

SENATE BILL No. 223

By Committee on Federal and State Affairs

3-12

1 AN ACT enacting the anesthesiologist assistant licensure act; providing
2 for the powers, duties and functions of the state board of healing arts;
3 amending K.S.A. 65-1163 and 65-28,127 and repealing the existing
4 sections.

5
6 *Be it enacted by the Legislature of the State of Kansas:*

7 New Section 1. Sections 1 through 12, and amendments thereto, shall
8 be known and may be cited as the anesthesiologist assistant licensure act.

9 New Sec. 2. As used in the anesthesiologist assistant licensure act:

10 (a) "Board" means the state board of healing arts.

11 (b) "Direction and supervision" means the guidance, direction and
12 coordination of the activities of an anesthesiologist assistant by such
13 anesthesiologist assistant's supervising or designated anesthesiologist,
14 whether written or verbal, whether immediate or by prior arrangement, in
15 accordance with standards established by the board by rules and
16 regulations and designed to ensure adequate direction and supervision of
17 the anesthesiologist assistant by the supervising or designated
18 anesthesiologist.

19 (c) "Physician" means any person licensed by the state board of
20 healing arts to practice medicine and surgery.

21 (d) "Anesthesiologist" means a physician who has completed a
22 residency in anesthesiology approved by the American board of
23 anesthesiology or the osteopathic board of anesthesiology.

24 (e) "Anesthesiologist assistant" means a person who is licensed in
25 accordance with the provisions of the anesthesiologist assistant licensure
26 act and who provides patient services under the direction and supervision
27 of a supervising or designated anesthesiologist.

28 (f) "Supervising anesthesiologist" means an anesthesiologist who has
29 accepted continuous and ultimate responsibility for the medical services
30 rendered by and actions of the anesthesiologist assistant while performing
31 under the direction and supervision of the designated anesthesiologist.

32 (g) "Designated anesthesiologist" means an anesthesiologist
33 designated by the supervising anesthesiologist to ensure direction and
34 supervision of the anesthesiologist assistant.

35 (h) "Licensee" means all persons issued a license or temporary
36 license pursuant to the anesthesiologist assistant licensure act.

1 (i) "License" means any license or temporary license granted under
2 the anesthesiologist assistant licensure act.

3 New Sec. 3. (a) There is hereby created a designation of active
4 license. The board shall issue an active license to an anesthesiologist
5 assistant who makes written application for such license on a form
6 provided by the board, meets the requirements for license under the
7 anesthesiologist assistant licensure act and remits the fee for an active
8 license established pursuant to subsection (g). As a condition of engaging
9 in active practice as an anesthesiologist assistant, each licensed
10 anesthesiologist assistant shall file a request to engage in active practice
11 signed by the anesthesiologist assistant and the supervising
12 anesthesiologist who will be responsible for supervising the
13 anesthesiologist assistant. The request shall contain such information as
14 required by rules and regulations adopted by the board. The board shall
15 maintain a list of the names of anesthesiologist assistants who may engage
16 in active practice in this state.

17 (b) All licenses, except temporary licenses, shall expire on the date of
18 expiration established by rules and regulations of the board and may be
19 renewed as required by the board. The request for renewal shall be on a
20 form provided by the board and shall be accompanied by the renewal fee
21 established pursuant to this section, paid not later than the expiration date
22 of the license.

23 (c) At least 30 days before the expiration of the license of an
24 anesthesiologist assistant, except for a temporary license, the board shall
25 notify the licensee of the expiration in writing, including, but not limited to,
26 electronic service. If the licensee fails to pay the renewal fee by the
27 date of the expiration of the license, the licensee shall be given a second
28 notice that the licensee's license has expired and the license may be
29 renewed only if the renewal fee and the late renewal fee are received by
30 the board within the 30-day period following the date of expiration and
31 that, if both fees are not received within the 30-day period, the license
32 shall be deemed canceled by operation of law without further proceedings
33 for failure to renew and shall be reissued only after the license has been
34 reinstated pursuant to the provisions of subsection (d).

35 (d) Any license canceled for failure to renew may be reinstated upon
36 recommendation of the board, payment of the reinstatement fee and
37 submission of evidence of satisfactory completion of any applicable
38 continuing education requirements established by the board. The board
39 shall adopt rules and regulations establishing appropriate continuing
40 education requirements for reinstatement of licenses canceled for failure to
41 renew.

42 (e) There is hereby created the designation of inactive license. The
43 board shall issue an inactive license to any licensee who makes written

1 application for such license on a form provided by the board, meets the
2 requirements for licensure under the anesthesiologist assistant licensure act
3 and remits the fee for an inactive license established pursuant to subsection
4 (g). The board may issue an inactive license only to a person who meets all
5 the requirements for a license to practice as an anesthesiologist assistant
6 but who does not engage in active practice as an anesthesiologist assistant
7 in the state of Kansas. An inactive license shall not entitle the holder to
8 engage in active practice. The provisions of subsections (c) and (d) relating
9 to expiration, renewal and reinstatement of a license shall be applicable to
10 an inactive license issued under this subsection. Each inactive licensee
11 may apply to engage in active practice by submitting an application
12 required by subsection (a). The application shall be accompanied by the
13 fee established pursuant to subsection (g).

14 (f) (1) There is hereby created a license by endorsement. The board
15 shall issue a license by endorsement without examination to a person who
16 has been in active practice as an anesthesiologist assistant in some other
17 state, territory, the District of Columbia or other country upon certification
18 of the proper licensing authority of that state, territory, the District of
19 Columbia or other country certifying that the applicant is duly licensed,
20 that the applicant's license has never been limited, suspended or revoked,
21 that the licensee has never been censured or had other disciplinary action
22 taken and that, so far as the records of such authority indicate, the
23 applicant is entitled to its endorsement. The applicant shall also present
24 proof satisfactory to the board:

25 (A) That the state, territory, the District of Columbia or country in
26 which the applicant last practiced has and maintains standards at least
27 equal to those maintained by this state;

28 (B) that the applicant's original licensure was based upon an
29 examination at least equal in quality to the examination required in this
30 state and that the passing grade required to obtain such original license
31 was comparable to that required in this state;

32 (C) the date of the applicant's original and all endorsed licenses and
33 the date and place from which any license was attained;

34 (D) that the applicant has been actively engaged in practice under
35 such license or licenses since issuance. The board may adopt rules and
36 regulations establishing appropriate qualitative and quantitative practice
37 activities to qualify as active practice; and

38 (E) that the applicant has a reasonable ability to communicate in
39 English.

40 (2) An applicant for a license by endorsement shall not be granted
41 such license unless, as determined by the board, the applicant's
42 qualifications are substantially equivalent to Kansas requirements. In lieu
43 of any other requirement prescribed by law for satisfactory passage of any

1 examination for anesthesiologist assistants, the board may accept evidence
2 demonstrating that the applicant or licensee has satisfactorily passed an
3 equivalent examination given by a national board of examiners for
4 physician assistants.

5 (g) The following fees shall be fixed by rules and regulations adopted
6 by the board and shall be collected by the board:

7 (1) An application for any license as an anesthesiologist assistant, not
8 more than \$200;

9 (2) an application for temporary licensure as an anesthesiologist
10 assistant, not more than \$30;

11 (3) for the renewal of a license to practice as an anesthesiologist
12 assistant, not more than \$150;

13 (4) for the renewal of an inactive license, not more than \$75;

14 (5) for the late renewal of any license as an anesthesiologist assistant,
15 an additional fee shall be assessed, not more than \$100;

16 (6) for reinstatement of a license canceled for failure to renew, not
17 more than \$250;

18 (7) for a certified statement from the board that an anesthesiologist
19 assistant is licensed in this state, not more than \$30;

20 (8) for a copy of the licensure certificate of an anesthesiologist
21 assistant, not more than \$25; and

22 (9) for conversion of an inactive license to an active license as an
23 anesthesiologist assistant, not more than \$150.

24 (h) The board shall remit all moneys received from fees, charges or
25 penalties to the state treasurer in accordance with the provisions of K.S.A.
26 75-4215, and amendments thereto. Upon receipt of each such remittance,
27 the state treasurer shall deposit the entire amount in the state treasury to
28 the credit of the healing arts fee fund. All expenditures from such fund
29 shall be made in accordance with appropriation acts upon warrants of the
30 director of accounts and reports issued pursuant to vouchers approved by
31 the president of the board or by a person designated by the president of the
32 board.

33 (i) The board shall adopt all necessary rules and regulations for
34 carrying out the provisions of the anesthesiologist assistant licensure act.
35 The board may grant a temporary variance from an identified rule or
36 regulation when a literal application or enforcement of the rule or
37 regulation would result in serious hardship and the relief granted would
38 not result in any unreasonable risk to the public interest, safety or welfare.

39 New Sec. 4. (a) No person shall be licensed as an anesthesiologist
40 assistant by the board unless such person has:

41 (1) Presented to the board proof that the applicant has successfully
42 completed a course of education and training approved by the board for
43 the education and training of an anesthesiologist assistant, or presented to

1 the board proof that the applicant has acquired experience equivalent to the
2 minimum experience requirements established by the board while serving
3 in the armed forces of the United States;

4 (2) passed an examination approved by the board covering topics
5 incidental to the education and training of an anesthesiologist assistant;
6 and

7 (3) submitted to the board any other information that the board deems
8 necessary through rules and regulations to evaluate the applicant's
9 qualifications.

10 (b) (1) As part of an original application for or reinstatement of any
11 license, registration, permit or certificate or in connection with any
12 investigation of any holder of a license, registration, permit or certificate,
13 the board may require a person to be fingerprinted and submit to a state
14 and national criminal history record check. The fingerprints shall be used
15 to identify the person and to determine whether the person has a record of
16 criminal history in this state or another jurisdiction. The board is
17 authorized to submit the fingerprints to the Kansas bureau of investigation
18 and the federal bureau of investigation for a state and national criminal
19 history record check. The board may use the information obtained from
20 fingerprinting and the criminal history for purposes of verifying the
21 identification of the person and in the official determination of the
22 qualifications and fitness of the person to be issued or to maintain a
23 license, registration, permit or certificate.

24 (2) Local and state law enforcement officers and agencies shall assist
25 the board in taking and processing the fingerprints of applicants for and
26 holders of any license, registration, permit or certificate and shall release
27 all records of adult convictions and non-convictions and adult convictions
28 or adjudications of another state or country to the board.

29 (3) The board may fix and collect a fee as may be required by the
30 board in an amount necessary to reimburse the board for the cost of
31 fingerprinting and the criminal history record check. Any moneys
32 collected under this subsection shall be deposited in the state treasury and
33 credited to the healing arts fee fund.

34 (c) The board may refuse to license a person as an anesthesiologist
35 assistant upon any of the grounds for which the board may revoke,
36 suspend, limit, publicly censure or place under probationary or monitoring
37 conditions such license.

38 (d) The board shall require every licensed anesthesiologist assistant to
39 submit with the renewal application evidence of satisfactory completion of
40 a program of continuing education required by the board. The board, by
41 duly adopted rules and regulations, shall establish the requirements for
42 such program of continuing education as soon as possible after January 6,
43 2020. In establishing such requirements, the board shall consider any

1 existing programs of continuing education currently being offered to
2 anesthesiologist assistants.

3 New Sec. 5. A licensee's license may be revoked, suspended or
4 limited, or the licensee may be publicly censured or placed under
5 probationary or monitoring conditions, fined or an application for a license
6 or for reinstatement of a license may be denied upon a finding that the
7 licensee:

8 (a) Committed an act of unprofessional conduct, as defined by rules
9 and regulations adopted by the board;

10 (b) obtained a license by means of fraud, misrepresentation or
11 concealment of material facts;

12 (c) committed an act of professional incompetency, as defined by
13 rules and regulations adopted by the board;

14 (d) has been convicted of a felony or class A misdemeanor, or
15 substantially similar offense in another jurisdiction or has been convicted
16 in a special or general court-martial, whether or not related to the practice
17 of the healing arts. The board shall revoke a licensee's license following
18 conviction of a felony or substantially similar offense in another
19 jurisdiction, or following conviction in a special or general court-martial,
20 unless a $\frac{2}{3}$ majority of the board members present and voting determine by
21 clear and convincing evidence that such licensee will not pose a threat to
22 the public in such person's capacity as a licensee and that such person has
23 been sufficiently rehabilitated to warrant the public trust. In the case of a
24 person who has been convicted of a felony or convicted in a special or
25 general court-martial and who applies for an original license or to reinstate
26 a canceled license, the application for a license shall be denied unless a $\frac{2}{3}$
27 majority of the board members present and voting on such application
28 determine by clear and convincing evidence that such person will not pose
29 a threat to the public in such person's capacity as a licensee and that such
30 person has been sufficiently rehabilitated to warrant the public trust;

31 (e) violated any provision of the anesthesiologist assistant licensure
32 act;

33 (f) violated any lawful order or rule and regulation of the board;

34 (g) has been found to be mentally ill, disabled, not guilty by reason of
35 insanity, not guilty because the licensee suffers from a mental disease or
36 defect or is incompetent to stand trial by a court of competent jurisdiction;

37 (h) violated a federal law or regulation relating to controlled
38 substances;

39 (i) failed to report to the board any adverse action taken against the
40 licensee by another state or licensing jurisdiction, a peer review body, a
41 healthcare facility, a professional association or society, a governmental
42 agency, a law enforcement agency or a court for acts or conduct similar to
43 acts or conduct that would constitute grounds for disciplinary action under

1 this section;

2 (j) surrendered a license or authorization to practice as an
3 anesthesiologist assistant in another state or jurisdiction, surrendered the
4 authority to utilize controlled substances issued by any state or federal
5 agency, agreed to a limitation to or restriction of privileges at any medical
6 care facility or surrendered the licensee's membership on any professional
7 staff or in any professional association or society while under investigation
8 for acts or conduct similar to acts or conduct that would constitute grounds
9 for disciplinary action under this section;

10 (k) failed to report to the board the surrender of the licensee's license
11 or authorization to practice as an anesthesiologist assistant in another state
12 or jurisdiction or the surrender of the licensee's membership on any
13 professional staff or in any professional association or society while under
14 investigation for acts or conduct similar to acts or conduct that would
15 constitute grounds for disciplinary action under this section;

16 (l) has an adverse judgment, award or settlement against the licensee
17 resulting from a medical liability claim related to acts or conduct similar to
18 acts or conduct that would constitute grounds for disciplinary action under
19 this section;

20 (m) failed to report to the board any adverse judgment, settlement or
21 award against the licensee resulting from a medical malpractice liability
22 claim related to acts or conduct similar to acts or conduct that would
23 constitute grounds for disciplinary action under this section;

24 (n) no longer has the ability to practice with reasonable skill and
25 safety by reason of physical or mental illness or condition or use of
26 alcohol, drugs or controlled substances. All information, reports, findings
27 and other records relating to impairment shall be confidential and not
28 subject to discovery by or release to any person or entity outside of a board
29 proceeding. The provisions of this subsection providing for the
30 confidentiality of public records shall expire on July 1, 2025, unless the
31 legislature reviews and reenacts such provisions in accordance with K.S.A.
32 45-229, and amendments thereto, prior to July 1, 2025;

33 (o) exceeded or acted outside the scope of authority given the
34 anesthesiologist assistant by the supervising anesthesiologist or by the
35 anesthesiologist assistant licensure act;

36 (p) has assisted suicide in violation of K.S.A. 21-3406, prior to its
37 repeal, or K.S.A. 2018 Supp. 21-5407, and amendments thereto, as
38 established by any of the following:

39 (1) A copy of the record of criminal conviction or plea of guilty for a
40 felony in violation of K.S.A. 21-3406, prior to its repeal, or K.S.A. 2018
41 Supp. 21-5407, and amendments thereto;

42 (2) a copy of the record of a judgment of contempt of court for
43 violating an injunction issued under K.S.A. 60-4404, and amendments

1 thereto; or

2 (3) a copy of the record of a judgment assessing damages under
3 K.S.A. 60-4405, and amendments thereto.

4 New Sec. 6. (a) It shall be unlawful for any person who is not
5 licensed under the anesthesiologist assistant licensure act or whose license
6 has been revoked or suspended pursuant to the anesthesiologist assistant
7 licensure act to engage in practice as an anesthesiologist assistant.

8 (b) No person shall use any title, abbreviation, letters, figures, sign,
9 card or device to indicate that any person is a licensed anesthesiologist
10 assistant, nor shall any person represent oneself to be a licensed
11 anesthesiologist assistant, unless such person has been duly licensed as an
12 anesthesiologist assistant in accordance with the provisions of the
13 anesthesiologist assistant licensure act.

14 (c) The provisions of the anesthesiologist assistant licensure act shall
15 not be construed to include the following persons:

16 (1) Persons rendering gratuitous services in the case of an emergency;

17 (2) persons gratuitously administering ordinary household remedies;

18 (3) individuals practicing religious beliefs that provide for reliance on
19 spiritual means alone for healing;

20 (4) students, while performing professional services in an approved
21 anesthesiologist assistant education and training program;

22 (5) persons whose professional services are performed under the
23 direct and personal supervision or by an order of a practitioner who is
24 licensed under the Kansas healing arts act;

25 (6) other healthcare providers who are licensed, registered, certified
26 or otherwise credentialed by agencies of the state of Kansas; or

27 (7) anesthesiologist assistants in the United States army, navy, air
28 force, public health service, coast guard, other military service and other
29 federal employment while acting in the line of duty in this state.

30 (d) Any person violating the provisions of this section shall be guilty
31 of a class B misdemeanor.

32 New Sec. 7. (a) The board shall provide for the temporary licensure
33 of any anesthesiologist assistant who has made proper application for
34 licensure, has the required qualifications for licensure, except for
35 examination, and has paid the prescribed license fee. Such temporary
36 license shall authorize the person so licensed to provide patient services
37 within the limits of the temporary license.

38 (b) (1) A temporary license shall be valid until the earlier of one year
39 from the date of issuance or the state board of healing arts makes a final
40 determination on the applicant's request for licensure.

41 (2) The state board of healing arts may extend a temporary license,
42 upon a majority vote of the members of the board, for a period not to
43 exceed one year.

1 New Sec. 8. (a) The practice of an anesthesiologist assistant shall
2 include assisting the supervising or designated anesthesiologist in
3 implementing an anesthesia care plan for a patient. In assisting the
4 supervising or designated anesthesiologist, an anesthesiologist assistant
5 shall have the authority to:

6 (1) Obtain a comprehensive patient history, perform relevant
7 elements of a physical exam and present the history to the supervising
8 anesthesiologist;

9 (2) pretest and calibrate anesthesia delivery systems and obtain and
10 interpret information from the systems and monitors, in consultation with
11 an anesthesiologist;

12 (3) assist the supervising anesthesiologist with the implementation of
13 medically accepted monitoring techniques;

14 (4) establish basic and advanced airway interventions, including
15 intubation of the trachea and performing ventilator support;

16 (5) administer intermittent vasoactive drugs and start and adjust
17 vasoactive infusions;

18 (6) administer anesthetic drugs, adjuvant drugs and accessory drugs;

19 (7) perform epidural anesthetic procedures, spinal anesthetic
20 procedures and other regional anesthetic techniques in coordination with
21 the supervising anesthesiologist;

22 (8) administer blood, blood products and supportive fluids;

23 (9) provide assistance to the cardiopulmonary resuscitation team in
24 response to a life-threatening situation;

25 (10) participate in administrative, research and clinical teaching
26 activities as authorized by the supervising anesthesiologist; and

27 (11) perform such other tasks as not prohibited by law under the
28 supervision of a licensed anesthesiologist that an anesthesiologist assistant
29 has been trained and is proficient to perform.

30 (b) An anesthesiologist shall at all times accept and be responsible for
31 the oversight of the healthcare services rendered by the anesthesiologist
32 assistant.

33 (c) An anesthesiologist assistant shall practice only under the
34 supervision of an anesthesiologist who is physically present or
35 immediately available in the same physical facility in which the
36 anesthesiologist assistant performs delegated medical acts and the
37 supervising anesthesiologist is available to provide direct supervision.

38 (d) Anesthesiologist assistants shall not have the authority to:

39 (1) Prescribe medications or controlled substances;

40 (2) administer any drugs, medicines, devices or therapies that the
41 supervising anesthesiologist is not qualified or authorized to prescribe; or

42 (3) practice or attempt to practice without the supervision of a
43 licensed anesthesiologist or in any location where the supervising

1 anesthesiologist is not immediately available for consultation, assistance
2 and intervention.

3 New Sec. 9. (a) If a supervising anesthesiologist temporarily leaves
4 such anesthesiologist's customary location of practice, the supervising
5 anesthesiologist shall, by prior arrangement, name a designated
6 anesthesiologist who shall provide direction and supervision to the
7 anesthesiologist assistant of such supervising anesthesiologist.

8 (b) An anesthesiologist assistant shall not perform professional
9 services unless the name, address and signature of each supervising
10 anesthesiologist and the form required under section 3, and amendments
11 thereto, have been provided to the board. A supervising anesthesiologist
12 shall notify the board when supervision and direction of the
13 anesthesiologist assistant has terminated. The board shall provide forms
14 for identifying each supervising anesthesiologist and for giving notice that
15 direction and supervision has terminated. These forms may direct that
16 additional information be provided, including a copy of any written
17 agreements, as required by rules and regulations adopted by the board.

18 New Sec. 10. The board shall limit the number of anesthesiologist
19 assistants that a supervising or designated anesthesiologist may supervise
20 at any one time to four anesthesiologist assistants. An anesthesiologist,
21 group of anesthesiologists or medical care facility, as defined in K.S.A. 65-
22 425, and amendments thereto, may employ more than four anesthesiologist
23 assistants, but an anesthesiologist may not provide direction and
24 supervision to more than four anesthesiologist assistants at any time.

25 New Sec. 11. (a) There is hereby established an anesthesiologist
26 assistant council to advise the board in carrying out the provisions of the
27 anesthesiologist assistant licensure act. The council shall consist of five
28 members, all citizens and residents of the state of Kansas, appointed as
29 follows: One member shall be an anesthesiologist appointed by the board
30 who is a supervising anesthesiologist for an anesthesiologist assistant; one
31 member shall be the president of the board or a person designated by the
32 president; and three members shall be licensed anesthesiologist assistants
33 appointed by the governor. The governor, insofar as possible, shall appoint
34 persons from different geographical areas and persons who represent
35 various types of practice settings. If a vacancy occurs on the council, the
36 appointing authority of the position that has become vacant shall appoint a
37 person of like qualifications to fill the vacant position for the unexpired
38 term, if any. The Kansas academy of anesthesiologist assistants shall
39 recommend the names of licensed anesthesiologist assistants to the
40 governor in a number equal to at least twice the positions or vacancies to
41 be filled, and the governor may appoint members to fill the positions or
42 vacancies from the submitted list. Members of the council appointed by
43 the governor on and after January 6, 2020, shall be appointed for terms of

1 three years and until their successors are appointed and qualified, except
2 that of the members first appointed by the governor on or after January 6,
3 2020, one shall be appointed for a term of one year, one shall be appointed
4 for a term of two years and one shall be appointed for a term of three
5 years, as designated by the governor. The member appointed by the state
6 board of healing arts shall serve at the pleasure of the board. If the
7 president of the board designates a member to serve on the council in the
8 president's stead, that member shall serve at the pleasure of the president.

9 (b) Members of the anesthesiologist assistant council attending
10 meetings of the council or attending a subcommittee meeting thereof
11 authorized by the council shall be paid amounts provided in K.S.A. 75-
12 3223(e), and amendments thereto, from the healing arts fee fund.

13 New Sec. 12. (a) All administrative proceedings to revoke, suspend,
14 limit or deny a license or to censure a licensee, shall be conducted in
15 accordance with K.S.A 65-2838 and 65-2838a, and amendments thereto,
16 and the provisions of the Kansas administrative procedure act.

17 (b) When it appears to the board that any person is violating any of
18 the provisions of the anesthesiologist assistant licensure act, the board
19 may bring an action in the name of the state of Kansas in a court of
20 competent jurisdiction for an injunction against such violation without
21 regard to whether proceedings have been or may be instituted before the
22 board or whether criminal proceedings have been or may be
23 instituted.

24 Sec. 13. K.S.A. 65-1163 is hereby amended to read as follows: 65-
25 1163. Nothing in this act shall:

26 (a) Prohibit administration of a drug by a duly licensed professional
27 nurse, licensed practical nurse or other duly authorized person for the
28 alleviation of pain, including administration of local anesthetics;

29 (b) apply to the practice of anesthesia by a person licensed to practice
30 medicine and surgery, a licensed dentist or a licensed podiatrist;

31 (c) prohibit the practice of nurse anesthesia by students enrolled in
32 approved courses of study in the administration of anesthesia or analgesic
33 as a part of such course of study;

34 (d) apply to the administration of a pudendal block by a person who
35 holds a valid license as an advanced practice registered nurse in the role of
36 nurse-midwife;

37 (e) apply to the administration by a licensed professional nurse of an
38 anesthetic, other than general anesthesia, for a dental operation under the
39 direct supervision of a licensed dentist or for a dental operation under the
40 direct supervision of a person licensed to practice medicine and surgery;

8 Sec. 14. K.S.A. 65-28,127 is hereby amended to read as follows: 65-
9 28,127. (a) Every supervising or responsible licensee who directs,
10 supervises, orders, refers, accepts responsibility for, enters into written
11 agreements or practice protocols with, or who delegates acts which
12 constitute the practice of the healing arts to other persons shall:

13 (1) Be actively engaged in the practice of the healing arts in Kansas;

14 (2) review and keep current any required written agreements or
15 practice protocols between the supervising or responsible licensee and
16 such persons, as may be determined by the board, *including the*
17 *responsibility to notify the board when terminating the direction and*
18 *supervision request of a written agreement or practice protocol;*

19 (3) direct, supervise, order, refer, enter into a written agreement or
20 practice protocol with, or delegate to such persons only those acts and
21 functions which the supervising or responsible licensee knows or has
22 reason to believe can be competently performed by such person and is not
23 in violation of any other statute or regulation;

24 (4) direct, supervise, order, refer, enter into a written agreement or
25 practice protocol with, or delegate to other persons only those acts and
26 functions which are within the normal and customary specialty,
27 competence and lawful practice of the supervising or responsible licensee;

28 (5) provide for a qualified, substitute licensee who accepts
29 responsibility for the direction, supervision, delegation and written
30 agreements or practice protocols with such persons when the supervising
31 or responsible licensee is temporarily absent; and

32 (6) comply with all rules and regulations of the board establishing
33 limits and conditions on the delegation and supervision of services
34 constituting the practice of medicine and surgery.

35 (b) "Responsible licensee" means a person licensed by the state board
36 of healing arts to practice medicine and surgery or chiropractic who has
37 accepted responsibility for the actions of persons who perform acts
38 pursuant to written agreements or practice protocols with, or at the order
39 of, or referral, direction, supervision or delegation from such responsible
40 licensee.

41 (c) Except as otherwise provided by rules and regulations of the
42 board implementing this section, the physician assistant licensure act shall
43 govern the direction and supervision of physician assistants by persons

1 licensed by the state board of healing arts to practice medicine and surgery.

2 (d) Nothing in subsection (a)(4) shall be construed to prohibit a
3 person licensed to practice medicine and surgery from ordering,
4 authorizing or directing anesthesia care by a registered nurse anesthetist
5 pursuant to K.S.A. 65-1158, and amendments thereto.

6 (e) Nothing in this section shall be construed to prohibit a person
7 licensed to practice medicine and surgery from ordering, authorizing or
8 directing physical therapy services pursuant to K.S.A. 65-2901 et seq., and
9 amendments thereto.

10 (f) Nothing in this section shall be construed to prohibit a person
11 licensed to practice medicine and surgery from entering into a co-
12 management relationship with an optometrist pursuant to K.S.A. 65-1501
13 et seq., and amendments thereto.

14 (g) The board may adopt rules and regulations establishing limits and
15 conditions on the delegation and supervision of services constituting the
16 practice of medicine and surgery.

17 (h) As used in this section, "supervising physician" shall have the
18 meaning ascribed thereto in K.S.A. 65-28a02, and amendments thereto.

19 (i) This section shall be *a* part of and supplemental to the Kansas
20 healing arts act.

21 Sec. 15. K.S.A. 65-1163 and 65-28,127 are hereby repealed.

22 Sec. 16. This act shall take effect and be in force from and after
23 January 6, 2020, and its publication in the statute book.
