2021.

3 bearing award to a recipient.

4 (4) Establish criteria to renew awards for certain qualified
5 career and technical programs.
