

SENATE No. 2759

The Commonwealth of Massachusetts

—
**In the One Hundred and Ninety-First General Court
(2019-2020)**
—

SENATE, June 11, 2020.

The committee on Senate Bonding, Capital Expenditures and State Assets to whom was referred the House Bill financing the general governmental infrastructure of the Commonwealth (House, No. 4733); reports, recommending that the same ought to pass with an amendment striking out all after the enacting clause and inserting in place thereof the text of Senate document numbered 2759. [Bond Authorization: \$1,686,575,000]

For the committee,
Michael O. Moore

SENATE No. 2759

The Commonwealth of Massachusetts

In the One Hundred and Ninety-First General Court
(2019-2020)

1 SECTION 1. To provide for a program of capital investments for public safety,
2 governmental infrastructure, information technology and data and cyber-security improvements
3 to various state programs, services, agencies, institutions and properties and to fund technology
4 infrastructure, the sums set forth in this act, for the several purposes and subject to the conditions
5 specified in this act, are hereby made available, subject to the laws regulating the disbursement
6 of public funds, which sums shall be in addition to any other amounts previously appropriated
7 for these purposes; provided, that the amounts specified for a particular project may be adjusted
8 in order to facilitate projects authorized in this act.

9 SECTION 2.

10 EXECUTIVE OFFICE OF TECHNOLOGY SERVICES AND SECURITY

11 Office of the Secretary

12 1790-3006 For costs associated with initiatives, projects, and expenditures to make
13 improvements to the quality, consistency, efficiency and delivery of any service or program for
14 the benefit of the public and the interactions between residents and state agencies and
15 instrumentalities of the commonwealth, including but not limited to, planning and studies, the
16 preparation of plans and specifications, purchase, procurement, acquisition, licensing and

17 implementation of information technology, telecommunications and data-security-related
18 equipment, hardware, software, systems, intellectual property and related projects for various
19 state agencies of the commonwealth; provided, that for projects the secretary of administration
20 and finance certifies to the comptroller directly or indirectly generate state revenue or budgetary
21 savings, the comptroller shall transfer such revenue or budgetary savings to the state treasurer for
22 payment of debt service related to those projects; provided further, that any federal
23 reimbursement received by a state agency in connection with projects funded from this item may
24 be retained by the state agency or the executive office of technology services and security and
25 expended for the purposes of the project, without further appropriation, in addition to the
26 amounts appropriated in this item and provided further, that not less than \$25,000 shall be
27 expended to replace a copper line telephone system at the Leicester Highway Department:
28 provided further, that not less than \$75,000 shall be provided to the town of Leicester to replace
29 four servers for IT operations of all Leicester town departments\$195,100,000

30 1790-3007 For costs associated with initiatives, projects, and expenditures to make
31 improvements to the quality, consistency, efficiency and delivery of any service or program to
32 support, improve, extend, secure or maintain technology or telecommunications infrastructure,
33 including but not limited to, planning and studies, the preparation of plans and specifications,
34 purchase, procurement, acquisition, licensing and implementation of information technology,
35 telecommunications and data-security-related equipment, hardware, software, systems,
36 intellectual property and related projects for various state agencies of the commonwealth;
37 provided, that for projects the secretary of administration and finance certifies to the comptroller
38 directly or indirectly generate state revenue or budgetary savings, the comptroller shall transfer
39 such revenue or budgetary savings to the state treasurer for payment of debt service related to

40 those projects; provided, that funds shall be expended for the study of the costs associated with
41 the development, implementation, deployment; enhancement of technology and infrastructure for
42 a statewide data sharing system across criminal justice state agencies and the courts; and
43 provided further, that any federal reimbursement received by a state agency in connection with
44 projects funded from this item may be retained by the state agency or the executive office of
45 technology services and security and expended for the purposes of the project, without further
46 appropriation, in addition to the amounts appropriated in this item.....\$150,000,000

47 1790-3008 For costs associated with planning and studies, the preparation of plans and
48 specifications, purchase, procurement, acquisition, licensing and implementation of information
49 technology, telecommunications and data-security-related equipment, hardware, software,
50 systems, intellectual property and related projects for various state agencies and public
51 instrumentalities of the commonwealth to mitigate, avoid or respond to risks to the security of
52 the commonwealth's technology and telecommunications infrastructure or operations; provided,
53 that for projects the secretary of administration and finance certifies to the comptroller directly or
54 indirectly generate state revenue or budgetary savings, the comptroller shall transfer such
55 revenue or budgetary savings to the state treasurer for payment of debt service related to those
56 projects; provided further, that no less than \$5,000,000 shall be provided to cybersecurity,
57 software, hardware and infrastructure upgrades at community colleges; provided further, that not
58 less than \$100,000 shall be expended on traffic enforcement equipment in the town of Upton;
59 provided further, that not less than \$375,000 shall be expended for public safety repeater site in
60 the town of Millbury; provided further, that not less than \$150,000 shall be expended on security
61 technology and equipment for the Shrewsbury police department; and provided further, that any
62 federal reimbursement received by a state agency in connection with projects funded from this

63 item may be retained by the state agency or the executive office of technology services and
64 security and expended for the purposes of the project, without further appropriation, in addition
65 to the amounts appropriated in this item.....\$140,625,000

66 1790-3009 For costs associated with planning and studies, the preparation of plans and
67 specifications, purchase, procurement, acquisition, licensing and implementation of information
68 technology, telecommunications and data-security-related equipment, hardware, software,
69 systems, intellectual property and related projects for various state agencies of the
70 commonwealth including, but not limited to, executing strategic initiatives, improving business
71 intelligence and modernizing governmental functions; provided, that funds may be expended for
72 costs associated with the development, implementation and deployment of an online delivery
73 system for unemployment insurance compensation benefits including, but not limited to, the
74 awarding of contracts to consultants; provided further, that prior to the selection of consultants
75 and prior to and during the development, implementation and deployment of the online delivery
76 system, the secretary shall consult monthly with a subcommittee of the state advisory council
77 and a stakeholder panel named by the subcommittee; provided that the subcommittee shall
78 include membership representing employers, employees and the public and the stakeholder panel
79 shall include membership representing experience representing low-wage unemployed workers,
80 people with disabilities who use assistive technology, community-based organizations that
81 advocate for limited English proficient individuals and people of color, recipients of
82 unemployment benefits, and technological expertise in systems designed to maximize user
83 accessibility and inclusive design; provided further, that the secretary of labor and workforce
84 development shall submit quarterly reports on the progress of the development, implementation
85 and deployment of an online delivery system for unemployment compensation benefits to the

86 clerks of the house of representatives and the senate provided further, that the last quarterly
87 report of 2021 shall include a plan for the deployment of said online system, and an update on
88 the progress of the development of said online delivery system, including a demonstration of the
89 design and access to said online system and alternate methods of access for individuals with
90 barriers to access which design complies with federal and state requirements for unemployment
91 delivery systems and standards for digital accessibility, including the most recent version of web
92 content accessibility guidelines; provided that within 90 days of the submission of the
93 development plan, the secretary hold a public hearing and solicit testimony on the plan; provided
94 further, that no later than 120 days before said online delivery system becomes available for
95 public use, the secretary of labor and workforce development shall submit a final report on the
96 development of the system to the clerks of the house and senate which shall include a summary
97 of testimony received through the public hearing and a description of actions taken as a result of
98 testimony received; provided further that after consultation with the advisory council and
99 stakeholder panel, the final report shall also set forth a process for user acceptance testing and for
100 soliciting, accepting and resolving stakeholder feedback for continual improvement including a
101 public service announcement plan to keep all stakeholders informed about access and changes to
102 the online delivery system; provided further, that for projects the secretary of administration and
103 finance certifies to the comptroller directly or indirectly generate state revenue or budgetary
104 savings, the comptroller shall transfer such revenue or budgetary savings to the state treasurer for
105 payment of debt service related to those projects; and provided further, that any federal
106 reimbursement received by a state agency in connection with projects funded from this item may
107 be retained by the state agency or the executive office of technology services and security and

108 expended for the purposes of the project, without further appropriation, in addition to the
109 amounts appropriated in this item.....\$165,000,000

110 SECTION 2A.

111 EXECUTIVE OFFICE OF EDUCATION

112 Department of Elementary and Secondary Education

113 1599-7064 For a competitive, matching grant program to be administered by the
114 executive office of education and the department of elementary and secondary education, in
115 consultation with the secretary of technology services and security, to assist public school
116 districts in improving student instruction and assessment through the use of information
117 technology; provided, that the program shall include assistance to public school districts to
118 establish, enhance or expand remote learning environments; provided further, that funds may be
119 used to reimburse costs incurred by school districts establishing, enhancing or expanding remote
120 learning environments in response to the state of emergency concerning the novel coronavirus
121 outbreak declared by the governor on March 10, 2020; provided further, that grants shall be used
122 to ensure fair and equitable access to technology across the commonwealth and to address the
123 needs of vulnerable populations, including addressing barriers for students with disabilities,
124 English learners and homeless, low-income, and at-risk students, including those in gateway
125 municipalities, as defined in section 3A of chapter 23A of the General Laws; provided further,
126 that the executive office of education and the department of elementary and secondary education,
127 in consultation with the executive office of technology services and security, shall determine the
128 criteria used to evaluate applications for the matching grant program; provided further, that the
129 criteria shall promote access to broadband to public school districts; provided further, that such

130 criteria shall include, but not be limited to, the commitment of the school district to improve the
131 efficiency and productivity of education through the use of technology, to deliver statewide
132 online assessments, to provide student access to individualized and rigorous digital learning
133 experiences and to ensure that educators and administrators have the knowledge and skills to
134 develop and implement digital learning curricula; provided further, that not less than \$150,000
135 shall be expended for technological improvements and equipment for the Grafton public schools;
136 and provided further, that not less than \$150,000 shall be expended for technological
137 improvements and equipment for the Northbridge public school.....\$40,300,000

138 Department of Higher Education

139 7066-6829 For initiatives to improve the safety and security of public institutions of
140 higher education, to be administered in coordination with the executive office of education and
141 the executive office of public safety and security; provided, that funding may be used for multi-
142 year grants to public institutions of higher education for school security and communications
143 upgrades; provided further, that funding may be used to provide training for campus public
144 safety officials; provided further, that funding may be used to provide upgrades of security
145 cameras, door locks, active shooter detection systems, emergency communication systems,
146 campus lighting and emergency call boxes; and provided further, that not less than \$10,000,000
147 shall be provided to community colleges.....\$30,000,000

148 SECTION 2B.

149 EXECUTIVE OFFICE FOR ADMINISTRATION AND FINANCE

150 Office of the Secretary

151 1599-1952 For a competitive, matching grant program to be administered by the
152 executive office for administration and finance, in consultation with the secretary of technology
153 services and security, to assist municipalities with the construction of fiber broadband
154 infrastructure and related projects and expenditures\$20,000,000

155 SECTION 2C.

156 EXECUTIVE OFFICE FOR ADMINISTRATION AND FINANCE

157 Office of the Secretary

158 1100-2512 For a grant program to cities, towns, regional organizations whose
159 membership is exclusively composed of municipal governments or municipal redevelopment
160 authorities or agencies or similar governmental development agencies to provide funding for
161 capital purposes, including, but not limited to, planning and studies, preparation of plans and
162 specifications, site assembly and preparation, dispositions, acquisitions, repairs, renovations,
163 improvements, construction, demolition, remediation, modernization and reconstruction of
164 facilities, infrastructure, equipment and other capital assets, technical assistance, information
165 technology equipment and infrastructure and for costs associated with improving accessibility of
166 municipal facilities, including, but not limited to, assessments, transition plans, technical
167 assistance to cities, towns, municipal councils on aging and disability and regional organizations
168 whose membership is exclusively composed of municipal governments, under guidelines
169 adopted by the secretary of administration and finance.....\$100,000,000

170 1100-2513 For infrastructure related to governmental performance and
171 efficiency.....\$100,000,000

172 Division of Capital Asset Management and Maintenance

173 1102-2020 For costs associated with planning and studies, dispositions, acquisition of
174 land and buildings and interests therein by purchase, prepayment of lease for a term that exceeds
175 the useful life of the facility, gift or other transfer or by eminent domain pursuant to chapter 79
176 of the General Laws, for the preparation of plans and specifications, disparity studies, repairs,
177 construction, renovations, improvements, asset management, accessibility improvements,
178 demolition, disposition and remediation of state-owned and former county facilities and grounds
179 and for costs associated with repair and maintenance of buildings, building systems and
180 equipment at various facilities of the commonwealth; provided, that any federal reimbursement
181 received by a state agency in connection with projects funded from this item may be retained by
182 the executive office for administration and finance and expended for the purposes of the project,
183 without further appropriation, in addition to the amounts appropriated in this item; provided
184 further, that all maintenance and repair work funded in this item shall be listed in the capital asset
185 management information system administered by the division of capital asset management and
186 maintenance; provided further, that where appropriate, the commissioner of capital asset
187 management and maintenance may transfer funds authorized herein in accordance with a
188 delegation of project control and supervision process pursuant to section 5 of chapter 7C of the
189 General Laws; and provided further, that funds so transferred shall be distributed based on the
190 severity of the need that the repair shall address and other criteria developed by the division of
191 capital asset management and maintenance, in consultation with the secretary of administration
192 and finance.....\$150,000,000

193 4000-2023 For costs associated with planning and studies, dispositions, acquisition of
194 land and buildings and interests therein by purchase, prepayment of lease for a term that exceeds

195 the useful life of the facility, gift or other transfer or by eminent domain pursuant to chapter 79
196 of the General Laws, for the preparation of plans and specifications, repairs, construction,
197 renovations, improvements, modernization, construction, reconstruction, furnishing, equipping,
198 acquiring, remodeling, refurbishing, asset management, accessibility improvements, demolition,
199 disposition and remediation of facilities and grounds operated by the various departments within
200 the executive office of health and human services, all as the commissioner of capital asset
201 management and maintenance, in consultation with the secretary of health and human services
202 and the appropriate commissioners of the departments within the executive office, shall consider
203 appropriate; provided, that costs payable from this item shall include, but not be limited to, the
204 costs of leases of temporary relocation space or equipment as required for completion of a
205 project; and provided further, that any federal reimbursement received by a state agency
206 including, but not limited to, projects related to the provision of health care, human services and
207 veterans' services in connection with projects funded from this item may be retained by the
208 executive office for administration and finance and expended for the purposes of the project,
209 without further appropriation, in addition to the amounts appropriated in this item...\$100,000,000

210 8000-2025 For costs associated with planning and studies, dispositions, acquisition of
211 land and buildings and interests therein by purchase, prepayment of lease for a term that exceeds
212 the useful life of the facility, gift or other transfer or by eminent domain pursuant to chapter 79
213 of the General Laws, for the preparation of plans and specifications, repairs, construction,
214 renovations, improvements, remediation, rehabilitation, modernization and demolition for public
215 safety and security facilities, all as the commissioner of capital asset management and
216 maintenance, in consultation with the secretary of public safety and security and the appropriate
217 commissioners of the departments within the executive office, shall consider appropriate;

218 provided, that costs payable from this item shall include, but not be limited to, the costs of leases
219 of temporary relocation space or equipment as required for completion of a project; and provided
220 further, that costs payable from this item shall not include design or construction of new
221 department of corrections or sheriff's department correctional facility
222 campuses.....\$150,000,000

223 Massachusetts Office on Disability

224 1107-2410 For state financial assistance in the form of grants to cities and towns for
225 modifications to governmental infrastructure to enhance accessibility; provided, that projects
226 may include, but shall not be limited to, projects providing for renovation, remodeling,
227 reconstruction, redevelopment and hazardous material abatement, including asbestos and lead
228 paint removal, for the adaptation of facilities for families and persons with disabilities and for
229 compliance with state codes and laws and for adaptations necessary for compliance with the
230 federal Americans with Disabilities Act of 1990; and provided further, that priority shall be
231 given to projects undertaken for the purpose of compliance with state codes and laws or for other
232 purposes related to the health and safety of residents.....\$10,000,000

233 Board of Library Commissioners

234 7000-9092 For a program of grants to cities and towns for approved public library
235 projects pursuant to sections 19G to 19J, inclusive, of chapter 78 of the General
236 Laws.....\$115,000,000

237 EXECUTIVE OFFICE OF PUBLIC SAFETY AND SECURITY

238 Department of Fire Services

239 8324-2019 For the study, preparation of plans and specifications, design, remediation,
240 demolition, construction, renovation and improvements, including furnishings and equipment, of
241 department of fire services facilities and grounds, including the establishment of a department of
242 fire services Southeastern Massachusetts firefighter training facility, for costs associated with
243 repair and maintenance of department of fire services grounds, buildings, building systems and
244 equipment and for the acquisition of apparatus and specialty vehicles.....\$10,000,000

245 SECTION 2D.

246 EXECUTIVE OFFICE OF PUBLIC SAFETY AND SECURITY

247 Office of the Secretary

248 8324-2000 For a grant program to be awarded competitively to fire departments of
249 cities, towns, fire districts and authorities of the commonwealth to purchase firefighter safety
250 equipment; provided, that eligible fire safety equipment under this program shall include, but not
251 be limited to, washer or dryer units, turnout gear, hand-held power lights, communication
252 devices, personal alarm safety systems, self-contained breathing apparatus, fit test equipment, air
253 packs, tanks, compressors, thermal imaging devices and computerized personnel accountability
254 systems, but shall exclude firefighter vehicles\$25,000,000

255 8000-2026 For a grant program to be awarded competitively to police departments of
256 cities and towns to purchase body-worn cameras.....\$20,000,000

257 SECTION 2E.

258 EXECUTIVE OFFICE OF PUBLIC SAFETY AND SECURITY

259 Office of the Secretary

260 8000-0703 For equipment for the department of correction and other agencies within the
261 executive office of public safety and security including, but not limited to, medical equipment,
262 security equipment, safety equipment, communications equipment and vehicles; provided, that
263 not less than \$800,000 shall be expended for the purchase of a tub grinder by the town of
264 Auburn; provided further, that not less than \$500,000 shall be expended public safety equipment
265 and vehicles in the town of Auburn; and provided further, that not less than \$250,000 shall be
266 expended for vehicles and security equipment for the Worcester police
267 department.....\$31,550,000

268 Department of State Police

269 8000-2024 For the replacement of state police cruisers and accompanying equipment;
270 provided, that funds may be expended for equipment purchased in conjunction with the operation
271 of the state police cruiser fleet, including, but not limited to, mobile data
272 terminals.....\$92,500,000

273 SECTION 2F.

274 EXECUTIVE OFFICE OF ENERGY AND ENVIRONMENTAL AFFAIRS

275 Department of Agricultural Resources

276 2511-0123 For a food security program, including grants to fund costs of immediate and
277 projected infrastructure needs for farms, retailers, fisheries, food system businesses and food
278 distribution channels including, but not limited to, food banks, farm stands, food hubs, food
279 retailers, elder services and community supported agriculture farms, while taking into account
280 the unique needs of rural and urban areas and gateway municipalities as defined in section 3A of

281 chapter 23A of the General Laws, in order to adapt to the disruptions caused as a result of the
282 outbreak of the 2019 novel coronavirus, also known as COVID-19, to provide greater access to
283 local food in ways that support social-distancing recommendations, and to also provide grants
284 that support food banks and other parts of the food distribution channel to meet the urgent needs
285 as a result of COVID-19 by expanding services, which may include, but shall not be limited to:
286 (i) information technology needs, including the development of online markets and delivery
287 systems, including an online system to link food system channels to identify and match
288 agricultural and fishery products to consumers and markets, particularly to benefit food insecure
289 communities; (ii) facility adaptation to new safety guidelines, including new signage and the
290 installation of handwashing stations; (iii) expansion of storage and food preparation areas for
291 food banks, food pantries, or food distribution organizations; (iv) the purchase or lease of point-
292 of-sale devices to provide to retailers at no cost to provide curbside pick-up and curbside
293 payment service, including payment using Electronic Benefits Transfer cards; (v) capital support
294 for food retailers in communities underserved by full grocery stores to increase capacity, expand
295 offerings of health foods and maintain continuity of business operations; and (vi) storage and
296 processing equipment to adapt to supply chain disruptions, including for cold and ambient
297 storage and vehicles for distribution.....\$36,500,000

298 2030-1010 For the replacement and purchase of environmental law enforcement
299 vehicles and maritime law enforcement patrol vessels and accompanying equipment; provided,
300 that funds may be expended for equipment purchased in conjunction with the operation of the
301 environmental law enforcement vehicle and vessel fleet, including, but not limited to, mobile
302 data terminals, installation of mounts and multi-band radios, search and rescue equipment, boat

303 trailers, engines, lower units, remotely operated vehicles, portable side scan sonar, navigation
304 systems, and communication radios.\$5,000,000

305 SECTION 3. The second sentence of section 16 of chapter 304 of the acts of 2008 is
306 hereby amended by striking out the figure “10” and inserting in place thereof the following
307 figure:- 20.

308 SECTION 4. The third sentence of said section 16 of said chapter 304 is hereby amended
309 by striking out the figure “2023” and inserting in place thereof the following figure:- 2033.

310 SECTION 5. The second sentence of subsection (a) of section 6 of chapter 257 of the acts
311 of 2014 is hereby amended by striking out the figure “10” and inserting in place thereof the
312 following figure:- 20.

313 SECTION 6. The third sentence of said subsection (a) of said section 6 of said chapter
314 257 is hereby amended by striking out the figure “2029” and inserting in place thereof the
315 following figure:- 2039.

316 SECTION 7. To meet the expenditures necessary in carrying out section 2, the state
317 treasurer shall, upon request of the governor, issue and sell bonds of the commonwealth in an
318 amount to be specified by the governor from time to time but not exceeding, in the aggregate,
319 \$650,725,000. All such bonds issued by the commonwealth shall be designated on their face,
320 General Governmental Infrastructure Act of 2020, and shall be issued for a maximum term of
321 years, not exceeding 10 years, as the governor may recommend to the general court under
322 section 3 of Article LXII of the Amendments to the Constitution. The bonds shall be payable not
323 later than June 30, 2035. All interest and payments on account of principal on these obligations
324 shall be payable from the General Fund. Bonds and interest thereon issued under this section

325 shall, notwithstanding any other provision of this act, be general obligations of the
326 commonwealth.

327 SECTION 8. To meet the expenditures necessary in carrying out section 2A, the state
328 treasurer shall, upon request of the governor, issue and sell bonds of the commonwealth in an
329 amount to be specified by the governor from time to time but not exceeding, in the aggregate,
330 \$70,300,000. All such bonds issued by the commonwealth shall be designated on their face,
331 General Governmental Infrastructure Act of 2020, and shall be issued for a maximum term of
332 years, not exceeding 10 years, as the governor may recommend to the general court under
333 section 3 of Article LXII of the Amendments to the Constitution. The bonds shall be payable not
334 later than June 30, 2035. All interest and payments on account of principal on these obligations
335 shall be payable from the General Fund. Bonds and interest thereon issued under this section
336 shall, notwithstanding any other provision of this act, be general obligations of the
337 commonwealth.

338 SECTION 9. To meet the expenditures necessary in carrying out section 2B, the state
339 treasurer shall, upon request of the governor, issue and sell bonds of the commonwealth in an
340 amount to be specified by the governor from time to time but not exceeding, in the aggregate,
341 \$20,000,000. All such bonds issued by the commonwealth shall be designated on their face,
342 General Governmental Infrastructure Act of 2020, and shall be issued for a maximum term of
343 years, not exceeding 10 years, as the governor may recommend to the general court under
344 section 3 of Article LXII of the Amendments to the Constitution. The bonds shall be payable not
345 later than June 30, 2035. All interest and payments on account of principal on these obligations
346 shall be payable from the General Fund. Bonds and interest thereon issued under this section

347 shall, notwithstanding any other provision of this act, be general obligations of the
348 commonwealth.

349 SECTION 10. To meet the expenditures necessary in carrying out section 2C, the state
350 treasurer shall, upon request of the governor, issue and sell bonds of the commonwealth in an
351 amount to be specified by the governor from time to time but not exceeding, in the aggregate,
352 \$735,000,000. All such bonds issued by the commonwealth shall be designated on their face,
353 General Governmental Infrastructure Act of 2020, and shall be issued for a maximum term of
354 years, not exceeding 30 years, as the governor may recommend to the general court under
355 section 3 of Article LXII of the Amendments to the Constitution. The bonds shall be payable not
356 later than June 30, 2055. All interest and payments on account of principal on these obligations
357 shall be payable from the General Fund. Bonds and interest thereon issued under this section
358 shall, notwithstanding any other provision of this act, be general obligations of the
359 commonwealth.

360 SECTION 11. To meet the expenditures necessary in carrying out section 2D, the state
361 treasurer shall, upon request of the governor, issue and sell bonds of the commonwealth in an
362 amount to be specified by the governor from time to time but not exceeding, in the aggregate,
363 \$45,000,000. All such bonds issued by the commonwealth shall be designated on their face,
364 General Governmental Infrastructure Act of 2020, and shall be issued for a maximum term of
365 years, not exceeding 10 years, as the governor may recommend to the general court under
366 section 3 of Article LXII of the Amendments to the Constitution. The bonds shall be payable not
367 later than June 30, 2035. All interest and payments on account of principal on these obligations
368 shall be payable from the General Fund. Bonds and interest thereon issued under this section

369 shall, notwithstanding any other provision of this act, be general obligations of the
370 commonwealth.

371 SECTION 12. To meet the expenditures necessary in carrying out section 2E, the state
372 treasurer shall, upon request of the governor, issue and sell bonds of the commonwealth in an
373 amount to be specified by the governor from time to time but not exceeding, in the aggregate,
374 \$124,050,000. All such bonds issued by the commonwealth shall be designated on their face,
375 General Governmental Infrastructure Act of 2020, and shall be issued for a maximum term of
376 years, not exceeding 7 years, as the governor may recommend to the general court under section
377 3 of Article LXII of the Amendments to the Constitution. The bonds shall be payable not later
378 than June 30, 2032. All interest and payments on account of principal on these obligations shall
379 be payable from the General Fund. Bonds and interest thereon issued under this section shall,
380 notwithstanding any other provision of this act, be general obligations of the commonwealth.

381 SECTION 13. To meet the expenditures necessary in carrying out section 2F, the state
382 treasurer shall, upon request of the governor, issue and sell bonds of the commonwealth in an
383 amount to be specified by the governor from time to time but not exceeding, in the aggregate,
384 \$41,500,000. All such bonds issued by the commonwealth shall be designated on their face,
385 General Governmental Infrastructure Act of 2020, and shall be issued for a maximum term of
386 years, not exceeding 20 years, as the governor may recommend to the general court under
387 section 3 of Article LXII of the Amendments to the Constitution. The bonds shall be payable not
388 later than June 30, 2045. All interest and payments on account of principal on these obligations
389 shall be payable from the General Fund. Bonds and interest thereon issued under this section
390 shall, notwithstanding any other provision of this act, be general obligations of the
391 commonwealth.

392 SECTION 14. To provide for the continued availability of certain bond-funded spending
393 authorizations which otherwise would expire, the balances of the following appropriation items
394 and any allocations thereof are hereby extended through June 30, 2024 for the purposes of and
395 subject to the conditions stated for these items in the original authorizations and any amendments
396 to such authorizations: 0640-0035, 1100-9200, 1599-7061, 1790-3001, 1790-3002, 1790-3003,
397 7000-9091 and 8100-2026.
