EXPLANATION: CAPITALS INDICATE MATTER ADDED TO EXISTING LAW.

[Brackets] indicate matter deleted from existing law.

1 (a) (7) “School zone” means a designated roadway segment within up to a  
2 half-mile radius of a school for any of grades kindergarten through grade 12 where  
3 school-related activity occurs, including:

4 (i) Travel by students to or from school on foot or by bicycle; or

5 (ii) The dropping off or picking up of students by school buses or  
6 other vehicles.

7 (8) “Speed monitoring system” means a device with one or more motor  
8 vehicle sensors producing recorded images of motor vehicles traveling at speeds at least 12  
9 miles per hour above the posted speed limit.

10 (b) (1) [(ix) A speed monitoring system in a school zone may operate only  
11 Monday through Friday between 6:00 a.m. and 8:00 p.m.]

12 [(x)] (IX) 1. A local jurisdiction that authorizes a program of  
13 speed monitoring systems shall designate an official or employee to investigate and respond  
14 to questions or concerns about the local jurisdiction’s speed monitoring system program.

15 2. A. The local designee shall review a citation generated  
16 by a speed monitoring system if the person who received the citation requests review before  
17 the deadline for contesting liability under this section.

18 B. If the local designee determines that the citation is an  
19 erroneous violation, the local designee shall void the citation.

20 C. If the local designee determines that a person did not  
21 receive notice of a citation issued under this section due to an administrative error, the  
22 local designee may resend the citation in accordance with subsection (d) of this section or  
23 void the citation.

24 D. A local designee that takes any action described under  
25 subsubsubparagraph C of this subsubparagraph shall notify the Administration of the  
26 action for the purpose of rescinding any administrative penalties imposed under subsection  
27 (g) of this section.

28 E. A local designee may not determine that a citation is an  
29 erroneous violation based solely on the dismissal of the citation by a court.

30 3. A local designee may not be employed by a speed  
31 monitoring system contractor or have been involved in any review of a speed monitoring  
32 system citation, other than review of a citation under this subparagraph.

33 4. On receipt of a written question or concern from a person,  
34 the local designee shall provide a written answer or response to the person within a  
35 reasonable time.
