An Act establishing a tax credit for artist work space.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 SECTION 1. Chapter 62 of the General Laws is hereby amended by inserting after
2 section 6N, as appearing in the 2012 Official Edition, the following section:-

3 Section 6O. (a) For the purposes of this section, the following words shall, unless the
4 context clearly requires otherwise, have the following meanings:-

5 “Commissioner”, the commissioner of revenue.

6 “Cultural district”, a geographical area of a city or town within the commonwealth
7 designated as a cultural district pursuant to the provisions of section 58A of chapter 10.

8 “Department”, the department of housing and community development, or its successor
9 agency.

10 “Eligibility statement”, a statement authorized and issued by the department certifying
11 that a given project is a qualified project. The department shall, in consultation with the
12 commissioner, promulgate regulations establishing criteria upon which the eligibility statements
13 will be issued. The eligibility statement shall specify the maximum annual amount of the
14 Massachusetts artist work shop tax credit authorized. The department shall only authorize the tax
15 credits to qualified projects which are placed in service on or after January 1, 2016.

16 “Qualified project”, a project for the construction of a new building located in a cultural
17 district, or renovation of an existing building located in a cultural district, providing artists with
18 the workspace necessary to produce art, which meets the requirements of this section.

19 “Taxpayer”, a person, firm, partnership or other entity subject to the income tax imposed
20 by the provisions of this chapter hired as a contractor, subcontractor or otherwise to perform
21 construction on a qualified project.

22 (b)(1) There shall be a Massachusetts artist workspace tax credit. The department may
23 authorize annually under this section together with section 38GGH of chapter 63 the total sum
24 of: (i) \$20,000,000; (ii) unused Massachusetts artist workspace tax credits, if any, for the
25 preceding calendar years; and (iii) Massachusetts artist workspace tax credits returned to the
26 department by a qualified project.

27 (2) Unless otherwise provided in this section or the context clearly requires otherwise, the
28 department shall authorize, administer, determine eligibility for the Massachusetts artist
29 workspace tax credit.

30 (3) The department shall allocate the total available Massachusetts artist workspace tax
31 credit among as many qualified projects as fiscally feasible, with the goal of increasing the
32 commonwealth's stock of artist workspace.

33 (c)(1) A taxpayer may be allowed a state tax credit with respect to a qualified project,
34 provided that the department issues an eligibility statement for that qualified project. This state
35 tax credit shall be termed the Massachusetts artist workspace tax credit.

36 (2) The total Massachusetts artist workspace tax credit available to a qualified project
37 shall be authorized and allocated by the department, or its successor agency, based on the
38 qualified project's need for the credit for economic feasibility.

39 (3) The Massachusetts artist workspace tax credit shall be taken against the taxes
40 imposed under this chapter, claimed equally for 5 years, subtracted from the amount of state tax
41 otherwise due for each taxable period and shall not be refundable. Any amount of the artist
42 workspace tax credit that exceeds the tax due for a taxable year may be carried forward to any of
43 the 5 subsequent taxable years.

44 (4) All or any portion of tax credits issued in accordance with the provisions of this
45 section may be allocated to parties who are eligible under the provisions of paragraph (1) of
46 subsection (c). A taxpayer shall certify to the commissioner the amount of credit allocated to
47 such taxpayer. The taxpayer shall provide to the commissioner appropriate information so that
48 the artist workspace tax credit can be properly allocated.

49 (5) In the event that recapture of Massachusetts artist workspace tax credit is required,
50 any statement submitted to the commissioner as provided in subsection (c) shall include the

51 proportion of the state credit required to be recaptured, the identity of each taxpayer subject to
52 the recapture and the amount of credit previously allocated to such taxpayer.

53 (6) The director of the department, in consultation with the commissioner, shall
54 promulgate regulations necessary to administer the provisions of this subsection.

55 (d) The taxpayer shall submit, at the time of filing the taxpayer's state tax return, a copy
56 of the eligibility statement issued by the department with respect to such qualified project. In the
57 case of failure to attach the eligibility statement, a credit under this section shall not be allowed
58 with respect to such qualified project for that year until the copy is provided to the department of
59 revenue.

60 (e) The commissioner or the department, through the promulgation of regulations, may
61 require the filing of additional documentation necessary to determine the eligibility or accuracy
62 of a tax credit claimed under the provisions of this section.

63 (f) The department, in consultation with the commissioner, shall monitor and oversee
64 compliance with the Massachusetts artist workspace tax credit program and may promulgate
65 regulations requiring the filing of additional documentation deemed necessary to determine
66 continuing eligibility for the Massachusetts artist workspace tax credit. The department or the
67 commissioner shall report specific occurrences of noncompliance to appropriate state, federal
68 and local authorities.

69 (g) Except for unused credits carried forward pursuant to paragraph (3) of subsection (c)
70 and section 38GGH of chapter 63, a qualified project shall not be eligible for any Massachusetts
71 artist workspace tax credits for more than 7 taxable years.

72 (h) The department may provide that upon application for state tax credits issued by the
73 department, such taxpayer may elect to receive such state tax credit in the form of a loan
74 generated by transferring the credit to the department or its designee on terms specified by the
75 department in accordance with its qualified allocation plan. Neither a direct tax refund nor a loan
76 received as the result of the transfer of the credit shall be considered taxable income under this
77 chapter.

78 (i) The department may pursue methods of enhancing the efficiency of the Massachusetts
79 artist workspace tax credit program including but not limited to: pursuing opinions from the
80 United States department of treasury's internal revenue service in the form of general counsel
81 memoranda, private letter rulings and other notices, rulings or guidelines; by reviewing other
82 state tax programs which utilize an option for taxpayers to receive such tax credit in the form of a
83 loan generated by transferring the credit to a designated state entity; and any other such methods.
