EXPLANATION – Matter in *bolded italics* is new; matter between brackets [omitted material] is material to be omitted.

AN ACT relating to education; revising provisions relating to education savings accounts; making an appropriation; and providing other matters properly relating thereto.

**Legislative Counsel’s Digest:**

1 Senate Bill 302 (S.B. 302) of the 78th Session of the Nevada Legislature  
2 established the education savings accounts program, pursuant to which grants of  
3 money are made to certain parents on behalf of their children to defray the cost of  
4 instruction outside the public school system. (Chapter 332, Statutes of Nevada  
5 2015, p. 1824; NRS 353B.700-353B.930) Following a legal challenge of S.B. 302,  
6 the Nevada Supreme Court held in *Schwartz v. Lopez*, 132 Nev. Adv. Op. 73, 382  
7 P.3d 886 (2016), that the legislation was valid under Section 2 of Article 11 of the  
8 Nevada Constitution, which requires a uniform system of common schools, and  
9 under Section 10 of Article 11 of the Nevada Constitution, which prohibits the use  
10 of public money for a sectarian purpose. However, the Nevada Supreme Court  
11 found that the Legislature did not make an appropriation for the support of the  
12 education savings accounts program and held that the use of any money  
13 appropriated for K-12 public education for the education savings accounts program  
14 would violate Sections 2 and 6 of Article 11 of the Nevada Constitution. The Court  
15 enjoined the enforcement of section 16 of S.B. 302, which amended NRS 387.124  
16 to require that all money deposited in education savings accounts be subtracted  
17 from each school district’s quarterly apportionments from the State Distributive  
18 School Account.

19 In response to the *Schwartz* decision, **section 3** of this bill appropriates money  
20 to fund the operation of the education savings accounts program for the 2019-2021  
21 biennium. **Section 2** of this bill removes the provisions which were enjoined by the  
22 Nevada Supreme Court in *Schwartz*. **Section 4** of this bill prescribes a reapplication  
23 process for persons who applied for the establishment of education savings

24 accounts on behalf of their children before July 1, 2019, to qualify for education  
25 savings accounts for the 2019-2020 school year.

26 With certain exceptions, to be eligible for an education savings account under  
27 existing law, a child is required to have been enrolled in a public school in this  
28 State during the period immediately preceding the establishment of the education  
29 savings account for not less than 100 school days without interruption. (NRS  
30 353B.850) **Section 1** of this bill changes that required period of enrollment to one  
31 quarter of the school year, effective July 1, 2019.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN  
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1 **Section 1.** NRS 353B.850 is hereby amended to read as  
2 follows:

3 353B.850 1. Except as otherwise provided in subsection 10,  
4 the parent of any child required by NRS 392.040 to attend a public  
5 school who has been enrolled in a public school in this State during  
6 the period immediately preceding the establishment of an education  
7 savings account pursuant to this section for not less than ~~[100 school~~  
8 ~~days without interruption]~~ *one quarter of the school year, or if the*  
9 *child has been enrolled in a public school in this State that uses a*  
10 *system of enrollment other than quarters, for a number of school*  
11 *days equivalent to one quarter of public school,* may establish an  
12 education savings account for the child by entering into a written  
13 agreement with the State Treasurer, in a manner and on a form  
14 provided by the State Treasurer. The agreement must provide that:

15 (a) The child will receive instruction in this State from a  
16 participating entity for the school year for which the agreement  
17 applies;

18 (b) The child will receive a grant, in the form of money  
19 deposited pursuant to NRS 353B.860 in the education savings  
20 account established for the child pursuant to subsection 2;

21 (c) The money in the education savings account established for  
22 the child must be expended only as authorized by NRS 353B.870;  
23 and

24 (d) The State Treasurer will freeze money in the education  
25 savings account during any break in the school year, including any  
26 break between school years.

27 2. If an agreement is entered into pursuant to subsection 1, an  
28 education savings account must be established by the parent on  
29 behalf of the child. The account must be maintained with a financial  
30 management firm qualified by the State Treasurer pursuant to  
31 NRS 353B.880.

32 3. The failure to enter into an agreement pursuant to subsection  
33 1 for any school year for which a child is required by NRS 392.040

1 to attend a public school does not preclude the parent of the child  
2 from entering into an agreement for a subsequent school year.

3 4. An agreement entered into pursuant to subsection 1 is valid  
4 for 1 school year but may be terminated early. If the agreement is  
5 terminated early, the child may not receive instruction from a public  
6 school in this State until the end of the period for which the last  
7 deposit was made into the education savings account pursuant to  
8 NRS 353B.860, except to the extent the pupil was allowed to  
9 receive instruction from a public school under the agreement.

10 5. An agreement terminates automatically if the child no longer  
11 resides in this State. In such a case, any money remaining in the  
12 education savings account of the child reverts to the State General  
13 Fund.

14 6. An agreement may be renewed for any school year for  
15 which the child is required by NRS 392.040 to attend a public  
16 school. The failure to renew an agreement for any school year does  
17 not preclude the parent of the child from renewing the agreement for  
18 any subsequent school year.

19 7. A parent may enter into a separate agreement pursuant to  
20 subsection 1 for each child of the parent. Not more than one  
21 education savings account may be established for a child.

22 8. Except as otherwise provided in subsection 10, the State  
23 Treasurer shall enter into or renew an agreement pursuant to this  
24 section with any parent of a child required by NRS 392.040 to  
25 attend a public school who applies to the State Treasurer in the  
26 manner provided by the State Treasurer. The State Treasurer shall  
27 make the application available on the Internet website of the State  
28 Treasurer.

29 9. Upon entering into or renewing an agreement pursuant to  
30 this section, the State Treasurer shall provide to the parent who  
31 enters into or renews the agreement a written explanation of the  
32 authorized uses, pursuant to NRS 353B.870, of the money in an  
33 education savings account and the responsibilities of the parent and  
34 the State Treasurer pursuant to the agreement and NRS 353B.700 to  
35 353B.930, inclusive.

36 10. A parent may not establish an education savings account  
37 for a child who will be homeschooled, who will receive instruction  
38 outside this State or who will remain enrolled full-time in a public  
39 school, regardless of whether such a child receives instruction from  
40 a participating entity. A parent may establish an education savings  
41 account for a child who receives a portion of his or her instruction  
42 from a public school and a portion of his or her instruction from a  
43 participating entity.

1       **Sec. 2.** NRS 387.124 is hereby amended to read as follows:  
2       387.124 Except as otherwise provided in this section and NRS  
3 387.1241, 387.1242 and 387.528:

4       1. On or before August 1, November 1, February 1 and May 1  
5 of each year, the Superintendent of Public Instruction shall  
6 apportion the State Distributive School Account in the State General  
7 Fund among the several county school districts, charter schools and  
8 university schools for profoundly gifted pupils in amounts  
9 approximating one-fourth of their respective yearly apportionments  
10 less any amount set aside as a reserve. Except as otherwise provided  
11 in NRS 387.1244, the apportionment to a school district, computed  
12 on a yearly basis, equals the difference between the basic support  
13 and the local funds available pursuant to NRS 387.163, minus all  
14 the funds attributable to pupils who reside in the county but attend a  
15 charter school, all the funds attributable to pupils who reside in the  
16 county and are enrolled full-time or part-time in a program of  
17 distance education provided by another school district or a charter  
18 school ~~and~~ *and* all the funds attributable to pupils who are enrolled in  
19 a university school for profoundly gifted pupils located in the  
20 county . ~~[and all the funds deposited in education savings accounts  
21 established on behalf of children who reside in the county pursuant  
22 to NRS 353B.700 to 353B.930, inclusive.]~~ No apportionment may  
23 be made to a school district if the amount of the local funds exceeds  
24 the amount of basic support.

25       2. Except as otherwise provided in NRS 387.1244, in addition  
26 to the apportionments made pursuant to this section, if a pupil is  
27 enrolled part-time in a program of distance education and part-time  
28 in a:

29       (a) Public school other than a charter school, an apportionment  
30 must be made to the school district in which the pupil resides. The  
31 school district in which the pupil resides shall allocate a percentage  
32 of the apportionment to the school district or charter school that  
33 provides the program of distance education in the amount set forth  
34 in the agreement entered into pursuant to NRS 388.854.

35       (b) Charter school, an apportionment must be made to the  
36 charter school in which the pupil is enrolled. The charter school in  
37 which the pupil is enrolled shall allocate a percentage of the  
38 apportionment to the school district or charter school that provides  
39 the program of distance education in the amount set forth in the  
40 agreement entered into pursuant to NRS 388.858.

41       3. The Superintendent of Public Instruction shall apportion, on  
42 or before August 1 of each year, the money designated as the  
43 "Nutrition State Match" pursuant to NRS 387.105 to those school  
44 districts that participate in the National School Lunch Program, 42  
45 U.S.C. §§ 1751 et seq. The apportionment to a school district must

1 be directly related to the district’s reimbursements for the Program  
2 as compared with the total amount of reimbursements for all school  
3 districts in this State that participate in the Program.

4 4. If the State Controller finds that such an action is needed to  
5 maintain the balance in the State General Fund at a level sufficient  
6 to pay the other appropriations from it, the State Controller may pay  
7 out the apportionments monthly, each approximately one-twelfth of  
8 the yearly apportionment less any amount set aside as a reserve. If  
9 such action is needed, the State Controller shall submit a report to  
10 the Office of Finance and the Fiscal Analysis Division of the  
11 Legislative Counsel Bureau documenting reasons for the action.

12 **Sec. 3.** 1. There is hereby appropriated from the State  
13 General Fund to the State Treasurer for the purpose of carrying out  
14 the education savings account program pursuant to NRS 353B.700  
15 to 353B.930, inclusive, the following sums:

16	For the Fiscal Year 2019-2020 .....	\$24,276,354
17	For the Fiscal Year 2020-2021 .....	\$34,108,556

18 2. The sums appropriated by subsection 1 are available for  
19 either fiscal year. Any remaining balance of those sums must not be  
20 committed for expenditure after June 30, 2021, by the entity to  
21 which the appropriation is made or any entity to which money from  
22 the appropriation is granted or otherwise transferred in any manner,  
23 and any portion of the appropriated money remaining must not be  
24 spent for any purpose after September 17, 2021, by either the entity  
25 to which the money was appropriated or the entity to which the  
26 money was subsequently granted or transferred, and must be  
27 reverted to the State General Fund on or before September 17, 2021.

28 **Sec. 4.** 1. In addition to the application form prescribed for  
29 the purposes of NAC 353B.785, the State Treasurer shall prescribe  
30 an abbreviated reapplication form to be used by a person who  
31 submitted an application to establish an education savings account  
32 before July 1, 2019, to determine whether the person’s child is  
33 eligible for the establishment of an education savings account for  
34 the 2019-2020 school year. If the child met the requirement of 100  
35 days of attendance at a public school in this State set forth in NRS  
36 353B.850 as that section existed before July 1, 2019, or was  
37 otherwise exempt from that requirement at the time of the original  
38 application for the establishment of an education savings account for  
39 that child, the child shall be deemed to have met that requirement  
40 for purposes of eligibility for the establishment of an education  
41 savings account for the 2019-2020 school year. A reapplication  
42 form must be submitted to the State Treasurer by August 1, 2019.  
43 The State Treasurer shall post information regarding the  
44 reapplication process on the Internet website of the State Treasurer  
45 within 10 business days after the effective date of this section.

1       2. The State Treasurer shall fund education savings accounts  
2 established for the 2019-2020 school year commencing with the  
3 education savings accounts established pursuant to the reapplication  
4 forms submitted in accordance with subsection 1 and approved by  
5 the State Treasurer, in the order in which the original applications  
6 for the establishment of education savings accounts that correspond  
7 to those reapplication forms were submitted before July 1, 2019.

8       3. The State Treasurer shall only fund education savings  
9 accounts established pursuant to the reapplication forms submitted  
10 in accordance with subsection 1 and approved by the State Treasurer  
11 with the money appropriated pursuant to section 3 of this act  
12 prospectively, commencing with the 2019-2020 school year.

13       4. As used in this section, "education savings account" has the  
14 meaning ascribed to it in NRS 353B.710.

15       **Sec. 5.** 1. This section and section 4 of this act become  
16 effective upon passage and approval.

17       2. Sections 1, 2 and 3 of this act become effective on July 1,  
18 2019.
