An Act to establish the family caregiving tax credit.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1	SECTION 1. Section 6 of chapter 62 of the General Laws, as appearing in the 2018
2	Official Edition, is hereby amended by inserting after subsection (v) the following new
3	subsection:-
4	(w)(1) As used in this subsection, the following words shall have the following meanings
3	unless the context clearly requires otherwise:
6	"Activities of daily living", Everyday functions and activities, which individuals usually
7	do without help including, but not limited to, bathing, continence, dressing, eating, toileting and
8	transferring.
9	"Eligible family member", an individual who (1) is at least eighteen years of age during a
10	taxable year, (2) requires assistance with at least one activity of daily living, and (3) qualifies as
11	a dependent, spouse, parent or other relation by blood or marriage, including an in-law,
12	grandparent, grandchild, step-parent, aunt, uncle, niece, or nephew of the family caregiver.

13	"Evaluation year", the year in which an evaluation of the tax credit is to be completed.
14	The evaluation year shall be every 5 years after the effective date of this subsection.
15	"Family Caregiver", an individual who is a resident taxpayer for the taxable year and had
16	eligible expenditures, as described in paragraph (3) of this subsection, with respect to 1 or more
17	eligible family members during the taxable year. In the case of a joint return, the term includes
18	the individual and the individual's spouse. The family caregiver claiming the credit must have a
19	Massachusetts adjusted gross income of less than \$75,000 for an individual and \$150,000 for a
20	couple and incur uncompensated expenses directly related to the care of an eligible care
21	recipient.
22	(2) A taxpayer who is a family caregiver is eligible to receive for a taxable year is equal
23	to a refundable credit against the taxes imposed by this chapter. The credit shall be equal to 100
24	per cent of the eligible expenditures incurred by the taxpayer during the taxable year, with a

family caregivers shall not exceed \$1,500 for the same eligible family member. If two or more
family caregivers claim tax credits for the same eligible family member, the total of which
exceeds \$1,500, the total amount of the credit allowed shall be allocated in amounts
proportionate to each eligible taxpayer's share of the total amount of the eligible expenditures for
the eligible family member.

44 carrying out general household maintenance activities, including painting, plumbing, electrical

(8) On or before May 31 of the year before the evaluation year, there shall be established

65 whether the tax credit is meeting its objectives; (4) examine whether the purposes of the tax
66 credit could be more efficiently and effectively carried out through alternative methods; and (5)
67 calculate the costs of providing the tax credit, including the administrative cost and lost revenues
68 to the commonwealth.

The committee shall file a report of its findings with the senate and house clerks and with the governor, which shall include a recommendation as to whether the tax credit should be continued, with or without changes, or be terminated.
