HB 429 Original

2015 Regular Session

Jackson

Abstract: Changes the tax credit for ad valorem taxes paid on vessels in Outer Continental Shelf Lands Act Waters from a refundable credit to a credit in which amounts of the credit above the tax liability may be carried forward and applied against subsequent tax liability for up to five years.

Present law provides for a La. income or corporation franchise tax credit for ad valorem taxes paid without protest to political subdivisions on vessels in Outer Continental Shelf Lands Act Waters as certified to the assessor pursuant to present law within the calendar year immediately preceding the taxable year of assessment of the vessel. The amount of the credit shall be equal to 100% of the ad valorem taxes paid to political subdivisions.

Present law provides that the taxpayer is entitled to a refund for any allowable credit which exceeds the aggregate tax liability of the taxpayer. Further requires the Dept. of Revenue to refund the excess tax credit amount to the taxpayer from current tax collections and to pay or disallow claims for credits, refunds, and interest within ninety days of receiving a tax credit or refund claim.

Proposed law changes the tax credit from a refundable credit to one in which credit amounts which exceed taxpayer liability may be carried forward against subsequent income or corporation franchise tax liability for up to five years. Proposed law removes references to refunds and interest from the requirement that the secretary pay tax credit amounts within one year of receipt of the tax credit claim.

Applicable to tax years beginning on or after Jan. 1, 2015.
