12 advanced practice registered nurse may choose to maintain a CAPA-NS  
13 indefinitely after the four (4) years have expired.
- 14 3. An advanced practice registered nurse who has maintained a CAPA-NS

11 the advanced practice registered nurse.

12 (e) The advanced practice registered nurse who is prescribing controlled  
13 substances and the collaborating physician shall be qualified in the same or a  
14 similar specialty.

15 (f) The CAPA-CS is not intended to be a substitute for the exercise of

7 be prescribed by the advanced practice registered nurse, as agreed to by the  
8 advanced practice registered nurse and the collaborating physician. The limits  
9 so imposed may be more stringent than either the schedule limits on  
10 controlled substances established in KRS 314.011(8) or the limits imposed in  
11 regulations promulgated by the Kentucky Board of Nursing thereunder.

12 (11) Nothing in this chapter shall be construed as requiring an advanced practice  
13 registered nurse designated by the board as a certified registered nurse anesthetist to  
14 enter into a collaborative agreement with a physician, pursuant to this chapter or any  
15 other provision of law, in order to deliver anesthesia care.

16 (12) The jurisprudence examination shall be prescribed by the board and be conducted  
17 on the licensing requirements under this chapter and board regulations and  
18 requirements applicable to advanced practice registered nursing in this  
19 Commonwealth. The board shall promulgate administrative regulations in

23 **from a CAPA-CS required under subsection (10) of this section, the**  
24 **advanced practice registered nurse shall have completed four (4) years of**

5 (b) On or after the effective date of this Act:

6 1. An advanced practice registered nurse who has had four (4) years of  
7 prescribing authority with a CAPA-CS and who wishes to prescribe  
8 controlled substances without a CAPA-CS shall submit a form  
9 requesting a review from the Kentucky Board of Nursing that the  
10 advanced practice registered nurse's license is in good standing;

11 2. The advanced practice registered nurse shall not prescribe controlled  
12 substances without a CAPA-CS until the board has completed its  
13 review and has notified the advanced practice registered nurse that the  
14 advanced practice registered nurse is exempt from the CAPA-CS

- 10           5. Review a national nursing disciplinary databank for any violations by  
11           the advanced practice registered nurse in this or other jurisdictions.

12        (d) Based on the findings of these actions, the Kentucky Board of Nursing shall  
13        determine whether or not the advanced practice registered nurse's license is  
14        in good standing for the purposes of removing the requirement for the  
15        advanced practice registered nurse to have a CAPA-CS in order to prescribe  
16        controlled substances.

17        (e) If the advanced practice registered nurse's license is found to be in good  
18        standing, that advanced practice registered nurse shall be notified by the  
19        board that the advanced practice registered nurse is no longer required to  
20        maintain a CAPA-CS and shall not be compelled to maintain a CAPA-CS  
21        as a condition to prescribe controlled substances, but an advanced practice  
22        registered nurse may choose to maintain a CAPA-CS indefinitely after the  
23        four (4) years have expired.

24        (f) If the advanced practice registered nurse's license is found not to be in good  
25        standing, the CAPA-CS requirement shall not be removed until the license  
26        is restored to good standing, as directed by the board.

27        (g) The Kentucky Board of Nursing may conduct random audits of the

1           prescribing practices of advanced practice registered nurses, including  
2           those who no longer require a CAPA-CS in order to prescribe, through a  
3           review of KASPER data and may take disciplinary action if violations of the  
4           law have occurred.
