29				school hours; and	
30		d.	Twe	days must be used for professional development.	
31	3_	Roc	ninnin	g with the 2011-12 school year a	

1 A school district shall provide for a school calendar of at least one hundred eighty-two-2 days.that includes: 3 a. One At least one hundred seventy-five days must be used for of instruction; 4 b. Three days must be used for holidays, as selected by the board in consultation 5 with district teachers from the list provided for in subdivisions b through j of 6 subsection 1 of section 15.1-06-02; 7 Up to No more than two days must be used for: C. 8 Parent-teacher conferences; or 9 Compensatory time for parent-teacher conferences held outside of regular (2) 10 school hours; and 11 d. Two days must be used for At least two days of professional development. <u>4.2.</u> 12 A day forof professional development must consist of: <u>a.</u> 13 Six hours of professional development, exclusive of meals and other breaks, a. 14 conducted within a single day; or 15 b. (2) Two four-hour periods of professional development, exclusive of meals and 16 other breaks, conducted over two days. 17 5. <u>b.</u> If a school district offers a four-hour period of professional development, as 18 permitted in subdivision b ofthis subsection-4, the school district may schedule 19 instruction during other available hours on that same day and be credited with 20 providing one-half day of instruction to students. This subsectionsubdivision does 21 not apply unless the one-half day of instruction equals at least one-half of the 22 time required for a full day of instruction, as defined in this section. 23 6. In meeting the requirements for two days of professional development under this a. 24 section, a school district may require that its teachers attend the North Dakota 25 education association instructional conference and may pay teachers for 26 attending the conference, provided their attendance is verified. 27 b. In meeting the requirements for two days of professional development under this 28 section, a school district may consider attendance at the North Dakota education 29 association instructional conference to be optional, elect not to pay teachers for 30 attending the instructional conference, and instead direct any resulting savings-31 toward providing alternate professional development opportunities.

1 A school district may not require the attendance of teachers in school or at any 2 school-sponsored, school-directed, school-sanctioned, or school-related activities 3 and may not schedule classroom instruction time nor alternate professional 4 development activities on any day that conflicts with the North Dakota education-5 association instructional conference. 6 7. Beginning with the 2010-11 school year, if a school district elects to provide an 7 optional third day of professional development, the school district shall do so by: 8 Meeting the requirements for a day of professional development as set forth in-9 subsection 4; or 10 b. Shortening four instructional days, for the purpose of providing for two-hour-11 periods of professional development, provided: 12 Each instructional day on which such professional development occurs-13 includes at least four hours of instruction for kindergarten and elementary 14 students and four and one-half hours for high school students; 15 (2) The instructional time for each course normally scheduled on that day is 16 reduced proportionately or the daily schedule is reconfigured to ensure that 17 the same course is not subject to early dismissal more than one time per-18 school calendar, as a result of this subdivision; and 19 All teachers having a class dismissed as a result of this subdivision are 20 required to be in attendance and participate in the professional 21 development. 22 8. a. If a school's calendar provides for an extension of each schoolday beyond the 23 statutorily required minimum number of hours, and if the extensions when 24 aggregated over an entire school year amount to more than eighty-four hours of 25 additional classroom instruction during the school year, the school is exempt from 26 having to make up six hours of instruction time lost as a result of weather-related 27 closure. In order to make up lost classroom instruction time beyond the six hours, 28 the school must extend its normal school calendar day by at least thirty minutes. 29 A school that does not qualify under the provisions of this subsection must extend 30 its normal schoolday by at least thirty minutes to make up classroom instruction-31 time lost as a result of weather-related closure.

1	c. 3.	If because of weather a school must dismiss before completing a full day of				
2		inst	ruction, the school is responsible for making up only those hours and portions of an			
3		hou	r between the time of early dismissal and the conclusion of a full day of classroom			
4		inst	ruction.			
5	9. 4.	For	purposes of this section, a full day of instruction consists of:			
6		a.	At least five and one-half hours for kindergarten and elementary students, during			
7			which time the students are required to be in attendance for the purpose of			
8			receiving curricular instruction; and			
9		b.	At least six hours for high school students, during which time the students are			
10			required to be in attendance for the purpose of receiving curricular instruction.			
11	SEC	CTIOI	N 3. AMENDMENT. Section 15.1-09-47 of the North Dakota Century Code is			
12	amende	d and	d reenacted as follows:			
13	15.1	-09-4	47. (Effective for the first two taxable years beginning after December 31,

- 1 The question of authorizing or discontinuing the unlimited taxing authority of the board-2 of education of the city of Fargo must be submitted to the qualified electors of the 3 Fargo school district at the next regular election upon resolution of the board of 4 education or upon filing with the board a petition containing the signatures of qualified 5 electors of the district equal in number to twenty percent of the individuals enumerated 6 in the most recent school district census. However, if the electors approve a 7 discontinuation of the unlimited taxing authority, their approval of the discontinuation 8 may not affect the tax levy effective for the calendar year in which the election is held. 9 In addition, the minimum levy may not be less than the levy that was in force at the 10 time of the election. The board may increase its levy in accordance with section 11 57-15-01. If the district experiences growing enrollment, the board may increase the 12 levy by an amount equal to the amount levied the preceding year per student times the 13 number of additional students enrolled during the new year.
 - **SECTION 4. AMENDMENT.** Section 15.1-09-48 of the North Dakota Century Code is amended and reenacted as follows:
 - 15.1-09-48. (Effective for the first two taxable years beginning after December 31, 2012) Board of education of city of Fargo Tax collection.
 - The board of education of the city of Fargo may levy taxes within the boundaries of the Fargo public school district and cause the taxes to be collected in the same manner as other city taxes, provided the taxes meet the requirements or limitations of this title and title 57. The business manager of the board of education shall certify the rate for each purpose to the city auditor in time to be added to the annual tax list of the city.
 - 2. The city auditor shall calculate and extend upon the annual assessment roll and tax list any tax levied by the board of education. The tax must be collected in the same manner as other city taxes.
 - 3. If the city council fails to levy any tax for city purposes or fails to cause an assessment roll or tax list to be made, the board of education may make an assessment roll and tax list and submit the roll to the city auditor with a warrant for the collection of the tax. The board of education may cause the tax to be collected in the same manner as other city taxes are collected or as otherwise provided by resolution of the board.

(Effective after the first two taxable years beginning after December 31, 2012) Board							
of educ	of education of city of Fargo - Tax collection. The board of education of the city of Fargo has						
the power to levy taxes within the boundaries of the Fargo public school district and to cause

The legislative council shall change the name of the property tax relief

sustainability fund to the property tax relief fund in the North Dakota Century

1 Code, in its supplements, and in all statutory compilations generated as a result-2 of action by the sixty-third legislative assembly. 3 2. Moneys in the property tax relief fund may be expended pursuant to legislative 4 appropriations for property tax relief programs. 5 3. On or before the third Monday in each January, February, March, April, August, 6 September, October, November, and December, the office of management and budget 7 shall certify to the superintendent of public instruction the amount of the property tax 8 relief fund. The superintendent shall include the amount certified in determining the 9 state aid payments to which each school district is entitled under chapter 15.1-27. 10 **SECTION 11. AMENDMENT.** Section 15.1-30-04 of the North Dakota Century Code is 11 amended and reenacted as follows: 12 15.1-30-04. (Effective for the first two taxable years beginning after December 31, 13 2012) Provision of meals and lodging for high school students - Payment permitted. 14 Instead of providing transportation so that an eligible high school student residing in the 15 district can attend school in another district, a school board may pay a reasonable allowance to 16 the student's parent for costs incurred in the provision of meals and lodging for the student at a 17 location other than the student's residence. 18 (Effective after the first two taxable years beginning after December 31, 2012) 19 Provision of meals and lodging for high school students - Payment permitted - Levy. 20 Instead of providing transportation so that an eligible high school student residing in the district 21 can attend school in another district, a school board may pay a reasonable allowance to the 22 student's parent for costs incurred in the provision of meals and lodging for the student at a 23 location other than the student's residence. A school district that furnishes either transportation-24 or an allowance for the provision of meals and lodging for a student under this section may levy-25 a tax pursuant to subdivision a of subsection 1 of section 57-15-14.2 for this purpose. 26 SECTION 12. AMENDMENT. Section 15.1-36-02 of the North Dakota Century Code is 27 amended and reenacted as follows: 28 15.1-36-02. (Effective through June 30, 2015) School construction projects - Loans. 29 In order to provide school construction loans, the board of university and school lands 30 may authorize the use of:

1 Fifty million dollars, or so much of that amount as may be necessary, from the 2 coal development trust fund, established pursuant to section 21 of article X of the 3 Constitution of North Dakota and subsection 1 of section 57-62-02; and 4 b. One hundred fifty million dollars from the strategic investment and improvements 5 fund, established pursuant to section 15-08.1-08. 6 2. In order to be eligible for a loan under this section, the board of a school district shall: 7 Propose a construction project with a cost of at least one million dollars and an 8 expected utilization of at least thirty years; 9 Obtain the approval of the superintendent of public instruction for the construction b. 10 project under section 15.1-36-01; and 11 Submit to the superintendent of public instruction an application containing all 12 information deemed necessary by the superintendent, including potential 13 alternative sources or methods of financing the construction project. 14 3. If an eligible school district's taxable valuation per student is less than eighty percent 15 of the state average taxable valuation per student, the district is entitled to receive: 16 A school construction loan equal to the lesser of twenty million dollars or ninety 17 percent of the actual project cost; 18 b. An interest rate discount equal to at least one hundred but not more than four 19 hundred basis points below the prevailing tax-free bond rates; and 20 A term of repayment that may extend up to twenty years. 21 4. If an eligible school district's taxable valuation per student is equal to at least eighty 22 percent but less than ninety percent of the state average taxable valuation per 23 student, the district is entitled to receive: 24 a. A school construction loan equal to the lesser of fifteen million dollars or eighty 25 percent of the actual project cost; 26 An interest rate buydown equal to at least one hundred but not more than three b. 27 hundred fifty basis points below the prevailing tax-free bond rates; and 28 A term of repayment that may extend up to twenty years. 29 5. If an eligible school district's taxable valuation per student is equal to at least ninety 30 percent of the state average taxable valuation per student, the district is entitled to 31 receive:

- a. A school construction loan equal to the lesser of ten million dollars or seventy
 percent of the actual project cost;
 - b. An interest rate discount equal to at least one hundred but not more than three hundred basis points below the prevailing tax-free bond rates; and
 - c. A term of repayment that may extend up to twenty years.
 - 6. The board of a school district may submit its loan application to the superintendent of public instruction before or after receiving authorization of a bond issue in accordance with chapter 21-03. If the vote to authorize a bond issue precedes the application for a loan, the application must be acted upon by the superintendent expeditiously but no later than one hundred eighty days from the date it is received by the superintendent.
 - 7. The superintendent of public instruction shall consider each loan application in the order it received approval under section 15.1-36-01.
 - 8. If the superintendent of public instruction approves the loan, the superintendent may determine the loan amount, the term of the loan, and the interest rate, in accordance with the requirements of this section. A school district's interest rate may not be less than one percent, regardless of any rate discount for which the district might otherwise qualify under this section.
 - 9. a. If a school district seeking a loan under this section received an allocation of the oil and gas gross production tax during the previous fiscal year in accordance with chapter 57-51, the board of the district shall provide to the board of university and school lands, and to the state treasurer, its evidence of indebtedness indicating that the loan originated under this section.
 - b. If the evidence of indebtedness is payable solely from the school district's allocation of the oil and gas gross production tax in accordance with section 57-51-15, the loan does not constitute a general obligation of the school district and may not be considered a debt of the district.
 - c. If a loan made to a school district is payable solely from the district's allocation of the oil and gas gross production tax in accordance with section 57-51-15, the terms of the loan must require that the state treasurer withhold the dollar amount or percentage specified in the loan agreement, from each of the district's oil and gas gross production tax allocations, in order to repay the principal and interest of

1		the evidence of indebtedness. The state treasurer shall deposit the amount
2		withheld into the fund from which the loan originated.
3		d. Any evidence of indebtedness executed by the board of a school district under
4		this subsection is a negotiable instrument and not subject to taxation by the state
5		or any political subdivision of the state.
6	10.	For purposes of this section, a "construction project" means the purchase, lease,
7		erection, or improvement of any structure or facility by a school board, provided the
8		acquisition or activity is within a school board's authority.
9	(Eff e	ective after June 30, 2015) School construction projects - Loans.
0	1.	The board of university and school lands may authorize the use of moneys in the coal-
11		development trust fund established pursuant to section 21 of article X of the
2		Constitution of North Dakota and subsection 1 of section 57-62-02 to provide school
3		construction loans, as described in this chapter. The outstanding principal balance of
4		loans under this chapter may not exceed fifty million dollars. The board may adopt
5		policies and rules governing school construction loans.
6	2.	In order to be eligible for a loan under this section, the board of a school district shall:
7		a. Propose a construction project with a cost of at least one million dollars and an
8		expected utilization of at least thirty years;
9		b. Obtain the approval of the superintendent of public instruction for the construction
20		project under section 15.1-36-01; and
21		e. Submit to the superintendent of public instruction an application containing all-
22		information deemed necessary by the superintendent, including potential-
23		alternative sources or methods of financing the construction project.
24	3.	The superintendent of public instruction shall give priority to any district that meets the
25		requirements for receipt of an equity payment under section 15.1-27-11.
26	4.	If an eligible school district's imputed taxable valuation per student is less than eighty-
27		percent of the state average imputed valuation per student, the district is entitled to
28		receive:
29		a. A school construction loan equal to the lesser of twelve million dollars or eighty
RΩ		percent of the actual project cost:

1		b. An interest rate discount equal to at least one hundred but not more than two-
2		hundred fifty basis points below the prevailing tax-free bond rates; and
3		c. A term of repayment that may extend up to twenty years.
4	5.	If an eligible school district's imputed taxable valuation per student is equal to at least
5		eighty percent but less than ninety percent of the state average imputed taxable
6		valuation per student, the district is entitled to receive:
7		a. A school construction loan equal to the lesser of ten million dollars or seventy
8		percent of the actual project cost;
9		b. An interest rate buydown equal to at least one hundred but not more than two-
10		hundred fifty basis points below the prevailing tax-free bond rates; and
11		e. A term of repayment that may extend up to twenty years.
12	6.	If an eligible school district's imputed taxable valuation per student is equal to at least
13		ninety percent of the state average imputed taxable valuation per student, the district-
14		is entitled to receive:
15		a. A school construction loan equal to the lesser of four million dollars or thirty-
16		percent of the actual project cost;
17		b. An interest rate discount equal to at least one hundred but not more than two
18		hundred fifty basis points below the prevailing tax-free bond rates; and
19		c. A term of repayment that may extend up to twenty years.
20	7.	The board of a school district may submit its loan application to the superintendent of
21		public instruction before or after receiving authorization of a bond issue in accordance
22		with chapter 21-03. If the vote to authorize a bond issue precedes the application for a
23		loan, the application must be acted upon by the superintendent expeditiously but no-
24		later than one hundred eighty days from the date it is received by the superintendent.
25	8.	The superintendent of public instruction shall consider each loan application in the
26		order it received approval under section 15.1-36-01.
27	9.	If the superintendent of public instruction approves the loan, the superintendent may
28		determine the loan amount, the term of the loan, and the interest rate, in accordance
29		with the requirements of this section.
30	10.	The superintendent of public instruction may adopt rules governing school-
31		construction loans.

- 1 11. For purposes of this section, a construction project means the purchase, lease,
 2 erection, or improvement of any structure or facility by a school board, provided the
 3 acquisition or activity is within a school board's authority.
- **SECTION 13. AMENDMENT.** Section 40-55-08 of the North Dakota Century Code is amended and reenacted as follows:

- 1 57-15-14.2. A park district may levy a tax annually within the general fund levy authority of 2 section 57-15-12 for the conduct and maintenance of a public recreation system. 3 SECTION 15. AMENDMENT. Section 57-15-01.1 of the North Dakota Century Code is 4 amended and reenacted as follows: 5 57-15-01.1. (Effective for the first two taxable years beginning after December 31, 6 2012) Protection of taxpayers and taxing districts. 7 Each taxing district may levy the lesser of the amount in dollars as certified in the budget of 8 the governing body, or the amount in dollars as allowed in this section, subject to the following: 9 No taxing district may levy more taxes expressed in dollars than the amounts allowed 10 by this section. 11 2. For purposes of this section: 12 "Base year" means the taxing district's taxable year with the highest amount 13 levied in dollars in property taxes of the three taxable years immediately 14 preceding the budget year. For a park district general fund, the "amount levied in 15 dollars in property taxes" is the sum of amounts levied in dollars in property taxes 16 for the general fund under section 57-15-12 including any additional levy 17 approved by the electors, the insurance reserve fund under section 32-12.1-08, 18 the employee health care program under section 40-49-12, the public recreation 19 system under section 40-55-09 including any additional levy approved by the 20 electors, forestry purposes under section 57-15-12.1 except any additional levy 21 approved by the electors, pest control under section 4-33-11, and handicapped 22 person programs and activities under section 57-15-60; 23 "Budget year" means the taxing district's year for which the levy is being-b. 24 determined under this section; 25 "Calculated mill rate" means the mill rate that results from dividing the base year-C. 26 taxes levied by the sum of the taxable value of the taxable property in the base-27 year plus the taxable value of the property exempt by local discretion or 28 charitable status, calculated in the same manner as the taxable property; and
 - d. "Property exempt by local discretion or charitable status" means property
 exempted from taxation as new or expanding businesses under chapter 40-57.1;
 improvements to property under chapter 57-02.2; or buildings belonging to

29

- 1 institutions of public charity, new single-family residential or townhouse or 2 condominium property, property used for early childhood services, or pollution 3 abatement improvements under section 57-02-08. 4 3. A taxing district may elect to levy the amount levied in dollars in the base year. Any 5 levy under this section must be specifically approved by a resolution approved by the 6 governing body of the taxing district. Before determining the levy limitation under this 7 section, the dollar amount levied in the base year must be: 8 Reduced by an amount equal to the sum determined by application of the base 9 year's calculated mill rate for that taxing district to the final base year taxable 10 valuation of any taxable property and property exempt by local discretion or 11 charitable status which is not included in the taxing district for the budget year but 12 was included in the taxing district for the base year. 13 Increased by an amount equal to the sum determined by the application of the b. 14 base year's calculated mill rate for that taxing district to the final budget year 15 taxable valuation of any taxable property or property exempt by local discretion or 16 charitable status which was not included in the taxing district for the base year 17 but which is included in the taxing district for the budget year. 18 C. Reduced to reflect expired temporary mill levy increases authorized by the 19 electors of the taxing district. For purposes of this subdivision, an expired 20 temporary mill levy increase does not include a school district general fund mill 21 rate exceeding one hundred ten mills which has expired or has not received 22 approval of electors for an extension under subsection 2 of section 57-64-03. 23 If the base year is a taxable year before 2013, reduced by the amount of state aid d. 24 under chapter 15.1-27, which is determined by multiplying the budget year 25 taxable valuation of the school district by the lesser of: 26 The base year mill rate of the school district minus sixty mills; or (1) 27 (2) Fifty mills.
 - 4. In addition to any other levy limitation factor under this section, a taxing district may increase its levy in dollars to reflect new or increased mill levies authorized by the legislative assembly or authorized by the electors of the taxing district.

- 5. Under this section a taxing district may supersede any applicable mill levy limitations otherwise provided by law, or a taxing district may levy up to the mill levy limitations otherwise provided by law without reference to this section, but the provisions of this section do not apply to the following:
 - Any irrepealable tax to pay bonded indebtedness levied pursuant to section 16 of article X of the Constitution of North Dakota.
 - b. The one-mill levy for the state medical center authorized by section 10 of article X of the Constitution of North Dakota.
 - 6. A school district choosing to determine its levy authority under this section may apply subsection 3 only to the amount in dollars levied for general fund purposes under section 57-15-14 or, if the levy in the base year included separate general fund and special fund levies under sections 57-15-14 and 57-15-14.2, the school district may apply subsection 3 to the total amount levied in dollars in the base year for both the general fund and special fund accounts. School district levies under any section other than section 57-15-14 may be made within applicable limitations but those levies are not subject to subsection 3.
 - 7. Optional levies under this section may be used by any city or county that has adopted a home rule charter unless the provisions of the charter supersede state laws related to property tax levy limitations.

(Effective after the first two taxable years beginning after December 31, 2012)

Protection of taxpayers and taxing districts. Each taxing district may levy the lesser of the amount in dollars as certified in the budget of the governing body, or the amount in dollars as allowed in this section, subject to the following:

- 1. No taxing district may levy more taxes expressed in dollars than the amounts allowed by this section.
- 2. For purposes of this section:
 - a. "Base year" means the taxing district's taxable year with the highest amount levied in dollars in property taxes of the three taxable years immediately preceding the budget year. For a park district general fund, the "amount levied in dollars in property taxes" is the sum of amounts levied in dollars in property taxes for the general fund under section 57-15-12 including any additional levy-

1 approved by the electors, the insurance reserve fund under section 32-12.1-08, 2 the employee health care program under section 40-49-12, the public recreation 3 system under section 40-55-09 including any additional levy approved by the 4 electors, forestry purposes under section 57-15-12.1 except any additional levy-5 approved by the electors, pest control under section 4-33-11, and handicapped-6 person programs and activities under section 57-15-60; 7 "Budget year" means the taxing district's year for which the levy is being b. 8 determined under this section; 9 "Calculated mill rate" means the mill rate that results from dividing the base year-C. 10 taxes levied by the sum of the taxable value of the taxable property in the base-11 year plus the taxable value of the property exempt by local discretion or 12 charitable status, calculated in the same manner as the taxable property; and 13 "Property exempt by local discretion or charitable status" means property d. 14 exempted from taxation as new or expanding businesses under chapter 40-57.1; 15 improvements to property under chapter 57-02.2; or buildings belonging to 16 institutions of public charity, new single-family residential or townhouse or 17 condominium property, property used for early childhood services, or pollution-18 abatement improvements under section 57-02-08. 19 3. A taxing district may elect to levy the amount levied in dollars in the base year. Any 20 levy under this section must be specifically approved by a resolution approved by the 21 governing body of the taxing district. Before determining the levy limitation under this-22 section, the dollar amount levied in the base year must be: 23 Reduced by an amount equal to the sum determined by application of the base-a. 24 year's calculated mill rate for that taxing district to the final base year taxable 25 valuation of any taxable property and property exempt by local discretion or 26 charitable status which is not included in the taxing district for the budget year but-27 was included in the taxing district for the base year. 28 b. Increased by an amount equal to the sum determined by the application of the 29 base year's calculated mill rate for that taxing district to the final budget year-30 taxable valuation of any taxable property or property exempt by local discretion or

1 charitable status which was not included in the taxing district for the base year-2 but which is included in the taxing district for the budget year. 3 C. Reduced to reflect expired temporary mill levy increases authorized by the 4 electors of the taxing district. For purposes of this subdivision, an expired-5 temporary mill levy increase does not include a school district general fund mill-6 rate exceeding one hundred ten mills which has expired or has not received-7 approval of electors for an extension under subsection 2 of section 57-64-03. 8 Increased, for a school district determining its levy limitation under this section, d. 9 by the amount the school district's mill levy reduction grant under section-10 57-64-02 for the base year exceeds the amount of the school district's mill levy-11 reduction grant under section 57-64-02 for the budget year. 12 Reduced for a school district determining its levy limitation under this section, by 13 the amount the school district's mill levy reduction grant under section 57-64-02 14 for the budget year exceeds the amount of the school district's mill levy reduction-15 grant under section 57-64-02 for the base year. 16 4. In addition to any other levy limitation factor under this section, a taxing district may 17 increase its levy in dollars to reflect new or increased mill levies authorized by the 18 legislative assembly or authorized by the electors of the taxing district. 19 5. Under this section a taxing district may supersede any applicable mill levy limitations 20 otherwise provided by law, or a taxing district may levy up to the mill levy limitations 21 otherwise provided by law without reference to this section, but the provisions of this-22 section do not apply to the following: 23 Any irrepealable tax to pay bonded indebtedness levied pursuant to section 16 of a. 24 article X of the Constitution of North Dakota. 25 b. The one-mill levy for the state medical center authorized by section 10 of article X-26 of the Constitution of North Dakota. 27 6. A school district choosing to determine its levy authority under this section may apply 28 subsection 3 only to the amount in dollars levied for general fund purposes under 29 section 57-15-14 or, if the levy in the base year included separate general fund and 30 special fund levies under sections 57-15-14 and 57-15-14.2, the school district may 31 apply subsection 3 to the total amount levied in dollars in the base year for both the

1 general fund and special fund accounts. School district levies under any section other-2 than section 57-15-14 may be made within applicable limitations but those levies are 3 not subject to subsection 3. 4 7. Optional levies under this section may be used by any city or county that has adopted 5 a home rule charter unless the provisions of the charter supersede state laws related-6 to property tax levy limitations. 7 SECTION 16. AMENDMENT. Section 57-15-14 of the North Dakota Century Code is 8 amended and reenacted as follows: 9 57-15-14. (Effective for the first two taxable years beginning after December 31, 2012) 10 Voter approval of excess levies in school districts. 11 Unless authorized by the electors of the school district in accordance with this section, 12 a school district may not impose greater levies than those permitted under section 13 57-15-14.2. 14 In any school district having a total population in excess of four thousand a. 15 according to the last federal decennial census there may be levied any specific 16 number of mills that upon resolution of the school board has been submitted to 17 and approved by a majority of the qualified electors voting upon the question at 18 any regular or special school district election. 19 b. In any school district having a total population of fewer than four thousand, there 20 may be levied any specific number of mills that upon resolution of the school 21 board has been approved by fifty-five percent of the qualified electors voting 22 upon the question at any regular or special school election. 23 After June 30, 2009, in any school district election for approval by electors of C. 24 increased levy authority under subsection 1 or 2, the ballot must specify the 25 number of mills proposed for approval, and the number of taxable years for which 26 that approval is to apply. After June 30, 2009, approval by electors of increased 27 levy authority under subsection 1 or 2 may not be effective for more than ten 28 taxable years. 29 The authority for a levy of up to a specific number of mills under this section d. 30 approved by electors of a school district before July 1, 2009, is terminated

effective for taxable years after 2015. If the electors of a school district subject to

1 this subsection have not approved a levy for taxable years after 2015 of up to a 2 specific number of mills under this section by December 31, 2015, the school 3 district levy limitation for subsequent years is subject to the limitations under 4 section 57-15-01.1 or this section. 5 For taxable years beginning after 2012: e. 6 The authority for a levy of up to a specific number of mills, approved by 7 electors of a school district for any period of time that includes a taxable 8 year before 2009, must be reduced by one hundred fifteen mills as a 9 precondition of receiving state aid in accordance with chapter 15.1-27. 10 (2) The authority for a levy of up to a specific number of mills, approved by 11 electors of a school district for any period of time that does not include a 12 taxable year before 2009, must be reduced by forty mills as a precondition 13 of receiving state aid in accordance with chapter 15.1-27. 14 The authority for a levy of up to a specific number of mills, placed on the (3) 15 ballot in a school district election for electoral approval of increased levy 16 authority under subdivision a or b, after June 30, 2013, must be stated as a 17 specific number of mills of general fund levy authority and must include a 18 statement that the statutory school district general fund levy limitation is 19 seventy mills on the dollar of the taxable valuation of the school district. 20 The authority for an unlimited levy approved by electors of a school district before f. 21 July 1, 2009, is terminated effective for taxable years after 2015. If the electors of 22 a school district subject to this subsection have not approved a levy of up to a 23 specific number of mills under this section by December 31, 2015, the school 24 district levy limitation for subsequent years is subject to the limitations under 25 section 57-15-01.1 or this section. 26 2. The question of authorizing or discontinuing such specific number of mills a. 27 authority in any school district must be submitted to the qualified electors at the 28 next regular election upon resolution of the school board or upon the filing with

the school board of a petition containing the signatures of qualified electors of the

district equal in number to ten percent of the number of electors who cast votes in

31

1 the most recent election in the school district. No fewer than twenty-five 2 signatures are required. 3 b. The approval of discontinuing such authority does not affect the tax levy in the 4 calendar year in which the election is held. 5 The election must be held in the same manner and subject to the same C. 6 conditions as provided in this section for the first election upon the question of 7 authorizing the mill levy. 8 1. In any school district having a total population in excess of four thousand according to 9 the last federal decennial census there may be levied any specific number of mills that 10 upon resolution of the school board has been submitted to and approved by a majority-11 of the qualified electors voting upon the question at any regular or special school-12 district election. 13 In any school district having a total population of fewer than four thousand, there may 14 be levied any specific number of mills that upon resolution of the school board has 15 been approved by fifty-five percent of the qualified electors voting upon the question at 16 any regular or special school election. 17 After June 30, 2009, in any school district election for approval by electors of 18 increased levy authority under subsection 1 or 2, the ballot must specify the number of 19 mills proposed for approval, and the number of taxable years for which that approval is 20 to apply. After June 30, 2009, approval by electors of increased levy authority under-21 subsection 1 or 2 may not be effective for more than ten taxable years. 22 The authority for a levy of up to a specific number of mills under this section approved 4. 23 by electors of a school district before July 1, 2009, is terminated effective for taxable 24 years after 2015. If the electors of a school district subject to this subsection have not 25 approved a levy for taxable years after 2015 of up to a specific number of mills under-26 this section by December 31, 2015, the school district levy limitation for subsequent 27 years is subject to the limitations under section 57-15-01.1 or this section. 28 The authority for an unlimited levy approved by electors of a school district before 29 July 1, 2009, is terminated effective for taxable years after 2015. If the electors of a

school district subject to this subsection have not approved a levy of up to a specific

number of mills under this section by December 31, 2015, the school district levy-

limitation for subsequent years is subject to the limitations under section 57-15-01.1 or
 this section.

The question of authorizing or discontinuing such specific number of mills authority in any school district must be submitted to the qualified electors at the next regular election upon resolution of the school board or upon the filing with the school board of a petition containing the signatures of qualified electors of the district equal in number to ten percent of the number of electors who cast votes in the most recent election in the school district. However, not fewer than twenty-five signatures are required. However, the approval of discontinuing such authority does not affect the tax levy in the calendar year in which the election is held. The election must be held in the same manner and subject to the same conditions as provided in this section for the first election upon the question of authorizing the mill levy.

SECTION 17. AMENDMENT. Section 57-15-14.2 of the North Dakota Century Code is amended and reenacted as follows:

57-15-14.2. (Effective for the first two taxable years beginning after December 31, 2012) School district levies.

- 1. For taxable years after 2013, the board of a school district may levy a tax not exceeding the amount in dollars that the school district levied for the prior year, plus twelve percent, up to a levy of seventy mills on the taxable valuation of the district, for any purpose related to the provision of educational services. The proceeds of this levy must be deposited into the school district's general fund and used in accordance with this subsection. The proceeds may not be transferred into any other fund.
- 2. For taxable years after 2013, the board of a school district may levy no more than twelve mills on the taxable valuation of the district, for miscellaneous purposes and expenses. The proceeds of this levy must be deposited into a special fund known as the miscellaneous fund and used in accordance with this subsection. The proceeds may not be transferred into any other fund.
- 3. The board of a school district may levy no more than three mills on the taxable valuation of the district for deposit into a special reserve fund, in accordance with chapter 57-19.
- 4. The board of a school district may levy no more than the number of mills necessary, on the taxable valuation of the district, for the payment of tuition, in accordance with

1 section 15.1-29-15. The proceeds of this levy must be deposited into a special fund 2 known as the tuition fund and used in accordance with this subsection. The proceeds 3 may not be transferred into any other fund. 4 Nothing in this section limits the board of a school district from levying: 5. 5 Mills for a building fund, as permitted in sections 15.1-09-49 and 57-15-16; and a. 6 b. Mills necessary to pay principal and interest on the bonded debt of the district, 7 including the mills necessary to pay principal and interest on any bonded debt 8 incurred under section 57-15-17.1 before July 1, 2013. 9 For the taxable year 2013 only, the board of a school district may levy, for the 10 purposes described in subsections 1 and 2, a tax not exceeding the amount in dollars 11 determined under this subsection, plus twelve percent, up to a combined levy of 12 eighty-two mills. For purposes of this subsection, the allowable increase in dollars is 13 determined by multiplying the 2013 taxable valuation of the district by the sum of sixty-14 mills plus the number of mills levied in 2012 for miscellaneous expenses under-15 sections 57-15-14.5 and 57-15-17.1. 16 (Effective after the first two taxable years beginning after December 31, 2012) Mill-17 levies requiring board action - Proceeds to general fund account. 18 A school board of any school district may levy an amount sufficient to cover general-19 expenses, including the costs of the following: 20 Board and lodging for high school students as provided in section 15.1-30-04. a. 21 b. The teachers' retirement fund as provided in section 15-39.1-28. 22 Tuition for students in grades seven through twelve as provided in section-С. 23 15.1-29-15. 24 d. Special education program as provided in section 15.1-32-20. 25 The establishment and maintenance of an insurance reserve fund for insurance е. 26 purposes as provided in section 32-12.1-08. 27 f. A final judgment obtained against a school district. 28 The district's share of contribution to the old-age survivors' fund and matching-g. 29 contribution for the social security fund as provided by chapter 52-09 and to 30 provide the district's share of contribution to the old-age survivors' fund and

1 matching contribution for the social security fund for contracted employees of a 2 multidistrict special education board. 3 h. The rental or leasing of buildings, property, or classroom space. Minimum state 4 standards for health and safety applicable to school building construction shall-5 apply to any rented or leased buildings, property, or classroom space. 6 į. Unemployment compensation benefits. 7 The removal of asbestos substances from school buildings or the abatement of į. 8 asbestos substances in school buildings under any method approved by the 9 United States environmental protection agency and any repair, replacement, or 10 remodeling that results from such removal or abatement, any remodeling-11 required to meet specifications set by the Americans with Disabilities Act-12 accessibility guidelines for buildings and facilities as contained in the appendix to-13 28 CFR 36, any remodeling required to meet requirements set by the state fire-14 marshal during the inspection of a public school, and for providing an alternative 15 education program as provided in section 57-15-17.1. 16 k. Participating in cooperative career and technical education programs approved 17 by the state board. 18 ŀ. Maintaining a career and technical education program approved by the state-19 board and established only for that school district. 20 Paying the cost of purchasing, contracting, operating, and maintaining m. 21 schoolbuses. 22 Establishing and maintaining school library services. n. 23 Equipping schoolbuses with two-way communications and central station θ. 24 equipment and providing for the installation and maintenance of such equipment. 25 Establishing free public kindergartens in connection with the public schools of the p. 26 district for the instruction of resident children below school age during the regular-27 school term. 28 Establishing, maintaining, and conducting a public recreation system. q. 29 The district's share of contribution to finance an interdistrict cooperative r. 30 agreement authorized by section 15.1-09-40.

(4)

1 This limitation does not apply to mill levies pursuant to subdivisions a, c, f, and j of 2 subsection 1. If a school district maintained a levy to finance either its participation in a 3 cooperative career and technical education program or its sponsorship of 4 single-district career and technical education programs prior to July 1, 1983, and the 5 district discontinues its participation in or sponsorship of those career and technical-6 education programs, that district must reduce the proposed aggregated expenditure-7 amount for which its general fund levy is used by the dollar amount raised by its prior-8 levy for the funding of those programs. 9 All proceeds of any levy established pursuant to this section must be placed in the 10 school district's general fund account and may be expended to achieve the purposes-11 for which the taxes authorized by this section are levied. Proceeds from levies-12 established pursuant to this section and funds provided to school districts pursuant to 13 chapter 15.1-27 may not be transferred to the building fund within the school district. 14 SECTION 18.
