Sec. 13. Minnesota Statutes 2020, section 363A.08, subdivision 6, is amended to read:

- Subd. 6. Reasonable accommodation. (a) Except when based on a bona fide occupational qualification, it is an unfair employment practice for an employer with a number of part-time or full-time employees for each working day in each of 20 or more calendar weeks in the current or preceding calendar year equal to or greater than 25 effective July 1, 1992, and equal to or greater than 15 effective July 1, 1994, an employment agency, or a labor organization, not to make provide a reasonable accommodation to the known disability of a qualified disabled person or job applicant for a job applicant or qualified employee with a disability unless the employer, agency, or organization can demonstrate that the accommodation would impose an undue hardship on the business, agency, or organization. "Reasonable accommodation" means steps which must be taken to accommodate the known physical or mental limitations of a qualified disabled person individual with a disability. To determine the appropriate reasonable accommodation the employer, agency, or organization shall initiate an informal, interactive process with the individual with a disability in need of the accommodation. This process should identify the limitations resulting from the disability and any potential reasonable accommodations that could overcome those limitations. "Reasonable accommodation" may include but is not limited to, nor does it necessarily require: (1) making facilities readily accessible to and usable by disabled persons individuals with disabilities; and (2) job restructuring, modified work schedules, reassignment to a vacant position, acquisition or modification of equipment or devices, and the provision of aides on a temporary or periodic basis.
- (b) In determining whether an accommodation would impose an undue hardship on the operation of a business or organization, factors to be considered include:
- (1) the overall size of the business or organization with respect to number of employees or members and the number and type of facilities;
- (2) the type of the operation, including the composition and structure of the work force, and the number of employees at the location where the employment would occur;
 - (3) the nature and cost of the needed accommodation;
- (4) the reasonable ability to finance the accommodation at each site of business; and

Sec. 14. Minnesota Statutes 2020, section 363A.28, subdivision 1, is amended to read:

Subdivision 1. Actions. Any person aggrieved by a violation of this chapter may bring a civil action as provided in section 363A.33, subdivision 1, or may file a verified charge with the commissioner or the commissioner's designated agent. A charge filed with the commissioner must be in writing by hand, or electronically with an unsworn declaration under penalty of perjury, on a form provided by the commissioner and signed by the charging party. The commissioner may require a charging party to provide the address of the person alleged to have committed the unfair discriminatory practice, names of witnesses, documents, and any other information necessary to process the charge. The respondent shall file with the department a written response setting out a summary of the details of the respondent's position relative to the charge within 20 30 days of receipt of the charge. If the respondent fails to respond with a written summary of the details of the respondent's position within 30 days after service of the charge, and service was consistent with rule 4 of the Rules of Civil Procedure, the commissioner, on behalf of the complaining party, may bring an action for default in district court pursuant to rule 55.01 of the Rules of Civil Procedure.

Sec. 15. Minnesota Statutes 2020, section 363A.28, subdivision 6, is amended to read:

in the order below, which the commissioner determines have the following characteristics

REVISOR

- (1) there is evidence of irreparable harm if immediate action is not taken;
- (2) there is evidence that the respondent has intentionally engaged in a reprisal;
- 90.5 (3) a significant number of recent charges have been filed against the respondent;
- 90.6 (4) the respondent is a government entity;
 - (5) there is potential for broadly promoting the policies of this chapter; or
 - (6) the charge is supported by substantial and credible documentation, witnesses, or other evidence.

The commissioner shall inform charging parties of these priorities and shall tell each party if their charge is a priority case or not.

On other charges the commissioner shall make a determination within 12 months after the charge was filed as to whether or not there is probable cause to credit the allegation of unfair discriminatory practices.

(c) If the commissioner determines after investigation that no probable cause exists to credit the allegations of the unfair discriminatory practice, the commissioner shall, within ten days of the determination, serve upon the charging party and respondent written notice of the determination. Within ten 30 days after receipt of notice, the charging party may request in writing, on forms prepared by the department, that the commissioner reconsider the determination. The request shall contain a brief statement of the reasons for and new evidence in support of the request for reconsideration. At the time of submission of the request to the commissioner, the charging party shall deliver or mail to the respondent a copy of the request for reconsideration. The commissioner shall reaffirm, reverse, or vacate and remand for further consideration the determination of no probable cause within 20 days after receipt of the request for reconsideration, and shall within ten days notify in writing the charging party and respondent of the decision to reaffirm, reverse, or vacate and remand for further consideration.

Within 30 days after receipt of notice, the respondent may request in writing, on forms prepared by the department, that the commissioner reconsider the determination. If the commissioner determines that attempts to eliminate the alleged unfair practices through conciliation pursuant to subdivision 8 have been or would be unsuccessful or unproductive, the commissioner shall may issue a complaint and serve on the respondent, by registered or certified mail, or electronically with the receiving party's consent, a written notice of hearing together with a copy of the complaint, requiring the respondent to answer the allegations of the complaint at a hearing before an administrative law judge at a time and place specified in the notice, not less than ten days after service of said complaint. The court shall have power to grant temporary relief or a restraining order as it deems just and proper, but no relief or order extending beyond ten days shall be granted except by consent of the respondent or after hearing upon notice to the respondent and a finding by the court that there is reasonable cause to believe that the respondent has engaged in a discriminatory practice. Except as modified by subdivisions 1 to 9 and section 363A.06, subdivision 4, the Minnesota Rules of Civil Procedure shall apply to an application, and the district court shall have authority to grant or deny the relief sought on conditions as it deems just and equitable. All hearings under subdivisions 1 to 9 and section 363A.06, subdivision 4, shall be given precedence as nearly as practicable over all other pending civil actions.

151.9	Sec. 3. Minnesota Statutes 2020, section 169A.63, is amended by adding a subdivision to
151.10	read:
151.11	Subd. 7a. Innocent owner. (a) An asserting person may bring an innocent owner claim
151.12	by notifying the prosecuting authority in writing and within 60 days of the service of the
151.13	notice of seizure.
151.14	(b) Upon receipt of notice pursuant to paragraph (a), the prosecuting authority may
151.15	release the vehicle to the asserting person. If the prosecuting authority proceeds with the
51.16	forfeiture, the prosecuting authority must, within 30 days, file a separate complaint in the
151.17	name of the jurisdiction pursuing the forfeiture against the vehicle, describing the vehicle,
151.18	specifying that the vehicle was used in the commission of a designated offense or was used
151.19	in conduct resulting in a designated license revocation, and specifying the time and place
151.20	of the vehicle's unlawful use. The complaint may be filed in district court or conciliation
151.21	court and the filing fee is waived.
151.22	(c) A complaint filed by the prosecuting authority must be served on the asserting person
151.23	and on any other registered owners. Service may be made by certified mail at the address
151.24	listed in the Department of Public Safety's computerized motor vehicle registration records
151.25	or by any means permitted by court rules.
151.26	(d) The hearing on the complaint shall, to the extent practicable, be held within 30 days
151.27	of the filing of the petition. The court may consolidate the hearing on the complaint with a
151.28	hearing on any other complaint involving a claim of an ownership interest in the same
151.29	vehicle.
151.30	(e) At a hearing held pursuant to this subdivision, the prosecuting authority must:

152.1	(1) prove by a preponderance of the evidence that the seizure was incident to a lawful
152.2	arrest or a lawful search; and
152.3	(2) certify that the prosecuting authority has filed, or intends to file, charges against the
152.4	driver for a designated offense or that the driver has a designated license revocation.
152.5	(f) At a hearing held pursuant to this subdivision, the asserting person must prove by a
152.6	preponderance of the evidence that the asserting person:
152.7	(1) has an actual ownership interest in the vehicle; and
152.8	(2) did not have actual or constructive knowledge that the vehicle would be used or
152.9	operated in any manner contrary to law or that the asserting person took reasonable steps
152.10	to prevent use of the vehicle by the alleged offender.
152.11	(g) If the court determines that the state met both burdens under paragraph (e) and the
152.12	asserting person failed to meet any burden under paragraph (f), the court shall order that
152.13	the vehicle remains subject to forfeiture under this section.
152.14	(h) The court shall order that the vehicle is not subject to forfeiture under this section
152.15	and shall order the vehicle returned to the asserting person if it determines that:
152.16	(1) the state failed to meet any burden under paragraph (e);
152.17	(2) the asserting person proved both elements under paragraph (f); or
152.18	(3) clauses (1) and (2) apply.
152.19	(i) If the court determines that the asserting person is an innocent owner and orders the
152.20	vehicle returned to the innocent owner, an entity in possession of the vehicle is not required
152.21	to release it until the innocent owner pays:
152.22	(1) the reasonable costs of the towing, seizure, and storage of the vehicle incurred before
152.23	the innocent owner provided the notice required under paragraph (a); and
152.24	(2) any reasonable costs of storage of the vehicle incurred more than two weeks after
152.25	an order issued under paragraph (h).
152.26	EFFECTIVE DATE. This section is effective January 1, 2022, and applies to seizures
152.27	that take place on or after that date.
152.28	Sec. 4. Minnesota Statutes 2020, section 169A.63, subdivision 8, is amended to read:

(b) Within 60 days from when a motor vehicle is seized under subdivision 2, or within
a reasonable time after seizure, the appropriate agency shall serve the driver or operator of
the vehicle with a notice of the seizure and intent to forfeit the vehicle. Additionally, when
a motor vehicle is seized under subdivision 2, or within a reasonable time after that, all
persons known to have an ownership, possessory, or security interest in the vehicle must
be notified of the seizure and the intent to forfeit the vehicle. For those vehicles required to
be registered under chapter 168, the notification to a person known to have a security interest
in the vehicle is required only if the vehicle is registered under chapter 168 and the interest
is listed on the vehicle's title. Upon motion by the appropriate agency or prosecuting
authority, a court may extend the time period for sending notice for a period not to exceed
90 days for good cause shown. Notice mailed by certified mail to the address shown in
Department of Public Safety records is sufficient notice to the registered owner of the
vehicle. For motor vehicles not required to be registered under chapter 168, notice mailed
by certified mail to the address shown in the applicable filing or registration for the vehicle
is sufficient notice to a person known to have an ownership, possessory, or security interest
in the vehicle. Otherwise, notice may be given in the manner provided by law for service
of a summons in a civil action.

- (c) The notice must be in writing and contain:
- (1) a description of the vehicle seized;
- 153.20 (2) the date of seizure; and
 - (3) notice of the right to obtain judicial review of the forfeiture and of the procedure for obtaining that judicial review, printed in English. This requirement does not preclude the appropriate agency from printing the notice in other languages in addition to English.
- Substantially the following language must appear conspicuously in the notice:
- "WARNING: If you were the person arrested when the property was seized, you will automatically lose the above-described property and the right to be heard in court if you do not file a lawsuit and serve the prosecuting authority within 60 days. You may file your lawsuit in conciliation court if the property is worth \$15,000 or less; otherwise, you must file in district court. You may do not have to pay a filing fee for your lawsuit if you are unable to afford the fee. You do not have to pay a conciliation court fee if your property is worth less than \$500.

- (d) If notice is not sent in accordance with paragraph (b), and no time extension is granted or the extension period has expired, the appropriate agency shall return the <u>property vehicle</u> to the <u>person from whom the property was seized, if known owner</u>. An agency's return of property due to lack of proper notice does not restrict the agency's authority to commence a forfeiture proceeding at a later time. The agency shall not be required to return contraband or other property that the person from whom the property was seized may not legally possess.
- (e) Within 60 days following service of a notice of seizure and forfeiture under this subdivision, a claimant may file a demand for a judicial determination of the forfeiture. The demand must be in the form of a civil complaint and must be filed with the court administrator in the county in which the seizure occurred, together with proof of service of a copy of the complaint on the prosecuting authority having jurisdiction over the forfeiture, including the standard filing fee for civil actions unless the petitioner has the right to sue in forma pauperis under section 563.01. The claimant may serve the complaint by certified mail or any means permitted by court rules. If the value of the seized property is \$15,000 or less, the claimant may file an action in conciliation court for recovery of the seized vehicle. A copy of the conciliation court statement of claim must be served personally or by mail on the prosecuting authority having jurisdiction over the forfeiture, as well as on the appropriate agency that initiated the forfeiture, within 60 days following service of the notice of seizure and forfeiture under this subdivision. If the value of the seized property is less than \$500, The claimant does not have to pay the eoneiliation court filing fee.

No responsive pleading is required of the prosecuting authority and no court fees may be charged for the prosecuting authority's appearance in the matter. The prosecuting authority may appear for the appropriate agency. Pleadings, filings, and methods of service are governed by the Rules of Civil Procedure.

(f) The complaint must be captioned in the name of the claimant as plaintiff and the seized vehicle as defendant, and must state with specificity the grounds on which the claimant alleges the vehicle was improperly seized, the claimant's interest in the vehicle seized, and any affirmative defenses the claimant may have. Notwithstanding any law to the contrary, an action for the return of a vehicle seized under this section may not be maintained by or on behalf of any person who has been served with a notice of seizure and forfeiture unless the person has complied with this subdivision.

- Sec. 5. Minnesota Statutes 2020, section 169A.63, subdivision 9, is amended to read:
- Subd. 9. Judicial forfeiture procedure. (a) This subdivision governs judicial determinations of the forfeiture of a motor vehicle used to commit a designated offense or used in conduct resulting in a designated license revocation. An action for forfeiture is a civil in rem action and is independent of any criminal prosecution. All proceedings are governed by the Rules of Civil Procedure. 155.11
 - (b) If no demand for judicial determination of the forfeiture is pending, the prosecuting authority may, in the name of the jurisdiction pursuing the forfeiture, file a separate complaint against the vehicle, describing it, specifying that it was used in the commission of a designated offense or was used in conduct resulting in a designated license revocation, and specifying the time and place of its unlawful use.
 - (c) The prosecuting authority may file an answer to a properly served demand for judicial determination, including an affirmative counterclaim for forfeiture. The prosecuting authority is not required to file an answer.
 - (d) A judicial determination under this subdivision must be held at the earliest practicable date, and in any event no later than 180 days following the filing of the demand by the claimant. If a related criminal proceeding is pending, the hearing shall not be held until the conclusion of the criminal proceedings. The district court administrator shall schedule the hearing as soon as practicable after the conclusion of the criminal prosecution. The district court administrator shall establish procedures to ensure efficient compliance with this subdivision. The hearing is to the court without a jury.
 - (e) There is a presumption that a vehicle seized under this section is subject to forfeiture if the prosecuting authority establishes that the vehicle was used in the commission of a designated offense or designated license revocation. A claimant bears the burden of proving any affirmative defense raised.
- (f) If the forfeiture is based on the commission of a designated offense and the person charged with the designated offense appears in court as required and is not convicted of the 155.32 offense, the court shall order the property returned to the person legally entitled to it upon 155.33

forfeiture is based on a designated license revocation, and the license revocation is rescinded
under section 169A.53, subdivision 3 (judicial review hearing, issues, order, appeal), the
court shall order the property returned to the person legally entitled to it upon that person's
compliance with the redemption requirements of section 169A.42.

- (g) If the lawful ownership of the vehicle used in the commission of a designated offense or used in conduct resulting in a designated license revocation can be determined and the owner makes the demonstration required under subdivision 7, paragraph (d) 7a, the vehicle must be returned immediately upon the owner's compliance with the redemption requirements of section 169A.42.
- (h) If the court orders the return of a seized vehicle under this subdivision it must order that filing fees be reimbursed to the person who filed the demand for judicial determination.

 In addition, the court may order sanctions under section 549.211 (sanctions in civil actions).

 Any reimbursement fees or sanctions must be paid from other forfeiture proceeds of the law enforcement agency and prosecuting authority involved and in the same proportion as distributed under subdivision 10, paragraph (b).
- EFFECTIVE DATE. This section is effective January 1, 2022, and applies to seizures that take place on or after that date.
- Sec. 6. Minnesota Statutes 2020, section 169A.63, subdivision 10, is amended to read:
- Subd. 10. **Disposition of forfeited vehicle.** (a) If the vehicle is administratively forfeited under subdivision 8, or if the court finds under subdivision 9 that the vehicle is subject to forfeiture under subdivisions 6 and 7, the appropriate agency shall:
- (1) sell the vehicle and distribute the proceeds under paragraph (b); or
- 156.24 (2) keep the vehicle for official use. If the agency keeps a forfeited motor vehicle for official use, it shall make reasonable efforts to ensure that the motor vehicle is available for use by the agency's officers who participate in the drug abuse resistance education program.
- 156.27 (b) The proceeds from the sale of forfeited vehicles, after payment of seizure, towing, storage, forfeiture, and sale expenses, and satisfaction of valid liens against the property, must be distributed as follows:
- (1) 70 percent of the proceeds must be forwarded to the appropriate agency for deposit as a supplement to the state or local agency's operating fund or similar fund for use in DWI-related enforcement, training, and education, crime prevention, equipment, or capital expenses; and

157.1	(2) 30 percent of the money or proceeds must be forwarded to the prosecuting authority
157.2	that handled the forfeiture for deposit as a supplement to its operating fund or similar fund

157.6	forfeiture proceeds shall be forwarded to the political subdivision where the forfeiture was
157.7	handled for the purposes identified in clause (1).
157.8	(c) If a vehicle is sold under paragraph (a), the appropriate agency shall not sell the

157.15	(e) If a vehicle is forfeited administratively under this section and no demand for judicial
157.16	determination is made, the appropriate agency shall provide the prosecuting authority with
157.17	a copy of the forfeiture or evidence receipt, the notice of seizure and intent to forfeit, a
157.18	statement of probable cause for forfeiture of the property, and a description of the property
157.19	and its estimated value. Upon review and certification by the prosecuting authority that (1)
157.20	the appropriate agency provided a receipt in accordance with subdivision 2, paragraph (c),
157.21	(2) the appropriate agency served notice in accordance with subdivision 8, and (3) probable

The notification to a person known to have a security interest in seized property required under this paragraph applies only to motor vehicles required to be registered under chapter 168 and only if the security interest is listed on the vehicle's title. Upon motion by the appropriate agency or the prosecuting authority, a court may extend the time period for sending notice for a period not to exceed 90 days for good cause shown.

- 167.16 (1) a description of the property seized;
- 167.17 (2) the date of seizure; and
- 167.18 (3) notice of the right to obtain judicial review of the forfeiture and of the procedure for obtaining that judicial review, printed in English. This requirement does not preclude the appropriate agency from printing the notice in other languages in addition to English.

- "WARNING: If you were the person arrested when the property was seized, you will automatically lose the above-described property and the right to be heard in court if you do not file a lawsuit and serve the prosecuting authority within 60 days. All facility administrators of correctional facilities are required to report all other emergency or unusual occurrences as defined by rule, including uses of force by facility staff that result in substantial bodily harm or suicide attempts, to the commissioner of corrections within ten days from the occurrence, including any demographic information as required by the commissioner. - (b) For juvenile facilities licensed by the commissioner of human services, the commissioner may inspect and certify programs based on certification standards set forth in Minnesota Rules. For the purpose of this paragraph, "certification" has the meaning given it in section 245A.02.
- (c) Any state agency which regulates, inspects, or licenses certain aspects of correctional facilities shall, insofar as is possible, ensure that the minimum standards it requires are substantially the same as those required by other state agencies which regulate, inspect, or license the same aspects of similar types of correctional facilities, although at different correctional facilities.
- (d) Nothing in this section shall be construed to limit the commissioner of corrections' authority to promulgate rules establishing standards of eligibility for counties to receive funds under sections 401.01 to 401.16, or to require counties to comply with operating standards the commissioner establishes as a condition precedent for counties to receive that funding.
- (e) The department's inspection unit must report directly to a division head outside of 199.15 the correctional institutions division. 199.16
- (e) When the commissioner finds that any facility described in paragraph (a), except foster care facilities for delinquent children and youth as provided in subdivision 2, does not substantially conform to the minimum standards established by the commissioner and is not making satisfactory progress toward substantial conformance, the commissioner shall promptly notify the chief executive officer and the governing board of the facility of the deficiencies and order that they be remedied within a reasonable period of time. The commissioner may by written order restrict the use of any facility which does not substantially conform to minimum standards to prohibit the detention of any person therein for more than 72 hours at one time. When, after due notice and hearing, the commissioner finds that any facility described in this subdivision, except county jails and lockups as provided in sections 641.26, 642.10, and 642.11, does not conform to minimum standards, or is not making satisfactory progress toward substantial compliance therewith, the commissioner may issue an order revoking the license of that facility. After revocation of its license, that facility shall not be used until its license is renewed. When the commissioner is satisfied that satisfactory progress towards substantial compliance with minimum standard is being made, the commissioner may, at the request of the appropriate officials of the affected facility supported by a written schedule for compliance, grant an extension of time for a period not 199.34 to exceed one year.

200.1	(f) As used in this subdivision, "correctional facility" means any facility, including a
200.2	group home, having a residential component, the primary purpose of which is to serve
200.3	persons placed therein by a court, court services department, parole authority, or other
200.4	correctional agency having dispositional power over persons charged with, convicted, or
200.5	adjudicated to be guilty or delinquent.
200.6	Sec. 6. Minnesota Statutes 2020, section 241.021, is amended by adding a subdivision to
200.7	read:
200.8	Subd. 1a. Correction order; conditional license. (a) When the commissioner finds that
200.9	any facility described in subdivision 1, except foster care facilities for delinquent children
200.10	and youth as provided in subdivision 2, does not substantially conform to the minimum
200.11	standards established by the commissioner and is not making satisfactory progress toward
200.12	substantial conformance and the nonconformance does not present an imminent risk of
200.13	life-threatening harm or serious physical injury to the persons confined or incarcerated in
200.14	the facility, the commissioner shall promptly notify the facility administrator and the
200.15	governing board of the facility of the deficiencies and must issue a correction order or a
200.16	conditional license order that the deficiencies be remedied within a reasonable and specified
200.17	period of time.
200.18	The conditional license order may restrict the use of any facility which does not
200.19	substantially conform to minimum standards, including imposition of conditions limiting
200.20	operation of the facility or parts of the facility, reducing facility capacity, limiting intake,
200.21	limiting length of detention for individuals, or imposing detention limitations based on the
200.22	needs of the individuals being confined or incarcerated therein.
200.23	The correction order or conditional license order must clearly state the following:
200.24	(1) the specific minimum standards violated, noting the implicated rule or law;
200.25	(2) the findings that constitute a violation of minimum standards;
200.23	(2) the initiality that constitute a violation of initiality standards,
200.26	(3) the corrective action needed;
200.27	(4) time allowed to correct each violation; and
200.28	(5) if a license is made conditional, the length and terms of the conditional license, any
200.29	conditions limiting operation of the facility, and the reasons for making the license
200.30	conditional.
200.31	(b) The facility administrator may request review of the findings noted in the conditional
200.32	license order on the grounds that satisfactory progress toward substantial compliance with

201.1	minimum standards has been made, supported by evidence of correction, and, if appropriate,
201.2	may include a written schedule for compliance. The commissioner shall review the evidence
201.3	of correction and the progress made toward substantial compliance with minimum standards
201.4	within a reasonable period of time, not to exceed ten business days. When the commissioner
201.5	has assurance that satisfactory progress toward substantial compliance with minimum
201.6	standards is being made, the commissioner shall lift any conditions limiting operation of
201.7	the facility or parts of the facility or remove the conditional license order.
201.8	(c) Nothing in this section prohibits the commissioner from ordering a revocation under
201.9	subdivision 1b prior to issuing a correction order or conditional license order.
201.10	Sec. 7. Minnesota Statutes 2020, section 241.021, is amended by adding a subdivision to
201.11	read:
201.12	Subd. 1b. License revocation order. (a) When, after due notice to the facility
201.13	administrator of the commissioner's intent to issue a revocation order, the commissioner
201.14	finds that any facility described in this subdivision, except county jails and lockups subject
201.15	to active condemnation proceedings or orders as provided in sections 641.26, 642.10, and
201.16	642.11, does not conform to minimum standards, or is not making satisfactory progress
201.17	toward substantial compliance with minimum standards, and the nonconformance does not
201.18	present an imminent risk of life-threatening harm or serious physical injury to the persons
201.19	confined or incarcerated in the facility, the commissioner may issue an order revoking the
201.20	license of that facility.
201.21	The notice of intent to issue a revocation order shall include:
201.22	(1) the citation to minimum standards that have been violated;
201.23	(2) the nature and severity of each violation;
201.24	(3) whether the violation is recurring or nonrecurring;
201.25	(4) the effect of the violation on persons confined or incarcerated in the correctional
201.26	facility;
201.27	(5) an evaluation of the risk of harm to persons confined or incarcerated in the correctional
201.28	facility;
201.29	(6) relevant facts, conditions, and circumstances concerning the operation of the licensed
201.30	facility, including at a minimum:
201.31	(i) specific facility deficiencies that endanger the health or safety of persons confined
201.32	or incarcerated in the correctional facility:

(ii) substantiated complaints relating to the correctional facility; or

202.2	(iii) any other evidence that the correctional facility is not in compliance with minimum
202.3	standards.
202.4	(b) The facility administrator must submit a written response within 30 days of receipt
202.5	of the notice of intent to issue a revocation order with any information related to errors in
202.6	the notice, ability to conform to minimum standards within a set period of time including
202.7	but not limited to a written schedule for compliance, and any other information the facility
202.8	administrator deems relevant for consideration by the commissioner. The written response
202.9	must also include a written plan indicating how the correctional facility will ensure the
202.10	transfer of confined or incarcerated individuals and records if the correctional facility closes.
202.11	Plans must specify arrangements the correctional facility will make to transfer confined or
202.12	incarcerated individuals to another licensed correctional facility for continuation of detention.
202.13	(c) When revoking a license, the commissioner shall consider the nature, chronicity, or
202.14	severity of the violation of law or rule and the effect of the violation on the health, safety,
202.15	or rights of persons confined or incarcerated in the correctional facility.
202.16	(d) If the facility administrator does not respond within 30 days to the notice of intent
202.17	to issue a revocation order or if the commissioner does not have assurance that satisfactory
202.18	progress toward substantial compliance with minimum standards will be made, the
202.19	commissioner shall issue a revocation order. The revocation order must be sent to the facility
202.20	administrator and the governing board of the facility, clearly stating:
202.21	(1) the specific minimum standards violated, noting the implicated rule or law;
202.22	(2) the findings that constitute a violation of minimum standards and the nature,
202.23	chronicity, or severity of those violations;
202.24	(3) the corrective action needed;
202.25	(4) any prior correction or conditional license orders issued to correct violations; and
202.26	(5) the date at which the license revocation shall take place.
202.27	A revocation order may authorize use until a certain date, not to exceed the duration of the
202.28	current license, unless a limited license is issued by the commissioner for purposes of
202.29	effectuating a facility closure and continued operation does not present an imminent risk
202.30	of life-threatening harm or is not likely to result in serious physical injury to the persons
202.31	confined or incarcerated in the facility.

203.1	(e) After revocation of the facility's licensure, that facility shall not be used until the
203.2	license is renewed. When the commissioner is satisfied that satisfactory progress toward
203.3	substantial compliance with minimum standards is being made, the commissioner may, at
203.4	the request of the facility administrator supported by a written schedule for compliance,
203.5	reinstate the license.
203.6	Sec. 8. Minnesota Statutes 2020, section 241.021, is amended by adding a subdivision to
203.7	read:
203.8	Subd. 1c. Temporary license suspension. The commissioner shall act immediately to
203.9	temporarily suspend a license issued under this chapter if:
203.10	(1) the correctional facility's failure to comply with applicable minimum standards or
203.11	the conditions in the correctional facility pose an imminent risk of life-threatening harm or
203.12	serious physical injury to persons confined or incarcerated in the facility, staff, law
203.13	enforcement, visitors, or the public; and
203.14	(i) if the imminent risk of life-threatening harm or serious physical injury cannot be
203.15	promptly corrected through a different type of order under this section; and
203.16	(ii) the correctional facility cannot or has not corrected the violation giving rise to the
203.17	imminent risk of life-threatening harm or serious physical injury; or
203.18	(2) while the correctional facility continues to operate pending due notice and opportunity
203.19	for written response to the commissioner's notice of intent to issue an order of revocation,
203.20	the commissioner identifies one or more subsequent violations of minimum standards which
203.21	may adversely affect the health or safety of persons confined or incarcerated in the facility,
203.22	staff, law enforcement, visitors, or the public.
203.23	A notice stating the reasons for the immediate suspension informing the facility
203.24	administrator must be delivered by personal service to the correctional facility administrator
203.25	and the governing board of the facility.
203.26	Sec. 9. Minnesota Statutes 2020, section 241.021, is amended by adding a subdivision to
203.27	read:
203.28	Subd. 1d. Public notice of restriction, revocation, or suspension. If the license of a
203.29	facility under this section is revoked or suspended, or use of the facility is restricted for any
203.30	reason under a conditional license order, the commissioner shall post the facility, the status
203.31	of the facility's license, and the reason for the restriction, revocation, or suspension publicly
203.32	and on the department's website.

204.1	Sec. 10. Minnesota Statutes 2020, section 241.021, is amended by adding a subdivision
204.2	to read:
204.3	Subd. 1e. Reconsideration of orders; appeals. (a) If the facility administrator believes
204.4	the correction order, conditional license order, or revocation order is in error, the facility
204.5	administrator may ask the Department of Corrections to reconsider the parts of the order or
204.6	action that are alleged to be in error. The request for reconsideration must:
204.7	(1) be made in writing;
204.8	(2) be postmarked and sent to the commissioner no later than 30 calendar days after
204.9	receipt of the correction order, conditional license order, or revocation order;
204.10	(3) specify the parts of the order that are alleged to be in error;
204.11	(4) explain why the correction order, conditional license order, or revocation order is in
204.12	error; and
204.13	(5) include documentation to support the allegation of error.
204.14	The commissioner shall issue a disposition within 60 days of receipt of the facility
204.15	administrator's response to correction, conditional license, or revocation order violations.
204.16	A request for reconsideration does not stay any provisions or requirements of the order.
204.17	(b) The facility administrator may request reconsideration of an order immediately
204.18	suspending a license. The request for reconsideration of an order immediately suspending
204.19	a license must be made in writing and sent by certified mail, personal service, or other means
204.20	expressly stated in the commissioner's order. If mailed, the request for reconsideration must
204.21	be postmarked and sent to the commissioner no later than five business days after the facility
204.22	administrator receives notice that the license has been immediately suspended. If a request
204.23	is made by personal service, it must be received by the commissioner no later than five
204.24	business days after the facility administrator received the order. The request for
204.25	reconsideration must:
204.26	(1) specify the parts of the order that are alleged to be in error;
204.27	(2) explain why they are in error; and
204.28	(3) include documentation to support the allegation of error.
204.29	A facility administrator and the governing board of the facility shall discontinue operation
204.30	of the correctional facility upon receipt of the commissioner's order to immediately suspend
204.31	the license.

205.1	(c) Within five business days of receipt of the facility administrator's timely request for
205.2	reconsideration of a temporary immediate suspension, the commissioner shall review the
205.3	request for reconsideration. The scope of the review shall be limited solely to the issue of
205.4	whether the temporary immediate suspension order should remain in effect pending the
205.5	written response to commissioner's notice of intent to issue a revocation order.
205.6	The commissioner's disposition of a request for reconsideration of correction, conditional
205.7	license, temporary immediate suspension, or revocation order is final and subject to appeal.
205.8	The facility administrator must request reconsideration as required by this section of any
205.9	correction, conditional license, temporary immediate suspension, or revocation order prior
205.10	to appeal.
205.11	No later than 60 days after the postmark date of the mailed notice of the commissioner's
205.12	decision on a request for reconsideration, the facility administrator may appeal the decision
205.13	by filing for a writ of certiorari with the court of appeals under section 606.01 and Minnesota
205.14	Rules of Civil Appellate Procedure, Rule 115.
205.15	Sec. 11. Minnesota Statutes 2020, section 241.021, is amended by adding a subdivision

208.5	them as needed. The group must report the standards to the chairs and ranking minority

208.18	(d) Beginning in 2023, the commissioner must include a written aggregate of the group's

208.26	Sec. 14. Minnesota Statutes 2020, section 241.021, is amended by adding a subdivision

Subd. 7. Intake release of information. All correctional facilities that confine or incarcerate adults are required at intake to provide each person an authorization form to release information related to that person's health or mental health condition and when that information should be shared. This release form shall allow the individual to select if the individual wants to require the correctional facility to make attempts to contact the designated person to facilitate the sharing of health condition information upon incapacitation or if the individual becomes unable to communicate or direct the sharing of this information, so long as contact information was provided and the incapacitated individual or individual who is unable to communicate or direct the sharing of this information is not subject to a court order prohibiting contact with the designated person.

In the event a correctional facility receives information of the death of an individual while committed to the custody of the facility, regardless of whether the death occurred at the facility or after removal from the facility for medical care stemming from an incident or need for medical care at the correctional facility, the administrator of the facility, minimally including a medical expert of the facility's choosing who did not provide medical services to the individual, and, if appropriate, a mental health expert, shall review the circumstances of the death and assess for preventable mortality and morbidity, including recommendations for policy or procedure change, within 90 days of death. The investigating law enforcement agency may provide documentation, participate in, or provide documentation and participate in the review in instances where criminal charges were not brought. A preliminary autopsy report must be provided as part of the review and any subsequent autopsy findings as available. The facility administrator shall provide notice to the commissioner of corrections via the Department of Corrections detention information system that the correctional facility has conducted a review and identify any recommendations for changes in policy, procedure, or training that will be implemented. Nothing in this section relieves the facility administrator from complying with the notice of death to the commissioner as required by subdivision 1, paragraph (a).

If any immate confined or incarcerated person attempts to damage the buildings or appurtenances, resists the lawful authority of any correctional officer, refuses to obey the correctional officer's reasonable demands, or attempts to escape, the correctional officer may enforce obedience and discipline or prevent escape by the use of force. If any immate confined or incarcerated person resisting lawful authority is wounded or killed by the use of force by the correctional officer or assistants, that conduct is authorized under this section.

- Subd. 2. Use of force. (a) Use of force must not be applied maliciously or sadistically for the purpose of causing harm to a confined or incarcerated person.
- (b) Unless the use of deadly force is justified in this section, a correctional officer working in an adult correctional facility either under the control of the commissioner of corrections or licensed by the commissioner under section 241.021 may not use any of the following restraints:
- 210.29 (1) a choke hold;

211.3	(c) For the purposes of this subdivision, the following terms have the meanings given
211.4	them:
211.5	(1) "choke hold" means a method by which a person applies sufficient pressure to a

211.8	intake of air. Choke hold also means applying pressure to a person's neck on either side of

211.14	to 609.066. (3) "deadly force" has the meaning given in section 609.066, subdivision 1.
211.15	(d) Use of deadly force is justified only if an objectively reasonable correctional officer
211.16	would believe, based on the totality of the circumstances known to the officer at the time
211.17	and without the benefit of hindsight, that deadly force is necessary:
211.18	(1) to protect the correctional officer or another from death or great bodily harm, provided
211.19	that the threat:
211.20	(i) can be articulated with specificity by the correctional officer;
211.21	(ii) is reasonably likely to occur absent action by the correctional officer; and
211.22	(iii) must be addressed through the use of deadly force without unreasonable delay; or
211.23	(2) to effect the capture or prevent the escape of a person when the officer reasonably
211.24	believes that the person will cause death or great bodily harm to another person under the
211.25	threat criteria in clause (1), unless immediately apprehended.
211.26	Subd. 3. Duty to report. (a) Regardless of tenure or rank, staff working in an adult
211.27	correctional facility either under the control of the commissioner of corrections or licensed
211.28	by the commissioner under section 241.021 who observe another employee engage in neglect
211.29	or use force that exceeds the degree of force permitted by law must report the incident in
211.30	writing as soon as practicable, but no later than 24 hours to the administrator of the

212.4	excessive use of force or neglect.
212.5	(c) For the purposes of this subdivision, "neglect" means:
212.6	(1) the knowing failure or omission to supply a person confined or incarcerated in the
212.7	facility with care or services, including but not limited to food, clothing, health care, or

212.9	mental health or safety; or
212.10	(2) the absence or likelihood of absence of care or services, including but not limited to
212.11	food, clothing, health care, or supervision necessary to maintain the physical and mental
212.12	health of the person that a reasonable person would deem essential for health, safety, or
212.13	comfort.

212.17	act under the orders of the court in reference to any person committed to their care by the
212.18	court, and in the performance of their duties shall have the general powers of a peace officer;
212.19	and it shall be their duty to make such investigations with regard to any person as may be
212.20	required by the court before, during, or after the trial or hearing, and to furnish to the court
212.21	such information and assistance as may be required; to take charge of any person before,

212.25	and parole services to wards of the commissioner of corrections resident in the counties
212.26	they serve, and shall act under the orders of said commissioner of corrections in reference

212.29	having power to appoint them, initiate programs for the welfare of persons coming within
212.30	the jurisdiction of the court to prevent delinquency and crime and to rehabilitate within the
212.31	community persons who come within the jurisdiction of the court and are properly subject
212.32	to efforts to accomplish prevention and rehabilitation. They shall, under the direction of the
212.33	court, cooperate with all law enforcement agencies, schools, child welfare agencies of a

213.4	the commissioner of corrections, on forms furnished by the commissioner, containing such

213.6	adjudications, dispositions, and related matters as may be required by the commissioner of
213.7	corrections. The reports shall include the information on individuals convicted as an extended

213.12	(b) Restraints may not be used on a child appearing in court in a proceeding under this
213.13	chapter unless the court finds that:
213.14	(1) the use of restraints is necessary:
213.15	(i) to prevent physical harm to the child or another; or
213.16	(ii) to prevent the child from fleeing in situations in which the child presents a substantial
213.17	risk of flight from the courtroom; and
213.18	(2) there are no less restrictive alternatives to restraints that will prevent flight or physical
213.19	harm to the child or another, including but not limited to the presence of court personnel,
213.20	law enforcement officers, or bailiffs.
213.21	The finding in clause (1), item (i), may be based, among other things, on the child having
213.22	a history of disruptive courtroom behavior or behavior while in custody for any current or
213.23	prior offense that has placed others in potentially harmful situations, or presenting a
213.24	substantial risk of inflicting physical harm on the child or others as evidenced by past
213.25	behavior. The court may take into account the physical structure of the courthouse in
213.26	assessing the applicability of the above factors to the individual child.
213.27	(c) The court shall be provided the child's behavior history and shall provide the child
213.28	an opportunity to be heard in person or through counsel before ordering the use of restraints.

214.8	delinquent child may refer the child to a program, including restorative programs, that the
214.9	law enforcement agency with jurisdiction over the child deems appropriate.
214.10	(b) If a peace officer or law enforcement agency refers a child to a program under
214.11	paragraph (a), the peace officer or law enforcement agency may defer issuing a citation or
214.12	a notice to the child to appear in juvenile court, transmitting a report to the prosecuting
214.13	authority, or otherwise initiating a proceeding in juvenile court.
214.14	(c) After receiving notice that a child who was referred to a program under paragraph

214.28	shall, pursuant to the Administrative Procedure Act, promulgate rules establishing standards

609.5317 REAL PROPERTY; SEIZURES.

Subdivision 1. **Rental property.** (a) When contraband or a controlled substance manufactured, distributed, or acquired in violation of chapter 152 is seized on residential rental property incident to a lawful search or arrest, the prosecuting authority shall give the notice required by this subdivision to (1) the landlord of the property or the fee owner identified in the records of the county assessor, and (2) the agent authorized by the owner to accept service pursuant to section 504B.181. The notice is not required during an ongoing investigation. The notice shall state what has been seized and specify the applicable duties and penalties under this subdivision. The notice shall state that the landlord who chooses to assign the right to bring an eviction action retains all rights and duties, including removal of a tenant's personal property following issuance of the writ of recovery and delivery of the writ to the sheriff for execution. The notice shall also state that the landlord may contact the prosecuting authority if threatened by the tenant. Notice shall be sent by certified letter, return receipt requested, within 30 days of the seizure. If receipt is not returned, notice shall be given in the manner provided by law for service of summons in a civil action.

- (b) Within 15 days after notice of the first occurrence, the landlord shall bring, or assign to the prosecuting authority of the county in which the real property is located, the right to bring an eviction action against the tenant. The assignment must be in writing on a form prepared by the prosecuting authority. Should the landlord choose to assign the right to bring an eviction action, the assignment shall be limited to those rights and duties up to and including delivery of the writ of recovery to the sheriff for execution.
- (c) Upon notice of a second occurrence on any residential rental property owned by the same landlord in the same county and involving the same tenant, and within one year after notice of the first occurrence, the property is subject to forfeiture under sections 609.531, 609.5311, 609.5313, and 609.5315, unless an eviction action has been commenced as provided in paragraph (b) or the right to bring an eviction action was assigned to the prosecuting authority as provided in paragraph (b). If the right has been assigned and not previously exercised, or if the prosecuting authority

requests an assignment and the landlord makes an assignment, the prosecuting authority may bring an eviction action rather than an action for forfeiture.

- (d) The Department of Corrections Fugitive Apprehension Unit shall not seize real property for the purposes of forfeiture as described in paragraphs (a) to (c).
- Subd. 2. **Additional remedies.** Nothing in subdivision 1 prevents the prosecuting authority from proceeding under section 609.5311 whenever that section applies.
- Subd. 3. **Defenses.** It is a defense against a proceeding under subdivision 1, paragraph (b), that the tenant had no knowledge or reason to know of the presence of the contraband or controlled substance or could not prevent its being brought onto the property.

It is a defense against a proceeding under subdivision 1, paragraph (c), that the landlord made every reasonable attempt to evict a tenant or to assign the prosecuting authority the right to bring an eviction action against the tenant, or that the landlord did not receive notice of the seizure.

Subd. 4. **Limitations.** This section shall not apply if the retail value of the controlled substance is less than \$100, but this section does not subject real property to forfeiture under section 609.5311 unless the retail value of the controlled substance is: (1) \$1,000 or more; or (2) there have been two previous controlled substance seizures involving the same tenant.
