The General Assembly of North Carolina enacts:

SECTION 1.(a) Article 10 of Chapter 143 of the General Statutes is amended by adding a new section to read:

"§ 143-162.6. Use of ESG and ETI prohibited in employment decisions.

(a) As used in this section, "environmental, social, and governance (ESG) criteria" or "economically targeted investments (ETI) requirements" means using a set of standards to screen potential investments based upon the perceived impact to the environment and the social relationships between a company's employees and the community. The term also includes how a company's leadership is structured in support of those standards.

(b) No State agency, political subdivision of the State, trust, committee, or commission of any political subdivision of the State shall use, enforce, provide data for use in, or otherwise participate in the creation or use of ESG or ETI policies related to hiring, firing, or evaluating employees.

(c) Except as allowed by law, ESG, ETI, or related criteria shall not be considered in the awarding of State contracts."

SECTION 1.(b) This section is effective when it becomes law.

SECTION 2. G.S. 147-69.7 reads as rewritten:

"§ 147-69.7. Discharge of duties to funds.

 - b. The possible effect of inflation or deflation.
 - c. The role that each investment or course of action plays within the overall portfolio of the fund.
 - d. The expected total return from income and the appreciation of capital.

- (3) Shall make a reasonable effort to verify facts relevant to the investment and management of assets of the funds.

- (4) Shall invest only in those investments authorized by law consistent with the provisions of Article 6 of Chapter 146 of the General Statutes.
- (5) ~~May consider benefits created by an investment in addition to investment return only if the State Treasurer determines that the investment providing these collateral benefits would be prudent even without collateral benefits.~~ Shall, in the evaluation of an investment, or evaluation or exercise of any right appurtenant to an investment, consider only pecuniary factors:
- a. For the purposes of this section, a pecuniary factor is a factor that has a material effect on the financial risk or financial return of an investment based on appropriate investment horizons consistent with the purpose of the fund, if established.
- b. Environmental or social considerations are pecuniary factors only if they present economic risks or opportunities that qualified investment professionals would treat as material economic considerations under generally accepted investment theories. The weight given to those factors shall solely reflect a prudent assessment of their impact on risk and return.
- (6) May, in the evaluation or exercise of any right appurtenant to an investment, reasonably conclude that not exercising such a right is in the best interest of the fund's beneficiaries.

...."
