18 **officers whose jurisdiction or duties are coextensive with that of the**
19 **Commonwealth within the meaning of Section 246 of the Constitution of**
20 **Kentucky.**

21 **(b)** The compensation of the property valuation administrator shall be based on
22 the schedule contained in subsection (2) of this section as modified by
23 subsection (3) of this section. The compensation of the property valuation
24 administrator shall be calculated by the department annually. Should a
25 property valuation administrator for any reason vacate the office in any year
26 during his term of office, he shall be paid only for the calendar days actually
27 served during the year.

1 (2) The salary schedule for property valuation administrators provides for nine (9)
 2 levels of salary based upon the population of the county in the prior year as
 3 determined by the United States Department of Commerce, Bureau of the Census
 4 annual estimates. To implement the salary schedule, the department shall, by
 5 November 1 of each year, certify for each county the population group applicable to
 6 each county based on the most recent estimates of the United States Department of
 7 Commerce, Bureau of the Census. The salary schedule provides four (4) steps for
 8 yearly increments within each population group. Property valuation administrators
 9 shall be paid according to the first step within their population group for the first
 10 year or portion thereof they serve in office. Thereafter, each property valuation
 11 administrator, on January 1 of each subsequent year, shall be advanced
 12 automatically to the next step in the salary schedule until the maximum salary
 13 figure for the population group is reached. If the county population as certified by
 14 the department increases to a new group level, the property valuation
 15 administrator's salary shall be computed from the new group level at the beginning
 16 of the next year. A change in group level shall have no effect on the annual change
 17 in step. Prior to assuming office, any person who has previously served as a
 18 property valuation administrator must certify to the department the total number of
 19 years, not to exceed four (4) years, that the person has previously served in the
 20 office. The department shall place the person in the proper step based upon a
 21 formula of one (1) incremental step per full calendar year of service:

7 (3) (a) For calendar year ~~2024~~~~[2000]~~, the salary schedule in subsection (2) of this
 8 section shall be increased by the amount of increase in the annual consumer
 9 price index as published by the United States Department of Commerce for
 10 the year ended December 31, ~~2023~~~~[1999]~~. This salary adjustment shall take
 11 effect on the effective date of this Act~~[July 14, 2000]~~, and shall not be
 12 retroactive to the preceding January 1.

13 (b) 1. For each calendar year beginning after December 31, ~~2024~~~~[2000]~~, upon
 14 publication of the annual consumer price index by the United States
 15 Department of Commerce, the annual rate of salary for the property
 16 valuation administrator shall be determined by applying the increase in
 17 the consumer price index to the salary in effect for the previous year.
 18 This salary determination shall be retroactive to the preceding January 1.
 19 A property valuation administrator's salary shall not exceed the
 20 maximum salary set out for officers whose jurisdiction or duties are
 21 coextensive with that of the Commonwealth within the meaning of
 22 Section 246 of the Constitution of Kentucky.

23 2. a. Each property valuation administrator who is serving in office
 24 on the effective date of this Act who did not receive an eight
 25 percent (8%) salary increase in July 2022 while serving as
 26 property valuation administrator shall receive a lump-sum
 27 payment that is equal to eight percent (8%) of the sum the

1 property valuation administrator received between the effective
2 date of this Act and the date the property valuation administrator
3 took office after July 1, 2022.

4 b. The department shall calculate the payments due the eligible
5 property valuation administrators as set out in subdivision a. of
6 this subparagraph and shall direct that the eligible property
7 valuation administrators each receive a lump-sum payment on or
8 before June 30, 2024.

9 (c) In addition to the step increases based on service in office, each property
10 valuation administrator shall be paid an annual incentive of six hundred
11 eighty-seven dollars and sixty-seven cents (\$687.67) per calendar year for
12 each forty (40) hour training unit successfully completed based on continuing
13 service in that office and, except as provided in this subsection, completion of
14 at least forty (40) hours of approved training in each subsequent calendar
15 year. If a property valuation administrator fails without good cause, as
16 determined by the commissioner of the department, to obtain the minimum
17 amount of approved training in any year, the officer shall lose all training
18 incentives previously accumulated. No property valuation administrator shall
19 receive more than one (1) training unit per calendar year nor more than four
20 (4) incentive payments per calendar year. Each property valuation
21 administrator shall be allowed to carry forward up to forty (40) hours of
22 training credit into the following calendar year for the purpose of satisfying
23 the minimum amount of training for that year. This amount shall be increased
24 by the consumer price index adjustments prescribed in paragraphs (a) and (b)
25 of this subsection. Each training unit shall be approved and certified by the
26 department. Each unit shall be available to property valuation administrators
27 in each office based on continuing service in that office. The department shall

1 promulgate administrative regulations in accordance with KRS Chapter 13A
2 to establish guidelines for the approval and certification of training units.

3 (4) Notwithstanding any provision contained in this section, no property valuation
4 administrator holding office on the effective date of this Act~~[July 14, 2000]~~, shall
5 receive any reduction in salary or reduction in adjustment to salary otherwise
6 allowable by the statutes in force on the effective date of this Act~~[July 14, 2000]~~.

7 (5) Deputy property valuation administrators and other authorized personnel may be
8 advanced one (1) step in grade upon completion of twelve (12) months' continuous
9 service. The department may make grade classification changes corresponding to
10 any approved for department employees in comparable positions, so long as the
11 changes do not violate the integrity of the classification system. Subject to
12 availability of funds, the department may extend cost-of-living increases approved
13 for department employees to deputy property valuation administrators and other
14 authorized personnel, by advancement in grade.

15 (6) Beginning with the 1990-1992 biennium, the department shall prepare a biennial
16 budget request for the staffing of property valuation administrators' offices. An
17 equitable allocation of employee positions to each property valuation
18 administrator's office in the state shall be made on the basis of comparative
19 assessment work units. Assessment work units shall be determined from the most
20 current objective information available from the United States Bureau of the Census
21 and other similar sources of unbiased information. Beginning with the 1996-1998
22 biennium, assessment work units shall be based on parcel count per employee. The
23 total sum allowed by the state to any property valuation administrator's office as
24 compensation for deputies, other authorized personnel, and for other authorized
25 expenditures shall not exceed the amount fixed by the department. However, each
26 property valuation administrator's office shall be allowed as a minimum such funds
27 that are required to meet the federal minimum wage requirements for two (2) full-

1 time deputies.

2 (7) Beginning with the 1990-1992 biennium each property valuation administrator shall
3 submit by June 1 of each year for the following fiscal year to the department a
4 budget request for his office which shall be based upon the number of employee
5 positions allocated to his office under subsection (6) of this section and upon the
6 county and city funds available to his office and show the amount to be expended
7 for deputy and other authorized personnel including employer's share of FICA and
8 state retirement, and other authorized expenses of the office. The department shall
9 return to each property valuation administrator, no later than July 1, an approved
10 budget for the fiscal year.

11 (8) Each property valuation administrator may appoint any persons approved by the
12 department to assist him in the discharge of his duties. Each deputy shall be more
13 than twenty-one (21) years of age and may be removed at the pleasure of the
14 property valuation administrator. The salaries of deputies and other authorized
15 personnel shall be fixed by the property valuation administrator in accordance with
16 the grade classification system established by the department and shall be subject to
17 the approval of the department. The Personnel Cabinet shall provide advice and
18 technical assistance to the department in the revision and updating of the personnel
19 classification system, which shall be equitable in all respects to the personnel
20 classification systems maintained for other state employees. Any deputy property
21 valuation administrator employed or promoted to a higher position may be
22 examined by the department in accordance with standards of the Personnel Cabinet,
23 for the position to which he is being appointed or promoted. No state funds
24 available to any property valuation administrator's office as compensation for
25 deputies and other authorized personnel or for other authorized expenditures shall
26 be paid without authorization of the department prior to the employment by the
27 property valuation administrator of deputies or other authorized personnel or the

1 incurring of other authorized expenditures.

2 (9) Each county fiscal court shall annually appropriate and pay each fiscal year to the
3 office of the property valuation administrator as its cost for use of the assessment,
4 as required by KRS 132.280, an amount determined as follows:

6 shall be used for deputy and other personnel allowance, supplies, maps and
7 equipment, travel allowance for the property valuation administrator and his
8 deputies and other authorized personnel, and other authorized expenses of the
9 office.

10 (11) Annually, after appropriation by the county of funds required of it by subsection (9)
11 of this section, and no later than August 1, the property valuation administrator
12 shall file a claim with the county for that amount of the appropriation specified in
13 his approved budget for compensation of deputies and assistants, including

19 and state retirement in the appropriating county. Any funds paid into the State
20 Treasury in accordance with this provision but unexpended by the close of the fiscal
21 year for which they were appropriated shall be returned to the county from which
22 they were received.

23 (12) After submission to the State Treasury or to the property valuation administrator of
24 the county funds budgeted for personnel compensation under subsection (11) of this
25 section, the fiscal court shall pay the remainder of the county appropriation to the
26 office of the property valuation administrator on a quarterly basis. Four (4) equal
27 payments shall be made on or before September 1, December 1, March 1, and June

2 be retained by the property valuation administrator, except as provided in KRS
3 132.601(2). During county election years the property valuation administrator shall
4 not expend in excess of forty percent (40%) of the allowances available to his office
5 from county funds during the first five (5) months of the fiscal year in which the
6 general election is held.

7 (13) The provisions of this section shall apply to urban-county governments and
8 consolidated local governments. In an urban-county government and a consolidated
9 local government, all the rights and obligations conferred on fiscal courts or
