Committee: Judiciary

- 1 A BILL FOR AN ACT relating to courts; to state intent relating to the
- 2 establishment of a family court pilot project.
- 3 Be it enacted by the people of the State of Nebraska,

1 Section 1. (1) The Legislature finds and declares that family court
2 programs are effective in keeping families who participate in and
3 complete such programs together. The Legislature recognizes that a family
4 court program offers participants an alternative to traditional judicial
5 proceedings.

6 (2) It is the intent of the Legislature that the Supreme Court
7 establish a pilot project to create a family court program in Douglas
8 County. The pilot project shall be subject to rules of the Supreme Court
9 for procedures to be implemented for the administration of the family
10 court program.
