EXPENDITURE EXPLANATION

There is no anticipated direct material effect on governmental expenditures as a result of this measure.

According to the South Louisiana Flood Protection Authority - West, this measure will have no fiscal impact as the bill puts current practice of the Authority in to law. The West Jefferson Levee District and the Algiers Levee District already enter in to contracts for the purpose of maintaining flood control works and sharing costs. This measure will facilitate what the Authority and Districts are already doing.

According to the South Louisiana Flood Protection Authority - East, this measure will have no fiscal impact as the bill permits revenue to be shared with no additional millages assessed. Furthermore, the Levee Districts within the Authority (East Jefferson Levee District, Lake Borgne Basin Levee District, Orleans Levee District and Tangipahoa Levee District [Inactive]) already share costs of projects through the use of cooperative endeavor agreements, cost allocations, or through an Authority approved cost sharing formula.

REVENUE EXPLANATION
