EXPLANATION – Matter in *bolded italics* is new; matter between brackets [omitted material] is material to be omitted.

AN ACT relating to affordable housing; creating the Advisory Committee on Housing; prescribing the membership, powers and duties of the Advisory Committee; authorizing the Advisory Committee to request the drafting of not more than 1 legislative measure for each regular session of the Legislature; creating the Private Activity Bond Council; prescribing the membership, powers and duties of the Council; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

1 Under the law as it existed between 1987 and 2017, there existed in the
2 Housing Division of the Department of Business and Industry an Advisory
3 Committee on Housing with the power and duty to review and provide to the
4 Director of the Department and the Administrator of the Division advice,
5 recommendations and other commentary regarding certain matters relating to
6 housing. (former NRS 319.173) The Advisory Committee was abolished in 2017.
7 **Section 1** of this bill recreates the Advisory Committee and revises its membership,
8 powers and duties. Among other duties, **section 1** requires the Advisory Committee
9 to annually prepare and submit to the Private Activity Bond Council created by
10 **section 3** of this bill a report concerning housing that addresses, without limitation,
11 community needs for housing in the State, housing trends and housing goals for this
12 State.
13 Existing law prescribes the number of legislative measures which may be
14 requested by various departments, agencies and other entities of this State for each
15 regular session of the Legislature. (NRS 218D.100-218D.220) **Section 1.5** of this
16 bill authorizes the Advisory Committee on Housing to request for each regular
17 session of the Legislature the drafting of not more than one legislative measure
18 which relates to matters within the scope of the Committee.

19 Under the Internal Revenue Code, states and local governments are allowed to
20 finance certain projects that primarily benefit or are used by a private entity, but
21 have some public benefit, through the issuance of bonds known as private activity
22 bonds. If the bonds are issued for certain private activities specified in federal law,
23 known as qualified private activities, the bondholders are not required to pay
24 federal income taxes on the interest that the bondholders earn on the bonds. (26
25 U.S.C. §§ 103, 141) Examples of qualified private activities include multifamily
26 rental projects, airports and student loans. (26 U.S.C. §§ 142-145, 1394) For some
27 of those qualified private activities, federal law places an annual limit on the total
28 dollar amount of tax-exempt private activity bonds that can be issued in each state,
29 which is known as the “state ceiling.” In 2018, for example, Nevada’s state ceiling
30 was roughly \$315 million. Each state is authorized to allocate its state ceiling
31 among state and local governmental agencies and other authorized issuers. An
32 allocation of the state ceiling to an issuer is known as the issuer’s “volume cap.”
33 (26 U.S.C. § 146) Under existing law, the volume cap for State Government is 50
34 percent of the state ceiling for each calendar year, while the remaining 50 percent
35 of the state ceiling is allocated to local governments in proportion to the percentage
36 that the population of the local government bears to the entire population of
37 Nevada. Existing law also provides that an entity’s volume cap for any calendar
38 year may be augmented or diminished in accordance with regulations adopted by
39 the Director of the Department of Business and Industry. (NRS 348A.020)

40 Under existing law, the Director of the Department of Business and Industry is
41 responsible for regulating private activity bonds in this State. (NRS 348A.040)
42 Existing regulations establish a committee to serve in an advisory capacity to the
43 Director with respect to private activity bonds. (NAC 348A.280) **Section 3** creates
44 in statute the Private Activity Bond Council and prescribes its membership. **Section**
45 **4** of this bill requires the Council to advise the Governor, the State Board of
46 Finance or the Director on the allocation of the state ceiling for the issuance of
47 private activity bonds during any calendar year and on any other matter concerning
48 private activity bonds, if requested. Finally, **section 4** requires the Council to
49 receive and consider the annual report concerning housing submitted by the
50 Advisory Committee on Housing, created by **section 1**.
