17                    (4) (a) All or part of the experience requirements for licensing under subsection (2)  
 18                    or (3) of this section may be met through applicable supervised military  
 19                    occupational specialty experience while serving in the United States Armed  
 20                    Forces, including but not limited to electrical engineering, electrical power  
 21                    production, electrical repair or maintenance, utilities, electronic systems  
 22                    repair or maintenance, or aircraft electrician experience.

23                    (b) The department shall promulgate administrative regulations pursuant to  
 24                    KRS Chapter 13A that establish an application form for the use of military  
 25                    experience to apply toward licensure experience under subsection (2) or (3)  
 26                    of this section. As part of the application process, the applicant shall be  
 27                    required to provide:

- 1                    1. A copy of the applicant's DD-214 form showing the applicant's  
 2                    military occupational specialty; or  
 3                    2. A signed statement by the applicant's commanding officer, on a form  
 4                    provided by the department, attesting to the fact that the applicant  
 5                    meets the experience requirements of this section.

- 6    **(5)** (a) The department shall issue a nonrenewable provisional license as an  
 7                    "electrician" to an applicant who ~~is~~  
 8                    ~~1. Is a Kentucky resident; and~~  
 9                    ~~2. Has~~ completed at least six (6) years of verifiable experience and has  
 10                    worked two thousand eighty (2,080) hours a year for those six (6) years  
 11                    in the electrical trade since the applicant's sixteenth birthday.
- 12                    (b) A nonrenewable provisional license issued to an applicant under paragraph (a)  
 13                    of this subsection shall be valid for a period not to exceed one (1) year from  
 14                    the date of issuance.
- 15                    (c) The department shall issue a license as an electrician to a provisional license  
 16                    holder who has, prior to the expiration of the one (1) year term of the  
 17                    provisional license:
- 18                    1. Achieved a passing score on all portions of the examination required  
 19                    and administered by the department under subsection (3)(c) of this  
 20                    section;
- 21                    2. Paid to the department the application fee not to exceed fifty dollars  
 22                    (\$50) per year; and
- 23                    3. Paid to the department the examination fee not to exceed the actual cost  
 24                    of the examination.
- 25                    (d) If a provisional license holder does not achieve a passing score on all portions  
 26                    of the examination required and administered under subsection (3)(c) of this  
 27                    section prior to the expiration of the one (1) year term of the provisional

1 license, the provisional license shall expire and the provisional license holder  
2 shall be ineligible for any additional provisional licenses. Nothing in this  
3 paragraph shall prevent a former provisional license holder from acquiring an  
4 electrician's license under subsection (3) of this section.

5 ➔Section 2. KRS 227A.100 is amended to read as follows:

- 6 (1) Each licensee licensed under the provisions of KRS 227A.010 to 227A.140 shall  
7 **biennially**~~annually~~, on or before the last day of the licensee's birth month **in the**  
8 **second year**, pay to the department a renewal fee as established in administrative  
9 regulations promulgated by the department. **Any license issued or renewed on or**  
10 **after the effective date of this Act shall be a biennial license, and for the biennial**  
11 **payment, the renewal fee shall be doubled to cover both years.**
- 12 (2) A sixty (60) day grace period shall be allowed after the **expiration**~~anniversary~~  
13 date of the license, during which time a licensee may continue to practice and may  
14 renew his or her license upon payment of the renewal fee plus a late renewal fee as  
15 promulgated by administrative regulation of the department.
- 16 (3) A license not renewed before the end of the sixty (60) day grace period shall  
17 terminate based on the failure of the licensee to renew in a timely manner. Upon  
18 termination, the licensee is no longer eligible to practice in the Commonwealth.
- 19 (4) After the sixty (60) day grace period, a former licensee with a terminated license  
20 may have the license reinstated upon payment of the renewal fee plus a  
21 reinstatement fee as promulgated by administrative regulation of the department.  
22 An applicant for reinstatement after termination of the license shall not be required  
23 to submit to any examination as a condition for reinstatement, if the reinstatement  
24 application is made within three (3) years from the date of termination.
- 25 (5) A suspended license is subject to expiration and termination and shall be renewed  
26 as provided in this section. Renewal shall not entitle the licensee to engage in the  
27 practice until the suspension has ended or is otherwise removed by the department

1 and the right to practice is restored by the department.

2 (6) A revoked license is subject to expiration or termination but may not be renewed. If  
3 it is reinstated, the former licensee shall pay the reinstatement fee as promulgated  
4 by administrative regulations under subsection (4) of this section and the renewal  
5 fee as promulgated by administrative regulations under subsection (1) of this  
6 section.

7 (7) The department shall require an applicant for renewal or reinstatement of a license  
8 to show evidence of completing at least six (6) hours of continuing education per  
9 year provided by the National Electrical Contractors Association, the Associated  
10 Builders and Contractors, the International Brotherhood of Electrical Workers, the  
11 Associated General Contractors, the International Association of Electrical  
12 Inspectors, the Independent Electrical Contractors Association, the Kentucky  
13 Department of Housing, Buildings and Construction, or other provider of  
14 instruction approved by the department. The department shall promulgate  
15 administrative regulations establishing the content of the programs and the  
16 qualifications of the providers.

17 (8) The department shall require, where applicable, that an applicant for renewal or  
18 reinstatement of a license submit proof that the applicant has complied with  
19 workers' compensation and unemployment insurance laws and regulations and has  
20 obtained a general liability insurance policy of not less than one million~~[five~~  
21 ~~hundred thousand]~~ dollars (\$1,000,000)~~[\$500,000]~~.

22 (9) The department may, through the promulgation of administrative regulations:

23 (a) Establish an inactive license for licensees who are not actively engaging in the  
24 electrical business but wish to maintain their license;

25 (b) Reduce license and renewal fees for inactive licensees;~~[and]~~

26 (c) Waive the requirements established in subsection (8) of this section for  
27 inactive licensees; and

- 1        *(d) Establish a system to issue electronic licenses instead of physical licenses.*
- 2        *(10) This section shall not apply to provisional licenses issued under Section 1 of this*
- 3        *Act.*
