BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MONTANA:

**Section 1.** Section 20-9-343, MCA, is amended to read:

**"20-9-343. Definition of and revenue for state equalization aid.** (1) As used in this title, the term "state equalization aid" means revenue as required in this section for:

(a) distribution to the public schools for guaranteed tax base aid, BASE aid, and state reimbursement for school facilities; and

(b) negotiated payments authorized under 20-7-420(3) up to \$500,000 a biennium.

(2) The superintendent of public instruction may spend throughout the biennium funds appropriated for the purposes of guaranteed tax base aid, BASE aid for the BASE funding program, state reimbursement for school facilities, and negotiated payments authorized under 20-7-420(3).

(3) The following money must be paid into the guarantee account provided for in 20-9-622 for the public schools of the state as indicated:

(a) subject to ~~20-9-516(2)(a)~~ 20-9-516(3)(a), interest and income money described in 20-9-341 and 20-9-342; and

(b) investment income earned by investing interest and income money described in 20-9-341 and 20-9-342."

**Section 2.** Section 20-9-516, MCA, is amended to read:

**"20-9-516. School facility and technology account.** (1) There is a school facility and technology account in the state special revenue fund provided for in 17-2-102. The purpose of the account is to provide money to schools. After the distribution pursuant to 20-9-534 is made, the remainder of the account must be used for:

- ~~—— (a) major deferred maintenance;~~
- ~~—— (b) improving energy efficiency in school facilities;~~
- ~~—— (c) critical infrastructure in school districts;~~
- ~~—— (d) emergency facility needs;~~
- ~~—— (e) technological improvements; and~~
- ~~—— (f) state reimbursement for school facilities as provided in 20-9-371.~~

(2) If funds remain in the account after the distribution in subsection (1) is made, the budget director shall certify the amount of unencumbered funds available in the account. These available funds must be used for grants made by the department of commerce under 90-6-802. Grants made pursuant to 90-6-802 must be for:

- (a) emergency facility needs;
- (b) critical infrastructure in school districts;
- (c) major deferred maintenance;
- (d) improving energy efficiency in school facilities; and
- (e) technological improvements.

~~(2)~~(3) There must be deposited in the account:

- (a) an amount of money equal to the income attributable to the difference between the average sale value of 18 million board feet and the total income produced from the annual timber harvest on common school trust lands during the fiscal year;
- (b) the mineral royalties transferred from the guarantee account as provided in 20-9-622; and
- (c) the income received from certain lands and riverbeds as provided in 17-3-1003(5)."

**Section 3.** Section 20-9-620, MCA, is amended to read:

**"20-9-620. Definition.** (1) As used in 20-9-621, 20-9-622, and this section, "distributable revenue" means, except for that portion of revenue described in ~~20-9-516(2)(a)~~ 20-9-516(3)(a) and 77-1-109, 95% of all revenue from the management of school trust lands and the permanent fund, including timber sale proceeds, lease fees, interest, dividends, and net realized capital gains.

(2) The term does not include mineral royalties or land sale proceeds that are deposited directly in the permanent fund or net unrealized capital gains that remain in the permanent fund until realized."

**Section 4.** Section 90-6-802, MCA, is amended to read:

**"90-6-802. Purpose.** (1) The purpose of this part is to establish a mechanism to distribute grants to public school districts for school facility and technology projects from the school facility and technology account established in 20-9-516. The account is to be used to assist schools in addressing major deferred maintenance, energy efficiency, critical infrastructure needs, emergency facility needs, and technological improvements and establishes an ongoing flow of state revenue into the account. Grants must be distributed for projects that:

(~~1~~)(a) enhance the quality of life and protect the health, safety, and welfare of Montana's public school students;

(~~2~~)(b) ensure the successful delivery of an educational system that meets the accreditation standards provided for in 20-7-111;

(~~3~~)(c) extend the life of Montana's existing public school facilities;

(~~4~~)(d) promote energy conservation and reduction;

(~~5~~)(e) integrate technology into Montana's education framework to support student educational needs for the 21st century; and

(~~6~~)(f) are fiscally responsible by considering both long-term and short-term needs of the public school district, the local community, and the state.

(2) The department may charge reasonable administrative costs for administering the grant program. Costs must be paid from the account established in 20-9-516."

**Section 5. Appropriation from school facility and technology state special revenue account.** (1)

There is appropriated to the department of commerce \$11,418,642 from the school facility and technology state

special revenue account to be used to finance grants authorized by this section.

(2) The funds appropriated in subsection (1) must be used by the department to make grants to the public school districts listed in subsection (3) for the described purposes and in amounts not to exceed the amounts set out in subsection (3). The appropriation is subject to the conditions set forth in [section 7] and described in the quality schools facility grant program 2015 biennium report to the 63rd legislature. The legislature, pursuant to 90-6-809 and 90-6-810, authorizes the grants for the projects listed in subsection (3). (4) This section constitutes a valid obligation of funds to the grant recipients listed in subsection (3) for purposes of encumbering the school facility and technology state special revenue account funds during the biennium beginning July 1, 2013, pursuant to 17-7-302. However, a grant recipient's entitlement to receive funds is dependent on the grant recipient's compliance with the conditions referred to in [section 7] and on the availability of funds.

(5) Funding for projects in subsection (3) will be provided only as long as there are sufficient funds available from the school facility and technology state special revenue account. Funding for these projects will be made available in the order that the grant recipients satisfy the conditions in [section 7].

(6) Grants to recipients listed in subsection (3) that have not completed all of the conditions described in [section 7] by September 30, 2014, must be reviewed by the next regular session of the legislature to determine if the authorized grant should be withdrawn.

**Section 6. Approval of grants -- completion of biennial appropriation.** (1) The legislature, pursuant to 90-6-809 and 90-6-810, authorizes grants for the projects and purposes identified in [section 5(3)] and for the projects and purposes identified in [sections 8 and 9].

(2) The authorization of these grants completes a biennial appropriation from the school facility and technology state special revenue account provided for in 20-9-516(1).

**Section 7. Conditions of grants -- disbursement of funds.** The disbursement of grant funds for the projects specified in [section 5(3)] is subject to the conditions set forth in 90-6-812.

**Section 8. Appropriations from school facility and technology state special revenue account for emergency grants.** There is appropriated to the department of commerce \$100,000 for the biennium beginning July 1, 2013, from the school facility and technology state special revenue account for the purpose of providing emergency grants to public school districts for a school facility project that is necessitated by an emergency, as defined in 90-6-803.

**Section 9. Appropriations from school facility and technology state special revenue account for planning grants.** There is appropriated to the department of commerce \$900,000 for the biennium beginning July 1, 2013, from the school facility and technology state special revenue account for the purpose of providing matching planning grants to public school districts for the planning of school facility projects, as defined in 90-6-803.

**Section 10.** Section 90-6-811, MCA, is amended to read:

**"90-6-811. Priorities for projects -- application of criteria -- consideration of project attributes -- adjustments for educationally relevant factors.** (1) In preparing recommendations to the governor under 90-6-810, the department shall apply the following criteria to applications for school facility projects in the listed order of priority giving preference to school facility projects involving repairs to existing facilities over projects involving construction of new facilities:

(a) projects that solve urgent and serious public health or safety problems or that enable public school districts to meet state or federal health or safety standards;

(b) projects that ~~provide improvements necessary to bring school facilities up to current local, state, and federal codes and standards~~ address deferred maintenance by repairing or replacing existing building components that are inoperable or difficult to service or that lack minimum integrity;

(c) projects that enhance a public school district's ability to offer specific services related to the requirements of the accreditation standards provided for in 20-7-111;

(d) projects that provide long-term, cost-effective benefits through energy-efficient design;

(e) projects that incorporate long-term, cost-effective benefits to school facilities, including the technology needs of school facilities; and

(f) projects that enhance educational opportunities for students.

(2) In applying the criteria under subsection (1), the department shall consider, ~~without preference or priority,~~ the following attributes of a school facility project application:

(a) the need for financial assistance;

(b) the fiscal capacity of the public school district to meet the conditions established in 90-6-812;

(c) past efforts to ensure sound, effective, long-term planning and management of the school facility and attempts to address school facility needs with local resources;

(d) the ability to obtain funds from sources other than the funds provided under this part; and

(e) the importance of the project and support for the project from the community.

(3) Before making its recommendations to the governor, the department may make adjustments to its ranking of the projects based on the educationally relevant factors established in 20-9-309. Before making any adjustments, the department may consult with the office of public instruction concerning the educationally relevant factors."

**Section 11. Transfer of funds.** By July 15, 2013, the state treasurer shall transfer the amount of \$149,850 from the orphan share state special revenue account to the school facility and technology state special revenue account.

**Section 12. Notification to tribal governments.** The secretary of state shall send a copy of [this act] to each tribal government located on the seven Montana reservations and to the Little Shell Chippewa tribe.

**Section 13. Effective date.** [This act] is effective July 1, 2013.
