Provides that before the individual's out-of-state abuse registry check and out-of-state local law enforcement records check have been completed, the individual's employment must be limited to employment training during which: (1) the individual does not have direct contact with a child; and (B) the individual is accompanied by an employee who meets certain requirements. Amends the law regarding petitions by minors for emancipation as follows: (1) Provides that a court hearing a minor's petition for emancipation must appoint a guardian ad litem for the minor. (2) Provides that the guardian ad litem shall investigate the statements contained in the minor's petition and file a report of the investigation with the court. (3) Provides that a court may grant a minor's petition for emancipation only if the court finds that emancipation is in the child's best interests. (4) Provides that if the court completely emancipates the child: (A) the child has all the rights and responsibilities of an adult; and (B) the emancipation order may not specify terms of emancipation. Provides that an emancipated child remains subject to: (1) Indiana law concerning minimum age for marriage; and (2) other specific constitutional and statutory age requirements applicable to the emancipated child because of the emancipated child's age.

- (7) It is in the best interests of the minor for the court to grant the petition to marry and to completely emancipate the minor. A court that grants a petition under this section shall issue written findings regarding the court's conclusions under subdivisions (1) through (7).

(e) The following, considered independently or together, are not sufficient to determine the best interests of a minor for purposes of this section:

- (1) The fact that the minor or the intended spouse is pregnant or has had a child.
- (2) The wishes of the parents or legal guardians of the minor.

 - (B) of which a child was the victim; or

(C) that is an offense under:

- (i) IC 35-42-3.5; or**
- (ii) IC 35-42-4.**

(3) Either the minor or the intended spouse is pregnant or is the mother of a child, and the court finds by a preponderance of evidence that:

(A) the other party to the marriage is the father of the child or unborn child; and

(B) the conception of the child or unborn child resulted from the commission of an offense under:

- (i) IC 35-42-4-3 (child molesting);**
- (ii) IC 35-42-4-6 (child solicitation);**
- (iii) IC 35-42-4-7 (child seduction); or**
- (iv) IC 35-42-4-9 (sexual misconduct with a minor).**

(4) The intended spouse has previously been enjoined by a protective order relating to domestic or family violence, a sexual offense, or stalking, regardless of whether the person protected by the order was the minor.

(g) If a court grants a petition under this section, the court shall also issue an order of complete emancipation of the minor and provide a certified copy of the order to the minor.

(h) A minor emancipated under this section is considered to have all the rights and responsibilities of an adult as defined under IC 1-1-4-5(a)(1), except as provided under specific constitutional or statutory age requirements that apply to the minor because of the minor's age, including requirements related to voting, use of alcoholic beverages or tobacco products, and other health and safety regulations.

(i) A court hearing a petition under this section may issue any other order the court considers appropriate for the minor's protection.

(j) A court that grants a petition under this section may require that both parties to the marriage complete premarital counseling with a marriage and family therapist licensed under IC 25-22.5, IC 25-23.6-8, or IC 25-33.

(k) A court that grants a petition under this section may impose any other condition on the grant of the petition that the court determines is reasonable under the circumstances.
