The amount determined is the base year revenue for the city or county. The treasurer of state shall certify the base year revenue determined under this subsection to the city or county. The total amount of money distributed to a city or county under this section during a state fiscal year may not exceed the entity's base year revenue. For each state fiscal year, the treasurer of state shall pay that part of the riverboat wagering taxes that:

- (1) exceeds a particular city's or county's base year revenue; and
- (2) would otherwise be due to the city or county under this section;

to the state general fund instead of to the city or county.

(d) Each state fiscal year the treasurer of state shall transfer from the tax revenue remitted to the state general fund under subsection (a)(3) to the build Indiana fund an amount that when added to the following may not exceed two hundred fifty million dollars (\$250,000,000):

The treasurer of state shall make transfers on a monthly basis as needed to meet the obligations of the build Indiana fund. If in any state fiscal year insufficient money is transferred to the state general fund under subsection (a)(3) to comply with this subsection, the treasurer of state shall reduce the amount transferred to the build Indiana fund to the amount available in the state general fund from the transfers under subsection (a)(3) for the state fiscal year.

(e) Except as provided in subsections (l) and (m), before August 15 of each year, the treasurer of state shall distribute the wagering taxes set aside for revenue sharing under subsection (a)(1) to the county treasurer of each county that does not have a riverboat according to the ratio that the county's population bears to the total population of the counties that do not have a riverboat. Except as provided in subsection (h), the county auditor shall distribute the money received by the county under this subsection as follows:

- (1) To each city located in the county according to the ratio the

city's population bears to the total population of the county.

(2) To each town located in the county according to the ratio the town's population bears to the total population of the county.

(3) After the distributions required in subdivisions (1) and (2) are made, the remainder shall be retained by the county.

(f) Money received by a city, town, or county under subsection (e) or (h) may be used for any of the following purposes:

(1) To reduce the property tax levy of the city, town, or county for a particular year (a property tax reduction under this subdivision does not reduce the maximum levy of the city, town, or county under IC 6-1.1-18.5).

(2) For deposit in a special fund or allocation fund created under IC 8-22-3.5, IC 36-7-14, IC 36-7-14.5, IC 36-7-15.1, and IC 36-7-30 to provide funding for debt repayment.

(3) To fund sewer and water projects, including storm water management projects.

(4) For police and fire pensions.

(5) To carry out any governmental purpose for which the money is appropriated by the fiscal body of the city, town, or county. Money used under this subdivision does not reduce the property tax levy of the city, town, or county for a particular year or reduce the maximum levy of the city, town, or county under IC 6-1.1-18.5.

(g) Before July 15 of each year, the treasurer of state shall determine the total amount of money distributed to an entity under IC 4-33-12-6 or IC 4-33-12-8 during the preceding state fiscal year. If the treasurer of state determines that the total amount of money distributed to an entity under IC 4-33-12-6 or IC 4-33-12-8 during the preceding state fiscal year was less than the entity's base year revenue (as determined under IC 4-33-12-9), the treasurer of state shall make a supplemental distribution to the entity from taxes collected under this chapter and deposited into the state general fund. Except as provided in subsection

(i), the amount of an entity's supplemental distribution is equal to:

(1) the entity's base year revenue (as determined under IC 4-33-12-9); minus

(2) the sum of:

(A) the total amount of money distributed to the entity and constructively received by the entity during the preceding state fiscal year under IC 4-33-12-6 or IC 4-33-12-8; plus

(B) the amount of any admissions taxes deducted under IC 6-3.1-20-7.

(h) This subsection applies only to a county containing a

consolidated city. The county auditor shall distribute the money received by the county under subsection (e) as follows:

- (1) To each city, other than a consolidated city, located in the county according to the ratio that the city's population bears to the total population of the county.
- (2) To each town located in the county according to the ratio that the town's population bears to the total population of the county.
- (3) After the distributions required in subdivisions (1) and (2) are made, the remainder shall be paid in equal amounts to the consolidated city and the county.

(i) This subsection applies to a supplemental distribution made after June 30, 2017. The maximum amount of money that may be distributed under subsection (g) in a state fiscal year is equal to the following:

- (1) Before July 1, 2021, forty-eight million dollars (\$48,000,000).
- (2) After June 30, 2021, if the total adjusted gross receipts received by licensees from gambling games authorized under this article during the preceding state fiscal year is equal to or greater than the total adjusted gross receipts received by licensees from gambling games authorized under this article during the state fiscal year ending June 30, 2020, the maximum amount is forty-eight million dollars (\$48,000,000).
- (3) After June 30, 2021, if the total adjusted gross receipts received by licensees from gambling games authorized under this article during the preceding state fiscal year is less than the total adjusted gross receipts received by licensees from gambling games authorized under this article during the state fiscal year ending June 30, 2020, the maximum amount is equal to the result of:

(A) forty-eight million dollars (\$48,000,000); multiplied by

(B) the result of:

- (i) the total adjusted gross receipts received by licensees from gambling games authorized under this article during the preceding state fiscal year; divided by
- (ii) the total adjusted gross receipts received by licensees from gambling games authorized under this article during the state fiscal year ending June 30, 2020.

If the total amount determined under subsection (g) exceeds the maximum amount determined under this subsection, the amount distributed to an entity under subsection (g) must be reduced according to the ratio that the amount distributed to the entity under IC 4-33-12-6 or IC 4-33-12-8 bears to the total amount distributed under IC 4-33-12-6 and IC 4-33-12-8 to all entities receiving a supplemental

distribution.

(j) This subsection applies to a supplemental distribution, if any, payable to Lake County, Hammond, Gary, or East Chicago under subsections (g) and (i). Beginning in July 2016, the treasurer of state shall, after making any deductions from the supplemental distribution required by IC 6-3.1-20-7, deduct from the remainder of the supplemental distribution otherwise payable to the unit under this section the lesser of:

- (1) the remaining amount of the supplemental distribution; or
- (2) the difference, if any, between:
 - (A) three million five hundred thousand dollars (\$3,500,000); minus
 - (B) the amount of admissions taxes constructively received by the unit in the previous state fiscal year.

The treasurer of state shall distribute the amounts deducted under this subsection to the northwest Indiana redevelopment authority established under IC 36-7.5-2-1 for deposit in the development authority revenue fund established under IC 36-7.5-4-1.

(k) Money distributed to a political subdivision under subsection (b):

- (1) must be paid to the fiscal officer of the political subdivision and may be deposited in the political subdivision's general fund or riverboat fund established under IC 36-1-8-9, or both;
- (2) may not be used to reduce the maximum levy under IC 6-1.1-18.5 of a county, city, or town or the maximum tax rate of a school corporation, but, except as provided in subsection (b)(2)(B), may be used at the discretion of the political subdivision to reduce the property tax levy of the county, city, or town for a particular year;
- (3) except as provided in subsection (b)(2)(B), may be used for any legal or corporate purpose of the political subdivision, including the pledge of money to bonds, leases, or other obligations under IC 5-1-14-4; and
- (4) is considered miscellaneous revenue.

Money distributed under subsection (b)(2)(B) must be used for the purposes specified in subsection (b)(2)(B).

(l) After June 30, 2020, the amount of wagering taxes that would otherwise be distributed to South Bend under subsection (e) shall be deposited as being received from all riverboats whose supplemental wagering tax, as calculated under IC 4-33-12-1.5(b), is over three and five-tenths percent (3.5%). The amount deposited under this subsection, in each riverboat's account, is proportionate to the

supplemental wagering tax received from that riverboat under IC 4-33-12-1.5 in the month of July. The amount deposited under this subsection must be distributed in the same manner as the supplemental wagering tax collected under IC 4-33-12-1.5. This subsection expires June 30, 2021.

(m) After June 30, 2021, the amount of wagering taxes that would otherwise be distributed to South Bend under subsection (e) shall be withheld and deposited in the state general fund.

"SECTION 43. IC 36-7.5-4-2, AS AMENDED BY P.L.189-2018, SECTION 172, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2019]: Sec. 2. (a) Except as provided in subsections (b) and (d), the fiscal officer of each city and county described in IC 36-7.5-2-3(b) shall each transfer three million five hundred thousand dollars (\$3,500,000) each year to the development authority for deposit in the development authority revenue fund established under section 1 of this chapter. However, if a county having a population of more than one hundred fifty thousand (150,000) but less than one hundred seventy thousand (170,000) ceases to be a member of the development authority and two (2) or more municipalities in the county have become members of the development authority as authorized by IC 36-7.5-2-3(i), the transfer of the local income tax revenue that is dedicated to economic development purposes that is required to be transferred under IC 6-3.6-11-6 is the contribution of the municipalities in the county that have become members of the development authority.

(b) This subsection applies only if:

The fiscal officer of the county described in IC 36-7.5-2-3(e) shall transfer two million six hundred twenty-five thousand dollars

(\$2,625,000) each year to the development authority for deposit in the development authority revenue fund established under section 1 of this chapter. The fiscal officer of the city described in IC 36-7.5-2-3(e) shall transfer eight hundred seventy-five thousand dollars (\$875,000) each year to the development authority for deposit in the development authority revenue fund established under section 1 of this chapter.

(c) This subsection does not apply to Lake County, Hammond, Gary, or East Chicago. The following apply to the remaining transfers required by subsections (a) and (b):

Food and beverage tax revenue deposited in the fund under IC 6-9-36-8 is in addition to the transfers required by this section.

(3) The fiscal officer of the county described in IC 36-7.5-2-3(e) shall transfer six hundred fifty-six thousand two hundred fifty dollars (\$656,250) to the development authority revenue fund before the last business day of January, April, July, and October of each year. (4) The transfers shall be made from one (1) or more of the following:

(A) Riverboat admissions tax revenue received by the city or county, riverboat wagering tax revenue received by the city or county, or riverboat incentive payments received from a riverboat licensee by the city or county.

(B) Any local income tax revenue that is dedicated to economic development purposes under IC 6-3.6-6 and received under IC 6-3.6-9 by the city or county.

(C) Any other local revenue other than property tax revenue received by the city or county.

(D) In the case of a county described in IC 36-7.5-2-3(e) or a city described in IC 36-7.5-2-3(e), any money from the major moves construction fund that is distributed to the county or city under IC 8-14-16.

- (A) constitutes the obligations of the northwest Indiana regional development authority; and
- (B) does not constitute an indebtedness of a county, city, or town described in this section or of the state within the meaning or application of any constitutional or statutory provision or limitation.

(f) Neither the transfer of revenue as provided in this section nor the pledge of revenue transferred under this section is an impairment of contract within the meaning or application of any constitutional provision or limitation because of the following:

- (1) The statutes governing local taxes, including the transferred revenue, have been the subject of legislation annually since 1973, and during that time the statutes have been revised, amended, expanded, limited, and recodified dozens of times.
- (2) Owners of bonds, leases, or other obligations to which local tax revenues have been pledged recognize that the regulation of local taxes has been extensive and consistent.

(3) All bonds, leases, or other obligations, due to their essential contractual nature, are subject to relevant state and federal law that is enacted after the date of a contract.

(4) The state of Indiana has a legitimate interest in assisting the development authority in financing rail projects.

(g) All proceedings had and actions described in this section are valid pledges under IC 5-1-14-4 as of the date of those proceedings or actions and are hereby legalized and declared valid if taken before March 15, 2018."
