CHAPTER.....

AN ACT relating to irrigation districts; authorizing the trustee or trustees to designate a beneficiary of a trust to vote in certain elections, sign certain petitions and run for certain offices of an irrigation district; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law provides that a person who holds title to land within an irrigation district has the right to: (1) vote at an election of the district; (2) sign a petition related to the district; and (3) hold office on the board directors of the district. If land within an irrigation district is held in trust, the trustee may exercise these rights or, if there are multiple trustees, the trustees must designate one of the trustees to exercise these rights. (NRS 539.123, 539.553) **Sections 1 and 2** of this bill authorize such a trustee or trustees, as applicable, to instead designate a beneficiary of the trust to exercise these rights.
