2024 Regular Session

HOUSE STUDY REQUEST NO. 1

BY REPRESENTATIVE FARNUM

SEWERAGE: Requests the House Committee on Health and Welfare study individual sewer systems

1	A STUDY REQUEST
2	To the House Committee on Health and Welfare to study individual sewer systems,
3	specifically involving R.S. 40:1281.24 through 1281.26, and to report its findings to
4	the House of Representatives prior to the convening of the 2025 Regular Session.
5	WHEREAS, R.S. 40:1281.24 through 1281.26 provide for individual sewer systems;
6	and
7	WHEREAS, present law and promulgated agency rules can make the maintenance
8	of individual sewer systems more onerous on individual homeowners; and
9	WHEREAS, giving individual homeowners more autonomy involving sewer systems
10	is good public policy that will benefit the citizens of the state of Louisiana; and
11	WHEREAS, a study of present law and agency rules regarding individual sewer
12	systems will allow for the sharing of ideas on how best to change present law and agency
13	rules to be more beneficial to individual homeowners.
14	THEREFORE, the House of Representatives of the Legislature of Louisiana requests
15	the House Committee on Health and Welfare to study individual sewer systems and to report
16	its findings to the House of Representatives prior to the convening of the 2025 Regular
17	Session.

DIGEST

The digest printed below was prepared by House Legislative Services. It constitutes no part of the legislative instrument. The keyword, one-liner, abstract, and digest do not constitute part of the law or proof or indicia of legislative intent. [R.S. 1:13(B) and 24:177(E)]

HSR 1 Original
