SECOND REGULAR SESSION

SENATE BILL NO. 525

100TH GENERAL ASSEMBLY

INTRODUCED BY SENATOR EMERY.

Pre-filed December 1, 2019, and ordered printed.

3095S.01I

ADRIANE D. CROUSE, Secretary.

AN ACT

To repeal sections 160.400, 160.410, and 160.415, RSMo, and to enact in lieu thereof three new sections relating to recovery programs for high school students.

Be it enacted by the General Assembly of the State of Missouri, as follows:

Section A. Sections 160.400, 160.410, and 160.415, RSMo, are repealed

- 2 and three new sections enacted in lieu thereof, to be known as sections 160.400,
- 3 160.410, and 160.415, to read as follows:
 - 160.400. 1. A charter school is an independent public school.
- 2 2. Except as further provided in subsection 4 of this section, charter
- 3 schools may be operated only:
- 4 (1) In a metropolitan school district;
- 5 (2) In an urban school district containing most or all of a city with a
- 6 population greater than three hundred fifty thousand inhabitants;
- 7 (3) In a school district that has been classified as unaccredited by the
- 8 state board of education;
- 9 (4) In a school district that has been classified as provisionally accredited
- 10 by the state board of education and has received scores on its annual performance
- 11 report consistent with a classification of provisionally accredited or unaccredited
- 12 for three consecutive school years beginning with the 2012-13 accreditation year
- 13 under the following conditions:
- 14 (a) The eligibility for charter schools of any school district whose
- 15 provisional accreditation is based in whole or in part on financial stress as
- 16 defined in sections 161.520 to 161.529, or on financial hardship as defined by rule
- 17 of the state board of education, shall be decided by a vote of the state board of
- 18 education during the third consecutive school year after the designation of

19 provisional accreditation; and

- (b) The sponsor is limited to the local school board or a sponsor who has met the standards of accountability and performance as determined by the department based on sections 160.400 to 160.425 and section 167.349 and properly promulgated rules of the department; or
- (5) In a school district that has been accredited without provisions, sponsored only by the local school board; provided that no board with a current 26 year enrollment of one thousand five hundred fifty students or greater shall permit more than thirty-five percent of its student enrollment to enroll in charter 28 schools sponsored by the local board under the authority of this subdivision, 29 except that this restriction shall not apply to any school district that 30 subsequently becomes eligible under subdivision (3) or (4) of this subsection or to 31 any district accredited without provisions that sponsors charter schools prior to having a current year student enrollment of one thousand five hundred fifty 32 students or greater.
- 3. Except as further provided in subsection 4 of this section, the following 34 35 entities are eligible to sponsor charter schools:
 - (1) The school board of the district in any district which is sponsoring a charter school as of August 27, 2012, as permitted under subdivision (1) or (2) of subsection 2 of this section, the special administrative board of a metropolitan school district during any time in which powers granted to the district's board of education are vested in a special administrative board, or if the state board of education appoints a special administrative board to retain the authority granted to the board of education of an urban school district containing most or all of a city with a population greater than three hundred fifty thousand inhabitants, the special administrative board of such school district;
 - (2) A public four-year college or university with an approved teacher education program that meets regional or national standards of accreditation;
- 47 (3) A community college, the service area of which encompasses some portion of the district; 48
 - (4) Any private four-year college or university with an enrollment of at least one thousand students, with its primary campus in Missouri, and with an approved teacher preparation program;
- 52 (5) Any two-year private vocational or technical school designated as a 53 501(c)(3) nonprofit organization under the Internal Revenue Code of 1986, as 54 amended, and accredited by the Higher Learning Commission, with its primary

55 campus in Missouri;

- 56 (6) The Missouri charter public school commission created in section 57 160.425.
- 4. Changes in a school district's accreditation status that affect charter schools shall be addressed as follows, except for the districts described in subdivisions (1) and (2) of subsection 2 of this section:
- (1) As a district transitions from unaccredited to provisionally accredited, 62 the district shall continue to fall under the requirements for an unaccredited 63 district until it achieves three consecutive full school years of provisional 64 accreditation;
 - (2) As a district transitions from provisionally accredited to full accreditation, the district shall continue to fall under the requirements for a provisionally accredited district until it achieves three consecutive full school years of full accreditation;
- (3) In any school district classified as unaccredited or provisionally accredited where a charter school is operating and is sponsored by an entity other than the local school board, when the school district becomes classified as accredited without provisions, a charter school may continue to be sponsored by the entity sponsoring it prior to the classification of accredited without provisions and shall not be limited to the local school board as a sponsor.
- A charter school operating in a school district identified in subdivision (1) or (2) of subsection 2 of this section may be sponsored by any of the entities identified in subsection 3 of this section, irrespective of the accreditation classification of the district in which it is located. A charter school in a district described in this subsection whose charter provides for the addition of grade levels in subsequent years may continue to add levels until the planned expansion is complete to the extent of grade levels in comparable schools of the district in which the charter school is operated.
- 5. For purposes of sections 160.400 to 160.425 the following terms shall mean:
- 85 (1) "Recovery charter high school", a charter school giving 86 instruction in a grade or grades not lower than the ninth nor higher 87 than the twelfth grade;
 - (2) "Substance dependency", a state in which a person functions normally in the presence of a drug following repeated drug exposure, and suffers psychological reactions such as withdrawal syndrome when

91 the drug is removed;

- 92 (3) "Substance use disorder", shall have the same meaning as in 93 section 478.001.
 - 6. A recovery charter high school may be operated in an urban school district containing most or all of a home rule city with more than four hundred thousand inhabitants and located in more than one county whose mission and vision statement provides for the following:
 - (1) To educate all available and eligible students who are in recovery from substance use disorder, substance dependency, or cooccurring disorders such as anxiety, depression, and attention deficit hyperactivity disorder;
 - (2) To meet state requirements for awarding a high school diploma; and
 - (3) To support students in working a strong program of recovery.
- 7. The mayor of a city not within a county may request a sponsor under subdivision (2), (3), (4), (5), or (6) of subsection 3 of this section to consider sponsoring a "workplace charter school", which is defined for purposes of sections 160.400 to 160.425 as a charter school with the ability to target prospective students whose parent or parents are employed in a business district, as defined in the charter, which is located in the city.
 - [6.] 8. No sponsor shall receive from an applicant for a charter school any fee of any type for the consideration of a charter, nor may a sponsor condition its consideration of a charter on the promise of future payment of any kind.
 - [7.] 9. The charter school shall be organized as a Missouri nonprofit corporation incorporated pursuant to chapter 355. The charter provided for herein shall constitute a contract between the sponsor and the charter school.
- [8.] 10. As a nonprofit corporation incorporated pursuant to chapter 355, the charter school shall select the method for election of officers pursuant to section 355.326 based on the class of corporation selected. Meetings of the governing board of the charter school shall be subject to the provisions of sections 610.010 to 610.030.
- [9.] 11. A sponsor of a charter school, its agents and employees are not liable for any acts or omissions of a charter school that it sponsors, including acts or omissions relating to the charter submitted by the charter school, the operation of the charter school and the performance of the charter school.
- 126 [10.] 12. A charter school may affiliate with a four-year college or

127 university, including a private college or university, or a community college as 128 otherwise specified in subsection 3 of this section when its charter is granted by 129 a sponsor other than such college, university or community college. Affiliation 130 status recognizes a relationship between the charter school and the college or 131 university for purposes of teacher training and staff development, curriculum and 132 assessment development, use of physical facilities owned by or rented on behalf 133 of the college or university, and other similar purposes. A university, college or 134 community college may not charge or accept a fee for affiliation status.

- [11.] 13. The expenses associated with sponsorship of charter schools shall be defrayed by the department of elementary and secondary education retaining one and five-tenths percent of the amount of state and local funding allocated to the charter school under section 160.415, not to exceed one hundred twenty-five thousand dollars, adjusted for inflation. The department of elementary and secondary education shall remit the retained funds for each charter school to the school's sponsor, provided the sponsor remains in good standing by fulfilling its sponsorship obligations under sections 160.400 to 160.425 and 167.349 with regard to each charter school it sponsors, including appropriate demonstration of the following:
- (1) Expends no less than ninety percent of its charter school sponsorship funds in support of its charter school sponsorship program, or as a direct investment in the sponsored schools;
- (2) Maintains a comprehensive application process that follows fair procedures and rigorous criteria and grants charters only to those developers who demonstrate strong capacity for establishing and operating a quality charter school;
- (3) Negotiates contracts with charter schools that clearly articulate the rights and responsibilities of each party regarding school autonomy, expected outcomes, measures for evaluating success or failure, performance consequences based on the annual performance report, and other material terms;
- 156 (4) Conducts contract oversight that evaluates performance, monitors 157 compliance, informs intervention and renewal decisions, and ensures autonomy 158 provided under applicable law; and
- 159 (5) Designs and implements a transparent and rigorous process that uses 160 comprehensive data to make merit-based renewal decisions.
- 161 [12.] 14. Sponsors receiving funds under subsection [11] 13 of this section shall be required to submit annual reports to the joint committee on

- [13.] 15. No university, college or community college shall grant a charter to a nonprofit corporation if an employee of the university, college or community college is a member of the corporation's board of directors.
- 168 [14.] 16. No sponsor shall grant a charter under sections 160.400 to 169 160.425 and 167.349 without ensuring that a criminal background check and 170 family care safety registry check are conducted for all members of the governing board of the charter schools or the incorporators of the charter school if initial 171 172 directors are not named in the articles of incorporation, nor shall a sponsor renew 173 a charter without ensuring a criminal background check and family care safety 174 registry check are conducted for each member of the governing board of the 175 charter school.
- [15.] 17. No member of the governing board of a charter school shall hold any office or employment from the board or the charter school while serving as a member, nor shall the member have any substantial interest, as defined in section 105.450, in any entity employed by or contracting with the board. No 180 board member shall be an employee of a company that provides substantial services to the charter school. All members of the governing board of the charter school shall be considered decision-making public servants as defined in section 105.450 for the purposes of the financial disclosure requirements contained in sections 105.483, 105.485, 105.487, and 105.489.
 - [16.] 18. A sponsor shall develop the policies and procedures for:
 - (1) The review of a charter school proposal including an application that provides sufficient information for rigorous evaluation of the proposed charter and provides clear documentation that the education program and academic program are aligned with the state standards and grade-level expectations, and provides clear documentation of effective governance and management structures, and a sustainable operational plan;
 - (2) The granting of a charter;
 - (3) The performance contract that the sponsor will use to evaluate the performance of charter schools. Charter schools shall meet current state academic performance standards as well as other standards agreed upon by the sponsor and the charter school in the performance contract;
- 197 (4) The sponsor's intervention, renewal, and revocation policies, including 198 the conditions under which the charter sponsor may intervene in the operation

of the charter school, along with actions and consequences that may ensue, and the conditions for renewal of the charter at the end of the term, consistent with subsections 8 and 9 of section 160.405:

- 202 (5) Additional criteria that the sponsor will use for ongoing oversight of 203 the charter; and
- 204 (6) Procedures to be implemented if a charter school should close, 205 consistent with the provisions of subdivision (15) of subsection 1 of section 206 160.405.
- The department shall provide guidance to sponsors in developing such policies and procedures.
- 209 [17.] 19. (1) A sponsor shall provide timely submission to the state board 210 of education of all data necessary to demonstrate that the sponsor is in material 211 compliance with all requirements of sections 160.400 to 160.425 and section 212 167.349. The state board of education shall ensure each sponsor is in compliance 213 with all requirements under sections 160.400 to 160.425 and 167.349 for each 214 charter school sponsored by any sponsor. The state board shall notify each 215 sponsor of the standards for sponsorship of charter schools, delineating both what 216 is mandated by statute and what best practices dictate. The state board shall 217 evaluate sponsors to determine compliance with these standards every three 218 years. The evaluation shall include a sponsor's policies and procedures in the 219 areas of charter application approval; required charter agreement terms and 220 content; sponsor performance evaluation and compliance monitoring; and charter 221 renewal, intervention, and revocation decisions. Nothing shall preclude the 222 department from undertaking an evaluation at any time for cause.
 - (2) If the department determines that a sponsor is in material noncompliance with its sponsorship duties, the sponsor shall be notified and given reasonable time for remediation. If remediation does not address the compliance issues identified by the department, the commissioner of education shall conduct a public hearing and thereafter provide notice to the charter sponsor of corrective action that will be recommended to the state board of education. Corrective action by the department may include withholding the sponsor's funding and suspending the sponsor's authority to sponsor a school that it currently sponsors or to sponsor any additional school until the sponsor is reauthorized by the state board of education under section 160.403.
- 233 (3) The charter sponsor may, within thirty days of receipt of the notice of 234 the commissioner's recommendation, provide a written statement and other

documentation to show cause as to why that action should not be taken. Final determination of corrective action shall be determined by the state board of education based upon a review of the documentation submitted to the department and the charter sponsor.

- 239 (4) If the state board removes the authority to sponsor a currently 240 operating charter school under any provision of law, the Missouri charter public 241 school commission shall become the sponsor of the school.
- [18.] **20.** If a sponsor notifies a charter school of closure under subsection 8 of section 160.405, the department of elementary and secondary education shall exercise its financial withholding authority under subsection 12 of section 160.415 to assure all obligations of the charter school shall be met. The state, charter sponsor, or resident district shall not be liable for any outstanding liability or obligations of the charter school.

160.410. 1. A charter school shall enroll:

- (1) All pupils resident in the district in which it operates;
- 3 (2) Nonresident pupils eligible to attend a district's school under an urban 4 voluntary transfer program;
- 5 (3) Nonresident pupils who transfer from an unaccredited district under 6 section 167.895, provided that the charter school is an approved charter school, 7 as defined in section 167.895, and subject to all other provisions of section 8 167.895;
- 9 (4) In the case of a charter school whose mission includes student drop-out 10 prevention or recovery, any nonresident pupil from the same or an adjacent 11 county who resides in a residential care facility, a transitional living group home, 12 or an independent living program whose last school of enrollment is in the school 13 district where the charter school is established, who submits a timely application; 14 [and]
 - (5) In the case of a workplace charter school, any student eligible to attend under subdivision (1) or (2) of this subsection whose parent is employed in the business district, who submits a timely application, unless the number of applications exceeds the capacity of a program, class, grade level or building. The configuration of a business district shall be set forth in the charter and shall not be construed to create an undue advantage for a single employer or small number of employers; and
- 22 (6) In the case of a recovery charter high school, any pupil who 23 is eligible to attend under subdivision (1), (2), or (3) of this subsection,

and any nonresident pupil, who is in recovery from substance use disorder, substance dependency, or co-occurring disorders such as anxiety, depression, and attention deficit hyperactivity disorder.

- (a) A recovery charter high school may enroll students residing in another state, provided such student is in recovery from substance use disorder, substance dependency, or co-occurring disorders such as anxiety, depression, and attention deficit hyperactivity disorder.
- (b) The department of elementary and secondary education may enter into agreements with states to develop a reciprocity agreement for students seeking to attend a recovery charter high school in the state of Missouri. An out-of-state school district from a state subject to a reciprocity agreement having one or more resident pupils attending a recovery charter high school in the state of Missouri shall pay to the recovery charter high school an annual amount equal to one hundred five percent of the previous school year's per pupil expenditure in the state of Missouri. If an out-of-state student resides in a state that is not subject to a reciprocity agreement, such student shall pay to the recovery charter high school an amount equal to one hundred five percent of the previous school year's per pupil expenditure in the state of Missouri. Such student shall not be included in the count of average daily attendance.
- 2. If capacity is insufficient to enroll all pupils who submit a timely application, the charter school shall have an admissions process that assures all applicants of an equal chance of gaining admission and does not discriminate based on parents' ability to pay fees or tuition except that:
- (1) A charter school may establish a geographical area around the school whose residents will receive a preference for enrolling in the school, provided that such preferences do not result in the establishment of racially or socioeconomically isolated schools and provided such preferences conform to policies and guidelines established by the state board of education;
- (2) A charter school may also give a preference for admission of children whose siblings attend the school or whose parents are employed at the school or in the case of a workplace charter school, a child whose parent is employed in the business district or at the business site of such school. A recovery charter high school may give preference to such students provided such student is in recovery from substance use disorder, substance

dependency, or co-occurring disorders such as anxiety, depression, and attention deficit hyper activity;

- (3) Charter schools may also give a preference for admission to high-risk students, as defined in subdivision (5) of subsection 2 of section 160.405, when the school targets these students through its proposed mission, curriculum, teaching methods, and services;
- (4) A charter school may also give a preference for admission to students who will be eligible for the free and reduced price lunch program in the upcoming school year.
- 69 3. A charter school shall not limit admission based on race, ethnicity, national origin, disability, income level, except as allowed under subdivision (4) 70 71 of subsection 2 of this section, proficiency in the English language or athletic 72ability, but may limit admission to pupils within a given age group or grade level. 73 A recovery charter high school shall limit admission to pupils who are 74in recovery from substance use disorder, substance dependency, or cooccurring disorders such as anxiety, depression, and attention deficit hyperactivity disorder. Charter schools may limit admission based on gender only when the school is a single-gender school. Students of a charter school who 77have been enrolled for a full academic year shall be counted in the performance 78of the charter school on the statewide assessments in that calendar year, unless 79 otherwise exempted as English language learners. For purposes of this subsection, "full academic year" means the last Wednesday in September through the administration of the Missouri assessment program test without transferring 82 out of the school and re-enrolling. 83
 - 4. A charter school shall make available for public inspection, and provide upon request, to the parent, guardian, or other custodian of any school-age pupil resident in the district in which the school is located the following information:
 - (1) The school's charter;
- 88 (2) The school's most recent annual report card published according to 89 section 160.522;
- 90 (3) The results of background checks on the charter school's board 91 members; and
- 92 (4) If a charter school is operated by a management company, a copy of 93 the written contract between the governing board of the charter school and the 94 educational management organization or the charter management organization 95 for services. The charter school may charge reasonable fees, not to exceed the

- 5. When a student attending a charter school who is a resident of the school district in which the charter school is located moves out of the boundaries of such school district, the student may complete the current semester and shall be considered a resident student. The student's parent or legal guardian shall be responsible for the student's transportation to and from the charter school.
- 6. If a change in school district boundary lines occurs under section 162.223, 162.431, 162.441, or 162.451, or by action of the state board of education under section 162.081, including attachment of a school district's territory to another district or dissolution, such that a student attending a charter school prior to such change no longer resides in a school district in which the charter school is located, then the student may complete the current academic year at the charter school. The student shall be considered a resident student. The student's parent or legal guardian shall be responsible for the student's transportation to and from the charter school.
- 7. The provisions of sections 167.018 and 167.019 concerning foster children's educational rights are applicable to charter schools.
 - 160.415. 1. For the purposes of calculation and distribution of state school aid under section 163.031, pupils enrolled in a charter school shall be
 - 3 included in the pupil enrollment of the school district within which each pupil
 - 4 resides. Each charter school shall report the names, addresses, and eligibility for
 - 5 free and reduced price lunch, special education, or limited English proficiency
 - 6 status, as well as eligibility for categorical aid, of pupils resident in a school
 - 7 district who are enrolled in the charter school to the school district in which those
 - 8 pupils reside. The charter school shall report the average daily attendance data,
 - 9 free and reduced price lunch count, special education pupil count, and limited
 - 10 English proficiency pupil count to the state department of elementary and
 - 11 secondary education. Each charter school shall promptly notify the state
 - 12 department of elementary and secondary education and the pupil's school district
 - 13 when a student discontinues enrollment at a charter school.
 - 2. Except as provided in subsections 3 and 4 of this section, the aid payments for charter schools shall be as described in this subsection.
 - 16 (1) A school district having one or more resident pupils attending a 17 charter school shall pay to the charter school an annual amount equal to the 18 product of the charter school's weighted average daily attendance and the state

adequacy target, multiplied by the dollar value modifier for the district, plus local 19 20 tax revenues per weighted average daily attendance from the incidental and teachers' funds in excess of the performance levy as defined in section 163.011 21 22 plus all other state aid attributable to such pupils.

- (2) The district of residence of a pupil attending a charter school shall also pay to the charter school any other federal or state aid that the district receives on account of such child.
- (3) If the department overpays or underpays the amount due to the charter school, such overpayment or underpayment shall be repaid by the public charter school or credited to the public charter school in twelve equal payments in the next fiscal year.
- (4) The amounts provided pursuant to this subsection shall be prorated for partial year enrollment for a pupil.
- (5) A school district shall pay the amounts due pursuant to this subsection as the disbursal agent and no later than twenty days following the receipt of any such funds. The department of elementary and secondary education shall pay the amounts due when it acts as the disbursal agent within five days of the required due date.
- (6) If a recovery charter high school that has not declared itself as a local educational agency has one or more nonresident pupils, the nonresident pupils shall not be counted for purposes of determining the amount of aid described in subdivisions (1) and (2) of this subsection. Each school district that has one or more of its resident pupils attending such a charter school shall pay to the charter school, for each such pupil, one hundred percent of its average per-pupil expenditure, excluding interest payments and grants.
- 3. A workplace charter school shall receive payment for each eligible pupil as provided under subsection 2 of this section, except that if the student is not a 46 resident of the district and is participating in a voluntary interdistrict transfer program, the payment for such pupils shall be the same as provided under section 162.1060.
 - 4. (1) A charter school that has declared itself as a local educational agency shall receive from the department of elementary and secondary education an annual amount equal to the product of the charter school's weighted average daily attendance and the state adequacy target, multiplied by the dollar value modifier for the district, plus local tax revenues per weighted average daily

attendance from the incidental and teachers funds in excess of the performance levy as defined in section 163.011 plus all other state aid attributable to such pupils. If a charter school declares itself as a local educational agency, the department of elementary and secondary education shall, upon notice of the declaration, reduce the payment made to the school district by the amount specified in this subsection and pay directly to the charter school the annual amount reduced from the school district's payment.

- (2) (a) If a recovery charter high school that has declared itself as a local educational agency has one or more nonresident pupils, the charter school shall receive from the department of elementary and secondary education an annual amount equal to the amount described in subdivision (1) of this subsection; except that, the nonresident pupils shall not be counted for purposes of determining the amount of aid as described in subdivision (1) of this subsection. Each school district that has one or more of its resident pupils attending such a charter school as nonresident pupils shall pay to the charter school, for each such pupil, one hundred percent of its average per-pupil expenditure, excluding interest payments and grants.
- (b) Upon notice of the charter school's declaration of local educational agency status, the department of elementary and secondary education shall reduce the payment made to the school district in which the charter school is located from any source by the amount specified in subdivision (1) of this subsection, calculated as described in paragraph (a) of this subdivision, and pay directly to the charter school the annual amount reduced from the school district's payment.
- 5. If a school district fails to make timely payments of any amount for which it is the disbursal agent, the state department of elementary and secondary education shall authorize payment to the charter school of the amount due pursuant to subsection 2 of this section and shall deduct the same amount from the next state school aid apportionment to the owing school district. If a charter school is paid more or less than the amounts due pursuant to this section, the amount of overpayment or underpayment shall be adjusted equally in the next twelve payments by the school district or the department of elementary and secondary education, as appropriate. Any dispute between the school district and a charter school as to the amount owing to the charter school shall be resolved by the department of elementary and secondary education, and the department's

91 decision shall be the final administrative action for the purposes of review 92 pursuant to chapter 536. During the period of dispute, the department of 93 elementary and secondary education shall make every administrative and 94 statutory effort to allow the continued education of children in their current 95 public charter school setting.

- 6. The charter school, including a recovery charter high school, and a local school board may agree by contract for services to be provided by the school district to the charter school. The charter school may contract with any other entity for services. Such services may include but are not limited to food service, custodial service, maintenance, management assistance, curriculum assistance, media services and libraries and shall be subject to negotiation between the charter school and the local school board or other entity. Documented actual costs of such services shall be paid for by the charter school.
- 7. In the case of a proposed charter school that intends to contract with an education service provider for substantial educational services or management services, the request for proposals shall additionally require the charter school applicant to:
- (1) Provide evidence of the education service provider's success in serving student populations similar to the targeted population, including demonstrated academic achievement as well as successful management of nonacademic school functions, if applicable. In the case of a recovery charter high school, such applicant need only provide evidence of the education service provider's history of providing such educational services;
- (2) Provide a term sheet setting forth the proposed duration of the service contract; roles and responsibilities of the governing board, the school staff, and the service provider; scope of services and resources to be provided by the service provider; performance evaluation measures and time lines; compensation structure, including clear identification of all fees to be paid to the service provider; methods of contract oversight and enforcement; investment disclosure; and conditions for renewal and termination of the contract;
- (3) Disclose any known conflicts of interest between the school governing board and proposed service provider or any affiliated business entities;
- 124 (4) Disclose and explain any termination or nonrenewal of contracts for 125 equivalent services for any other charter school in the United States within the 126 past five years;

154

127 (5) Ensure that the legal counsel for the charter school shall report 128 directly to the charter school's governing board; and

- 129 (6) Provide a process to ensure that the expenditures that the education 130 service provider intends to bill to the charter school shall receive prior approval 131 of the governing board or its designee.
- 8. A charter school may enter into contracts with community partnerships and state agencies acting in collaboration with such partnerships that provide services to children and their families linked to the school.
- 9. A charter school shall be eligible for transportation state aid pursuant to section 163.161 and shall be free to contract with the local district, or any other entity, for the provision of transportation to the students of the charter school.
- 10. (1) The proportionate share of state and federal resources generated by students with disabilities or staff serving them shall be paid in full to charter schools enrolling those students by their school district where such enrollment is through a contract for services described in this section. The proportionate share of money generated under other federal or state categorical aid programs shall be directed to charter schools serving such students eligible for that aid.
- 145 (2) A charter school shall provide the special services provided pursuant 146 to section 162.705 and may provide the special services pursuant to a contract 147 with a school district or any provider of such services.
- 148 11. A charter school may not charge tuition or impose fees that a school district is prohibited from charging or imposing, except that a charter school may receive:
- 151 (1) Tuition payments from districts in the same or an adjoining county for 152 nonresident students who transfer to an approved charter school, as defined in 153 section 167.895, from an unaccredited district; and

(2) Payments from school districts as described in this section.

155 12. A charter school is authorized to incur debt in anticipation of receipt of funds. A charter school may also borrow to finance facilities and other capital 156 157 items. A school district may incur bonded indebtedness or take other measures to provide for physical facilities and other capital items for charter schools that 158 159 it sponsors or contracts with. Except as otherwise specifically provided in 160 sections 160.400 to 160.425, upon the dissolution of a charter school, any 161 liabilities of the corporation will be satisfied through the procedures of chapter 162 355. A charter school shall satisfy all its financial obligations within twelve

163 months of notice from the sponsor of the charter school's closure under subsection 8 of section 160.405. After satisfaction of all its financial obligations, a charter school shall return any remaining state and federal funds to the department of 165 166 elementary and secondary education for disposition as stated in subdivision (17) 167 of subsection 1 of section 160.405. The department of elementary and secondary 168 education may withhold funding at a level the department determines to be 169 adequate during a school's last year of operation until the department determines that school records, liabilities, and reporting requirements, including a full audit, 170 171 are satisfied.

- 13. Charter schools shall not have the power to acquire property by eminent domain.
- 14. The governing body of a charter school is authorized to accept grants, 175 gifts or donations of any kind and to expend or use such grants, gifts or donations. A grant, gift or donation may not be accepted by the governing body 176 if it is subject to any condition contrary to law applicable to the charter school or other public schools, or contrary to the terms of the charter. 178
 - 15. Notwithstanding any other provision of this section, if the provisions of any other section specify a tuition amount to be paid by the resident district for a nonresident pupil attending a recovery charter high school, the provisions of such section specifying the tuition amount shall govern, and the provisions of this section shall not apply to such pupil.
