128 members from among themselves to represent the interests of participating employers solely with
129 respect to the MERP. These additional Board members shall be designated as Representative
130 Board members, and must continue to participate in the Plan in order to serve on the Board. If
131 any such Representative Board member ceases to participate in the Plan, his or her eligibility to
132 continue as a Representative Board member shall cease as well, and the Board shall make
133 arrangements to hold an election to elect a replacement. The terms of Representative Board
134 members shall be for three years.

135 Section 64J Risk Management

136 The Board shall annually prepare and adopt a written statement of investment policy that
137 includes a risk management and oversight program. The investment policy or policies shall
138 mitigate risk by maintaining a balanced investment portfolio that provides assurance that no
139 single investment or class of investments will have a disproportionate impact on the total
140 portfolio. The policy or policies shall also address hedging against longevity risk through the
141 purchase of annuities or other longevity hedging products. The risk management and oversight
142 program shall be designed to ensure that an effective risk management system is in place to
143 monitor the risk levels of the Secure Choice Retirement Savings Plan investment portfolios and
144 ensure that the risks taken are prudent and properly managed. The Board shall be allowed to
145 decide investment policy for each program while making different investment decisions with
146 each program within these guidelines. The Board shall decide whether to offer a choice of
147 investment vehicles to participants.

148 Section 64K Benefit Amount

149 Interest, earnings and/or losses, and administrative expenses shall be allocated to program
150 accounts as prescribed by the Board. An individual's retirement savings benefit under the
151 program shall be an amount equal to the balance in the individual's program account on the date

153 the payment of any benefit to any participant in either the IRAP or the MERP.

154 Section 64L Board Duties

155 In addition to any duties described above, the Board shall have the power and authority to
156 do all of the following:

157 a. Establish one or more payroll deposit retirement savings arrangements for use by
158 participating employers.

159 b. Employ staff and/or appoint recordkeeper, investment managers, custodians, trustees,
160 consultants, attorneys and such other advice and assistance as may necessary or desirable to
161 administer the Plan, and determine the duties of the Plan administrator and other staff as necessary
162 and set their compensation. The Board shall have the authority to make rules and regulations not
163 inconsistent with this Act.

164 c. Make provisions for the payment of costs of administration and operation of the trusts.

165 d. Evaluate and establish the process by which an eligible employee may contribute a
166 portion of his or her salary or wages to the Plan for automatic deposit of those contributions. This
167 may include, but is not limited to, existing processes and arrangements used for the deposit and
168 administration of tax required to be deducted and withheld relating to the collection of income
169 tax at source on wages or for the deposit of tax required to be paid under the unemployment

170 insurance system. This also may include, but is not limited to, financial services companies and
171 third-party administrators with the capability to receive and process employee information and
172 contributions for payroll deposit retirement savings arrangements or other arrangements
173 authorized by this title.

174 e. Evaluate and establish the process by which a participating employer is able to make
175 contributions for the benefit of its employees to the MERP.

176 f. Design and establish the process for the enrollment of Plan participants.

177 g. Procure insurance in connection with the property, assets, or activities of the trust,
178 including private underwriting and/or reinsurance, to manage risk and insure the retirement
179 savings rate of return.

180 h. The Commonwealth shall procure insurance indemnifying each member of the Board
181 from personal loss or liability resulting from a member's action or inaction as a member of the
182 Board, to the extent permitted by ERISA and other governing law.

183 i. Set default, minimum and maximum contribution levels as well as auto-escalation
184 policies whereby participating employees' contributions automatically escalate from year to year
185 until they reach a maximum contribution rate unless the employee changes his or her
186 contribution rate. Participants will be immediately vested in their account balances.

187 j. Accept contributions from participating employers for the benefit of their employees.
188 These contributions shall be in cash or cash equivalents only; securities shall not be accepted as
189 contributions.

190 k. Design and establish the process for the enrollment of those self-employed individuals
191 and employers who do not qualify as eligible employers who choose to voluntarily participate in
192 the MERP.

193 l. Arrange for collective, common, and pooled investment of assets of the Plan, including
194 investments in conjunction with other funds with which those assets are permitted to be
195 collectively invested, with a view to saving costs through efficiencies and economies of scale.

196 m. Allocate administrative fees to each participating employee's account balance on a pro
197 rata basis, or such other basis as the Board determines to be fair and equitable. The Board shall
198 keep annual administrative expenses low, but in no event shall they exceed one percent of the
199 total trust balance.

200 n. Explore and establish investment options that offer employees ways to secure
201 retirement income without incurring debt or liabilities to the state.

202 o. Exercise discretionary authority with regard to:

203 i. If necessary, making determinations of the eligibility of an employer, employee, or
204 other individual to participate in the Plan;

205 ii. Making factual determinations regarding the Plan;

206 iii. Interpreting the Plan's governing documents; and

207 iv. Such other matters as are necessary for the administration of the Plan.

208 p. The Board shall publish separate annual audited financial reports, prepared in
209 accordance with generally accepted accounting principles, on the operations of the IRAP and the

210 MERP. The annual audit shall be made by an independent certified public accountant and shall
211 include, but not be limited to, direct and indirect costs attributable to the use of outside
212 consultants, independent contractors, and any other persons who are not state employees.

213 r. The Board shall ensure that all reports required under the Code and ERISA are properly
214 filed for the IRAP and MERP.

215 Section 64M Employee Information Packet

216 Prior to opening either the IRAP or the MERP for enrollment, the Board shall design and
217 disseminate to employers an employee information packet for such program. The packet shall

220 The disclosures shall include, but not be limited to, all of the following:

- 228 b. The Plan fund is not guaranteed by the Commonwealth.

229 Section 64N Enforcement

230 The Massachusetts Attorney General shall have the power to enforce the provisions of
231 this Act.

232 a. The Attorney General may impose, after due process, penalties against eligible
233 employers for failure to comply with Section 64G of Section 12 of up to \$250 per eligible
234 employee. Proceeds of such penalties, after deducting enforcement expenses, shall be deposited
235 for the benefit of the IRAP.

236 b. The Attorney General shall impose, after due process, penalties against employers
237 equal to lost earnings and interest on contributions made later than the deadlines prescribed by
238 the Board. The Attorney General shall prescribe a methodology for calculating such lost earnings
239 and interest. Proceeds of such penalties shall be deposited for the benefit of the Trust and
240 credited to the accounts of the affected employee(s) on a pro rata basis.

241 Section 64O Liability

242 a. Employers shall not have any liability for an employee's decision to participate in, or
243 opt out of, the Secure Choice Retirement Savings Plan.

244 b. A participating employer shall not be a fiduciary, or considered to be a fiduciary, with
245 regard to the operation of the MERP, except with respect to contribution amounts not remitted in
246 a timely fashion. Participating employers shall not bear responsibility for the administration,
247 investment, or investment performance of the IRAP or the MERP. Such employers shall not be
248 liable with regard to investment returns, Plan design, and benefits paid to Plan participants.

249 Section 64P Savings Clause

250 The provisions of this Act are severable. In the event that portions of this Act are

252 thereby shall remain in force and effect.

262 three months after the Board opens the Plan for enrollment.

263 (iii) For each eligible employer with fewer than 50 eligible employees, three months

265 (iv) The Board may delay these effective dates in its discretion.
