(2) The department shall provide that a person who is issued a special elk permit to hunt antlerless elk during the regular hunting season is:

(b) entitled to the general elk hunting privileges for a holder of a Class A-5 license in all other hunting districts.

(3) The commission may establish a waiting period during which a person who has received a special elk permit that is valid for an antlered bull may not receive another special elk permit that is valid for an antlered bull. The commission may specify which special elk permits are subject to the waiting period, by hunting district or portion of a hunting district.
