39.25 elected by students enrolled in Minnesota private career schools; and a student who is
39.26 enrolled in a Minnesota tribal college to be elected by students enrolled in Minnesota tribal
39.27 colleges. If students from the private career schools or tribal colleges do not elect a
39.28 representative, the commissioner must appoint a student representative. If students from
39.29 the Minnesota Private College Council institutions do not elect a representative, the
39.30 Minnesota Private College Council must appoint the private nonprofit representative. A
39.31 member may be represented by a student designee who attends an institution from the same
39.32 system that the absent member represents. The SAC shall select one of its members to serve
39.33 as chair.

40.1 (b) The office shall inform the SAC of all matters related to student issues under
40.2 consideration. The SAC shall report to the office quarterly and at other times that the SAC
40.3 considers desirable. The SAC shall determine its meeting times, but it shall also meet with
40.4 the office within 30 days after the commissioner's request for a meeting.

40.14 amount of a family's contribution to a student's cost of attendance, as determined by a federal
40.15 need analysis. For dependent students, the assigned family responsibility is 79 percent of
40.16 the parental contribution. If the parental contribution is less than \$0, the assigned family
40.17 responsibility is 100 percent of the parental contribution. For independent students with
40.18 dependents other than a spouse, the assigned family responsibility is 71 percent of the student
40.19 contribution. For independent students without dependents other than a spouse, the assigned
40.20 family responsibility is 35 percent of the student contribution. If the student contribution is
40.21 less than \$0, the assigned family responsibility is 100 percent of the student contribution.
40.22 For a student registering for less than full time, the office shall prorate the assigned family
40.23 responsibility using the ratio of the number of credits the student is enrolled in to the number
40.24 of credits for full-time enrollment.

40.25 Sec. 9. Minnesota Statutes 2022, section 136A.101, subdivision 7, is amended to read:

40.26 Subd. 7. **Student.** "Student" means a person who is enrolled for at least ~~three credits~~

41.1 Sec. 10. Minnesota Statutes 2022, section 136A.121, subdivision 6, is amended to read:

41.2 Subd. 6. **Cost of attendance.** (a) The recognized cost of attendance consists of: (1) an
41.3 allowance specified in law for living and miscellaneous expenses, and (2) an allowance for
41.4 tuition and fees equal to the lesser of the average tuition and fees charged by the institution,
41.5 or a tuition and fee maximum if one is established in law. If no living and miscellaneous
41.6 expense allowance is established in law, the allowance is equal to ~~109~~ 115 percent of the
41.7 federal poverty guidelines for a one person household in Minnesota for nine months. If no
41.8 tuition and fee maximum is established in law, the allowance for tuition and fees is equal
41.9 to the lesser of: (1) the average tuition and fees charged by the institution, and (2) for
41.10 two-year programs, an amount equal to the highest tuition and fees charged at a public
41.11 two-year institution, or for four-year programs, an amount equal to the highest tuition and
41.12 fees charged at a public university.

41.13 (b) For a student registering for less than full time, the office shall prorate the cost of
41.14 attendance ~~to the actual number of credits for which the student is enrolled~~ using the ratio
41.15 of the number of credits the student is enrolled in to the number of credits for full-time
41.16 enrollment.

41.17 (c) The recognized cost of attendance for a student who is confined to a Minnesota
41.18 correctional institution shall consist of the tuition and fee component in paragraph (a), with
41.19 no allowance for living and miscellaneous expenses.

41.20 (d) For the purpose of this subdivision, "fees" include only those fees that are mandatory
41.21 and charged to full-time resident students attending the institution. Fees do not include
41.22 charges for tools, equipment, computers, or other similar materials where the student retains
41.23 ownership. Fees include charges for these materials if the institution retains ownership. Fees
41.24 do not include optional or punitive fees.

41.25 Sec. 11. Minnesota Statutes 2022, section 136A.121, subdivision 9, is amended to read:

41.30 credits or the equivalent, excluding (1) courses taken from a Minnesota school or
41.31 postsecondary institution which is not participating in the state grant program and from

42.10 updated ~~state grant~~ spending projections for the state grant and the North Star Promise,
42.11 taking into account the most current and projected enrollment and tuition and fee information,
42.12 economic conditions, and other relevant factors. Before submitting state grant spending
42.13 projections, the office must meet and consult with representatives of public and private
42.14 postsecondary institutions, the Department of Management and Budget, the Governor's

43.7 enrolled.

43.8 (c) An eligible private institution may opt out of participating in the foster grant program
43.9 established under this section. To opt out, the institution shall provide notice to the office

56.8 acceptance rates, and other relevant information;

56.9 (2) available data on the current and forecasted demand for paramedics in Minnesota;
56.10 and

56.11 (3) the total number of scholarships issued, disaggregated by:
