Legislative Counsel’s Digest:

This bill provides for the creation of the Volens et Potens Investment Fund (“volens et potens” is a Latin phrase that means “willing and able”), the purpose of which is to make venture capital investments in businesses located or seeking to locate in this State. This bill further authorizes the Office of Economic Development to approve tax credits for entities that make contributions of money to the Volens et Potens Infrastructure Board, and requires the Board to use those contributions for certain purposes related to the Fund.

Section 8 of this bill creates the Volens et Potens Committee, consisting of the following members: (1) the Executive Director of the Office of Economic Development; (2) one representative from each of the regional development authorities from the two largest counties in the State (currently Clark and Washoe Counties); and (3) two people, appointed by the Governor, who are experts in the fields of investment or venture capital. Section 9 of this bill requires the Committee to cause the formation of a nonprofit corporation governed by the Volens et Potens Infrastructure Board described in section 10 of this bill. The purpose of the nonprofit corporation is to act as a limited partner in a limited partnership that

17 makes venture capital investments in companies located in this State or seeking to  
18 locate in this State. The limited partnership must be known as the Volens et Potens  
19 Investment Fund. **Section 9** requires the Committee to solicit and select two entities  
20 that would act as general partners of the Fund. **Section 9** requires each general  
21 partner to contribute \$1,500,000 to the Fund. **Section 9** further requires the  
22 Committee to adopt regulations: (1) establishing an application procedure to be  
23 named a general partner of the Fund; (2) providing for the compensation of the  
24 general partners of the Fund; (3) creating mentorship programs to promote, aid and  
25 encourage small businesses that would be candidates to receive investments from  
26 the Fund; and (4) establishing certain investment standards for the Fund.

27 **Section 11** of this bill authorizes the Office of Economic Development to  
28 approve applications for tax credits by persons who contribute money to the Volens  
29 et Potens Infrastructure Board in an amount equal to the person's contribution to  
30 the Board. **Section 11** authorizes such a credit to be applied to: (1) the modified  
31 business tax; (2) the commerce tax; (3) the gaming license fee; (4) the insurance  
32 premium tax; or (5) any combination thereof. **Section 11** also limits the amount of  
33 tax credits that can be approved by the Office to \$7,500,000 for Fiscal Year 2019-  
34 2020 and \$7,500,000 for Fiscal Year 2020-2021. **Section 10** requires the Volens et  
35 Potens Infrastructure Board to use the money contributed to the Board by persons  
36 in exchange for the tax credit provided for in **section 11** to: (1) pay for the  
37 administration or management of the Fund; (2) administer the mentorship programs  
38 established by the Committee pursuant to **section 9**; and (3) invest in businesses in
