Sec. 4. On and after July 1, 2019, K.S.A. 2018 Supp. 40-2404 is hereby amended to read as follows: 40-2404. The following are hereby defined as unfair methods of competition and unfair or deceptive acts or practices in the business of insurance:

(1) *Misrepresentations and false advertising of insurance policies.* Making, issuing, circulating or causing to be made, issued or circulated, any estimate, illustration, circular, statement, sales presentation, omission or comparison ~~which that~~:

(a) Misrepresents the benefits, advantages, conditions or terms of any insurance policy;

(b) misrepresents the dividends or share of the surplus to be received on any insurance policy;

(c) makes any false or misleading statements as to the dividends or share of surplus previously paid on any insurance policy;

(d) is misleading or is a misrepresentation as to the financial condition of any person, or as to the legal reserve system upon which any life insurer operates;

(e) uses any name or title of any insurance policy or class of insurance policies misrepresenting the true nature thereof;

(f) is a misrepresentation for the purpose of inducing or tending to induce the lapse, forfeiture, exchange, conversion or surrender of any insurance policy;

(g) is a misrepresentation for the purpose of effecting a pledge or assignment of or effecting a loan against any insurance policy; or

(h) misrepresents any insurance policy as being shares of stock.

(2) *False information and advertising generally.* Making, publishing, disseminating, circulating or placing before the public, or causing, directly or indirectly, to be made, published, disseminated, circulated or placed before the public, in a newspaper, magazine or other publication, or in the form of a notice, circular, pamphlet, letter or poster, or over any radio or television station, or in any other way, an advertisement, announcement or statement containing any assertion, misrepresentation or statement with respect to the business of insurance or with respect to any person in the conduct of such person's insurance business, ~~which that~~ is untrue, deceptive or misleading.

(3) *Defamation.* Making, publishing, disseminating or circulating, directly or indirectly, or aiding, abetting or encouraging the making, publishing, disseminating or circulating of any oral or written statement or any pamphlet, circular, article or literature ~~which that~~ is false, or maliciously critical of or derogatory to the financial condition of any person, and ~~which that~~ is calculated to injure such person.

(4) *Boycott, coercion and intimidation.* Entering into any agreement to commit, or by any concerted action committing, any act of boycott, coercion or intimidation resulting in or tending to result in unreasonable restraint of the business of insurance, or by any act of boycott, coercion or intimidation monopolizing or attempting to monopolize any part of the business of insurance.

(5) *False statements and entries.* (a) Knowingly filing with any supervisory or other public official, or knowingly making, publishing, disseminating, circulating or delivering to any person, or placing before the public, or knowingly causing directly or indirectly, to be made, published, disseminated, circulated, delivered to any person, or placed before the public, any false material statement of fact as to the financial condition of a person.

(b) Knowingly making any false entry of a material fact in any book, report or statement of any person or knowingly omitting to make a true entry of any material fact pertaining to the business of such person in any book, report or statement of such person.

(6) *Stock operations and advisory board contracts.* Issuing or delivering or permitting agents, officers or employees to issue or deliver, agency company stock or other capital stock, or benefit

(7) *Unfair discrimination.* (a) Making or permitting any unfair discrimination between individuals of the same class and equal expectation of life in the rates charged for any contract of life insurance or life annuity or in the dividends or other benefits payable thereon, or in any other of the terms and conditions of such contract.

(b) Making or permitting any unfair discrimination between individuals of the same class and of essentially the same hazard in the amount of premium, policy fees or rates charged for any policy or contract of accident or health insurance or in the benefits payable thereunder, or in any of the terms or conditions of such contract, or in any other manner whatever.

(c) Refusing to insure, or refusing to continue to insure, or limiting the amount, extent or kind of coverage available to an individual, or charging an individual a different rate for the same coverage solely because of blindness or partial blindness. With respect to all other conditions, including the underlying cause of the blindness or partial blindness, persons who are blind or partially blind shall be subject to the same standards of sound actuarial principles or actual or reasonably anticipated experience as are sighted persons. Refusal to insure includes denial by an insurer of disability insurance coverage on the grounds that the policy defines "disability" as being presumed in the event that the insured loses such person's eyesight. However, an insurer may exclude from coverage disabilities consisting solely of blindness or partial blindness when such condition existed at the time the policy was issued.

(d) Refusing to insure, or refusing to continue to insure, or limiting the amount, extent or kind of coverage available for accident and health and life insurance to an applicant who is the proposed insured or charge a different rate for the same coverage or excluding or limiting coverage for losses or denying a claim incurred by an insured as a result of abuse based on the fact that the applicant who is the proposed insured is, has been, or may be the subject of domestic abuse, except as provided in ~~subpart (v)~~ *subsection (7)(d)(v)*. "Abuse" as used in this ~~subsection (7)(d)~~ *paragraph* means one or more acts defined in ~~subsection (a) or (b)~~ of K.S.A. 60-3102, and amendments thereto, between family members, current or former household members, or current or former intimate partners.

(i) An insurer may not ask an applicant for life or accident and health insurance who is the proposed insured if the individual is, has been or may be the subject of domestic abuse or seeks, has sought or had reason to seek medical or psychological treatment or counseling specifically for abuse, protection from abuse or shelter from abuse.

(ii) Nothing in this section shall be construed to prohibit a person from declining to issue an insurance policy insuring the life of an individual who is, has been or has the potential to be the subject of abuse if the perpetrator of the abuse is the applicant or would be the owner of the insurance policy.

(iii) No insurer that issues a life or accident and health policy to an individual who is, has been or may be the subject of domestic abuse shall be subject to civil or criminal liability for the death or any injuries suffered by that individual as a result of domestic abuse.

(iv) No person shall refuse to insure, refuse to continue to insure, limit the amount, extent or kind of coverage available to an individual or charge a different rate for the same coverage solely because of physical or mental condition, except where the refusal, limitation or rate differential is based on sound actuarial principles.

(v) Nothing in this section shall be construed to prohibit a person from underwriting or rating a risk on the basis of a preexisting physical or mental condition, even if such condition has been caused by abuse,

provided that:

(A) The person routinely underwrites or rates such condition in the same manner with respect to an insured or an applicant who is not a victim of abuse;

(B) the fact that an individual is, has been or may be the subject of abuse may not be considered a physical or mental condition; and

(C) such underwriting or rating is not used to evade the intent of this section or any other provision of the Kansas insurance code.

(vi) Any person who underwrites or rates a risk on the basis of preexisting physical or mental condition as set forth in subsection (7)(d)(v), shall treat such underwriting or rating as an adverse underwriting decision pursuant to K.S.A. 40-2,112, and amendments thereto.

(vii) The provisions of ~~subsection (d)~~ *this paragraph* shall apply to all policies of life and accident and health insurance issued in this state after the effective date of this act and all existing contracts ~~which~~ *that* are renewed on or after the effective date of this act.

(e) Refusing to insure, or refusing to continue to insure, or limiting the amount, extent or kind of coverage available for life insurance to an individual, or charging an individual a different rate for the same coverage, solely because of such individual's status as a living organ donor. With respect to all other conditions, persons who are living organ donors shall be subject to the same standards of sound actuarial principles or actual or reasonably anticipated experience as are persons who are not organ donors.

(8) *Rebates.* (a) Except as otherwise expressly provided by law, knowingly permitting, offering to make or making any contract of life insurance, life annuity or accident and health insurance, or agreement as to such contract other than as plainly expressed in the insurance contract issued thereon; paying, allowing, giving or offering to pay, allow or give, directly or indirectly, as inducement to such insurance, or annuity, any rebate of premiums payable on the contract, any special favor or advantage in the dividends or other benefits thereon, or any valuable consideration or inducement whatever not specified in the contract; or giving, selling, purchasing or offering to give, sell or purchase as inducement to such insurance contract or annuity or in connection therewith, any stocks, bonds or other securities of any insurance company or other corporation, association or partnership, or any dividends or profits accrued thereon, or anything of value whatsoever not specified in the contract.

(b) Nothing in subsection (7) or (8)(a) shall be construed as including within the definition of discrimination or rebates any of the following practices:

(i) In the case of any contract of life insurance or life annuity, paying bonuses to policyholders or otherwise abating their premiums in whole or in part out of surplus accumulated from nonparticipating insurance. Any such bonuses or abatement of premiums shall be fair and equitable to policyholders and for the best interests of the company and its policyholders;

(ii) in the case of life insurance policies issued on the industrial debit plan, making allowance to policyholders who have continuously for a specified period made premium payments directly to an office of the insurer in an amount ~~which~~ *that* fairly represents the saving in collection expenses; or

(iii) readjustment of the rate of premium for a group insurance policy based on the loss or expense experience thereunder, at the end of the first or any subsequent policy year of insurance thereunder, which may be made retroactive only for such policy year.

(9) *Unfair claim settlement practices.* It is an unfair claim settlement practice if any of the following or any rules and regulations pertaining thereto are: ~~(A)~~ *either* committed flagrantly and in conscious disregard of such provisions, or ~~(B)~~ committed with such frequency as to indicate a general business practice.:

(a) Misrepresenting pertinent facts or insurance policy provisions

relating to coverages at issue;

(b) failing to acknowledge and act reasonably promptly upon communications with respect to claims arising under insurance policies;

(c) failing to adopt and implement reasonable standards for the prompt investigation of claims arising under insurance policies;

(d) refusing to pay claims without conducting a reasonable investigation based upon all available information;

(e) failing to affirm or deny coverage of claims within a reasonable time after proof of loss statements have been completed;

(f) not attempting in good faith to effectuate prompt, fair and equitable settlements of claims in which liability has become reasonably clear;

(g) compelling insureds to institute litigation to recover amounts due under an insurance policy by offering substantially less than the amounts ultimately recovered in actions brought by such insureds;

(h) attempting to settle a claim for less than the amount to which a reasonable person would have believed that such person was entitled by reference to written or printed advertising material accompanying or made part of an application;

(i) attempting to settle claims on the basis of an application ~~which~~ *that* was altered without notice to, or knowledge or consent of the insured;

(j) making claims payments to insureds or beneficiaries not accompanied by a statement setting forth the coverage under which payments are being made;

(k) making known to insureds or claimants a policy of appealing from arbitration awards in favor of insureds or claimants for the purpose of compelling them to accept settlements or compromises less than the amount awarded in arbitration;

(l) delaying the investigation or payment of claims by requiring an insured, claimant or the physician of either to submit a preliminary claim report and then requiring the subsequent submission of formal proof of loss forms, both of which submissions contain substantially the same information;

(m) failing to promptly settle claims, where liability has become reasonably clear, under one portion of the insurance policy coverage in order to influence settlements under other portions of the insurance policy coverage; or

(n) failing to promptly provide a reasonable explanation of the basis in the insurance policy in relation to the facts or applicable law for denial of a claim or for the offer of a compromise settlement.

(10) *Failure to maintain complaint handling procedures.* Failure of any person, who is an insurer on an insurance policy, to maintain a complete record of all the complaints ~~which~~ *that* it has received since the date of its last examination under K.S.A. 40-222, and amendments thereto; but no such records shall be required for complaints received prior to the effective date of this act. The record shall indicate the total number of complaints, their classification by line of insurance, the nature of each complaint, the disposition of the complaints, the date each complaint was originally received by the insurer and the date of final disposition of each complaint. For purposes of this subsection, "complaint" means any written communication primarily expressing a grievance related to the acts and practices set out in this section.

(11) *Misrepresentation in insurance applications.* Making false or fraudulent statements or representations on or relative to an application for an insurance policy, for the purpose of obtaining a fee, commission, money or other benefit from any insurer, agent, broker or individual.

(12) *Statutory violations.* Any violation of any of the provisions of K.S.A. 40-216, 40-276a, 40-2,155 or 40-1515, and amendments thereto.

(13) *Disclosure of information relating to adverse underwriting decisions and refund of premiums.* Failing to comply with the provisions of K.S.A. 40-2,112, and amendments thereto, within the

time prescribed in such section.

(14) *Rebates and other inducements in title insurance.* (a) No title insurance company or title insurance agent, or any officer, employee, attorney, agent or solicitor thereof, may pay, allow or give, or offer to pay, allow or give, directly or indirectly, as an inducement to obtaining any title insurance business, any rebate, reduction or abatement of any rate or charge made incident to the issuance of such insurance, any special favor or advantage not generally available to others of the same classification, or any money, thing of value or other consideration or material inducement. The words "charge made incident to the issuance of such insurance" includes, without limitations, escrow, settlement and closing charges.

(ii) the payment of an earned commission to a duly appointed title insurance agent for services actually performed in the issuance of the policy of title insurance; or

(iii) the payment of reasonable entertainment and advertising expenses.

(d) Nothing in this section prohibits the division of rates and charges between or among a title insurance company and its agent, or one or more title insurance companies and one or more title insurance agents, if such division of rates and charges does not constitute an unlawful rebate under the provisions of this section and is not in payment of a forwarding fee or a finder's fee.

(e) As used in ~~paragraphs (e) through (i)(7) of this subpart~~ *subsections (14)(e) through (14)(i)*, unless the context otherwise requires:

(i) "Associate" means any firm, association, organization, partnership, business trust, corporation or other legal entity organized for profit in which a producer of title business is a director, officer or partner thereof, or owner of a financial interest; the spouse or any relative within the second degree by blood or marriage of a producer of title business who is a natural person; any director, officer or employee of a producer of title business or associate; any legal entity that controls, is controlled by, or is under common control with a producer of title business or associate; and any natural person or legal entity with whom a producer of title business or associate has any agreement, arrangement or understanding or pursues any course of conduct, the purpose or effect of which is to evade the provisions of this section.

(ii) "Financial interest" means any direct or indirect interest, legal or beneficial, where the holder thereof is or will be entitled to 1% or more of the net profits or net worth of the entity in which such interest is held. Notwithstanding the foregoing, an interest of less than 1% or any other type of interest shall constitute a "financial interest" if the primary purpose of the acquisition or retention of that interest is the financial benefit to be obtained as a consequence of that interest from the referral of title business.

(g) No title insurer or title agent may accept an order for title insurance business, issue a title insurance policy, or receive or retain any premium, or charge in connection with any transaction if: (i) The title insurer or title agent knows or has reason to believe that the transaction will constitute controlled business for that title insurer or title agent; and (ii) 70% or more of the closed title orders of that title insurer or title agent during the 12 full calendar months immediately preceding the month in which the transaction takes place is derived from controlled business. The failure of a title insurer or title agent to comply with the requirements of this section, at the discretion of the commissioner, shall be grounds for the suspension or revocation of a license or other disciplinary action, with the commissioner able to mitigate any such disciplinary action if the title insurer or title agent is found to be in substantial compliance with competitive behavior as defined by federal housing and urban development statement of policy 1996-2.

(i) (1) No title insurer or title agent may accept any title insurance order or issue a title insurance policy to any person if it knows or has reason to believe that such person was referred to it by any producer of title business or by any associate of such producer, where the producer, the associate, or both, have a financial interest in the title insurer or title agent to which business is referred unless the producer has disclosed in writing to the person so referred the fact that such producer or associate has a financial interest in the title insurer or title agent, the nature of the financial interest and a written estimate of the charge or range of charges generally made by the title insurer or agent for the title services. Such disclosure shall include language stating that the consumer is not obligated to use the title insurer or agent in which the referring producer or associate has a financial interest and shall include the names and telephone numbers of not less than three other title insurers or agents ~~which~~ *that* operate in the county in which the property is located. If fewer than three insurers or agents operate in that county, the disclosure shall include all title insurers or agents operating in that county. Such written disclosure shall be signed by the person so referred and must have occurred prior to any commitment having been

made to such title insurer or agent.

(2) No producer of title business or associate of such producer shall require, directly or indirectly, as a condition to selling or furnishing any other person any loan or extension thereof, credit, sale, property, contract, lease or service, that such other person shall purchase title insurance of any kind through any title agent or title insurer if such producer has a financial interest in such title agent or title insurer.

(4) Nothing in this ~~subpart (i)~~ *paragraph* shall prohibit any producer of title business or associate of such producer from referring title business to any title insurer or title agent of such producer's or associate's choice, and, if such producer or associate of such producer has any financial interest in the title insurer, from receiving income, profits or dividends produced or realized from such financial interest, so long as:

(b) the payment of income, profits or dividends is not in exchange for the referral of business; and

(c) the receipt of income, profits or dividends constitutes only a return on the investment of the producer or associate.

(5) Any producer of title business or associate of such producer who violates the provisions of paragraphs (i)(2) through (i)(4), or any title insurer or title agent who accepts an order for title insurance knowing that it is in violation of paragraphs (i)(2) through (i)(4), in addition to any other action ~~which~~ *that* may be taken by the commissioner of insurance, shall be subject to a fine by the commissioner in an amount equal to five times the premium for the title insurance and, if licensed pursuant to K.S.A. 58-3034 et seq., and amendments thereto, shall be deemed to have committed a prohibited act pursuant to K.S.A. 58-3602, and amendments thereto, and shall be liable to the purchaser of such title insurance in an amount equal to the premium for the title insurance.

(6) Any title insurer or title agent that is a competitor of any title insurer or title agent that, subsequent to the effective date of this act, has violated or is violating the provisions of ~~subpart (i)~~ *this paragraph*, shall have a cause of action against such title insurer or title agent and, upon establishing the existence of a violation of any such provision, shall be entitled, in addition to any other damages or remedies provided by law, to such equitable or injunctive relief as the court deems proper. In any such action under this subsection, the court may award to the successful party the court costs of the action together with reasonable attorney fees.

(7) The commissioner shall also require each title agent to provide core title services as required by the real estate settlement procedures act.

(j) The commissioner shall adopt any regulations necessary to carry out the provisions of this act.

(15) *Disclosure of nonpublic personal information.* (a) No person shall disclose any nonpublic personal information contrary to the provisions of title V of the Gramm-Leach-Bliley act of 1999 (public law 106-102). (b) ~~Any rules and regulations adopted by the commissioner which~~

~~implement article V of the model regulation adopted on September 26, 2000, by the national association of insurance commissioners entitled "Privacy of consumer financial and health information regulation" shall become effective on and after February 1, 2002.~~

~~(e) Nothing in this paragraph (15) subsection shall be deemed or construed to authorize the promulgation or adoption of any regulation which that preempts, supersedes or is inconsistent with any provision of Kansas law concerning requirements for notification of, or obtaining consent from, a parent, guardian or other legal custodian of a minor relating to any matter pertaining to the health and medical treatment for such minor.~~

(a) (1) Group sickness and accident insurance is declared to be that form of sickness and accident insurance covering groups of persons, with or without one or more members of their families or one or more dependents. Except at the option of the employee or member and except employees or members enrolling in a group policy after the close of an open enrollment opportunity, no individual employee or member of an insured group and no individual dependent or family member may be excluded from eligibility or coverage under a policy providing hospital, medical or surgical expense benefits both with respect to policies issued or renewed within this state and with respect to policies issued or renewed outside this state covering persons residing in this state. For purposes of this section, an open enrollment opportunity shall be deemed to be a period no less favorable than a period beginning on the employee's or member's date of initial eligibility and ending 31 days thereafter.

(2) An eligible employee, member or dependent who requests enrollment following the open enrollment opportunity or any special enrollment period for dependents as specified in ~~subsection~~ *paragraph* (3) shall be considered a late enrollee. An accident and sickness insurer may exclude a late enrollee, except during an open enrollment period. However, an eligible employee, member or dependent shall not be considered a late enrollee if:

(A) The individual:

(i) Was covered under another group policy which provided hospital, medical or surgical expense benefits or was covered under section 607(1) of the employee retirement income security act of 1974 (ERISA) at the time the individual was eligible to enroll;

(ii) states in writing, at the time of the open enrollment period, that coverage under another group policy ~~which~~ *that* provided hospital, medical or surgical expense benefits was the reason for declining enrollment, but only if the group policyholder or the accident and sickness insurer required such a written statement and provided the individual with notice of the requirement for a written statement and the consequences of such written statement;

(iii) has lost coverage under another group policy providing hospital, medical or surgical expense benefits or under section 607(1) of the employee retirement income security act of 1974 (ERISA) as a

(3) (A) If an accident and sickness insurer issues a group policy providing hospital, medical or surgical expenses and makes coverage available to a dependent of an eligible employee or member and such dependent becomes a dependent of the employee or member through marriage, birth, adoption or placement for adoption, then such group policy shall provide for a dependent special enrollment period as described in subsection (3)(B) of this section during which the dependent may be enrolled under the policy and in the case of the birth or adoption of a child, the spouse of an eligible employee or member may be enrolled if otherwise eligible for coverage.

(B) A dependent special enrollment period under this subsection shall be a period of not less than 30 days and shall begin on the later of: (i) The date such dependent coverage is made available; or (ii) the date of the marriage, birth or adoption or placement for adoption.

(4) (A) No group policy providing hospital, medical or surgical expense benefits issued or renewed within this state or issued or renewed outside this state covering residents within this state shall limit or exclude benefits for specific conditions existing at or prior to the effective date of coverage thereunder. Such policy may impose a preexisting conditions exclusion, not to exceed 90 days following the date of enrollment for benefits for conditions whether mental or physical, regardless of the cause of the condition for which medical advice, diagnosis, care or treatment was recommended or received in the 90 days prior to the effective date of enrollment. Any preexisting conditions exclusion shall run concurrently with any waiting period.

(B) Such policy may impose a waiting period after full-time employment starts before an employee is first eligible to enroll in any applicable group policy.

(C) A health maintenance organization—~~which~~ *that* offers such policy—~~which~~ *that* does not impose any preexisting conditions exclusion may impose an affiliation period for such coverage, provided that: (i) Such application period is applied uniformly without regard to any health status related factors; and (ii) such affiliation period does not exceed two months. The affiliation period shall run concurrently with any waiting period under the plan.

(D) A health maintenance organization may use alternative methods from those described in this subsection to address adverse selection if approved by the commissioner.

(E) For the purposes of this section, the term "preexisting conditions exclusion" shall mean, with respect to coverage, a limitation or exclusion of benefits relating to a condition based on the fact that the condition was present before the date of enrollment for such coverage whether or not any medical advice, diagnosis, care or treatment was recommended or received before such date.

(F) For the purposes of this section, the term "date of enrollment" means the date the individual is enrolled under the group policy or, if

A group policy shall credit the periods of prior coverage specified in subsection (a)(7) without regard to the specific benefits covered during the period of prior coverage. Any period that the employee or member is in a waiting period for any coverage under a group health plan or is in an affiliation period shall not be taken into account in determining the continuous period under this subsection.

(b) (1) An accident and sickness insurer which offers group policies providing hospital, medical or surgical expense benefits shall provide a certification as described in subsection (b)(2): (A) At the time an eligible employee, member or dependent ceases to be covered under such policy or otherwise becomes covered under a COBRA continuation provision; (B) in the case of an eligible employee, member or dependent being covered under a COBRA continuation provision, at the time such eligible employee, member or dependent ceases to be covered under a COBRA continuation provision; and (C) on the request on behalf of such eligible employee, member or dependent made not later than 24 months after the date of the cessation of the coverage described in ~~subsection (b)~~ *paragraph* (1)(A) or ~~(b)~~(1)(B), whichever is later.

(d) (1) An accident and sickness insurer offering a group policy providing hospital, medical or surgical expense benefits must renew or continue in force such coverage at the option of the policyholder or certificateholder except as provided in paragraph (2) ~~below~~.

(2) An accident and sickness insurer may nonrenew or discontinue coverage under a group policy providing hospital, medical or surgical expense benefits based only on one or more of the following circumstances:

(A) If the policyholder or certificateholder has failed to pay any premium or contributions in accordance with the terms of the group policy providing hospital, medical or surgical expense benefits or the accident and sickness insurer has not received timely premium payments;

(B) if the policyholder or certificateholder has performed an act or practice that constitutes fraud or made an intentional misrepresentation of material fact under the terms of such coverage;

(C) if the policyholder or certificateholder has failed to comply with a material plan provision relating to employer contribution or group participation rules;

(D) if the accident and sickness insurer is ceasing to offer coverage in such group market in accordance with ~~subsections~~ *subsection* (d)(3) or ~~(d)~~(4);

(4) If the accident and sickness insurer elects to discontinue offering group policies providing hospital, medical or surgical expense

benefits or group coverage to a small employer pursuant to K.S.A. 40-2209f, and amendments thereto, such coverage may be discontinued only if:

(A) The accident and sickness insurer provides notice to the insurance commissioner, to all policyholders or certificateholders and to all eligible employees and members covered by such group policy providing hospital, medical or surgical expense benefits at least 180 days prior to the date of the discontinuation of such coverage;

(f) Group accident and health insurance may be offered to a group under the following basis:

(1) Under a policy issued to an employer or trustees of a fund established by an employer, who is the policyholder, insuring at least two employees of such employer, for the benefit of persons other than the employer. This requirement shall not apply to a group policy which provides benefits for specific diseases or for accidental injuries only or a group policy issued to an employer subject to the continuation and conversion obligations set forth at title I, subtitle B, part 6 of the employee retirement income security act of 1974 or at title XXII of the public health service act, as each act was in effect on January 1, 1987, to the extent federal law provides the employee or member or such employee's or member's covered dependents with equal or greater continuation or conversion rights; or an employee or member or such employee's or member's covered dependents shall not be entitled to have such coverage continued or a converted policy issued to the employee or member or such employee's or member's covered dependents if termination of the insurance under the group policy occurred because:

In the event the group policy is terminated and not replaced the insurer may issue an individual policy or certificate in lieu of a conversion policy or the continuation of group coverage required herein if the individual policy or certificate provides substantially similar coverage for the same or less premium as the group policy. In any event, the employee or member shall have the option to be issued a conversion policy—~~which that~~ meets the requirements set forth in this subsection in lieu of the right to continue group coverage.

(j) The continued coverage and the issuance of a converted policy shall be subject to the following conditions:

(1) Written application for the converted policy shall be made and the first premium paid to the insurer not later than 31 days after termination of coverage under the group policy or not later than 31 days after notice is received pursuant to paragraph (20) of this subsection.

(2) The converted policy shall be issued without evidence of insurability.

(3) The employer shall give the employee and such employee's covered dependents reasonable notice of the right to continuation of coverage. The terminated employee or member shall pay to the insurance carrier the premium for the eighteen-month continuation of coverage and such premium shall be the same as that applicable to members or employees remaining in the group. Failure to pay such

premium shall terminate coverage under the group policy at the end of the period for which the premium has been paid. The premium rate charged for converted policies issued subsequent to the period of continued coverage shall be such that can be expected to produce an anticipated loss ratio of not less than 80% based upon conversion, morbidity and reasonable assumptions for expected trends in medical care costs. In the event the group policy is terminated and is not replaced, converted policies may be issued at self-sustaining rates that are not unreasonable in relation to the coverage provided based on conversion, morbidity and reasonable assumptions for expected trends in medical care costs. The frequency of premium payment shall be the frequency customarily required by the insurer for the policy form and plan selected, provided that the insurer shall not require premium payments less frequently than quarterly.

(4) The effective date of the converted policy shall be the day following the termination of insurance under the group policy.

(5) The converted policy shall cover the employee or member and the employee's or member's dependents who were covered by the group policy on the date of termination of insurance. At the option of the insurer, a separate converted policy may be issued to cover any dependent.

(6) The insurer shall not be required to issue a converted policy covering any person if such person is or could be covered by medicare (title XVIII of the United States social security act as added by the social security amendments of 1965 or as later amended or superseded). Furthermore, the insurer shall not be required to issue a converted policy covering any person if:

(A) (i) Such person is covered for similar benefits by another hospital, surgical, medical or major medical expense insurance policy or hospital or medical service subscriber contract or medical practice or other prepayment plan or by any other plan or program, or

(ii) such person is eligible for similar benefits (whether or not covered therefor) under any arrangement of coverage for individuals in a group, whether on an insured or uninsured basis, or

(iii) similar benefits are provided for or available to such person, pursuant to or in accordance with the requirements of any state or federal law, and

(B) the benefits provided under the sources referred to in ~~clause subparagraph (A)(i) above~~ for such person or benefits provided or available under the sources referred to in ~~clauses subparagraphs (A)(ii) and (A)(iii) above~~ for such person, together with the benefits provided by the converted policy, would result in over-insurance according to the insurer's standards. The insurer's standards must bear some reasonable relationship to actual health care costs in the area in which the insured lives at the time of conversion and must be filed with the commissioner of insurance prior to their use in denying coverage.

(7) A converted policy may include a provision whereby the insurer may request information in advance of any premium due date of such policy of any person covered as to whether:

(A) Such person is covered for similar benefits by another hospital, surgical, medical or major medical expense insurance policy or hospital or medical service subscriber contract or medical practice or other prepayment plan or by any other plan or program;

(B) such person is covered for similar benefits under any arrangement of coverage for individuals in a group, whether on an insured or uninsured basis; or

(C) similar benefits are provided for or available to such person, pursuant to or in accordance with the requirements of any state or federal law.

(8) The converted policy may provide that the insurer may refuse to renew the policy and the coverage of any person insured for the following reasons only:

(A) Either the benefits provided under the sources referred to in ~~clauses paragraph (6) (A)(i) and (A)(ii) of paragraph (6)~~ for such

person or benefits provided or available under the sources referred to in ~~clause (A)(iii) of paragraph (6)(A)(iii)~~ for such person, together with the benefits provided by the converted policy, would result in over-insurance according to the insurer's standards on file with the commissioner of insurance, or the converted policyholder fails to provide the requested information;

(B) fraud or material misrepresentation in applying for any benefits under the converted policy; or

(C) other reasons approved by the commissioner of insurance.

(9) An insurer shall not be required to issue a converted policy ~~which~~ *that* provides coverage and benefits in excess of those provided under the group policy from which conversion is made.

(10) If the converted policy provides that any hospital, surgical or medical benefits payable may be reduced by the amount of any such benefits payable under the group policy after the termination of the individual's insurance or the converted policy includes provisions so that during the first policy year the benefits payable under the converted policy, together with the benefits payable under the group policy, shall not exceed those that would have been payable had the individual's insurance under the group policy remained in force and effect, the converted policy shall provide credit for deductibles, copayments and other conditions satisfied under the group policy.

(11) Subject to the provisions and conditions of this act, if the group insurance policy from which conversion is made insures the employee or member for major medical expense insurance, the employee or member shall be entitled to obtain a converted policy providing catastrophic or major medical coverage under a plan meeting the following requirements:

(A) A maximum benefit at least equal to either, at the option of the insurer, ~~paragraphs the amount described in clause (i) or (ii) below:~~

(i) The smaller of the following amounts:

The maximum benefit provided under the group policy or a maximum payment of \$250,000 per covered person for all covered medical expenses incurred during the covered person's lifetime.

(ii) The smaller of the following amounts:

The maximum benefit provided under the group policy or a maximum payment of \$250,000 for each unrelated injury or sickness.

(B) Payment of benefits at the rate of 80% of covered medical expenses ~~which~~ *that* are in excess of the deductible, until 20% of such expenses in a benefit period reaches \$1,000, after which benefits will be paid at the rate of 100% during the remainder of such benefit period. Payment of benefits for outpatient treatment of mental illness, if provided in the converted policy, may be at a lesser rate but not less than 50%.

(C) A deductible for each benefit period which, at the option of the insurer, shall be: (i) The sum of the benefits deductible and \$100; or (ii) the corresponding deductible in the group policy. The term "benefits deductible," as used herein, means the value of any benefits provided on an expense incurred basis ~~which~~ *that* are provided with respect to covered medical expenses by any other hospital, surgical, or medical insurance policy or hospital or medical service subscriber contract or medical practice or other prepayment plan, or any other plan or program whether on an insured or uninsured basis, or in accordance with the requirements of any state or federal law and, if pursuant to the conditions of paragraph (13), the converted policy provides both basic hospital or surgical coverage and major medical coverage, the value of such basic benefits.

If the maximum benefit is determined by ~~clause subparagraph (A) (ii) of this paragraph~~, the insurer may require that the deductible be satisfied during a period of not less than three months if the deductible is \$100 or less, and not less than six months if the deductible exceeds \$100.

(D) The benefit period shall be each calendar year when the maximum benefit is determined by ~~clause subparagraph (A)(i) of this~~

~~paragraph~~ or 24 months when the maximum benefit is determined by ~~clause subparagraph (A)(ii) of this paragraph.~~

(E) The term "covered medical expenses," as used above, shall include at least, in the case of hospital room and board charges 80% of the average semiprivate room and board rate for the hospital in which the individual is confined and twice such amount for charges in an intensive care unit. Any surgical schedule shall be consistent with those customarily offered by the insurer under group or individual health insurance policies and must provide at least a \$1,200 maximum benefit.

(12) The conversion privilege required by this act shall, if the group insurance policy insures the employee or member for basic hospital or surgical expense insurance as well as major medical expense insurance, make available the plans of benefits set forth in paragraph (11). At the option of the insurer, such plans of benefits may be provided under one policy.

The insurer may also, in lieu of the plans of benefits set forth in paragraph (11), provide a policy of comprehensive medical expense benefits without first dollar coverage. The policy shall conform to the requirements of paragraph (11). An insurer electing to provide such a policy shall make available a low deductible option, not to exceed \$100, a high deductible option between \$500 and \$1,000, and a third deductible option midway between the high and low deductible options.

(13) The insurer, at its option, may also offer alternative plans for group health conversion in addition to those required by this act.

(14) In the event coverage would be continued under the group policy on an employee following the employee's retirement prior to the time the employee is or could be covered by medicare, the employee may elect, in lieu of such continuation of group insurance, to have the same conversion rights as would apply had such person's insurance terminated at retirement by reason of termination of employment or membership.

(15) The converted policy may provide for reduction of coverage on any person upon such person's eligibility for coverage under medicare (title XVIII of the United States social security act as added by the social security amendments of 1965 or as later amended or superseded) or under any other state or federal law providing for benefits similar to those provided by the converted policy.

(16) Subject to the conditions set forth above, the continuation and conversion privileges shall also be available:

(A) To the surviving spouse, if any, at the death of the employee or member, with respect to the spouse and such children whose coverage under the group policy terminates by reason of such death, otherwise to each surviving child whose coverage under the group policy terminates by reason of such death, or, if the group policy provides for continuation of dependents' coverage following the employee's or member's death, at the end of such continuation;

(B) to the spouse of the employee or member upon termination of coverage of the spouse, while the employee or member remains insured under the group policy, by reason of ceasing to be a qualified family member under the group policy, with respect to the spouse and such children whose coverage under the group policy terminates at the same time; or

(C) to a child solely with respect to such child upon termination of such coverage by reason of ceasing to be a qualified family member under the group policy, if a conversion privilege is not otherwise provided above with respect to such termination.

(17) The insurer may elect to provide group insurance coverage ~~which that~~ complies with this act in lieu of the issuance of a converted individual policy.

(18) A notification of the conversion privilege shall be included in each certificate of coverage.

(19) A converted policy ~~which that~~ is delivered outside this state must be on a form ~~which that~~ could be delivered in such other

jurisdiction as a converted policy had the group policy been issued in that jurisdiction.

(20) The insurer shall give the employee or member and such employee's or member's covered dependents: (A) Reasonable notice of the right to convert at least once during the eighteen-month continuation period; or (B) for persons covered under 29 U.S.C. §§ 1161 et seq., notice of the right to a conversion policy required by this subsection (d) shall be given at least 30 days prior to the end of the continuation period provided by 29 U.S.C. §§ 1161 et seq. or from the date the employer ceases to provide any similar group health plan to any employee. Such notices shall be provided in accordance with rules and regulations adopted by the commissioner of insurance.

(k) (1) No policy issued by an insurer to which this section applies shall contain a provision ~~which~~ *that* excludes, limits or otherwise restricts coverage because medicaid benefits as permitted by title XIX of the social security act of 1965 are or may be available for the same accident or illness.

(2) Violation of this subsection shall be subject to the penalties prescribed by K.S.A. 40-2407 and 40-2411, and amendments thereto.
