## The Commonwealth of Massachusetts

In the One Hundred and Ninety-First General Court (2019-2020)

An Act relative to protecting our public higher education system during the COVID-19 pandemic.

*Whereas,* The deferred operation of this act would tend to defeat its purposes, which are to protect forthwith both the public health and the viability of the Commonwealth's public higher education sector in the face of the state, national, and global public health emergencies existing as a result of the COVID-19 pandemic, therefore it is hereby declared to be an emergency law, necessary for the immediate preservation of the public health and convenience.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1	SECTION 1. Chapter 6A of the general laws, as so appearing in the 2018 official edition,
2	is hereby amended by inserting after section 16Z the following new section:-
3	Section 16AA. (a) As used in this section, the following words shall, unless the context
4	clearly requires otherwise, have the following meanings:
5	"current student," any individual who currently maintains the requirements of full-time or
6	part-time student status at their respective institution of certificate, undergraduate or graduate

degree program of study. It shall not include individuals taking one or more classes not in the
pursuit of a certificate, undergraduate or graduate degree.

9 "deferred or deferment," shall be the forgiveness of payments currently owed; provided
10 those payments, without penalty or additional interest charge, shall be added to the end of the
11 payment schedule for the qualified education loan, as defined below.

12 "former student," any individual who has satisfied the requirements of a certificate, 13 undergraduate or graduate degree program of study at their respective institution, and has 14 received said certificate, undergraduate or graduate degree; provided further that any individual 15 who enrolled into a certificate, undergraduate or graduate degree program of study but did not 16 complete said program, regardless of the reason, would still qualify as a former student for the 17 purpose of this section.

18 "qualified education loan," any indebtedness, including interest on such indebtedness,
19 issued by or in coordination with the Massachusetts Education Financing Agency and incurred to
20 pay tuition or other direct expenses incurred in the connection with the pursuit of a certificate,
21 undergraduate or graduate degree by an applicant. It shall not include loans made by any person
22 related to the applicant.

(b) Any resident of the Commonwealth of Massachusetts who is a current student at an
institution of higher education, community college, or recognized certification training program,
that is subject to payment of a qualified education loan shall see the payment obligations of said
loan – whether interest, principal, or both – deferred for the duration of the governor's March 10,
2020 declaration of a state of emergency and a period of thirty days following the termination of
the state of emergency declaration.

29 (c) Any resident of the Commonwealth of Massachusetts who is a former student and 30 currently subject to payment of a qualified education loan shall see the payment obligations of said loan – whether interest, principal, or both – deferred for the duration of the governor's 31 32 March 10, 2020 declaration of a state of emergency and a period of thirty days following the 33 termination of the state of emergency declaration. 34 SECTION 2. Section 2 (e) of chapter 32A of the General Laws, as appearing in the 2016 43 Official Edition, is hereby amended in line 117 by inserting after the word "hours" the following: 44 - "; or a faculty member who teaches the equivalent of at least two three or more- credit courses 45 per semester, or four three or more- credit courses per calendar year at one or more of the public 46 institutions of higher education in the state, as set forth in section 5 of chapter 15A, including a 47 division of continuing education, regardless of funding source, including but not limited to 48 subsidiary account CC, and regardless of the term of employment or participation or membership 49 in a retirement system or plan; provided, that the commonwealth, not the public higher education institutions, shall bear the cost." 50

51 SECTION 4. Notwithstanding Section 5 of Chapter 32A of the General Laws or any 52 other special or general law to the contrary, any faculty member eligible for commission health 53 coverage pursuant to Section 16 may elect to enroll in commission health coverage immediately 54 upon passage of this act. This section shall expire 120 days after the passage of this act or 45 55 days after the termination of the governor's March 10, 2020 declaration of a state of emergency, 56 whichever is sooner; provided, however, that the governor may postpone such expiration in increments of not more than 90 days; provided further, that the governor shall not postpone such 57 58 expiration to later than 45 days after the termination of the declaration.
