State of Minnesota

HOUSE OF REPRESENTATIVES

NINETY-FIRST SESSION

н. г. №. 2740

03/27/2019 Authored by Fischer, Morrison, Persell and Claffin
The bill was read for the first time and referred to the Committee on Ways and Means

relating to environment; appropriating money to reduce chloride pollution.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:

Section 1. <u>APPROPRIATION; REDUCING CHLORIDE POLLUTION.</u>

\$400,000 in fiscal year 2020 and \$400,000 in fiscal year 2021 are appropriated from the general fund to the commissioner of the Pollution Control Agency to establish a statewide program to reduce chloride. Of this amount, \$100,000 each year is for grants to optimize existing water-softener units or upgrade to low-salt-use systems. This appropriation is

available until June 30, 2023. Any unencumbered grant balances in the first year do not

cancel but are available for grants in the second year.
