5           (o) All other property, 3 years after the owner's right to demand  
6 the property or after the obligation to pay or distribute the property  
7 arises, whichever first occurs.

8           2. At the time that an interest is presumed abandoned under  
9 subsection 1, any other property right accrued or accruing to the  
10 owner as a result of the interest, and not previously presumed  
11 abandoned, is also presumed abandoned.

12           3. Property is unclaimed if, for the applicable period set forth  
13 in subsection 1 or 7, as applicable, the apparent owner has not  
14 communicated, in writing or by other means reflected in a  
15 contemporaneous record prepared by or on behalf of the holder,  
16 with the holder concerning the property or the account in which the  
17 property is held and has not otherwise indicated an interest in the  
18 property. A communication with an owner by a person other than  
19 the holder or its representative who has not in writing identified the  
20 property to the owner is not an indication of interest in the property  
21 by the owner.

22           4. An indication of an owner's interest in property includes:

23           (a) The presentment of a check or other instrument of payment

30 is held, including a direction by the owner to increase, decrease or  
31 change the amount or type of property held in the account;

33 account; and

34           (d) The payment of a premium with respect to a property interest  
35 in an insurance policy, but the application of an automatic premium  
36 loan provision or other nonforfeiture provision contained in an  
37 insurance policy does not prevent a policy from maturing or  
38 terminating if the insured has died or the insured or the beneficiary  
39 of the policy has otherwise become entitled to the proceeds before  
40 the depletion of the cash surrender value of a policy by the  
41 application of those provisions.

42           5. Property is payable or distributable for purposes of this  
43 chapter notwithstanding the owner's failure to make demand or  
44 present an instrument or document otherwise required to obtain  
45 payment.

1 6. The following property clearly designated as such must not  
2 be presumed abandoned because of inactivity or failure to make a  
3 demand:

- 4 (a) An account or asset managed through a guardianship;
- 5 (b) An account blocked at the direction of a court;
- 6 (c) A trust account established to address a special need;
- 7 (d) A qualified income trust account;
- 8 (e) A trust account established for tuition purposes; *and*
- 9 (f) A trust account established on behalf of a client . ~~}; and~~

10 ~~—(g) An account or fund established to meet the costs of burial.]~~

11 7. For property described in paragraphs (c) to (f), inclusive,  
12 and ~~[(n)]~~ (o) of subsection 1, the 3-year period described in each of  
13 those paragraphs must be reduced to a 2-year period if the holder of  
14 the property reported more than \$10 million in property presumed  
15 abandoned on the holder's most recent report of abandoned property  
16 made pursuant to NRS 120A.560.

18 120A.560 1. A holder of property presumed abandoned shall  
19 make a report to the Administrator concerning the property.

20 2. *A holder may contract with a third party, including,*  
21 *without limitation, a transfer agent, to make the report required by*  
22 *subsection 1.*

23 3. *Whether or not a holder contracts with a third party*
