*Be it enacted by the General Assembly of the state of Missouri, as follows:*

Section A. Section 1.100, RSMo, is repealed and one new section enacted in lieu thereof,  
2 to be known as section 1.100, to read as follows:

1.100. 1. The population of any political subdivision of the state for the purpose of  
2 representation or other matters including the ascertainment of the salary of any county officer for

4 and assistants is determined on the basis of the last previous decennial census of the United  
5 States. For the purposes of this section the effective date of the 1960 decennial census of the  
6 United States is July 1, 1961, and the effective date of each succeeding decennial census of the  
7 United States is July first of each tenth year after 1961; except that for the purposes of  
8 ascertaining the salary of any county officer for any year or for the amount of fees he may retain  
9 or the amount he is allowed to pay for deputies and assistants the effective date of the 1960  
10 decennial census of the United States is January 1, 1961, and the effective date of each  
11 succeeding decennial census is January first of each tenth year after 1961.

12 2. Any law which is limited in its operation to counties, cities or other political  
13 subdivisions having a specified population or a specified assessed valuation shall be deemed to

21 compensation is set by a statutory formula, which is based in part on a population factor, shall  
22 have his compensation reduced due solely to an increase in the population factor.

2 ensure continuation of existing laws, section A of this act is deemed necessary for the immediate
