

SENATE BILL No. 276

DIGEST OF INTRODUCED BILL

Citations Affected: Noncode.

Synopsis: SPEA study of low-carbon and green industries. Requires the Indiana University School of Public and Environmental Affairs (SPEA) to assess the potential for the development of low-carbon and green industries in Indiana and the job creation, economic growth, and wealth generation that could result for Indiana communities from the development of these industries. Requires SPEA to report the results of its assessment to the legislative council in an electronic format not later than December 1, 2020.

Effective: Upon passage.

Lanane

January 9, 2020, read first time and referred to Committee on Environmental Affairs.

Second Regular Session of the 121st General Assembly (2020)

PRINTING CODE. Amendments: Whenever an existing statute (or a section of the Indiana Constitution) is being amended, the text of the existing provision will appear in this style type, additions will appear in **this style type**, and deletions will appear in ~~this style type~~.

Additions: Whenever a new statutory provision is being enacted (or a new constitutional provision adopted), the text of the new provision will appear in **this style type**. Also, the word **NEW** will appear in that style type in the introductory clause of each SECTION that adds a new provision to the Indiana Code or the Indiana Constitution.

Conflict reconciliation: Text in a statute in *this style type* or ~~this style type~~ reconciles conflicts between statutes enacted by the 2019 Regular Session of the General Assembly.
